Commissioner Bahar-Cook asked whether revenues ended up in the general fund.

Ms. Morton stated that the 2015 budget was looking to come up $2 million short. Ms. Morton stated that looking forward, this appeared to be the trend, so long term adjustments would need to be made and the Health Department was working proactively to address these problems. She further stated that one problem was with the operating budget and the other was with the capital budget.

Commissioner Tennis stated that our current health system was community oriented and the federal funds were based on a hospital type system. He further stated that in the future, there should be a discussion about how to go forward and whether changes were needed.

The “basic” Smart 911 system allows businesses to develop profiles and the “standard” Smart 911 system allows anyone that wishes to develop a personal, family or business profile that is tied to their individual phone number(s) at no cost. Rave Mobility will, as a part of this purchase, assist with marketing and getting the message out to the public about the program/service in order to have people sign up. Information will be updated every 6 months so the information provided is as accurate as possible. Our 9-1-1 staff would not be responsible for updating the information. The Ingham County 911 Central Dispatch Center, with the purchase of the system and maintenance, would then have access to the profiles that have been provided when a user calls 9-1-1. The period of the Agreement will be October 1, 2015 through September 30, 2016. The scope of services included in this Agreement includes Essential Local Public Health Services, and several categorical public health programs identified in the attachments to the Agreement. Approximately $4.6 million of state/federal funds will be made available to ICHD through the Comprehensive Agreement, and that ICHD’s contribution to expenditures associated with the Agreement and budget shall not exceed levels appropriated in the County's 2016 Budget for these purposes.
10c. **Health Department** – **Authorization to Amend Resolution #15-193 to Include Ingham County Health Department Environmental Health Fees**

This resolution amends Resolution #15-193 to include Ingham County Health Department Environmental Health Fees. At the time this resolution was passed, Maximus Consulting Services, Inc. was evaluating the Ingham County Health Department’s (ICHD) Environmental Health (EH) division in order to provide a cost of services analysis. This evaluation was authorized by Resolution #14-416. A new, simplified fee structure was developed utilizing the Maximus study. The proposed fee schedule ensures EH will achieve the appropriate level of cost recovery for each service provided.

This resolution provides $25,000 in compensation to ICHD to support the Registration and Enrollment Unit to provide outreach, education, and enrollment both through the Marketplace and the MI-Bridges program. 10g. **Health Department** - **Resolution Authorizing Status Change for Position #601309**

This resolution authorizes the conversion of position #601309, currently a .75 FTE Health Center Nurse (MNA Grade1), to a 1.0 FTE Health Center Nurse. The cost difference of this conversion will be derived from a vacant 1.0 FTE Assistant Social Worker position, position #601424. The elimination of the remainder of position #601424 would save $50,000.00 annually. This status change better reflects the operational needs of the Ingham County Health Department.

10h. **Health Department** - **Resolution to Amend Resolution #15-322 to Amend the Terms of the Lease Agreement for the Facility at 5656 South Cedar Street**

This resolution amends resolution #15-322 to change the end date of the lease agreement for the Cedar Pointe Office building to January 31, 2016. This change in the termination date will result in a savings of approximately $95,000 in 2016.
11a. Financial Services Department – Resolution to Authorize the Purchase of Retiree Medicare Supplemental Insurance from the Hartford Life Insurance Company

The County has purchased health insurance for Medicare-eligible retirees from Humana for many years. Following a recommendation from the County’s health care consultant to explore other options, proposals were received from other insurance carriers and it was determined that coverage offered by Hartford Life Insurance Group would best serve County retirees. It is anticipated that this change will save approximately $100,000 in 2016 (some of this savings will be shared with retirees who purchase coverage for their spouses). The County’s administration is especially concerned about providing the best value to our elderly retirees. Although benefits offered by Hartford are not identical to those offered through Humana, the overall change will have no detrimental impact to our retirees. A resolution to authorize this change is presented for consideration.

Section 8 of the Publicly Funded Health Insurance Contribution Act (MCL 15.568) permits a local unit of government to exempt itself from employer contribution limitations of the Act for the next succeeding year by a 2/3 vote of a governing body. The County began a partially self-insured health insurance program in 2015 that resulted in substantial savings. Uncertainty associated with the savings amount in the coming fiscal year makes it very difficult to determine if the County will be in compliance with the 80% maximum funding requirement. Therefore, the County administration recommends that this requirement of Public Act 152 be waived for 2016 as permitted by statute.

12a. Parks Department – Resolution Authorizing a Purchase Order with Barnhart Roofing for the Reroofing Project of the Restroom at the Lake Lansing South Park Picnic Area and the White Restroom Building at Lake Lansing North Park

The Parks Department seeks approval of a resolution to authorize executing a purchase order to re-roof the White Restroom at the Lake Lansing North Park at a cost not to exceed $7,072.50, inclusive of a 15% contingency for any unforeseen structural repairs to the sheathing. Barnhart Roofing has agreed to charge $1.75 per square foot for repairs to the wood sheathing, if necessary. This proposal received support from the Parks and Recreation Commission at their meeting held on September 28.

