Mr. Schertzing stated he will be providing that information at the Finance Committee.

Comm. Dougan asked how people with properties in two states are identified with this audit. Mr. Schertzing stated although they do not have access to other state’s databases it is often self incrimination then he provided examples.

5. **Purchasing** - Resolution Granting a Permanent Waiver of the Requirements of the Ingham County Living Wage Policy to St. Vincent Catholic Charities

MOVED BY COMM. GREBNER, SUPPORTED BY COMM. VICKERS, TO APPROVE THE RESOLUTION GRANTING A PERMANENT WAIVER OF THE REQUIREMENTS OF THE INGHAM COUNTY LIVING WAGE POLICY TO ST. VINCENT CATHOLIC CHARITIES.

Mr. Hudgins noted that in the past the Board of Commissioners approved three separate waivers. He highlighted the letter from Ms. Long, St. Vincent Catholic Charities asking for a permanent waiver and noting the County policy allows a non-profit human service agency to request the waiver.

Comm. De Leon stated that it was the Board of Commissioners understanding in the past the waivers were granted with the intent that St. Vincent Catholic Charities made a promise to work toward the goal of paying the living wage. Comm. De Leon asked what happened to reaching the goal. Ms. Long stated they continue to work toward the goal; however, the market rate of the positions is below the living wage. She described the positions, wages and internal inequity. Comm. Schor summarized St. Vincent’s historical views of the policy, goals and their requests for exemption. Comm. Schor stated he is currently opposed to granting a permanent waiver and prefers that St. Vincent’s is accountable while working toward the living wage.
Ms. Aldridge explained they are very heavily grant funded and grants do not increase every year although the living wage may increase; therefore, meeting the living wage is difficult. Ms.

Aldridge reminded the Committee this is State pass-thru money to serve refugees at the Health Department. She expressed her concern of ever reaching the living wage based on the current funding and more services provided each year.

Comm. Vickers asked what programs would be cut should St. Vincent be required to pay the living wage. Ms. Long answered Refugee Services. Comm. Vickers asked how many clients are served. Ms. Long stated there were 516 arrivals in 2011 and expects 400 arrivals in 2012. She explained the new arrivals go through the Health Department and this funding pays for interpreters. Comm. Vickers asked for the total number of part-time and full-time employees. Ms. Long estimated 20 to 25 part-time and 209 full-time employees. Comm. Vickers asked if personal donations are down. Ms. Long explained designated donations.

Ms. Long wanted to clarify they do want to pay a fair wage to the employees without jeopardizing the integrity of programs and without laying-off other employees.

Comm. De Leon asked how administration bonuses in addition to the higher salaries are justified. Ms. Long stated there are no bonuses and she has never received a bonus. Comm. De Leon asked if it could be called something else. Ms. Long stated no explaining the pay structure that includes everyone and there is no form of longevity, incentive, goal or merit bonuses from the CEO down. Board Chairperson Copedge asked what is the pay disparity within the charity and further asking if those with a master’s degree are making $9.00 per hour. Ms. Long explained it depends on their functions and responsibilities some people in administration are not making $14.42 per hour. Board Chairperson Copedge asked if St. Vincent’s pays for a portion of the benefits. Ms. Long answered, yes; there are different plans and premiums. She further explained the retirement benefits.

Comm. Grebner stated that he was opposed to the living wage policy from conception and recognizes that St. Vincent is providing programs at as little cost as possible with money that is passed through from the State. He would like to give them a permanent or at a minimum a partial waiver.

Chairperson Holman expressed her concern that other agencies are treated equally. Comm. De Leon noted St. Vincent is the only agency that requests the waiver. Ms. Lannoye explained who would qualify for the waiver and it would not apply to the community agencies.

