Stan Shuck, Vice-Chair of UAW 2256, expressed his concern that the City of Lansing is laying off several seasonal workers including those who mow lawns stating that is a violation of the mowing agreement between the City and Ingham County. In addition, it is his understanding that the City of Lansing is considering a contract with a company located in Detroit to mow lawns at a reduced rate. He also expressed his concern that the City of Lansing is allowing Jackson County inmates who have been convicted of operating a meth lab to work in the local parks. Mr. Shuck is worried about the safety of his grandchildren and other children.

Mr. Dravenstatt-Moceri provided the Committee with the Road Commission’s “Resolution #017-12”. He read the following: Now Therefore Be It Resolved by the “Board” that “ICRC” policy from this day forward shall be that the Managing Director shall oversee personnel management functions of employment interviewing and selection, training, assigning job duties, scheduling and evaluating job performance, and discipline and discharge of all “ICRC”
subordinate staff, including department directors, incompliance with applicable laws and board policies. Mr. Dravenstatt-Moceri asked the Commissioners to allow the Road Commission to remain for one year then re-evaluate their performance.

ACTION ITEMS
The Controller recommends approval of the following action items:

2(a). Fair Board - Resolution to Amend the Ingham County Fair Board By-Laws Article II, Section VII
Executive Director (Aka Fair Manager) Duties and Responsibilities.

In December, 2011 the Board of Commissioners authorized a contract with Adjuvant, Inc., to provide
management services for the Fair and appointed Patrick Buchen as the Fair Manager. The existing Fair Board
by laws assume the Fair Manager is an employee of the County. The resolution allows for the possibility that
the Fair Manager is hired through a contractual arrangement.

2(b). Fair Board—Resolution to Amend the Ingham County Fair Board By-Laws Article III Organization—
Duties and Responsibilities of the Board.

The resolution amends the by-laws to authorize a per diem payment for Fair Board members that work during
the week of the annual Fair.

2(c). Fair Board—Resolution to Transfer Funds from the Hotel Motel Tax Fund to the Fair Capital
Improvement Account.

The projected available balance in the Hotel Motel Tax Fund is $450,000 for fiscal year 2012. The resolution
would transfer $110,000 to the Capital Improvement budget of the Ingham County Fair. The funds would be
used for the following: $71,800 for 250 Sheep, Goat and Hog pens to eliminate over crowding, move sheep and
goats to the Main Pavilion, move Beef and Dairy to Barns B and A respectively, move Poultry to the old Goat
Barn and allow the Rabbits and Poultry to grow; also freeing up the Sheep barn that needs to be converted to an
outdoor riding arena that will help us keep existing horse shows and grow that business; $15,000.00 for top
dressing the 6 horse arenas to satisfy the horse shows and eliminate low wet spots; $1,200 to cover the fuel
tanks per inspection and satisfy a mandated law per the Drain Commissioner’s Office; and $22,000.00 to
purchase paint and the labor to start painting existing buildings.

3(a). Facilities—Resolution Authorizing Entering into an Agreement with Nelson Trane for the Purpose of
Upgrading our Existing Tracer Summit System Building Control Units for the Latest Version at the Veterans
Memorial Courthouse.

The resolution authorizes entering into an agreement with Nelson Trane, to replace necessary parts, to upgrade
our existing tracer summit system building control units, which are proprietary to Trane, at the Veterans
Memorial Courthouse. The building control units are used to control the heating and cooling system in the
building. This upgrade will be performed for a total cost of $13,192.00. Funds are available in the 2012 capital
improvement budget (CIP).

3(b). Facilities—Resolution Awarding a Contract to Shaw-Winkler for the replacement of the Last Sectional
Boiler at the Ingham County Jail.