12b. Parks Department – Resolution Granting the Ingham County Parks and Recreation Commission the Ability to Approve Future Visitor Incentive Programs at the Ingham County Parks

The Parks and Recreation Commission seeks authorization to approve visitor incentive programs for promotional and marketing purposes (special rates/discounts) at Ingham County Parks. All fees are currently established by the Board of Commissioners. Under this proposal, all visitor incentives will be reviewed by the Parks Director and the Ingham County Parks and Recreation Commission prior to implementation. A resolution authorizing this change is offered for Board consideration.
13. **Road Department** – Resolution to Approve a First Party Construction Contract Amendment with Michigan Paving & Materials Co. and a Third Party Agreement Amendment with the City of Lansing for Additional City Desired Work Associated with the Michigan Avenue Reconstruction Project

The Ingham County Road Department (ICRD) received a State of Michigan, Road and Risk Reserve (RRR) fund grant to reconstruct Michigan Avenue from 1500 feet west of Waverly Road to east of Clare Street. The project generally involves replacement of the existing roadway pavement, storm sewer improvements, water main improvements, sidewalk installation, and conversion from four lanes to three lanes with paved shoulders. The work along Michigan Avenue is nearly completed.

The City of Lansing approached the Road Department about seeking authorization for sanitary sewer repairs to a 500-foot portion of Grace Street, just down the road from the original Grace Street repair location. The additional work has an estimated value of $130,000, which the City of Lansing is obligated to pay. The project contractor, Michigan Paving & Materials, has agreed to perform the additional work. A resolution in support of a contract amendment was offered by the Road Department.

14. **Human Resources Department** – Resolution Approving Generic Service Credit Purchase for County Employee: Chadwick C. Phillips

Pursuant to standing County Resolution 02-101, it is permissible for employees to purchase generic service credit under the Municipal Employees’ Retirement System (MERS). The cost for generic service “must be totally borne by the employee.” Chadwick C. Phillips completed the MERS application and received the cost estimate to purchase three years under the County’s plan. The Human Resources Director recommends approval of this request.

15b. **Facilities Department** – Resolution Authorizing an Amendment to Resolution #15-144 with Laux Construction, LLC for Renovations at the Ingham County Forest Community Health Center (FCHC)

This resolution authorizes an amendment to Resolution #15-144 which approved a contract with Laux Construction, LLC for renovations at the Ingham County Forest Community Health Center. The Facilities Department claims that as a result of bidding out the dental equipment, unexpected design and construction document changes were encountered and those changes resulted in a two and a half month project delay as well as additional design and construction costs. The Facilities Department is asking to increase the contingency amount from $108,000.00 to $158,000.00. There are sufficient funds left over from the Forest parking lot restoration project to cover the additional costs. Staff recommends approval to this resolution with some degree of reluctance, given the lack of clear understanding about exactly how going out to bid for dental equipment can cause a two and a half month delay on the entire project.

16a. **Controller/Administrator’s Office** – Resolution Authorizing Adjustments to the 2015 Ingham County Budget

WHEREAS, ConnectUs allows inmates to use multiple applications at the same time and automatically prioritize scheduled communication to take precedence on non-scheduled events.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes contract amendment number five with Securus Technologies to provide Inmate Debit and a variety of other services effective the date of the passage of this resolution.

RE: Resolution to Transfer All Unsold Tax Reverted Properties Rejected by Local Units to the Ingham County Land Bank Fast Track Authority

Attached for your consideration is a proposed resolution to request Ingham County to transfer all unsold tax reverted properties which have been rejected by local units of government to the Ingham County Land Bank Fast Track Authority.

Under Public Act 123 of 1999, MCL 211.78m (7), “If property not previously sold is not transferred to the city, village, or township in which the property is located under subsection (6), the foreclosing governmental unit shall retain possession of that property.”

The Ingham County Land Bank Fast Track Authority was established to assist in the strategic disposition of tax reverted property and local units are encouraged to object so the parcels stay with the County for disposition by the Land Bank.

