\[
\text{MOVED BY COMM. SCHAFER, SUPPORTED BY COMM. CRENSHAW, TO APPROVE THE RESOLUTION.}
\]

Chairperson Grebner stated that he had been concerned that in the future, an individual could figure out a way to swindle the County through drainage district bonds, and the County needed to be protected. He further stated that he was not worried about this specific drainage district, but wanted to include language in all resolutions pledging full faith and credit to a drainage district to say that the Board of Commissioners had not reviewed or evaluated the drainage district or the bonds themselves.

Chairperson Grebner stated that the Board of Commissioners were not in a position to sign off on evaluations, but should rely on elected officials or their staff, like the Drain Commissioner’s Office, for the assurance that the drainage district bond did not post significant risk to the County. He further stated that he was worried about something terrible happening, like what had happened in Jefferson County, Alabama, where there was hundreds of millions of dollars of debt and no way to pay it off.

Discussion.

Commissioner Tennis arrived at 6:06 p.m.

Commissioner Tennis stated he would have approved all items on the consent agenda.

MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. TENNIS, TO APPROVE THE RESOLUTION.

Chairperson Grebner stated that the Board of Commissioners’ Ethics Policy did not allow Commissioners to be involved in the purchasing process. He further stated that in this case, he had not guided the Evaluations Committee to a particular vendor, but he did invoke his ability to halt the process.

Chairperson Grebner stated that he thought that the process was on the right track, although it was not necessarily the person he would have chosen or price he would have accepted. He further stated that it was now the Board of Commissioners’ decision to accept or reject the proposal as it had gone through the proper RFP process.

Chairperson Grebner stated that this was the difference between the Board of Commissioners intervening in details of purchasing and blocking the process when they felt it was wrong.

14c. **Road Department** – Resolution to Approve Proposed 2019 Ingham County Bridge Funding Applications for Submission to the Local Bridge Program

Major county bridge repair, replacement, and preventative maintenance projects are typically funded through the Local Bridge Program using a combination of federal and state transportation revenue. The Local Bridge Program is a rolling three-year program in which applications approved in the first year of the program receive funding in the third year. Each local road agency is limited to five applications per year, and if awarded a project, the program funds 95% of construction costs while the Road Department funds the remaining 5%. The Ingham County Road Advisory Board recommended approval of the following projects:

- Dietz Road bridge over Red Cedar River (Locke Township)
- Dennis Road bridge over Doan Creek (Wheatfield Township)
- Linn Road bridge over Deer Creek (Wheatfield Township)
- Waverly Road bridge over Grand River (Lansing Township)
- Bridge deck preventative maintenance on three primary road bridges

Road Department personnel concur with the advisory board findings and recommend Board approval of a resolution to submit these projects for funding.
TO: County Services and Finance Committees  
Ingham County Board of Commissioners

FROM: Chief Deputy County Clerk Ryan Buck  
Ingham County Clerk Barb Byrum’s Office

DATE: March 6, 2019

SUBJECT: Resolution to Authorize a Three-Year Extension to the Contract with File Safe, Inc. for the Transport, Storage, and Retrieval of Certain Vital Records of the Ingham County Clerk’s Office

BACKGROUND
Safe and secure record storage has been a priority of Clerk Byrum since she took office in 2013.

Pursuant to Resolution #16-220, the Clerk’s Office and County have contracted with File Safe, Inc. to transport, store, and retrieve 332 volumes of vital records. The contract’s original term was June 1, 2016 to May 31, 2019.

As the expiration date is approaching, Clerk Byrum is interested in extending the contract for another three-year term to May 31, 2022 at a cost not to exceed $5,400 per year. There would be no increase in the fee structure.

It is not recommended that the records be moved to the Clerk’s Office, another County facility, or to a different third-party vendor (i.e., issuance of an RFP) at this time. Significant staff time would be wasted and contractual expenses incurred to re-inventory and ship these records to a new location. The long-term goal is to move the records back to a County facility once a safe and secure location becomes available that is designed for preservation of paper records.

The Facilities Department Director has advised that storage with a third-party vendor is the recommended course at this time.

FINANCIAL IMPACT
Funding is already part of the 2019 Clerk’s Office budget (line item 101-21500-818000 Contractual Services) and would be part of future budget requests.

The current contract authorizes an annual expenditure of no more than $7,450. Historical trends illustrate that that limit has never been reached. Please see below.

<table>
<thead>
<tr>
<th>Year</th>
<th>Total Expenditure</th>
</tr>
</thead>
<tbody>
<tr>
<td>2016</td>
<td>$3,146.35</td>
</tr>
<tr>
<td>2017</td>
<td>$1,986.00</td>
</tr>
<tr>
<td>2018</td>
<td>$1,986.00</td>
</tr>
</tbody>
</table>

The 2017-2018 expenditures consisted of the cost to lease record storage space exclusively.
The majority of the 2016 expenditures consisted of the expense to inventory and ship the records from Mason to File Safe’s facility in Saginaw. This was over and above the monthly leasing expenses. Please note that these expenditures do not account for the expense incurred by the Clerk’s Office directly to inventory the records to be shipped out.

