WHEREAS, the Managerial and Confidential employee involved, being Barb Mastin, Chief Operating Officer, is qualified for and willing to temporarily assume these additional job duties and responsibilities; and

WHEREAS, the County has recognized that adjusting the employee’s salary for temporarily assuming the assigned additional duties and responsibilities during this extended period is justified, and the Human Resources staff has conducted a review with the distribution of additional duties and responsibilities that has been recommended by the Health Department to the Board of Commissioners; and

WHEREAS, the County and the Community Health Center Board are agreeable to this temporary staffing arrangement and temporary salary increase.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby authorizes the additional duties and responsibilities for the primary management and operations of the Community Health Center to be temporarily assigned to the Chief Operating Officer Barb Mastin (Position No. 601382), effective April 29, 2013 through December 31, 2013.

BE IT FURTHER RESOLVED, that the County Clerk and the Chairperson of the Board of Commissioners are hereby authorized to sign the necessary contract documents on behalf of the County after approval as to form by the County Attorney.

WHEREAS, in Resolution #13-306, the Ingham County Board of Commissioners authorized the temporary assignment of Ms. Barbara Mastin to perform the additional responsibilities resulting from the departure of the Chief Executive Officer for the period of April 29, 2013 through December 31, 2013; and

BE IT FURTHER RESOLVED, that the Chairperson of the Board of Commissioners are hereby authorized to sign the necessary contract documents on behalf of the County after approval as to form by the County Attorney.
This resolution will approve the attached list of contracts for the 2014 budget year. The list consists only of contracts that are included in the 2014 Adopted Budget. If a contract later exceeds the budgeted amount, a resolution will need to be brought before the Board of Commissioners approving the increased amount. In addition, a separate Board resolution will be required if there is a change in employee status or increase in the total number of employees.

The county contract approval process, as amended by Resolution 09-095, provides that any contract over $5,000 must be approved by the Board of Commissioners. This resolution includes various routine contract renewals in order to reduce the number of separate resolutions needed to approve contracts. The liaison committees may decide that there are some contracts included on this list that would better be considered as separate resolutions. Those contracts will be removed from this resolution before the passage by the Board of Commissioners, and will be brought back before the Board as separate resolutions at a later date.

Based on the policy on cost increases for service related contracts passed by the Finance Committee and scheduled to be considered by the Board of Commissioners at its November 12th meeting, expenditure contracts with a 2014 increase of 2.1% or less are the only ones included in this resolution. The one exception to this is the county’s contract with the Capital Area United Way for 2-1-1 Services. An increase of $12,000 (36%) was approved by the Board of Commissioners as part of the 2014 budget process.

Please contact me if you have any questions.
Introduced by the Finance Committee of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION APPROVING VARIOUS CONTRACTS FOR THE 2014 BUDGET YEAR

WHEREAS, county policy requires that all contracts over $5,000 be approved by the Board of Commissioners; and

WHEREAS, numerous contracts are approved by the Board of Commissioners each year, many of which are routine continuations of existing contracts; and

WHEREAS, funding for these contracts has been included within the 2014 Adopted Budget; and

WHEREAS, the budget also contains anticipated revenues and expenditures from certain grant programs, which will also require approval of agreements with granting agencies at various times during the fiscal year.

THEREFORE BE IT RESOLVED, that the Board Chairperson is authorized to sign agreements, contracts, and/or other documents related to grant programs and other county appropriations which are contained in the adopted budget, as listed in the attached document, subject to review by the County Attorney as to form and to certification by the Controller that 1) the total amount of revenues and expenditures and the net obligation to the County is not greater than what is budgeted; and 2) there is no change in employee status and no additional employees other than as authorized in the adopted budget.

BE IT FURTHER RESOLVED, that all grants and funding arrangements with entities whose fiscal years do not coincide with the County's fiscal year be considered authorized providing that they have been authorized in part in the adopted budget, and the remaining portion of the time period and funds are included in the Controller's Recommended Budget for the succeeding fiscal year.

BE IT FURTHER RESOLVED, that all contracts over $5,000 that are not included in this resolution shall be approved by the Board of Commissioners by separate resolution.