Thank you for your consideration of this resolution. Please contact me if you have any questions.
Introduced by the County Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO TRANSFER ALL UNSOLD TAX REVERTED PROPERTIES REJECTED BY LOCAL UNITS TO THE INGHAM COUNTY LAND BANK FAST TRACK AUTHORITY

WHEREAS, the Land Bank Fast Track Act, 2003 PA 258, being MCL 124.751 et seq., (“the Act”) establishes the State Land Bank Fast Track Authority; and

WHEREAS, the Ingham County Treasurer, with the Ingham County Board of Commissioners’ approval, has entered into an intergovernmental agreement with the State Land Bank Fast Track Authority under the Act to form an Ingham County Land Bank Fast Track Authority; and

WHEREAS, tax reverted property not previously sold by the Ingham County Treasurer, acting as the foreclosing governmental unit (FGU), shall be transferred to the city, village, or township in which the property is located, except those parcels of property to which the city, village or township has objected to in accordance with 1999 PA 123, MCL 211.78M(6); and

WHEREAS, parcels rejected by a city, village or township become the property of Ingham County; and

WHEREAS, the Land Bank was established to assist in the strategic disposition of tax reverted property; and

WHEREAS, local units are encouraged to object so the parcels stay with the County for disposition by the Land Bank.

THEREFORE BE IT RESOLVED, that the County Board of Commissioners authorizes the Controller/Administrator to take appropriate action to transfer all rejected property to the Land Bank.

BE IT FURTHER RESOLVED, that this resolution shall be renewed annually.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson and the County Clerk to sign any necessary documents that are consistent with this resolution and approved as to form by the County Attorney.

INTRODUCED BY THE COUNTY SERVICES AND FINANCE COMMITTEES OF THE:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION RESCINDING RESOLUTION #15-339 AND AUTHORIZING SUBMISSION OF A COMMUNITY DEVELOPMENT BLOCK GRANT/HOME GRANT APPLICATION FOR $315,000 FOR A HOME OWNER REHABILITATION PROGRAM

WHEREAS, Resolution #15-339 authorized the submission of a Community Development Block Grant/Home Grant application for a home owner rehabilitation program, which needs to be rescinded; and

WHEREAS, Ingham County government has long term objectives to foster economic well-being and affordable housing to assist their citizens in meeting basic needs; and

WHEREAS, Ingham County has been invited by the Michigan State Housing Development Authority to apply for a Community Development Block Grant/HOME Grant to assist income eligible residents via a Home Owner Rehabilitation program; and

WHEREAS, the grant funds are to be requested based on information contained in the target communities’ goals and objectives outlined in local Community Development and Housing Needs Assessments and Master Plans; and

WHEREAS, the eligible target communities within Ingham County, as identified in the Ingham County Place-based Targeting Strategy, conducted as a requirement for funding eligibility, by Kuntzsch Business Services via contract with the Michigan State Housing Development Authority, will include Leslie, Mason and Williamston; and

WHEREAS, no matching funds are required of Ingham County and the proposed project is consistent with the Ingham County Community Development Plan as described in the application; and

WHEREAS, this project is to be administered via a Third Party Administrator contract with the Capital Area Housing Partnership, 1290 Deerpath, East Lansing, Michigan 48823 following a public solicitation for proposals from at least three qualified sources; and

WHEREAS, no project costs will be incurred prior to a formal grant award, completion of the environmental review procedures, and formal written authorization to incur costs is received from the Michigan State Housing Development Authority; and

WHEREAS, the Ingham County Board of Commissioners held a public hearing on this application on October 27, 2015 to provide citizens an opportunity to review and comment on the proposed application, the date for this hearing was set at a meeting of the Board of Commissioners on September 28, 2015.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes the submission of an application to the Michigan State Housing Development Authority for a Community Development Block Grant/HOME Grant in the amount of $315,000 for Home Owner Rehabilitation of approximately 6-8 income qualified homes/persons.
BE IT FURTHER RESOLVED, that the Chairperson of the Ingham County Board of Commissioners is hereby authorized to sign/submit the application, all attachments, the Grant Agreement as recommended by the Controller/Administrator and approved as to form by the County Attorney, and all payment requests.

BE IT FURTHER RESOLVED, the application will be submitted immediately following the approval of the Ingham County Board of Commissioners.

BE IT FURTHER RESOLVED, that Resolution #15-339 is hereby rescinded.
Attached is a resolution authorizing the County Clerk to utilize attrition savings to employ a full-time recording secretary for the remainder of 2015.

Because the position has been vacant for most of 2015, we have experienced attrition savings of roughly more than $13,000.

For more than 12 months now, the Chief Deputy Circuit Court Clerk, with the assistance of the Chief Deputy County Clerk and Election/Clerk Coordinator, has been covering all of the duties required of the Recording Secretary. This has greatly increased the amount of hours they have to work. Moreover, these duties have disrupted their focus from their assigned roles as managers at both the County Clerk and Circuit Court Clerk’s Offices.

Therefore, it would be most beneficial to enhance this position to full-time status immediately contingent on the adoption of the 2016 budget.

Please feel free to contact me if you have any questions or concerns.

