The Committee discussed what is and what is not allowed in the model conservation easement, extracting limited hydrocarbons and eminent domain. Ms. Byers noted that the integrity of the easement restrictions is purposefully strict in order to preserve the land into the future. She cautioned that entering into a conservation easement agreement should not be taken lightly and great care is taken when explaining the restrictions on the deed. The Committee discussed natural resources.

Ms. Byers explained the difference between the farmland and open space easement and a permanent conservation easement.

MOTION CARRIED UNANIMOUSLY. Absent: Comm. Schor

a. Resolution to Approve Proposed Ingham County Road and Bridge Projects for Submission to Tri-County Regional Planning Commission to be Considered for Inclusion in the 2014 – 2017 Tri-County Regional Transportation Improvement Plan

Discussion only - This is included in the Consent Agenda

Mr. Conklin described how federal funds are administered and the development of the Transportation Improvement Plan (TIP) is initiated by the Tri-County Regional Planning Commission (TCRPC). He explained that current road needs far outweigh available federal and state funding therefore the TCRPC typically submits several more projects than what is expected to be funded while Michigan Department of Transportation tries to maximize funding. Mr. Conklin described the required procedures and merit to secure funding. The Committee discussed the number of seats the County has on the TCRPC Board along with the cost. Chairperson Holman and Comm. McGrain suggested that a Commissioner from the County Services Committee occupy one of the seats on the TCRPC Board. Comm. De Leon questioned the Willow Road long range plan (LRP) because there is no explanation. Mr. Conklin explained that is a long range plan, estimating years 2018 or 2019, to convert the road to three lanes.

d. Commissioner Training (Discussion Item Only)

Chairperson Holman stated that after conversations with Sue Pigg, TCRPC it was agreed that the Commissioners could attend a TCRPC orientation. She noted that Ms. Pigg was so fond of the idea she is considering inviting Eaton and Clinton County Commissioners as well. The plan is that the Commissioners can get a general understanding of roads then each County can independently further their education. Comm. De Leon recognized that MSU extension trains newly elected commissioners suggesting there may be another department that could provide roadway education. Mr. Conklin suggested attending the CRAM meeting in the spring plus CRAM always has brochures. Comm. Grebner suggested a special meeting at the Department of Transportation and Roads. The Committee discussed mandatory attendance and/or a special meeting.

The Committee agreed that having a special meeting at the Road Commission and attending a Tri-County orientation would be helpful. Mr. Conklin invited the Commissioners to tour the Road Commission stating if they make an appointment he would be happy to give the tour.
Mr. Conklin provided two handouts: Letter from Mr. Paul Hamilton, City of Lansing and Moore’s River Drive/Mt Hope/Waverly/Old Lansing Non-Motorized Project. He stated that no action is required tonight; however, wanted the Commissioners to be aware of the project because it will be coming up in a couple of months. He pointed out the County and city boundaries and overviewed the funding and scope of work. Mr. Conklin advised the Committee that his response was that this information is putting the cart before the horse because it needs to be reviewed by TCRPC then go before the Full Board to be approved or rejected. Comm. Celentino noted that previously Lansing Township did not approve of this plan. Mr. Conklin mentioned the Lansing Township Board is changing. The Committee briefly discussed the plans. Chairperson Holman thanked Mr. Conklin for the information.

Board Chairperson Copedge asked if Mr. Conklin responded to the individual who brought pictures and expressed his concerns at the Full Board meeting. Mr. Conklin answered yes, acknowledging there were some good ideas and he explained why other suggestions could not be done. Mr. Conklin stated he copied Ms. Bennett on the email responding to the individual so she could forward it to the Committee.

7. Purchasing - Living Wage Policy (Discussion Item Only)

Chairperson Holman referenced St. Vincent’s request to be exempt from the living wage policy and wanted to review the resolution and explore the Committee’s opinion on exemptions for non-profits.