The resolution authorizes awarding a contract to Shaw-Winkler for a cost of $89,265 as well as a $4,000
contingency, for a not to exceed cost of $93,265, for the demolition, removal and replacement of the last
sectional boiler at the Ingham County Jail. The condition of the existing boiler has deteriorated and is in need of
replacement. Shaw Winkler is a local vendor and successfully matched the low bid of a non-local vendor. Funds
are available within the CIP budget.
3(c). Facilities—*Resolution Authorizing a Contract with Teachout Security Services, Inc. for Uniformed Unarmed Guard services at Various County Facilities.*

The resolution authorizes entering into a 3 year contract with Teachout Security Services for the purpose of providing qualified private security guards to monitor the entry to the following locations: Human Services Building at 5303 S. Cedar St., Lansing, Michigan, the Veterans Memorial Courthouse at 313 W. Kalamazoo St., Lansing, Michigan, the Mason Courthouse at 341 S. Jefferson, Mason, Michigan, the 55th District Court at 700 Buhl St., Mason, Michigan, and the Ingham County Family Center at 1601 W. Holmes Rd., Lansing, Michigan. Teachout is our current vendor, was the low bidder and is a local vendor.

4(b). Health Department—*Resolution to Authorize a Realignment of Health Department Programs and Administrative Structure*

This resolution will realign the administrative structure of the Health Department. The realignment is the direct result of the separation of the Health Officer and Medical Director responsibilities into distinct positions as required by the appointment of Dr. Canady as administrative Health Officer. This structure distributes administrative responsibilities across fewer managers, and utilizes the existing administrative and managerial capacity of the department. The total savings is approximately $24,836. Please see the memorandum accompanying the resolution for further details.

5(a). Management Information Services—*Resolution to Approve the Renewal of the Hardware Maintenance Agreement from Service Express, Incorporated.*

The resolution authorizes a 3 year renewal agreement with Service Express in an amount not to exceed $45,432. Service Express maintains critical hardware in our data center. The contract was bid out in 2011 and they were the low bidder.

5(b). Management Information Services—*Resolution to Approve the Purchase Annual Maintenance of the EMC Celerra NS20 Storage Area network (SAN) from Logicalis.*

The resolution authorizes a 12 month renewal agreement in the amount of $8585.85.

**Other Action items**

4(a). Health Department—*Resolution to Authorize Amendment #2 to the 2011-2012 Comprehensive Planning, Budgeting and Contracting Agreement with the Michigan Department of Community Health*

This resolution authorizes Amendment #2 to the 2011-2012 Comprehensive Planning, Budgeting and Contracting (CPBC) Agreement with the Michigan Department of Community Health (MDCH). The second amendment shall increase the amount of the CPBC Agreement from $4,669,784 to $5,268,890 for a total increase of $599,106. Included is a request to establish four new nurse positions as a part of the Nurse Family Partnership.

6(a). Board of Commissioners—*Resolution Designating April 18, 2012 as “Holocaust Remembrance Day” in Ingham County.*

6(b). Board of Commissioners—Ethics Complaint.
I am requesting approval for Phase 2 construction and document stage so that documents can be prepared and put out for bid. Funds have already been approved per resolution #10-353 which awarded a contract to GAV, an Architectural & Engineering firm for a total cost not to exceed $21,450.

1. Phase 1 – Conceptual Design Services Cost = $5,500 *(Completed)*

2. Phase 2 – Construction Oversight Administration and Reimbursable Cost = $15,950

The preliminary construction estimate ranges from $550,000 to $600,000. With your approval of the preliminary design we will proceed with putting the construction documents together and send them out to bid. Once bids are received, we will return with a recommendation to proceed with a qualified and experienced contractor which would include the actual cost of construction.

For your review we have a position paper attached and will give a presentation and overview of the proposed renovations.

Thank you in advance for your consideration.

Sincerely,

Rick Terrill
Ingham County Family Center Renovation Position Paper
Addendum (03/15/2011)

A plan to renovate the Ingham County Family Center was presented to the Judiciary Committee on February 11, 2010 and November 3, 2011. A plan was discussed to construct space for a “host” agency, as well as space for court staff that are currently located on the secure “Ingham Academy” portion of the Family Center. By doing so, the host agency would cover the operational cost of having the sanctuary open, as well as meet the community’s needs through programs targeted towards prevention and community outreach. Also discussed was that by moving court staff would allow for community agencies, who are currently working with the Ingham Academy, to have space to meet with clients in a therapeutic setting.