RE: Ingham County Register of Deeds Memorandum of Intent

We are in the process of updating our duties and responsibilities of the employees in the Register of Deeds office. The job descriptions have not been updated in years. Some of the duties have changed over time due to software program conversions to different vendors with different processes. After a careful examination of the needs of this office it is clear we should offer more communication technologically with the community of on line citizens. It is the intent to reclassify the Document Processor position number 236004 UAW C, to Administrative Assistant to the Register of Deeds UAW G to address those needs. This new position will enable the Register’s office to go out into the community with presentations to help educate our constituents. We can also maintain an on line dialog posting news and upcoming events for presentations and changes in the recording requirements should the State Legislature pass any new bills that would have an impact on recordings submitted to our office. This person would also spend time in the office processing documents, learning the many different types we take in and becoming familiar with what services we can provide and where to redirect a customer in the event their request is outside the authority of this office. This person will also be acquainted with how to find information both in our software program and hands on in our public vault for the searching in the older records. Armed with an overall view of our records and our responsibilities set out in the State Constitution they would be a valuable employee preforming an important service to the public.

Re: Contract with Graphic Sciences, Inc.
Transport, Storage and Retrieval of Circuit Court Files

The Circuit Court has approximately 5,677 linear filing feet of Circuit Court files stored in the Annex and Hilliard buildings in Mason. The infrastructure of the Annex building has deteriorated causing the files to be exposed to elements detrimental to the preservation and safekeeping of the files. The Facilities Director, Circuit Court Administrator and Ingham County Clerk had been looking for alternative storage locations for the files currently stored in the Annex and had jointly determined that contracting with Graphic Sciences, Inc. would provide the Court with a secure environment within which to store the Circuit Court files.

In the 2016 budget, the Circuit Court requested and was granted additional operating expenses to address the records storage matter. However, it is the belief of the Facilities Director, Circuit Court Administrator and Ingham County Clerk that it is not prudent to wait until 2016 to begin transferring records to Graphic Sciences, Inc.

The attached resolution requests the authority to enter into a contract with Graphic Sciences, Inc. with a term beginning in 2015 for supplies and packing, storage and retrieval of Circuit Court records. It also requests transfer of $26,526 of the money approved in the 2016 budget for this project to the 2015 budget for temporary employee assistance to prepare the Circuit Court files for transport ($7,670) and for supplies and packing services provided by Graphic Sciences, Inc. ($18,856).

A program has been developed by Rave Mobility that allows the public to go online and set up a profile with information that would assist in the event they needed to call for emergency assistance. The system has been given the support of the State 9-1-1 office and they have arranged for any PSAP to be provided the “Basic” Smart 911 system at no cost. As you might guess the features of the basic free system are limited and as a result this request is for their full featured “Standard” system. This opens up many features and individual access to the profiles rather than just businesses.

Many PSAP’s have implemented the system. Our neighboring PSAP in Eaton County has had the system in place for some time. We did consider the system when they did but the costs at that time was much greater and with major CAD and EMD projects that were underway we did not want to add an additional project.

The Smart 911 system can provide a great deal of information that can greatly assist 911 staff and first responders with emergency situations. Some information that if added to a profile could be; Medical information about heart conditions, medications, disability information, special medical needs or equipment being used, how to access a home or building in an emergency situation. It can provide photos of family members with dementia, autism or other conditions that might result in their becoming confused and getting lost. It could also have information on what language the caller speaks or that they are hard of hearing or unable to speak, or other information that they wish to provide.

It also can be used to list chemicals or hazards in businesses or buildings that might be hazardous to first responders responding to an emergency at that location.

The cost of this system is borne by the PSAP’s. We would have 5 licenses for our call taking positions, with 13 back up licenses so that it could be accessed at any of our other dispatch positions. The public only has to go online to set up their profile and it is free to them. A very important part for us here at the Center, is that Smart 911 also takes care of keeping the information up to date. They require that the profile be updated every 6 months so that information provided is as accurate as possible, the individual not our 9-1-1 staff, would be responsible for updating this information.

We will also work with our Public Safety agency’s to use this system to replace their old business card files that they would have to go out and get information from their businesses to obtain after hours or other emergency contact information for each one. Instead they can work to get businesses to go online and manage their emergency information.
Rave Mobility will also as part of this purchase assist with marketing and getting the message out to the public about the programs/service so that we can get people to sign up and have needed information at our fingertips when the emergency 9-1-1 comes in. This program is on the AT&T State of Michigan Contract #071B4300006 WSCA#1907.

While Smart 911 was put in as a capital improvement for 2016, it is being requested this year to take advantage of the pricing available in 2015 through the State 9-1-1 Office. With this not being a budgeted item in 2015, I am requesting funds from the 9-1-1 Fund Balance be used to purchase this program, and the 2016 budgeted funds would then be used for the year 2 maintenance/support costs.

I would respectfully request that you approve the purchase of the system and maintenance costs for our citizens to have access to this program.