Mr. Hudgins explained a couple of years back the Board of Commissioners granted a permanent waiver to Court Ordered Juvenile Placement Programs. Chairperson Holman asked if there is anyone now that would qualify. Comm. De Leon also expressed her concern of other agencies providing similar services. Mr. Hudgins answered he is not aware of any based on the requirements of the policy.
Comm. Vickers expressed his concern of services being eliminated giving the example of Cristo Rey. Comm. Schor stated he does not disagree the service is needed; however, the waiver should not be permanent, grants could change and the conversations should continue. Comm. De Leon asked how many employees are paid through the County contract. Ms. Long stated 30. Comm. De Leon asked if St. Vincent’s employs the interpreters. Ms. Aldridge explained it covers primarily the interpreters and a health coordinator.

Comm. De Leon made note that she generally has a problem with funding positions that are so low they continue to need support from other programs with tax payer dollars.

MOVED BY COMM. SCHOR, SUPPORTED BY COMM. DE LEON, TO AMEND THE RESOLUTION’S THEREFORE BE IT RESOLVED, BY STRIKING THE WORD “PERMANENT” AND ADDING “THROUGH 12-31-2014” AFTER “WAIVER” AS FOLLOWS;

HIRING FREEZE REQUESTS
The Controller recommends approval of the following hiring freeze requests:

1. Sheriff - Two Deputy Positions

ACTION ITEMS
The Controller recommends approval of the following action items:

2. 55th District Court/Sheriff’s Office - Resolution to Eliminate a Court Officer Position in the 55th District Court and to Authorize the Ingham County Sheriff’s Office to Provide the Court with Two Part-time Deputies to Serve as Court Officers.

This resolution will authorize the elimination of a 55th District Court Enforcement Officer, UAW Grade E position and the creation of two part time Deputies within the Sheriff’s Office as authorized by the MAP contract effective March 30, 2012. The current employee at the Court is leaving employment at the end of March. The Court will then use these existing funds to hire two part time Deputies within the Sheriff’s Office to provide up to forty four hours per week of security at the Court. At the top of the scale this proposal will save about $26,000 annually. The UAW has been notified and the Resolution will also authorize a Letter of Understanding to accomplish this. (See attached memo from Mike Dillon for details.)

3. Facilities - Resolution Authorizing Entering into a Contract with DLZ Michigan, Inc. to Provide Architectural and Engineering Services for Exterior Repairs at the Ingham County Family Center and the Human Services Building Maintenance Garage.

The resolution authorizes an A&E contract with DLZ in an amount not to exceed $9,300. DLZ was the low bidder, is a local vendor, and has other relevant experience, and previous experience with the County.

4(a). Purchasing - Resolution to Authorize an Agreement with Comerica, Inc. for the Procurement Card Program.

The current agreement with Comerica expires on July 31, 2012. The resolution authorizes a 3 year contract extension, with an option for an additional 2 year extension if mutually agreed to by both parties.

The resolution would renew the agreement for an additional 3 years, with an option for an additional 2 years. Lansing Ice & Fuel, a registered and local vendor with the County, will provide County employees with easy access to and the convenience of numerous fueling stations in and around the County and the State. It also backs out all exempt sales tax and provides fuel usage reports by department utilizing a card accounting system. All fuel purchased meets or exceeds the minimum fuel standards established by the State of Michigan. The price charged to the County for all fuel charges is based on Lansing Ice & Fuel’s cost on the date of purchase plus a differential (for freight and margin), excluding any exempt taxes. For this contract, Lansing Ice & Fuel has agreed to reduce its cost differential for all types of fuel from $0.086 to $0.069 per gallon.
5. Health Department - Resolution to Authorize a Realignment of Health Department Administrative Structure.

This resolution will realign the administrative structure of the Health Department. The realignment is the direct result of the separation of the Health Officer and Medical Director responsibilities into distinct positions as required by the appointment of an administrative Health Officer. This structure distributes administrative responsibilities across fewer managers, and utilizes the existing administrative and managerial capacity of the department. The total savings is approximately $24,836. Please see the attached memorandum for more details.

7. Controller - Final Approval of the Road Commission Transition Plan.

Materials to be mailed under separate cover.