The ICFC Advisory Board Meeting held on January 3, 2011. The advisory board, which includes a member from the Community Coalition of Youth (CCY), discussed ways to bring other community agencies into the Ingham County Family Center, at little or no cost.

The following issues were discussed at the meeting:

- The two meeting rooms located on the lower level of the sanctuary space should not be factored into the square footage lease cost of the host agencies.
- Community agencies would be able to use the meeting rooms and sanctuary space on a limited basis, if there was a need.
- The ICFC Advisory Board could serve as an approval body to agencies who wish to use the space.
- The space could be available to all CCY members whose agencies provide programs that meet the Juvenile Justice Millage language.

The ICFC Advisory Board unanimously passed a motion to, “develop a process for approving use of CCY organizations to use the Family Center based on the following guidelines:”

- Agencies must have a direct impact on youth and/or families
- Agencies must meet millage language
- Agencies must be CCY members
- Agencies must be approved by the ICFC Advisory Board

Recommendation:

The Ingham County Family Center Advisory Board recommends that the Ingham County Board of Commissioners fully support the renovations proposed by the Ingham County Facilities Department.

RE: Resolution to Authorize Amendment #2 to the CPBC Agreement for 2011-2012

This is a recommendation to authorize a Amendment #2 to the 2011-2012 Comprehensive Planning, Budgeting and Contracting (CPBC) Agreement with the Michigan Department of Community Health (MDCH). The CPBC Agreement is the annual process whereby MDCH transmits State and Federal funds to Ingham County to support public health programs. The CPBC Agreement establishes the funding levels and the terms and conditions under which the funds are disbursed. The Agreement is regularly amended to adjust funding levels and clarify terms and conditions. The Board of Commissioners authorized the 2011-2012 Agreement in resolution #11-283 and the first amendment to the Agreement in resolution #11-395.

The second amendment shall increase the amount of the CPBC Agreement from $4,669,784 to $5,268,890 for a total increase of $599,106. The Amendment makes the following specific changes in the budget:

1. Increases support for Highly Targeted HIV Prevention by $52,968 - increasing the total amount to $105,936.
2. Increases funding for HIV/AIDS Care by $137,500 – increasing the total amount to $275,000.
3. Raises funding for HIV Prevention by $87,190 – increasing the total amount to $174,380.
4. Increases funding for STD Control by $20,342 - increasing the total amount to $44,998.
5. Increases support for TB Control by $2,111 – increasing the total amount to $21,973.
6. Raises funding for WIC Resident Services by $21,300 – increasing the total amount to $1,195,132.
7. Adds new funding for the Nurse Family Partnership Services in the amount of $245,000.
8. Adds new funding for the Michigan Climate and Health Adaptation Program in the amount of $15,000.
9. Adds new funding for the PRIME Local Learning Collaborative in the amount of $5,200.
10. Adds new funding for the Asthma Control through Education and Environment project in the amount of $12,495.

Most of these adjustments were anticipated in our FY 2012 budget. The funding of $245,000 for the Nurse Family Partnership (NFP) was not anticipated in the 2012 budget and an adjustment needs to be made.

NFP is an intensive maternal and child health program that MDCH offers to select local health departments. The model used in NFP has been thoroughly researched and has been demonstrated to improve maternal and child health outcomes. In the 2011-2012 fiscal year, we will receive a total of $300,000 in funding to support NFP. Full year funding for fiscal year 2012-2013 will be $485,000. This funding requires us to hire four public health nurses to implement the program. The four positions will consist of four public health nursing positions in Public Health Services at the PHN ICEA Grade 3 pay grade (FY 2011 Rates $54,385 - $65,288). The funding also requires these staff and certain other staff already working on maternal and child health to travel out of state to attend trainings on the NFP model. In addition, the four public health nurses will require computers, software and peripherals. We are budgeting an amount of up to $10,000 to cover these purchases.
The NFP will also be supported by additional revenue generated by the four nurses to be hired. The revenue will come from increases in Medicaid billing to the Maternal Infant Health Program and from Medicaid outreach dollars. The distribution of the cost of the four positions, travel, equipment and associated costs, against the funding in the CPBC and additional revenue is detailed in the attached spreadsheet.