RE: Resolution to Authorize a 2015-2016 Agreement for the Delivery of Public Health Services Under the Comprehensive Agreement Process

Under the Public Health Code, the State of Michigan and the 83 counties share responsibility for the protection of the public health of the citizens of Michigan. The agreement for the delivery of public health services under the Comprehensive Agreement Process is the principal mechanism for clarifying the role and responsibilities of the state and local governments. The agreement serves as the vehicle for accepting slightly more than $4.6 million in state and federal grants and formula funding to support a number of public health services. The public health services to be delivered under this Agreement include Essential Local Public Health Operations, Community Health Assessment activities, and categorical programs including:

- AIDS/HIV Prevention and Care
- Bioterrorism Emergency Preparedness
- Breast and Cervical Cancer Control Navigation
- Children’s Special Health Care Services
- Communicable Disease Prevention
- Family Planning
- Food Vendor and Restaurant Inspection
- Immunizations
- Lead Safe Homes
- Maternal and Child Health Programs
- Tobacco Reduction
- Tuberculosis Control
- Sexually Transmitted Disease Control
- Vision and Hearing Screening
- Well and Septic Inspection
- The WIC Program

The attached resolution will authorize the 2015-2016 Agreement. The Michigan Department of Health & Human Services (MDHHS) has set grant and formula funding levels based on its appropriation act for FY 2016. These levels are included in the Ingham County Health Department’s (ICHD) FY 2016 budget. The resolution also authorizes subcontracts in the Breast and Cervical Cancer Control Navigation Program and Nurse Family Partnership programs. These all consist of state and federal funds and are included in ICHD’s FY 2016 budget request.

The resolution includes authorization for a number of service contracts to perform outreach activities to potential and current Medicaid beneficiaries in the following categories:

- Medicaid Outreach and Public Awareness
- Facilitating Medicaid Eligibility Determination
- Program Planning, Policy Development, and Interagency Coordination Related to Medical Services
- Referral, Coordination, and Monitoring of Medicaid Services
- Medicaid-specific Training on Outreach Eligibility and Services
- Arranging for Medicaid-related Transportation and Translation
This strategy of contracting for outreach services is a key part of ICHD’s 2016 budget request. During 2004-2005 the State promulgated a Medicaid policy to establish the procedures for utilizing this outreach funding arrangement. The Medicaid policy guides the way in which the department builds relationships with neighborhood and community agencies. The contracts are established in conformance with the state policy and reporting is required to demonstrate that services are consistent.

The resolution also includes a request to hire a temporary .50 FTE project coordinator for the Infant Safe Sleep Mini grant for the period of October 1, 2015 – September 30, 2016.

The Comprehensive Agreement process—and all contracts with the MDHHS—are entirely electronic. Therefore, in the proposed resolution, the Board authorizes Linda S. Vail, MPA, Health Officer to submit the 2015-2016 grant electronically.

This resolution and the corresponding Agreement represent important financial support for ICHD programs established through the County budget process. I recommend the adoption of this resolution and the authorization of the Agreement, contracts and subcontracts. MDHHS will propose future amendments to the Agreement should appropriation levels and/or formulas change.

SUBJECT: Recommendation to Amend Resolution #15-193 to Include Ingham County Health Department Environmental Health Fees

Each year, Ingham County passes a resolution to set fees for various county services as part of the budget process. Resolution #15-193 authorized these fees for FY 2016. At the time this resolution was passed, Maximus Consulting Services, Inc. was evaluating the Ingham County Health Department’s (ICHD) Environmental Health (EH) division in order to provide a cost of services analysis. This evaluation was authorized by Resolution #14-416.

Prior to this study, EH had been operating under their existing fee schedule for more than 10 years with no change in fee structures. Because the Maximus cost study for Environmental Health services was ongoing when Resolution #15-193 was passed, their fees were not included.

A new, simplified fee structure was developed utilizing the Maximus study. The proposed fee schedule ensures EH will achieve the appropriate level of cost recovery for each service provided.

I recommend that the Board of Commissioners adopt the attached amendment to Resolution #15-193 to update EH service fees.

RE:  Resolution to Authorize an Agreement with Michigan Consumers for Healthcare to Serve as a Local Community Navigator for Ingham County and Surrounding Communities  

The Michigan Consumers for Healthcare (MCH) Coalition has been selected by the federal government to be a Navigator assisting the uninsured in making their enrollment decisions. MCH will be Michigan’s only statewide Navigator program, engaging more than 120 partner agencies in the important work of reaching out to and assisting hard-to-reach populations everywhere.

MCH would like to contract with the Ingham County Health Department (ICHD) for a third year to serve as an initial point of contact and support for the Ingham County area as a Local Community Navigator (LCO) organization. Resolution #14-446 authorized this agreement in FY 2015. MCH will provide $25,000 in compensation to ICHD to support the Registration and Enrollment Unit to provide outreach, education, and enrollment both through the Marketplace and the MI-Bridges program. Registration and Enrollment staff are certified Navigators and available to assist local consumers in understanding their enrollment options.

