## NOVEMBER 4, 2015 FINANCE AGENDA STAFF REVIEW SUMMARY

### RESOLUTION ACTION ITEMS:

#### The Controller's Office is recommending approval of the following resolutions:

*1a. Health Department – Authorization to Amend Resolution #15-193 to Include Ingham County Health Department Environmental Health Fees*

This resolution amends Resolution #15-193 to include Ingham County Health Department Environmental Health Fees. At the time this resolution was passed, Maximus Consulting Services, Inc. was evaluating the Ingham County Health Department's (ICHD) Environmental Health (EH) division in order to provide a cost of services analysis. This evaluation was authorized by Resolution #14-416. A new, simplified fee structure was developed utilizing the Maximus study. The proposed fee schedule ensures EH will achieve the appropriate level of cost recovery for each service provided.

This resolution was tabled at the October 21 Finance Committee meeting, pending additional program specific information. In addition to the Finance Division representative present at the last committee meeting, a representative from the EH Division will also be present at the November 4 meeting in order to address questions.

*1b. Health Department – Resolution to Amend the Ingham Community Health Center Board Bylaws*

This resolution amends the Community Health Center Bylaws to state that the ICHC Board shall approve the application and budget for both 330 health center programs and Look-Alikes. The deadline for HRSA to receive the amended bylaws is December 7, 2015.

*1c. Health Department - Resolution to Authorize Dental Services Agreements with Licensed Dentists from January 1, 2016 through December 31, 2016*

This resolution authorizes professional service agreements with dentists for services at the ICHD's Dental Center and Mobile Dental Center for the period of January 1, 2016 through December 31, 2016 at a rate of \$58.58 per hour for services, not to exceed \$61,918.

*1d. Health Department - Resolution to Authorize Professional Service Agreements with Dentists for Services at the Ingham County Health Department's Jail Medical Center*

This resolution authorizes professional service agreements with dentists for services at the ICHD Jail Medical Center for the period of January 1, 2016 through December 31, 2016 at a rate of \$70.00 per hour for services, not to exceed \$22,000.

1e. *Health Department – Resolution to Authorize an Amendment to the Agreement with the Michigan State University College of Nursing for Nurse Practitioner Services at the Ingham County Health Department’s Jail Medical Center*

This resolution extends the agreement with Michigan State College of Nursing for Nurse Practitioner services at ICHD’s Jail Medical Center for the period of January 1, 2016 through December 31, 2018, with a 2.5% rate of pay increase for each year of the contract.

2. *Michigan Department of Health and Human Services – Michigan Rehabilitation Services – Resolution to Authorize a Cooperative Cash Match Agreement with Michigan Rehabilitation Services*

This resolution authorizes Ingham County to act as the fiduciary pass-through agency in a cash match agreement with Michigan Rehabilitation Services to provide vocational guidance and counseling, employment related training and transportation, and placement supports to individuals with disabilities who are eligible for MRS services. Match funding is provided by Peckham, Inc. This agreement is similar to other agreements going back to 2008, whereby Ingham County replaced the Ingham County Department of Human Services in this role, because the prior arrangement came under scrutiny because match dollars may not be federal, and the agreement between two state agencies raised that concern. The agreement will not exceed \$407,407 (\$110,000 local match provided by Peckham). The agreement with Michigan Rehabilitation Services will be for the time period of October 1, 2015 through September 30, 2016.

3. *Community Agencies – Resolution Authorizing 2016 Agreements for Community Agencies*

This resolution approves community agency funding for FY 2016. Each application was evaluated based on the “meeting basic needs” criteria as approved in Board of Commissioners resolution #15-197. For 2016, twenty nine (29) applications were received, requesting a total of \$315,150, and \$220,000 is included in the 2016 Budget for community agency funding. Every agency is recommended for funding at what they asked for, or what they received last year, with the exception of the new agencies who are recommended at roughly half of their requested amount. Binders containing the applications of each agency have been previously distributed to you. Please bring those with you to the meeting, as they will provide helpful information for your discussions.

4a. *Financial Services Department – Resolution to Change the Pension Expense Accounting Treatment for the Community Health Network Fund and to Amend the 2015 and 2016 Budgets to Reflect this Change*

This resolution would change the method of accounting for the Community Health Network Fund in order to avoid a deficit in the Comprehensive Annual Financial Report. The potential deficit is due to a change by the Governmental Accounting Standards Board (GASB) regarding reporting of pension liability for Enterprise Funds. (See attached memo for details.)