Effective 3/31/2012, the court will have a vacant court officer position due to the retirement of Officer Bob Rutledge. The pending vacancy required the administration of the court to examine the court’s current security measures. Currently, our court officers have limited authority to enforce the general criminal laws and protect public safety.

The court discussed with the Ingham County Sheriff’s Office a proposal to have sheriff department personnel (part-time deputies) to provide court officer services for the court. The Court and the Sheriff department were in agreement that a sheriff deputy serving as court officer would significantly enhance security measures in the courthouse. The court would have on the premises a trained law enforcement officer who would be vested with general police powers to effectuate an arrest if the occasion called for it.

In an effort to enhance security measures at the 55th District Court and to cut general fund expenditures for court officer services, this proposal calls for the elimination of one court officer position in the 55th District Court and the creation of part-time deputy sheriff positions in the Ingham County Sheriff Office to serve as court officers for the 55th District Court.

The cost savings associated with this proposal is approximately $26,167 annually.
INTRODUCED BY LAW ENFORCEMENT, JUDICIARY, COUNTY SERVICES AND FINANCE COMMITTEES OF THE:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO ELIMINATE A COURT OFFICER POSITION IN THE 55TH DISTRICT COURT AND TO AUTHORIZE THE INGHAM COUNTY SHERIFF’S OFFICE TO PROVIDE THE COURT WITH TWO PART-TIME DEPUTIES TO SERVE AS COURT OFFICERS

WHEREAS, a court officer position in the 55th District Court will become vacant on March 30, 2012; and

WHEREAS, through strategic planning the court has established a goal to enhance security measures at the 55th District Court; and

WHEREAS, court officers of the 55th District Court have limited authority to enforce the general criminal laws and protect public safety; and

WHEREAS, state law prohibits the 55th District Court, or any judicial branch agency, from employing a fully empowered law enforcement officer; and

WHEREAS, being that the 55th District Court is conscious of the current budget situation, the court officer position was analyzed to determine if any cost savings could be realized; and

WHEREAS, through the elimination of the court officer position and employing the services of the Ingham County Sheriff Office to provide court officer services for the court, the court is projected to save $26,167 annually; and

WHEREAS, the 55th District Court has discussed with officials from the United Auto Workers (UAW) union seeking to gain support, or at least understanding, for the change.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorize the elimination of one 55th District Court Enforcement Officer, UAW Grade E position and the creation of two part time Deputies within the Sheriff’s Office as authorized by the MAP contract effective March 30, 2012.

DATE: March 8, 2012
RE: P-card Program Agreement

This is a resolution authorizing an agreement with Comerica, Inc. to provide commercial card services for the County’s Procurement Card (P-Card) Program. The Program was established to provide a convenient means with which to make purchases and at the same time reduce the costs associated with initiating and paying for those purchases. The County Financial Services and Purchasing Departments are responsible for managing the program and each department is responsible for managing its cardholder accounts. Employees who have the approval from their supervisor and/or department head, receive the proper training, and agree to the terms and conditions of the program are allowed to use the P-Card program.

The current P-card Agreement with Comerica terminates July 30, 2012, and as such, the County has been in discussions with Comerica regarding a new proposed agreement. Inclusive of this agreement is the creation of a new rebate program called the Revenue Share Program. This program changes the way rebates are calculated; based on the County’s current annual spending, which is around $2M, the County would be eligible for a $16,000 annual rebate.

Provided that the County’s annual spending is greater than $500,000, there is essentially no cost to the County for this program, as with the previous contract, other than nominal fees for special services like lost cards, graphics set-up, etc.

The P-card Team recommends the approval of the following Resolution.
Introduction by the County Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RE: Fuel Purchase Program for County Owned Vehicles and Equipment

This is a resolution authorizing renewing a contract with Lansing Ice & Fuel Company for a period of three (3) years with an option to renew the contract for an additional two-year period. Lansing Ice and Fuel Company will provide regular unleaded gasoline and other types of fuel on an as-needed basis for County-owned vehicles and equipment.