I recommend that the Board of Commissioners adopt the attached resolution and authorize the agreement with MCH.

SUBJECT: Resolution to Authorize Contracts with the Greater Lansing Food Bank and Saginaw Oakland Commercial Association to Distribute County Urban Redevelopment Funds

The Ingham County Health Department (ICHD), in partnership with the Power of We Consortium (PWC), has been responsible for carrying out efforts in support of the County’s priority to “Promote Environmental Protection and Smart Growth.” Specifically, ICHD and PWC have established a mechanism to allocate urban redevelopment funds in the amount of $35,000. These funds were included as part of the ICHD budget.

This investment of $35,000 has been used to leverage federal grant dollars (Compassion Capital Fund) and volunteer service hours (AmeriCorps) towards making our neighborhoods more attractive, vital, and responsive to our residents. Utilization of these funds has included activities such as completion of the walking trail on the south side of Lansing, matching for the PWC’s Capacity Building Program for community and faith-based organizations and for the AmeriCorps program, support for the Ingham Change Initiative’s Summer Youth Program for young men of color, and support for neighborhood community organizing.

For fiscal year 2015-16, the ICHD has chosen to support the following grant recipients in an effort to provide greater impact for these critical initiatives:

- Saginaw Oakland Commercial Association (SOCA) will reduce physical inactivity by improving access to opportunities for chronic disease prevention, risk reduction, and disease management. This grant will also be used to increase bicycle usage on the Saginaw street bike lane by 15% between fall 2015 and fall 2016 and include a partnership with the Old Oakland Neighborhood Association to create a step challenge for trail users to log steps.

- Greater Lansing Food Bank (GLFB) will use a collaborative community project at the Hill Center (the former Harry Hill School) to engage the refugee communities of Lansing in starting a new community garden on-site. The garden creation process will act as a catalyst for further action within the targeted refugee communities living in/around Lansing and will lay the groundwork for community garden creation from, for and by the refugee community.
ICHD will contract with Public Policy Associates (PPA) for the remaining $5,000 of the grant funds. PPA will provide assistance and guidance to SOCA and GLFB throughout the duration of their projects. PPA will also provide assistance with an evaluation process, the product of which will be one project report from each entity.

I recommend adoption of this resolution to establish contracts for urban redevelopment funds for the period of October 1, 2015 through September 30, 2016 between ICHD and SOCA in the amount of $19,000, between ICHD and the GLFB in the amount of $11,000, and between ICHD and PPA in the amount of $5,000.

SUBJECT: Resolution Authorizing Status Change for Position #601309  

Attached is a resolution to authorize the conversion of position #601309, currently a .75 FTE Health Center Nurse (MNA Grade1) to a 1.0 FTE Health Center Nurse. The cost difference of this conversion will be derived from a vacant 1.0 FTE Assistant Social Worker position, position #601424. The elimination of the remainder of position #601424 would save $50,000.00 annually. This status change better reflects the operational needs of the Ingham County Health Department (ICHD).  

Ingham County Human Resources Department confirms that position #601424 is currently vacant. Human Resources also participated in and analyzed the proposed conversion. Human Resources also notified the Michigan Nurse Association Union and the ICEA County Professionals Union about the position conversion.  

I recommend that the Ingham County Board of Commissioners authorize the conversion of position #601309, currently a .75 FTE Health Center Nurse (MNA Grade1), to a 1.0 FTE Health Center Nurse.

HR can confirm the following information:

1. Position number 601424, Assistant Social Worker, ICEA County Pro, became vacant as of October 5, 2015.
2. Position number 601309 is currently a ¾ Health Center Nurse, MNA and is occupied.
3. The Health Department will eliminate position number 601424 and use some of the funding to increase position number 601309 from ¾ time to full-time status.
4. The employee is in agreement with increasing the status of her position.
5. Human Resources sent notice to both the ICEA County Pro and MNA Chair’s regarding the changes of the positions.

*Please use this memo as acknowledgement of Human Resources’ participation and analysis of your proposal. You are now ready to complete the final step in the process: contact Budgeting, write a memo of explanation and prepare a resolution.*

SUBJECT: Resolution to Amend Resolution #15-322 to Amend the Terms of the Lease Agreement for the Facility at 5656 South Cedar Street

Attached is a resolution to amend Resolution #15-322 to amend the terms of the lease agreement for the facility at 5656 South Cedar Street. The Ingham County Health Department (ICHD) currently leases 9,396 square feet of the Cedar Pointe facility located at 5656 South Cedar Street in Lansing to house administrative functions of ICHD, including Ingham Community Health Center Administration.