The resolution also authorizes a subcontract with Public Sector Consultants to conduct a health impact assessment for the Climate and Health Adaptation Program.

I recommend that the Board of Commissioners adopt the attached resolution.

FROM: Renée Branch Canady, Ph.D., M.P.A., Health Officer

DATE: March 6, 2012

RE: Resolution to Authorize a Realignment of Health Department Administrative Structure

This memorandum requests approval for a resolution that will realign the administrative structure of the Health Department. The realignment is the direct result of the separation of the Health Officer and Medical Director responsibilities into distinct positions as required by my appointment as administrative Health Officer. Having observed and evaluated the administrative operations of the department over the last four months since my appointment, I now propose a structure which distributes administrative responsibilities across fewer managers, and more effectively utilizes the existing administrative and managerial capacity of the department. As Health Officer, I will also retain additional direct report managerial supervisor in order to take advantage of fiscal opportunities afforded by the retirement of two managers in the department, allowing for greater administrative efficiency as well as important budgetary savings.

This resolution recommends maintaining the current two-Deputy Health Officer administrative structure and realigns managerial positions and roles within the Department. The resolution reassigns duties formerly held by the PHS Director (which will be eliminated) and takes advantage of lessons learned during the interim administrative structure which was established upon my appointment in November, 2011. In addition, the realignment will result in the elimination of a total of five managerial positions, the establishment of one new managerial position, and the reallocation of managerial duties across existing staff.

I believe that this proposal “right-sizes” the administrative work at all levels of the department while maintaining a robust and effective leadership team. We have vetted this plan by all affected unions and the County’s Human Resources Department; both have offered preliminary support. The affected employees are also supportive including those who will accept new and additional responsibilities. Positions proposed for elimination involve vacancies; thus avoiding negative effects to any incumbent employees.

In addition to the $24,836 in cost savings, the reorganization creates additional provider capacity to serve clients in the Community Health Center Network, which in turn, will generate addition revenue for the department.

I recommend the Board adopt the attached resolution and authorize the recommended staffing and structural adjustments.

Re: Resolution – Service Express, Inc.

Dear Commissioners,

Ingham County currently utilizes Service Express, Inc. to maintain critical hardware (servers, backup systems, etc.) in our Data Center. These devices are critical to maintaining computer access for our county employees and our current maintenance agreement expires in April of 2012.

In 2011, MIS received quotes from Service Express, Inc., Hewlett Packard and CDW for this maintenance and Service Express. Below is the pricing we received:

- Service Express, Inc. - $472.00
- Hewlett Packard - $1701.66
- CDW - $840.44

As you can see the Service Express pricing is significantly less than the other proposals and MIS has been very satisfied with their service. The previous monthly cost for this maintenance was $1,355.00 and the new monthly cost is $1,262.00. MIS recommends extending our current agreement to 36-months for a total cost not to exceed $45,432.00. One additional advantage this agreement with allow is the termination of equipment with a 30-day written notice and no penalty. So as our equipment expires we can remove it from the contract and the pricing will be adjusted accordingly.

Thank you in advance for your consideration.

Sincerely,

Tom
Introduced by County Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO APPROVE THE RENEWAL OF THE HARDWARE MAINTENANCE AGREEMENT FROM SERVICE EXPRESS, INCORPORATED

WHEREAS, Ingham County currently utilize Service Express for maintenance on critical computer hardware in the case of a failure; and

WHEREAS, the MIS department is very satisfied with the service thus far; and

WHEREAS, MIS researched multiple vendors solutions and recommend continuing with Service Express, Incorporated for our hardware maintenance needs; and

WHEREAS, our current existing hardware maintenance agreement is due to expire April 30, 2012 and MIS recommends renewing this agreement; and

WHEREAS, our current monthly costs is $1,335.00 and the new monthly cost will $1,262.00 per month; and

WHEREAS, MIS is recommending a 36-month contract which allows for the removal of any equipment without penalty for a total cost not to exceed $45,432.00.