Comm. De Leon noted that the living wage policy has not been a problem for other non-profit agencies. She stated that one agency should not be treated special and should be held accountable just as everyone else is. She reminded the Committee that St. Vincent asked for a permanent exemption and labor was opposed to that. Additionally, they promised to work toward a goal and to her knowledge they have not made progress.

Comm. Celentino pointed out the policy states if there is a hardship to come before the Committee and that is what St. Vincent’s did. They followed policy procedure and they have the right to do that. He noted that other non-profits may not have had or do not have a hardship. He suggested a progress follow-up. Comm. De Leon noted this has been going on for years. Comm. Celentino stated that they were making progress and at the last County Services meeting a two-year exemption was approved, in addition to, asking for a progress report.

Comm. Grebner stated that it would not make sense to change the resolution when this only applies to St. Vincent.

The Committee discussed the living wage, typical non-profit compensation, disproportionate compensation within a non-profit in order to comply with policy, in addition to, attracting and retaining employees. Comm. De Leon and Comm. Grebner questioned if St. Vincent wants to make progress because it will complicate their wage structure. Comm. Celentino suggested having a conversation with St. Vincent to see what progress has been made.

The Committee agreed not to make changes to the resolution.
12. **Board of Commissioners**
   a. **Resolution Authorizing Commissioner Compensation for 2013 and 2014**

   **MOVED BY COMM. VICKERS, SUPPORTED BY COMM. CELENTINO, TO APPROVE THE RESOLUTION AUTHORIZING COMMISSIONER COMPENSATION FOR 2013 AND 2014.**

   Comm. Grebner stated his opposition to this resolution. He expressed his concern that although Commissioners do not accept the position for the money the compensation should be desirable to attract qualified individuals, reduce turnover and generate competition during the election. Comm. De Leon stated that may be correct; however, because the employees are being asked to take less she can not support an increase for the Commissioners. Comm. Grebner pointed out that the Commissioners’ increases have lagged behind the employees.

   b. **Resolution Amending the Board Rules**

   **MOVED BY COMM. GREBNER, SUPPORTED BY COMM. VICKERS, TO APPROVE THE RESOLUTION AMENDING THE BOARD RULES.**

   **MOVED BY COMM. GREBNER, SUPPORTED BY COMM. VICKERS, TO AMEND THE RESOLUTION SECTION II, CHAIRPERSON, ITEM B DUTIES, 5TH AND LAST SENTENCE ADD “VOTING” BEFORE MEMBER, AS FOLLOWS:***

   **B. DUTIES.** The Chairperson (and during his/her absence the Vice-Chairperson) shall preside at all meetings of the Board, and shall decide all questions of order, subject to appeal to the Board. Upon his/her election, the Chairperson shall appoint all standing and special Committees, subject to the approval by a majority of all members of the Board. The Chairperson shall arbitrate all jurisdictional disputes between Committees, subject to these rules and subject to appeal to the Board. The Chairperson shall be a member ex-officio of each standing Committee and special Committee, except as otherwise provided herein. The Chairperson shall not have the right to vote on any Committee except where he/she is expressly named a **voting** member of that Committee. The Vice-Chairperson Pro-Tem shall assume the duties of the Vice-Chairperson when the Vice-Chairperson is serving as the Chairperson. The **Vice-Chairperson shall be a member ex-officio of each standing Committee and special Committee, except as otherwise provided herein. The Vice-Chairperson shall not have the right to vote on any Committee except where he/she is expressly named a **voting** member of that Committee.**

   **THIS WAS ACCEPTED AS A FRIENDLY AMENDMENT. Absent: Comm. Schor**

   Comms. De Leon and Celentino expressed their concern of the length of the Law Enforcement and Judiciary meetings stating that are in favor of keeping the five Committees and therefore will be voting no. Board Chairperson Copedge stated that although he can not vote he is also in favor of keeping the five Committees. Chairperson Holman compared the Law & Courts to the County Services meeting stating she can see how it would work. Comm. Grebner suggested over the next two years consideration should be given to dividing the County Services meeting because it is lengthy.