4b. *Financial Services Department – Resolution to Transfer \$300,000 to the Fair Fund to Offset the Pension Liability Required to be Reported on the Balance Sheet*

This resolution would transfer \$300,000 from the General Fund to the Fair Fund to avoid a deficit in the Comprehensive Annual Financial Report that would be created as a result of a change by the Governmental Accounting Standards Board (GASB) regarding reporting of pension liability for Enterprise Funds. This will be a permanent restricted cash balance to offset the liability. (See attached memo for details.)

**LINE ITEM TRANSFER REQUEST:**

**The Controller's Office is recommending approval of the following line item transfer request:**

5. Budget Office – *Parks Line Item Transfer Request*

The Budget Office, on behalf of the Parks Department, proposes a line item transfer of \$6,500 from the Parks gas, grease, oil and antifreeze line item to the Equipment Revolving Fund's machinery and equipment line item in order to purchase a trail blower for Hawk Island. The Board of Commissioners' budget policy requires that transfers between cost categories of more than \$5,000 but less than \$25,000 be approved by the appropriate liaison committee and the Finance Committee.

## Agenda Item 1a

**TO:** Human Services Committee  
Finance Committee

**FROM:** Linda S. Vail, MPA, Health Officer

**DATE:** October 5, 2015

**SUBJECT:** Recommendation to Amend Resolution #15-193 to Include Ingham County Health Department Environmental Health Fees

Each year, Ingham County passes a resolution to set fees for various county services as part of the budget process. Resolution #15-193 authorized these fees for FY 2016. At the time this resolution was passed, Maximus Consulting Services, Inc. was evaluating the Ingham County Health Department's (ICHD) Environmental Health (EH) division in order to provide a cost of services analysis. This evaluation was authorized by Resolution #14-416.

Prior to this study, EH had been operating under their existing fee schedule for more than 10 years with no change in fee structures. Because the Maximus cost study for Environmental Health services was ongoing when Resolution #15-193 was passed, their fees were not included.

A new, simplified fee structure was developed utilizing the Maximus study. The proposed fee schedule ensures EH will achieve the appropriate level of cost recovery for each service provided.

I recommend that the Board of Commissioners adopt the attached amendment to Resolution #15-193 to update EH service fees.

**Agenda Item 1b**

**TO:** Human Services Committee  
Finance Committee

**FROM:** Linda S. Vail, MPA, Health Officer

**DATE:** October 15, 2015

**SUBJECT:** Resolution to Amend Ingham Community Health Center Board Bylaws

This resolution amends the Ingham Community Health Center (ICHC) Board Bylaws.

Currently, under Article 10, Section C of the bylaws, it states that the ICHC Board shall review and approve the annual Section 330 grant budget and recommend this budget to the Board of Commissioners after review and recommendation by the Community Health Center Finance Committee. The United States Health and Human Services Health Resources and Services Administration (HRSA) is requiring that these be changed to be in compliance with their health center program requirements. This change would amend the bylaws to state that the ICHC Board shall approve the application and budget for both 330 health center programs and Look-Alikes. The deadline for HRSA to receive the amended bylaws is December 7, 2015.

I recommend that the Ingham County Board of Commissioners authorize the amendment to the ICHC Board Bylaws.

RE: Cash Match Agreement with Michigan Rehabilitation Services

DATE: October 21, 2015

This resolution authorizes Ingham County to act as the fiduciary pass-through agency in a cash match agreement with Michigan Rehabilitation Services to provide vocational guidance and counseling, employment related training and transportation, and placement supports to individuals with disabilities who are eligible for MRS services. Match funding is provided by Peckham, Inc.

This agreement is similar to other agreements the Board of Commissioners going back to 2008, whereby Ingham County replaced the Ingham County Department of Human Services in this role, because the prior arrangement came under scrutiny because match dollars may not be federal, and the agreement between two state agencies raised that concern.

The agreement will not exceed \$407,407 (\$110,000 local match). The agreement with Michigan Rehabilitation Services will be for the time period of October 1, 2015 through September 30, 2016.