THEREFORE BE IT RESOLVED, that the Board of Commissioners do hereby authorize the purchase of the hardware maintenance from Service Express, Inc. for 36-months in the amount not to exceed $45,432.00.

BE IT FURTHER RESOLVED, that the total cost will be paid out of the county’s Network Fund (63625810932030).

Re: Resolution – EMC SAN Annual Maintenance

Dear Commissioners,

Ingham County stores a majority of its network data on our EMC Celerra NS20 Storage Area Network (SAN). The SAN was purchased 3 years ago and was implemented and maintained by Netarx, Inc., which was purchased by a company called Logicalis. MIS solicited a proposal from two other vendors, Service Express and CDW-G (a government cooperative contract). Service Express’ pricing was $1,025.00 per month or $12,300.00 annually and $3,714.15 more expensive than Logicalis. MIS orders a lot of equipment and services from CDW-G and their response was “they do not have maintenance available for the EMC SAN because the support expired in 2011”.

Logicalis is an EMC vendor and not only capable of supporting the hardware as well as the software, plus they are the only vendor that has serviced this equipment in the past. MIS has been very satisfied with Logicalis’ support since the purchase and recommends continuing with their maintenance and support. The total cost for the 12-month agreement is $8,585.85.

Thank you in advance for your consideration.

Sincerely,

Tom
RESOLUTION TO APPROVE THE PURCHASE ANNUAL MAINTENANCE OF THE EMC CELERRA NS20 STORAGE AREA NETWORK (SAN) FROM LOGICALIS

WHEREAS, the majority of the network data in Ingham County is stored on our EMC SAN located in our Data Center and is one of our most critical pieces of hardware; and

WHEREAS, MIS is recommending we renew our maintenance with the vendor that implemented and maintained the SAN for the past 3 years; and

WHEREAS, the total cost for 12-months of annual maintenance for the SAN is 8,585.85; and

WHEREAS, MIS solicited and reviewed other proposals and recommend entering into an agreement with Logicalis.

THEREFORE BE IT RESOLVED, that the Board of Commissioners do hereby authorize the purchase of the annual maintenance for the EMC SAN from Logicalis in the amount of $8,585.85.

BE IT FURTHER RESOLVED, that the total cost will be paid out of the county’s Network Fund (63625810 932030).

RESOLUTION DESIGNATING APRIL 18, 2012 AS "HOLOCAUST REMEMBRANCE DAY" IN INGHAM COUNTY

WHEREAS, the Ingham County Board of Commissioners and citizens of Ingham County recognize that the horrors of the Holocaust should never be forgotten; and

WHEREAS, the Holocaust was the state-sponsored, systematic persecution and annihilation of European Jewry by Nazi Germany and its collaborators between 1933 and 1945; and

WHEREAS, the Holocaust involved the genocide of millions of innocent Jewish men, women, and children and other minorities throughout Europe; there was an enormity of suffering inflicted on the many survivors through mistreatment, brutalization, violence, torture, slave labor, involuntary medical experimentation, death marches, and numerous other acts of cruelty that have come to be known as “crimes against humanity”; and

WHEREAS, a key date in the history of the Holocaust is April 19, 1943, the beginning of the Warsaw ghetto uprising, when Jews, using homemade bombs and stolen or bartered weapons, resisted death camp deportation by the Nazis for 27 days; and

WHEREAS, in the past 67 years, the Holocaust has provided the people of the world with a critical lesson in the importance of compassion, caring, and kindness and has served as a reminder of the dangers inherent in bigotry, racism, and intolerance in the world; and

WHEREAS, recognition of the 67th anniversary of the end of World War II and the liberation of the concentration camps is crucial and the Board of Commissioners wishes to honor the memory of all who lost their lives and all who have and continue to suffer as a result of the Holocaust.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby designates April 18, 2012 as “Holocaust Remembrance Day” in Ingham County and encourages the citizens of Ingham County to commemorate the occasion through reflection, acts of compassionate caring, and learning about the terrible consequences and lessons of the Holocaust.