DECEMBER 4, 2012 COUNTY SERVICES MEETING
STAFF REVIEW SUMMARY

ACTION ITEMS
The Controller recommends approval of the following action items:

2. Treasurer - Resolution to Transfer all Unsold Tax Reverted Properties Rejected by Local Units to the Ingham County Land Bank Fast Track Authority.

This is the annual resolution to transfer all unsold tax reverted properties which have been rejected by local units of government to the Ingham County Land Bank Fast Track Authority. Under Public Act 123 of 1999, MCL 211.78m (7), “If property not previously sold is not transferred to the city, village, or township in which the property is located under subsection (6), the foreclosing governmental unit shall retain possession of that property.” The Ingham County Land Bank Fast Track Authority was established to assist in the strategic disposition of tax reverted property and local units are encouraged to object so the parcels stay with the County for disposition by the Land Bank.

3. Purchasing - Resolution to Authorize a Contract with Presort Services, Inc.

The resolution authorizes a 3-year contract with an option to renew for 2 additional years. Proposals were received and Presort Services was the low bid and are a local vendor.

4. Department of Transportation and Roads - Resolution to Approve the Special and Routine Permits for the Ingham County Department of Transportation and Roads.

The resolution approves 4 special permits.

5. Health Department - Resolution to Authorize the Reclassification of a Community Health Representative III (Position #60177) to a Community Health Representative IV.

This reclassification will allow for the coordination of activities for the Sealant Program between the schools and the Health Department’s Community Health Centers. This position will coordinate the schedule for the Sealant Program; conduct billing, follow-up with billing, collect and process permission slips, and follow-up and document Sealant Program PA 161 activity to the State of Michigan. This reclassification has been discussed with Human Resources and the UAW TOPS union and both parties concur. As part of the 2012-13 Public Health Services Comprehensive Agreement with MDCH, the Health Department was awarded $20,000 to provide expanded oral health services. These funds are not currently included in the 2013 Budget. Cost to implement this reclassification is approximately $2,773. The Public Health Services Comprehensive Agreement for 2012-13 will cover these increased costs. This is a filled position and the reclassification will be effective December 17, 2012.

6(a). Controller’s Office - Resolution Approving the Various Contracts for the 2013 Budget Year.

This resolution will approve the attached list of contracts for the 2013 budget year. The list consists only of contracts that are included in the 2013 Adopted Budget. If a contract later exceeds the budgeted amount, a resolution will need to be brought before the Board of Commissioners approving the increased amount. In addition, a separate Board resolution will be required if there is a change in employee status or increase in the total number of employees. Please see the attached memorandum for further details.
6(b). Controller’s Office - Resolution Authorizing the Controller to Make Year End Budget Adjustments and the Amend the 2013 Parks Budget.

This resolution authorizes the County Controller, as part of the year end budgeting process, to make any necessary transfers among all budgeted funds, activities, and line items in order to comply with Public Act 621 (Uniform Budgeting & Accounting Act), and to balance the 2012 Budget. One notable adjustment that will be necessary is an increase in the general fund appropriation to the Community Health Center Network Fund (511). This fund is currently projecting a deficit of approximately $800,000. A sufficient surplus is projected in the Health Fund (221) to cover this shortfall. This resolution will authorize any necessary adjustments in general fund appropriation between the two funds.

8. Housing Commission/Community Development Block Grant (CDBG) - Resolution to Transfer the Community Development Block Grant Program to the Treasurer’s Office.

The Housing Commission responsibilities have traditionally included management of Carriage Lane Apartments, Section 8 housing vouchers, and the County’s CDBG program. Upon the retirement of the long-time Housing Commission Director, Bruce Johnston, the Commission recommended that CDBG functions be transferred to the County. This resolution formalizes that recommendation and establishes the CDBG Coordinator position in the Treasurer’s Office. This would allow the CDBG to more closely coordinate their efforts with the Land Bank Authority.