Cedar Pointe operations were previously anticipated to move to the Human Service Building (HSB), located at 5303 South Cedar Street in 2016. The anticipated move is beyond the current lease end date of October 31, 2015. Resolution #15-322 extended the lease from November 1, 2015 through October 31, 2016. The timeline for the move to the HSB has been moved up and ICHD now only needs to extend the lease from November 1, 2015 through January 31st, 2016. The monthly rent will remain the same as in Resolution #15-322, $10,573.08 per month. By ending the lease on January 31, 2016 a total savings of $95,157.72 will occur.

I recommend that the Ingham County Board of Commissioners authorize the amendment to Resolution #15-322 to amend the terms of the lease agreement between ICHD and Cedar IV, LLC for the Cedar Pointe facility located at 5656 South Cedar Street in Lansing for the new term of November 1, 2015 through January 31, 2016.

RE: Health Insurance Coverage for Medicare Eligible Employees

The County has been purchasing health insurance for our Medicare eligible retirees from Humana for many years. In 2015, Humana was sold and the County’s health care consultant recommended that the County look at other alternatives.

Proposals were received and it was determined that beginning in 2016, the County should begin purchasing this coverage from the Hartford Life Insurance Group. It is anticipated that this change will save approximately $100,000 in 2016 (some of this savings will be shared with retirees who purchase coverage for their spouses).

The County’s administration is especially concerned about providing the best value to our elderly retirees. We have closely reviewed the proposal and while the benefits are not identical, the overall change will have no detrimental impact to our retirees.

If you have any questions, feel free to contact me.

WHEREAS, the County’s health insurance consultant has received proposals from other providers and has determined that purchasing a policy from the Hartford Life Insurance Company can reduce the annual premium cost; and

RE:   Public Act 152 requirements  

We are in the process of finalizing the agreements with the employee groups concerning the health insurance benefits to be offered in 2016. This includes an estimate of cost sharing and a determination of how the savings will be shared with employees in accordance with Resolution #14-436. Since the dollar amount for the actual cost savings will be an estimate, it is very difficult to determine with 100% certainty whether the County will be in compliance with both the hard cap or 80/20% premium share requirements of Public Act 152.

While we will make every effort to comply with the law, we believe it is in the County’s best interest to waive all requirements of Public Act 152 (as we did in 2015). This can be accomplished with a 2/3rds approval of the Board. The attached resolution will authorize this waiver.

If you have any questions, feel free to contact with Travis Parsons or me.
INTRODUCED BY THE COUNTY SERVICES AND FINANCE COMMITTEES OF THE:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO WAIVE THE PUBLIC ACT 152 HEALTH CARE REQUIREMENTS FOR 2016

WHEREAS, Public Act 152 of 2011 places limits on public employer’s contributions toward their employee’s health benefits and requires that the employer cost be no more than 80% of the cost or no more than a certain dollar amount detailed in the law (hard caps); and

WHEREAS, Section 8 of the Act (MCL 15.568) permits a local unit of government to exempt itself from provisions employer contribution limitations for the next succeeding year by a 2/3 vote of its governing body; and

WHEREAS, in 2016, the County will be self-insuring a portion of the health insurance cost which is anticipated to save money; and

WHEREAS, the uncertainty associated with the savings from this change makes it very difficult to determine if the County will be in compliance with the hard caps or the 80% requirements and therefore the County administration is recommending that this requirement of Public Act 152 be waived for 2016.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby elects to waive all requirements of Public Act 152 of 2011 for 2016 yet attempt to meet all of the requirements of the act.

DATE: October 6, 2015

SUBJECT: Proposed amendments to the Ingham County/Michigan Paving & Materials first party construction contract and the Ingham County/City of Lansing third party agreement for the Michigan Avenue project. Amendments for addition of city desired sanitary sewer work on Grace Street.

Background:
The Ingham County Road Department (ICRD) received a State of Michigan, Road and Risk Reserve (RRR) fund grant to reconstruct Michigan Avenue from 1500 feet west of Waverly Road to east of Clare Street. The project generally involves replacement of the existing roadway pavement, storm sewer improvements, water main improvements, sidewalk installation, and conversion from 4-lanes to 3-lanes with paved shoulders. The work along Michigan Avenue is nearly completed.

Also included within the project were sanitary sewer repairs for the City of Lansing, which are being performed as I write. A third party agreement between the City of Lansing and Ingham County was executed to secure funding for city desired sanitary sewer work within project, which included a 400 foot portion of Grace Street.

Current Issue:
The City of Lansing approached ICRD to have our contractor perform sanitary sewer repairs to another 500 foot portion of Grace Street, just down the road from the original Grace Street repairs. The additional work has an estimated value of $130,000, for which the City of Lansing is to pay all costs. Lastly, the contractor, Michigan Paving & Materials, Lansing, Michigan has agreed to perform the additional work.

