Limited Public Comment

Tom Gamez Jr., ICRC, wanted to make sure that the issues of the Road Commission were still being addressed since the Senate and House bills have stalled. He expressed his concern of distrust.

Chuck Gray, UAW, stated he was in attendance for the one item. He further stated that they are currently in mediation and little progress has been made. He noted that information requested was not received in a timely manner which slowed down the process and now that it has been received things can move forward. There are 2 primary issues: health care and retirement. He informed the Committee he will be in the hallway during the closed session if there were any questions he is available.

Jonathan Roth, Prosecutors Office, expressed his concern of step freezes and giving an example of its effect, as well as, the County moving swiftly to avoid unnecessary costs. He questioned the multiplier used by MERS, funding and inadequate information.

Joe Clewley, Michigan Association of Police, expressed his concern of retirement, the age structure of officers, new hire benefits, and unfunded liability. He stated he is in opposition of the hybrid plan. He informed the Committee he will be in the hallway during the closed session if there were any questions he is available.

Kathy Fitton, MNA stressed the importance of the County's ability to provide nursing services.

Anita Szczepanski, MNA expressed her concern that they are unable to hire nurses because of wages stating that most nurses are attracted to the good benefits including retirement. Ms. Fitton and Ms. Szczepanski stated that the concessions are not acceptable to other unions and are not acceptable to the MNA.

Sally Auer informed the Committee that Tom Larkins was in a serious car accident on Saturday afternoon and will be in the hospital for a very long time. She noted that he may not have visitors at this time but thoughts and prayers are appreciated.

Dan Troia, ICRC, urged the Committee not to rely on the State to take care of the problems at the Road Commission. He highlighted the events and accusations. He invited Chairperson Holman and the Commissioners to stop in.

Comm. Tennis provided the Committee with a handout "The Top Ten Advantages of Maintaining Defined Benefit Pensions, May 2007" National Conference on Public Employee Retirement Systems (NCPERS).

1. Closed Session – Collective Bargaining

MOVED BY COMM. CELENTINO SUPPORTED BY COMM. DE LEON, TO BEGIN CLOSED SESSION FOR THE PURPOSE OF DISCUSSING THE COLLECTIVE BARGAINING.

MOTION CARRIED WITH THE FOLLOWING ROLL CALL VOTE:  
YEAS, COMMISSIONERS HOLMAN, SCHOR, GREBNER, CELENTINO, DE LEON, AND VICKERS

Chairperson Holman invited the Commissioners not on the Committee to remain for the closed session.

The Committee returned to regular session.

MOVED BY COMM. GREBNER, SUPPORTED BY COMM. DE LEON, TO GIVE THE CONTROLLER THE AUTHORITY TO CONTINUE TO PROPOSE TO THE BARGAINING UNITS A HYBRID RETIREMENT PLAN FOR EMPLOYEES HIRED ON OR AFTER JANUARY 12, 2012.

Comm. Grebner referred to the dissimilarity in retirement contributions noting some compensation adjustments may need to be considered if changing to a hybrid plan. Comm. Vickers asked if this is effective January 1<sup>st</sup> or upon ratification. Mr. Cohl stated that pensions can not be retroactive, and essentially the Board of Commissioners would give direction to the Controller and that would be figured out. Comm. Schor stated that he would like to add that the contribution rates and multipliers are subject to negotiations.

MOVED BY COMM. SCHOR, SUPPORTED BY COMM. GREBNER, TO AMEND THE MOTION BY ADDING: AND UNDERSTANDING THAT THE CONTRIBUTION RATES AND MULTIPLIER ARE SUBJECT TO COLLECTIVE BARGAINING.

AS FOLLOWS:

TO GIVE THE CONTROLLER THE AUTHORITY TO CONTINUE TO PROPOSE TO THE BARGAINING UNITS A HYBRID RETIREMENT PLAN FOR EMPLOYEES HIRED ON OR AFTER JANUARY 12, 2012 **AND UNDERSTANDING THAT THE CONTRIBUTION RATES AND MULTIPLIER ARE SUBJECT TO COLLECTIVE BARGAINING.**

THIS WAS ACCEPTED AS A FRIENDLY AMENDMENT.