Currently the Zoo’s Veterinarian also serves as the curator. The AZA has strongly recommended that in order to maintain the Zoo’s accreditation that these duties should be split into two positions. This resolution would establish the Curator position within the Teamsters 580 bargaining unit. Funds are available within the Zoo budget due to recent organization changes including the Zoo Society sharing in the cost of the Director.

10(a). Human Resources - Resolution Authorizing Amendments to the 2013 Managerial & Confidential Compensation Plan (MCF) and Adopting MERS Resolutions Approving Adjustments in the Employee’s Contribution to their Pension Plan.

This resolution would amend the recently approved MCF plan by lowering the increase in the employee’s contribution to their MERS defined benefit plan from 1.8% to 1.2%. The 1.2% would match the increase authorized in the recently approved MAP agreement. The resolution would also amend the plan to clarify the benefits of the Road Department’s managerial employees. And finally, the resolution formally adopts the employee pension contribution changes with MERS. Please note there are three separate MERS resolutions each covering a separate Division (i.e. managers, confidential employees, and the Road Department managers)

10(b). Human Resources - Resolution Authorizing Establishing Uniform Transfer Provision.

The County recently established MERS Hybrid Pension plans for several divisions. The County currently operates under the MERS Standard Transfer Rule, which in essence means that any employee that is transferred or promoted into a different division is placed into the new division’s pension plan. This could become problematic if a current employee is transferred or promoted into a division that has a Hybrid Pension Plan for new employees. The promoted employee would then have their DB pension frozen and from the point forward would be enrolled in the Hybrid Plan. In order to avoid this problem the County should adopt the Alternate Transfer Provision which would provide the opportunity for employees with a DB plan to retain the DB plan upon transfer or select the Hybrid Plan. Employees hired in and provided the Hybrid Pension plan would not have the ability to move into a DB plan due to transfer or promotion.

RE: Resolution to Transfer All Unsold Tax Reverted Properties Rejected by Local Units to the Ingham County Land Bank Fast Track Authority

Attached for your consideration is a proposed resolution to request Ingham County to transfer all unsold tax reverted properties which have been rejected by local units of government to the Ingham County Land Bank Fast Track Authority.

Under Public Act 123 of 1999, MCL 211.78m (7), “If property not previously sold is not transferred to the city, village, or township in which the property is located under subsection (6), the foreclosing governmental unit shall retain possession of that property.”

The Ingham County Land Bank Fast Track Authority was established to assist in the strategic disposition of tax reverted property and local units are encouraged to object so the parcels stay with the County for disposition by the Land Bank.

Thank you for your consideration of this resolution. Please contact me if you have any questions.
INTRODUCED BY THE COUNTY SERVICES AND FINANCE COMMITTEES OF THE:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO TRANSFER ALL UNSOLD TAX REVERTED PROPERTIES REJECTED BY LOCAL UNITS TO THE INGHAM COUNTY LAND BANK FAST TRACK AUTHORITY

WHEREAS, the Land Bank Fast Track Act, 2003 PA 258, being MCL 124.751 et seq., (“the Act”) establishes the State Land Bank Fast Track Authority; and

WHEREAS, the Ingham County Treasurer, with the Ingham County Board of Commissioners’ approval, has entered into an intergovernmental agreement with the State Land Bank Fast Track Authority under the Act to form an Ingham County Land Bank Fast Track Authority; and

WHEREAS, tax reverted property not previously sold by the Ingham County Treasurer, acting as the foreclosing governmental unit (FGU), shall be transferred to the city, village, or township in which the property is located, except those parcels of property to which the city, village or township has objected to in accordance with 1999 PA 123, MCL 211.78M(6); and

WHEREAS, parcels rejected by a city, village or township become the property of Ingham County; and

WHEREAS, the Land Bank was established to assist in the strategic disposition of tax reverted property; and

WHEREAS, local units are encouraged to object so the parcels stay with the County for disposition by the Land Bank.

THEREFORE BE IT RESOLVED, that the County Board of Commissioners authorizes the Controller/Administrator to take appropriate action to transfer all rejected property to the Land Bank.