Introduced by the Human Services and Finance Committees of the:

**INGHAM COUNTY BOARD OF COMMISSIONERS**

**RESOLUTION TO AUTHORIZE A COOPERATIVE CASH MATCH AGREEMENT  
WITH MICHIGAN REHABILITATION SERVICES**

WHEREAS, Michigan Rehabilitation Services (MRS) engages in cash match agreements which require contributions from partner organizations; and

WHEREAS, prior to 2008 the Ingham County Department of Human Services (DHS) had a long-standing agreement with MRS to act as a pass through entity for match funding provided by local agencies; and

WHEREAS, the agreement between DHS and MRS came under scrutiny because match dollars may not be federal, and this agreement between two state agencies raises that concern; and

WHEREAS, MRS finds it preferable to establish this agreement with a local government agency to avoid the appearance and confusion of inter-departmental agreements at the state; and

WHEREAS, Ingham County has been identified as an appropriate pass through entity to help maintain this agreement since 2008; and

WHEREAS, MRS wishes to enter into another, similar cash match agreement.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes entering into a cash match agreement not to exceed \$407,407 (\$110,000 local match) with Michigan Department of Human Services – Michigan Rehabilitation Services to provide vocational guidance and counseling, employment related training and transportation, and placement supports to individuals with disabilities who are eligible for MRS services.

BE IT FURTHER RESOLVED, that this agreement is contingent upon Ingham County's local match portion (\$110,000) being provided by Peckham, Inc., and no county funds will be used for this purpose.

BE IT FURTHER RESOLVED, the term of this agreement shall be October 1, 2015 through September 30, 2016.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make any necessary budget adjustments consistent with this resolution.

BE IT FURTHER RESOLVED, the Chairperson of the Ingham County Board of Commissioners is authorized to sign any necessary contract documents consistent with this resolution and approved as to form by the County Attorney.

RE: Clinic Fund Pension Liability

You may remember when I presented the year-end financial statements I explained the GASB change regarding pension liability which will go into effect this year. I explained that it would impact all of the County's Enterprise funds along with the County's fully accrued governmental fund statement. At that time, I expressed my concern about the impact on the Health Department's Clinic Enterprise fund and that I would research alternatives to reporting this approximately \$11 million liability on their balance sheet.

After discussion with Plante Moran and conducting some research, I believe we have found an alternative. If the General Fund pays the pension expense directly for these employees, the corresponding liability will be reported along with all other governmental type employees and will not be required to be reported on the Balance Sheet for the Clinic Fund. Since the General Fund subsidy to the Clinic Fund far exceeds the pension expense, this can be accomplished with just a few accounting entries. This change will have no impact on the budgeted condition of either fund. However, it will have a material impact on the balance sheet for the Clinic Fund and the Statement of Net Position for the Governmental Funds. Attached is an example of each report with and without this change using 2014 balances.

The administration believes it is in the County's best interest to make this change. Attached is a resolution formalizing the transfer of the pension expense and amending the budget to reduce the general fund contribution and transferring the pension expense for the Clinic Fund for 2015 and 2016. It is the plan that this will be a permanent change and that all future budgets will be adopted using this payment method.

I realize this is very complex and will answer any questions you have at the committee meeting.

RE: Fair Fund Pension Liability

You may remember when I presented the year-end financial statements I explained the GASB change regarding pension liability which will go into effect this year. I explained that it would impact all of the County's Enterprise funds along with the County's fully accrued governmental fund statement. The estimated amount for the liability for the Fair Fund is \$300,000. The addition of this liability will result in a permanent large accounting fund deficit for this fund.

It is in the County's best interest to avoid financial fund deficits if at all possible. I am proposing that the County transfer \$300,000 from the General Fund to the Fair Fund as a permanent restricted cash balance to offset the liability. This cash will not be used by the Fair for any purpose other than providing an asset to offset the corresponding pension liability. Attached is an example of how this will impact the Fair Fund using 2014 information.

Also attached is a resolution amending the 2015 budgets for the General and Fair Funds to transfer \$300,000 to be used exclusively for eliminating the deficit caused by the requirement to report the Net Pension Liability on the 2015 Fair Fund's balance sheet.

If you have any questions, please let me know.

RE: Parks Line Item Transfer Request

As part of the 2016 capital budget request, the Parks requested a trail blower for Hawk Island. Due to budget constraints, funding for the item was not included in the 2016 budget. The Parks Department has identified funds available within its 2015 operating budget for this purchase. Attached is a line item transfer request to transfer \$6,500 from the Parks gas, grease, oil and antifreeze line item to the Equipment Revolving Fund's machinery and equipment line item in order to purchase a trail blower for Hawk Island. The Board of Commissioners' budget policy requires that transfers between cost categories of more than \$5,000 but less than \$25,000 be approved by the appropriate liaison committee and the Finance Committee. The Budget Office has confirmed that the funding is available.

Your approval of the requested transfer is recommended. Please feel free to contact me if you have any questions or would like any additional information.