Lansing Ice & Fuel, a registered and local vendor with the County, will provide County employees with easy access to and the convenience of numerous fueling stations in and around the County and the state. It also backs out all exempt sales tax and provides fuel usage reports by department utilizing a card accounting system. All fuel purchased meets or exceeds the minimum fuel standards established by the State of Michigan. The price charged to the County for all fuel charges is based on Lansing Ice & Fuel’s cost on the date of purchase plus a differential (for freight and margin), excluding any exempt taxes. For this contract, Lansing Ice & Fuel has agreed to reduce its cost differential for all types of fuel from $0.086 to $0.069 per gallon.

I recommend approval of the following Resolution.
RESOLUTION AUTHORIZING RENEWING A CONTRACT WITH LANSING ICE & FUEL COMPANY TO SUPPLY FUEL FOR COUNTY-OWNED VEHICLES AND EQUIPMENT

WHEREAS, the County requires a primary supplier of fuel for County-owned and operated vehicles and equipment at fair and reasonable prices on an as-needed basis; and,

WHEREAS, the current fueling contract with Lansing Ice & Fuel Company expired on December 31, 2012; and,

WHEREAS, the Purchasing Department solicited proposals for the purchase of fuel, and after review and evaluation, recommends entering into contract with the most responsible proposer, Lansing Ice & Fuel Company, a local vendor, to supply fuel for County-owned vehicles and equipment.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes entering into a fueling contract with Lansing Ice & Fuel Company to supply fuel for County-owned vehicles and equipment for a period of three (3) years with an option to renew the contract for an additional two-year period.

BE IT FURTHER RESOLVED, that the price charged to the County for fuel purchases shall be based on Lansing Ice and Fuel’s cost on the date of purchase plus a $0.069 per gallon differential for all types of fuel purchased; diesel winterization from November 15 to March 1 shall be $0.02 per gallon.

BE IT FURTHER RESOLVED, that this differential shall be added to Lansing Ice & Fuel’s actual invoice cost to determine the County’s fuel price, excluding any exempt taxes.

BE IT FURTHER RESOLVED, that the fuel will be purchased utilizing a card accounting system to be provided by Lansing Ice & Fuel.

BE IT FURTHER RESOLVED, that the Ingham County Board Chairperson and County Clerk are authorized to sign the contract documents consistent with this Resolution after approval as to form by the County Attorney.

RE: Resolution to Authorize a Realignment of Health Department Administrative Structure

This memorandum requests approval for a resolution that will realign the administrative structure of the Health Department. The realignment is the direct result of the separation of the Health Officer and Medical Director responsibilities into distinct positions as required by my appointment as administrative Health Officer. Having observed and evaluated the administrative operations of the department over the last four months since my appointment, I now propose a structure which distributes administrative responsibilities across fewer managers, and more effectively utilizes the existing administrative and managerial capacity of the department. As Health Officer, I will also retain additional direct report managerial supervisor in order to take advantage of fiscal opportunities afforded by the retirement of two managers in the department, allowing for greater administrative efficiency as well as important budgetary savings.

This resolution recommends maintaining the current two-Deputy Health Officer administrative structure and realigns managerial positions and roles within the Department. The resolution reassigns duties formerly held by the PHS Director (which will be eliminated) and takes advantage of lessons learned during the interim administrative structure which was established upon my appointment in November, 2011. In addition, the realignment will result in the elimination of a total of five managerial positions, the establishment of one new managerial position, and the reallocation of managerial duties across existing staff.

I believe that this proposal “right-sizes” the administrative work at all levels of the department while maintaining a robust and effective leadership team. We have vetted this plan by all affected unions and the County’s Human Resources Department; both have offered preliminary support. The affected employees are also supportive including those who will accept new and additional responsibilities. Positions proposed for elimination involve vacancies; thus avoiding negative effects to any incumbent employees.

In addition to the $24,836 in cost savings, the reorganization creates additional provider capacity to serve clients in the Community Health Center Network, which in turn, will generate addition revenue for the department.

I recommend the Board adopt the attached resolution and authorize the recommended staffing and structural adjustments.