BE IT FURTHER RESOLVED, that this Resolution shall be renewed annually.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson and the County Clerk to sign any necessary documents that are consistent with this resolution and approved as to form by the County Attorney.

    Finance Committee

From: Jim Hudgins, Director of Purchasing

Date: November 19, 2012

Subject: Authorization to Contract for Services with Presort Services, Inc.

This is a recommendation for the Board of Commissioners to authorize a service contract with Presort Services, Inc. County departments and offices have a continuing need to purchase presort mail services. Presorting – the process of sorting mail by zip code prior to delivery to a post office – results in lower postage rates. Some departments have large quantities of mail and it is cost effective and efficient to contract for mail related services rather than purchase mailing equipment. Presort Services, Inc. will pick up mail daily at mutually agreed upon times, sort, bar code, print postage and guarantee delivery to the Post Office.

Proposals were sought and evaluated from the following vendors:

1. Presort Services, Inc., Lansing
2. Lake Michigan Mailers, Kalamazoo
3. Kent Communications, Inc., Grand Rapids
4. Aldinger, Lansing – does not provide presorting services or daily pickups

Presort Services is a local registered vendor, has previously worked with the County, proposed the lowest cost solution, and is highly referenced. Furthermore, Presort will consolidate all the County’s departments and offices into one account which will save on administrative, accounts payable and other related costs.

I respectfully recommend that the Board of Commissioners adopt the attached resolution and authorize the service contract with Presort Services, Inc.
Agenda Item 3

Introduced by the County Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AUTHORIZE A CONTRACT WITH PRESORT SERVICES, INC.

WHEREAS, metering and presorting mail is required by many County departments and it is more cost effective to use an outside resource to meter mail rather than invest in mailing equipment; and

WHEREAS, sometimes County departments and offices must mail large quantities of materials and it is cost effective and efficient to use a service to presort and mail these materials; and

WHEREAS, proposals were received and evaluated for presort mailing services and Presort Service of Lansing, a local vendor, was determined to offer the best value to the County; and

WHEREAS, the Director of Purchasing has recommended that the Board of Commissioners authorize a contract with Presort Services, Inc.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes an agreement with Presort Services, Inc., 5646 Commerce Drive, Lansing, Michigan, based on its proposal dated October 17, 2012, for mail related services which include pick up, sorting, bar coding and delivery to the Post Office.

BE IT FURTHER RESOLVED, that the agreement shall be for three years with an option to renew for two additional years.

BE IT FURTHER RESOLVED, that for the term of this agreement weighing and metering fees shall be $.045/piece for letters; $.08/piece for flats; $.25/piece for parcels; and, $.10/piece for certified mail. Postage shall be $.424/piece and is subject to U.S. Postal Service changes.

BE IT FURTHER RESOLVED, that Presort will consolidate accounts into one master account for departments and offices.

BE IT FURTHER RESOLVED, that the Chairperson of the Ingham County Board of Commissioners and the County Clerk are authorized to sign any contract documents consistent with this resolution and approved as to form by the County Attorney.
Introduced by the County Services Committee of the:

INGERHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO APPROVE THE SPECIAL AND ROUTINE PERMITS FOR THE INGHAM COUNTY DEPARTMENT OF TRANSPORTATION AND ROADS

WHEREAS, as of June 1, 2012, the Ingham County Road Commission becomes the Ingham County Department of Transportation and Roads per Resolution #12-123; and

WHEREAS, the Ingham County Road Commission periodically approved Special and Routine permits as part of their roles and responsibilities; and

WHEREAS, this will now be the responsibility of the Board of Commissioners to approve these permits as necessary.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners approves the attached list of Special and Routine Permits dated November 19, 2012 as submitted.