**RECOMMENDATION**
Based on the information presented, I respectfully recommend approval of the resolution.
Agenda Item 1

Introduced by the County Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

2019 BORROWING RESOLUTION
(2018 DELINQUENT TAXES)

WHEREAS, ad valorem real property taxes are imposed by the County and the local taxing units within the County on July 1 and/or December 1 of each year; and

WHEREAS, a certain portion of these taxes remain unpaid and uncollected on March 1 of the year following assessment, at which time they are returned delinquent to the County's treasurer (the "Treasurer"); and

WHEREAS, the Treasurer is bound to collect all delinquent taxes, interest and property tax administration fees which would otherwise be payable to the local taxing units within the County; and

WHEREAS, the statutes of the State of Michigan authorize the County to establish a fund, in whole or in part from borrowed proceeds, to pay local taxing units within the County their respective shares of delinquent ad valorem real property taxes in anticipation of the collection of those taxes by the Treasurer; and

WHEREAS, the County Board of Commissioners (the "Board") has adopted a resolution authorizing the County's Delinquent Tax Revolving Fund (the "Revolving Fund Program"), pursuant to Section 87b of Act No. 206, Michigan Public Acts of 1893, as amended ("Act 206"); and
WHEREAS, such fund has been established to provide a source of monies from which the Treasurer may pay any or all delinquent ad valorem real property taxes which are due the County, and any city, township, school district, intermediate school district, community college district, special assessment district, drainage district, or other political unit within the geographical boundaries of the County participating in the County's Revolving Fund Program pursuant to Act 206 ("local units"); and

WHEREAS, the Treasurer is authorized under Act 206, and has been directed by the Board, to make such payments with respect to delinquent ad valorem real property taxes (including the property tax administration fees assessed under subsection (6) of Section 44 of Act 206) owed in 2018 to the County and the local units (collectively, the "taxing units") which will have remained unpaid on March 1, 2019 and the Treasurer is authorized to pledge these amounts in addition to any amounts not already pledged for repayment of prior series of notes (or after such prior series of notes are retired as a secondary pledge) all as the Treasurer shall specify in an order when the notes authorized hereunder are issued (the "Delinquent Taxes"); and

WHEREAS, the Board has determined that in order to raise sufficient monies to adequately fund the Revolving Fund, the County must issue its General Obligation Limited Tax Notes, Series 2019 in one or more series, in accordance with Sections 87c, 87d, 87g and 89 of Act 206 and on the terms and conditions set forth below.

NOW, THEREFORE, IT IS RESOLVED BY THE BOARD AS FOLLOWS:

I. GENERAL PROVISIONS

101. Establishment of 2019 Revolving Fund. In order to implement the continuation of the Revolving Fund Program and in accordance with Act 206, the County hereby establishes a 2019 Delinquent Tax Revolving Fund (the "Revolving Fund") as a separate and segregated fund within the existing Delinquent Tax Revolving Fund of the County previously established by the Board pursuant to Section 87b of Act 206.

102. Issuance of Notes. The County shall issue its General Obligation Limited Tax Notes, Series 2019 in one or more series (the "Notes"), in accordance with this Resolution and Sections 87c, 87d, 87g and 89 of Act 206, payable in whole or in part from the Delinquent Taxes and/or from the other sources specified below.

103. Aggregate Amount of Notes.

(a) The Notes shall be issued in an aggregate amount to be determined in accordance with this Section by the Treasurer.

(b) The aggregate amount of the Notes shall not be less than the amount by which the actual or estimated Delinquent Taxes exceeds (i) the County's participating share of Delinquent Taxes, and (ii) any sums otherwise available to fund the Tax Payment Account established under Section 702 (including any monies held in respect of Section 704(c)).

(c) The aggregate amount of the Notes shall not be greater than the sum of (i) the actual amount of the Delinquent Taxes pledged to the payment of debt service on the Notes, plus (ii) the amount determined by the Treasurer to be allocated to a reserve fund. Original proceeds of the Notes devoted to a reserve fund shall not exceed the lesser of (A) the amount reasonably required for those of the Notes secured by the reserve fund, (B) 10% of the proceeds of such
Notes, (C) the maximum amount of annual debt service on such Notes, or (D) 125% of average
annual debt service on such Notes.