MOTION TO APPROVE, AS AMENDED, CARRIED UNANIMOUSLY.

The Controller recommends approval of the following action items:

1. Housing Commission - *Resolution Accepting 2011 Community Development Block Grant Funding (CDBG) from the Michigan State Housing Development Authority (MSHDA) in the amount of \$300,000.*

This resolution accepts \$300,000 in CDBG funding from MSHDA. The funds will be used for homeowner rehabilitation.

2(a). Management Information Systems - *Resolution to Approve the Purchase of the DotNetNuke Prop License Subscription from the DotNetNuke Corporation.*

The resolution authorizes the renewal of the license subscription for a period of 3-years which will allow us a 15% discount off the 1-year subscription pricing or a savings of \$1,125.00 over the 3-year term. The total amount for the 3-year subscription will be \$6,375.00.

2(b). Management Information Systems - *Resolution to Approve the Purchase of Batteries, Capacitors, and Filters from Nationwide Power.*

**RESOLUTION 2011-019****“Oscoda County Supports of CRAM’s Position on HB 5125-5126”**

**WHEREAS**, county roads are the backbone of our state’s economy moving more than \$800 billion in goods and services annually. From seasonal roads to seven-lane highways and beyond, county road commissions are responsible for the majority (75 percent) of Michigan’s road system, representing more than 90,000 miles of Michigan’s roads and 5,700 bridges—the fourth largest local road system in the nation;

**WHEREAS**, county road commissions, in serving the needs of the entire county road and bridge network, have embraced the principles of asset management in determining road projects. Gone are the days of fixing the worst roads first. Asset management requires that the right fix be applied at the right time to preserve pavement conditions. Bringing the road commission under county general government would interject political boundaries into the decision making process, undermining the road commission’s ability to base decisions on scientific principles.

**WHEREAS**, county road commissions were created by a vote of the people, and any attempts to change their composition by consolidation or regionalization should require a vote of the electorate in the affected counties.

**WHEREAS**, county road commissions have implemented many reforms, efficiencies to increase operational efficiency, and are already working at or below minimum levels of staffing. Administrative salaries and benefits are only a small portion of a road commissions overhead. The majority of administrative expenses are static costs including: legal expenses, utilities, insurance, surety bonds, equipment rental, engineering supplies and services, and building maintenance and depreciation. Without due diligence and careful consideration of factors such as long-term financial needs, liabilities, debt, and bond ratings; bringing the road commission under county general government could substantially increase costs to the taxpayers and result in a decreased level of services.

**NOW THEREFORE BE IT RESOLVED**, that the Oscoda County Board of Commissioners opposes House Bills 5125-5126 as introduced. The County Road Association of Michigan (CRAM) has suggested amendments that will add transparency and ensure due diligence in creating a process to eliminate road commissions, require public input, and require a countywide vote of the electorate if the road commission were to become a department of county government. CRAM has also suggested language allowing a county that has decided to eliminate

the road commission to once again create an independent county road agency if the county board determines this would provide better services to the public at a reduced cost.

**BE IT FURTHER RESOLVED** that the Oscoda County Board of Commissioners urges your support of the Geiss Substitute H-2 that would make the changes suggested by the County Road Association of Michigan. If this substitute language or similar language is not adopted to add transparency, ensure due diligence, require public input, and require a countywide vote of the electorate, we urge your opposition of this legislation.

**BE IT FURTHER RESOLVED** that copies of this resolution be sent to Governor Rick Snyder, State Representative Peter Pettalia, State Senator John Moolenaar, the Michigan Association of Counties, the Michigan Townships Association, and the County Road Association of Michigan.

**Motion #2011-348** Moved by Commissioner Hunt and supported by Commissioner Marsh to adopt the above Resolution at a Regular meeting of the Oscoda County Board of Commissioners held on **December 13, 2011.**