RE: Recommendation to Authorize the Reclassification of a Community Health Representative III Position in the Dental Clinics to a Community Health Representative IV

This is a recommendation to reclassify the Community Health Representative III (CHR III) position, UAW/E Position #601177 to a Community Health Representative IV (CHR IV), UAW/F. This reclassification will allow for the coordination of activities for the Sealant Program between the schools and the Health Department’s Community Health Centers. This position will coordinate the schedule for the Sealant Program, conduct billing, follow-up with billing, collect and process permission slips, and follow-up and document Sealant Program PA 161 activity to the State of Michigan.

This reclassification has been discussed with Human Resources and the UAW TOPS union and both parties concur.

As part of the 2012-13 Public Health Services Comprehensive Agreement with MDCH, the Health Department was awarded $20,000 to provide expanded oral health services. These funds are not currently included in the 2013 Budget. Cost to implement this reclassification is approximately $2,773. The Public Health Services Comprehensive Agreement for 2012-13 will cover these increased costs.

I recommend that the Board of Commissioner approve the attached resolution and authorize the reclassification of Position #601177 from a Community Health Representative III to a Community Health Representative IV.

RE: Resolution Approving Various Contracts for the 2013 Budget Year

Commissioners:

This resolution will approve the attached list of contracts for the 2013 budget year. The list consists only of contracts that are included in the 2013 Adopted Budget. If a contract later exceeds the budgeted amount, a resolution will need to be brought before the Board of Commissioners approving the increased amount. In addition, a separate Board resolution will be required if there is a change in employee status or increase in the total number of employees.

In the past, a limited amount of contract renewals have been included in the annual appropriations resolution. With the amendment of the county contract approval process authorized by Resolution 09-095, which reduced the maximum amount allowed for short form authorizations from $25,000 to $5,000, it was decided two years ago to expand this list and have the Board of Commissioners consider these contracts as a separate resolution. The liaison committees may decide that there are some contracts included on the list that would better be considered as separate resolutions. Those contracts will be removed from this resolution before the passage by the Board of Commissioners, and will be brought back before the Board as separate resolutions at a later date.

Based on the policy on cost increases for service related contracts authorized by Board Resolution 12-369, expenditure contracts with a 2013 increase of 1% or less are the only ones included in this resolution.

Please contact me if you have any questions.
Introducing the Finance Committee of the

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION APPROVING VARIOUS CONTRACTS FOR THE 2013 BUDGET YEAR

WHEREAS, county policy requires that all contracts over $5,000 be approved by the Board of Commissioners, and

WHEREAS, numerous contracts are approved by the Board of Commissioners each year, many of which are routine continuations of existing contracts, and

WHEREAS, funding for these contracts has been included within the 2013 Adopted Budget, and

WHEREAS, the budget also contains anticipated revenues and expenditures from certain grant programs, which will also require approval of agreements with granting agencies at various times during the fiscal year.

THEREFORE BE IT RESOLVED, that the Board Chairperson is authorized to sign agreements, contracts, and/or other documents related to grant programs and other county appropriations which are contained in the adopted budget, as listed in the attached document, subject to review by the County Attorney as to form and to certification by the Controller that 1) the total amount of revenues and expenditures and the net obligation to the County is not greater than what is budgeted; and 2) there is no change in employee status and no additional employees other than as authorized in the adopted budget.

BE IT FURTHER RESOLVED, that all grants and funding arrangements with entities whose fiscal years do not coincide with the County's fiscal year be considered authorized providing that they have been authorized in part for in the adopted budget, and the remaining portion of the time period and funds are included in the Controller’s Recommended Budget for the succeeding fiscal year.

BE IT FURTHER RESOLVED, that all contracts over $5,000 that are not included in this resolution shall be approved by the Board of Commissioners by separate resolution.

MEMORANDUM

November 20, 2012

TO: County Services, Human Services and Finance Committees

FROM: Teri Morton, Budget Director

RE: Year End Adjustment and Contingency Fund Update

This resolution authorizes the County Controller, as part of the year end budgeting process, to make any necessary transfers among all budgeted funds, activities, and line items in order to comply with Public Act 621 (Uniform Budgeting & Accounting Act), and to balance the 2012 Budget. The General Fund budget will be adjusted to the amount of $73,219,108 for the fourth quarter of 2012.