The total estimated City of Lansing costs are as follows:

- Original City of Lansing sanitary sewer work: $172,313.33
- Additional City of Lansing sanitary sewer work: $130,000.00
- Total: $302,313.33

The reason for this memo and resolution is to approve executing a first party construction contract amendment with Michigan Paving & Materials Co., Lansing, Michigan and to approve executing a third party agreement amendment between City of Lansing and Ingham County to effect the additional sanitary sewer repair work.

Approval of the attached resolution is recommended.
INTRODUCED BY THE COUNTY SERVICES AND FINANCE COMMITTEES OF THE:

WHEREAS, pursuant to Resolution No. 15-170, the Project has been undertaken pursuant to a contract between Ingham County, on behalf of the Road Department, and the recommended contractor Michigan Paving & Materials Co. of Lansing, Michigan; and

WHEREAS, the City of Lansing approached ICRD to have the Project contractor perform sanitary sewer repairs to another 500 foot portion of Grace Street, just down the road from the original Grace Street repairs; and

Original City of Lansing sanitary sewer work $172,313.33
Additional City of Lansing sanitary sewer work $130,000.00

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes the construction contract amendment with Michigan Paving & Materials Co., Lansing, Michigan to perform additional sanitary sewer repair work along a 500 foot portion of Grace Street for a total estimated cost of $130,000.00, which is to be entirely paid for by the City of Lansing.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes entering into a third party agreement amendment with the City of Lansing to pay for all actual costs.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson to sign any necessary amendments that are consistent with this resolution and approved as to form by the County Attorney.

GOVERNING BODY RESOLUTION
As provided by the MERS Plan Document, and in accordance with the Employer's policy there under, the additional credited service described above is hereby granted this Member by Resolution of the Governing Body of Ingham Co, at its meeting on __________. The Employer understands this is an estimated cost, calculated using actuarial assumptions approved by the Retirement Board. Any difference between the assumptions and actual experience will affect the true cost of the additional service. For example, changes in benefit programs through adoption or transfer of the affected employee to a division with 'better' benefits; increases in wages other than 4.5% per year; and changes to the anticipated date of termination, will affect the actual cost of the additional service (increase or decrease). Thus, actual future events and experience may result in changes different than those assumed, and liability different than that estimated. TO: Finance and Liaison Committees
FROM: Teri Morton, Budget Director
RE: Third Quarter 2015 Budget Adjustments and Contingency Fund Update

Enclosed please find the recommended adjustments to the Ingham County budget for the third quarter of fiscal year 2015. The total decrease to the General Fund is $33,172.

The quarterly budget amendment process as authorized by the Board of Commissioners is necessary to make adjustments to the adopted budget. Usually, adjustments are made as a result of updated revenue and expenditure projections, grant revenues, reappropriations, accounting and contractual changes, and general housekeeping issues.

The biggest revenue adjustment in the general fund is a decrease of $33,172 in secondary road patrol grant revenue based on the award letter from the State of Michigan. The biggest expense adjustment is a decrease of $52,006 in the appropriation to the Health Department. This decrease will balance the transfers out from the general fund to the transfers in to the Health Fund. As grant adjustments are made throughout the year by resolution, there are minor changes in the necessary general fund appropriation. This adjustment will recognize those changes.

Outside the general fund, a significant adjustment is made to recognize the $1.5 million insurance refund received by the County from its liability insurance carrier. This revenue has enabled the county to suspend liability chargebacks to departments as one of its short term budget balancing strategies for 2016.

Also included is an update of contingency fund spending so far this year. Based on items going before the Board this round and last, the current contingency amount is projected at $94,874. The attached document details how the Board has allocated the contingency funds throughout the year, beginning with a balance of $317,183.

Attached is the 2016 Appropriations Resolution, which will adopt the 2016 operating and capital budgets and millage rates as recommended by the Finance Committee at its budget hearing held on September 9, 2015. The details of this budget can be found in the “2016 Ingham County Budget as Recommended by the Finance Committee” that is scheduled to be distributed at the October 13 Board of Commissioners meeting.

One change to this year’s resolution is that the levy for the Airport Authority Operating millage has been removed from the millage summary. The State of Michigan has advised that this millage should not be included on Ingham County’s Tax Rate Request Form (L-4029), as the Airport is its own taxing authority. Since the attached resolution adopts the tax rates used for the L-4029, the levy should be removed here as well.

Also note that the Health Services Millage is lowered from last year’s rate of .5200 mills to the rate of .3500 mills, based on the discussions held at the Human Services Committee on October 5 and Finance Committee on October 7.

A public hearing on the 2016 Budget will be held at the Board of Commissioners meeting on Tuesday, October 27, 2015. A notice of public hearing will appear in the City Pulse on Wednesday, October 14, 2015.