One notable adjustment that will be necessary is an increase in the general fund appropriation to the Community Health Center Network Fund (511). This fund is currently projecting a deficit of approximately $800,000. A sufficient surplus is projected in the Health Fund (221) to cover this shortfall. This resolution will authorize any necessary adjustments in general fund appropriation between the two funds.

This resolution will also amend the 2013 Parks Department budget by identifying a specific position for elimination. The 2013 adopted budget includes one position to be eliminated from the Parks Department to be identified by December 31, 2012. This delay was recommended by the Controller to allow time for a thorough evaluation of the Parks Department’s operation in order to recommend a position elimination that would have the least detrimental impact on the overall services provided by the department. The position number and job title will be provided at the County Service meeting on December 4.

Also included is an update of contingency fund spending so far this year. The current contingency amount is $157,689. The attached document details how the Board has allocated the contingency funds throughout the year, beginning with a balance of $449,888.

Should you have any questions or require any additional information, please don’t hesitate to contact me.

Subject: Municipal Employees’ Retirement System (MERS) - Uniform Transfer Provision

Date: November 27, 2012

The County of Ingham recently established MERS Hybrid Pension Plans for several divisions of the County’s retirement system.

The County of Ingham currently operates the County’s retirement system under the MERS Standard Transfer Rule. Under the Standard Rule, all transfers and promotions to new divisions are covered under the active employee plan in the new division.

Under the Standard Transfer Rule, if there is a Hybrid Pension Plan in place for the division, effectively closing the Defined Benefit Plan to new entrants, then employees transferring into the division would experience a frozen accrued defined benefit as of the transfer date.

MERS has available an Alternate Transfer Provision which allows employees a choice to either be placed in the open plan (Hybrid) or the closed plan (Defined Benefit) if it is the same plan type as the plan from which the employee is transferred. The Alternate Transfer Provision would apply to all divisions of the County’s retirement system.

By adopting the Alternate Transfer Provision, the County would provide the opportunity for employees with a Defined Benefit Plan to retain the Defined Benefit Plan upon transfer or select the Hybrid Plan. Employees hired in and provided the Hybrid Pension Plan would not have the ability to move into a Defined Benefit Plan due to transfer or promotion. The Alternate Transfer Provision applies only to transferred employees and rehired employees would continue to be enrolled into the active plan. This would effectively maintain the projected savings from new hires participating in the Hybrid Pension Plan.

This change would provide the flexibility to employees with a Defined Benefit Pension Plan to retain that plan when provided the opportunity for promotion.

Please let me know if you have any questions.
RESOLUTION AUTHORIZING ESTABLISHING UNIFORM TRANSFER PROVISION

WHEREAS, the Ingham County Board of Commissioners authorized the establishment of the Municipal Employees’ Retirement System (MERS) Hybrid Pension Plans; and

WHEREAS, Ingham County currently has in place the MERS Standard Transfer Rule for employees who transfer or promote into pension divisions that have established Hybrid Pension Plans; and

WHEREAS, the MERS Standard Transfer Rule would not allow employees with a Defined Benefit Pension Plan to retain the Defined Benefit Pension upon promotion or transfer; and

WHEREAS, MERS offers an Alternate Transfer Provision that gives employees the choice to be placed in the open plan or the closed division, if it is the same plan type as the division from which the employee is transferred from, as long as there are active employees remaining in the closed plan type; and

WHEREAS, the MERS Alternate Transfer Provision would apply to all MERS divisions.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes the attached resolution establishing the MERS Uniform Transfer Provision, to provide transferred or promoted employees the choice at the time of their transfer to either be placed in: the divisions open plan, or the closed plan if it is the same plan type, provided there are employees remaining in the plan type.

BE IT FURTHER RESOLVED, that the County Controller/Administrator is authorized on behalf of the County’s retirement system to sign and execute all documents to effectuate and finalize this change, subject to prior approval as to form, by legal counsel.