(d) The aggregate amount of the Notes shall be designated by the Treasurer by
written order after (i) the amount of the Delinquent Taxes, or the amount of Delinquent Taxes to
be funded by the issuance of the Notes, has been estimated or determined, and (ii) the amount of
the reasonably required reserve fund has been calculated. Delinquent Taxes shall be estimated
based on delinquencies experienced during the past three fiscal years and on demographic and
economic data relevant to the current tax year, and shall be determined based on certification
from each of the taxing units. The amount of the reasonably required reserve fund shall be
calculated pursuant to such analyses and certificates as the Treasurer may request.

104. Proceeds. If the Notes are issued and sold before the Treasurer has received
certification from the taxing units of the amount of the Delinquent Taxes and if such certification
is not reasonably anticipated to occur to allow distribution of the proceeds of the Notes within 20
days after the date of issue, the proceeds of the Notes shall be deposited in the County's 2019
Delinquent Tax Project Account and thereafter used to fund the whole or a part of the County's
2019 Tax Payment Account, 2019 Note Reserve Account and/or 2019 Note Payment Account,
subject to and in accordance with Article VII. If the Notes are issued and sold on or after such
time, the proceeds of the Notes shall be deposited directly into the County's 2019 Tax Payment
Account, 2019 Note Reserve Account and/or 2019 Note Payment Account, as provided in
Article VII.

105. Treasurer's Order Authorizing Notes and Establishing Delinquent Taxes. At or
prior to the time any Notes are issued pursuant to this resolution, the Treasurer, as authorized by
Act 206, may issue a written order specifying the amount and character of the Delinquent Taxes,
the Article or Articles under which the Notes are being issued and any other matters subject to
the Treasurers control under either this resolution or Act 206.

II.

FIXED MATURITY NOTES

201. Authority. At the option of the Treasurer, exercisable by written order, the Notes
may be issued in accordance with this Article II. All reference to "Notes" in Article II refers
only to Notes issued pursuant to Article II, unless otherwise specified.

202. Date. The Notes shall be dated as of the date of issue or as of such earlier date
specified by written order of the Treasurer.

203. Maturity and Amounts. Notes issued pursuant to this Article II shall be structured
in accordance with subsections (a) or (b) below as determined by the Treasurer pursuant to
written order.

(a) The first maturity of the Notes or of a series of the Notes shall be determined
by the Treasurer pursuant to written order, but shall not be later than four years after the date of
issue. Later maturities of the Notes shall be on the first anniversary of the preceding maturity or
on such earlier date as the Treasurer may specify by written order. The Notes shall be structured
with the number of maturities determined by the Treasurer to be necessary or appropriate, and
the last maturity shall be scheduled for no later than the sixth anniversary of the date of issue.
The amount of each maturity or of any mandatory or optional call date shall be set by the
Treasurer when the amount of Delinquent Taxes is determined by the Treasurer or when a
reliable estimate of the Delinquent Taxes is available to the Treasurer. In determining the exact
amount of each maturity or of any mandatory or optional call date the Treasurer shall consider
the schedule of delinquent tax collections prepared for the tax years ending December 31, 2018, or after any other years and the corollary schedule setting forth the anticipated rate of collection of those Delinquent Taxes which are pledged to the repayment of the Notes. The amount of each maturity and the scheduled maturity dates of the Notes shall be established to take into account the dates on which the Treasurer reasonably anticipates the collection of such Delinquent Taxes and shall allow for no more than a 15% variance between the debt service payable on each maturity date, the Notes, and the anticipated amount of pledged monies available on such maturity date to make payment of such debt service.

(b) Alternatively, the Notes or a series of the Notes may be structured with a single stated maturity falling not later than the fourth anniversary of the date of issue. Notes issued under this subsection (b) shall be subject to redemption on such terms consistent with the applicable parts of subsection (a) of this section and with Section 209 as shall be ordered by the Treasurer, but in no event shall such Notes be subject to redemption less frequently than annually.

204. Interest Rate and Date of Record.

(a) Except as otherwise provided in this paragraph, Notes issued pursuant to subsection (a) of Section 203 shall bear interest payable semi-annually, with the first interest payment to be payable (i) on the first date, after issuance, corresponding to the day and month on which the maturity of such Notes falls, or (ii) if the Treasurer so orders, six months before such date. In the event (i) any maturity of the Notes arises either less than six months before the succeeding maturity date or less than six months after the preceding maturity date and (ii) the Treasurer so orders in writing, interest on the Notes shall be payable on such succeeding or preceding maturity date. Subject to the following sentence, Notes issued pursuant to subsection (b) of Section 203 shall, pursuant to written order of the Treasurer, bear interest monthly, quarterly, or semiannually, as provided by written order of the Treasurer. If Notes issued under this Article II are sold with a variable rate feature as provided in Article IV, such Notes may, pursuant to written order of the Treasurer, bear interest weekly, monthly, quarterly or on any put date, or any combination of the foregoing, as provided by written order of the Treasurer.

(b) Interest shall not exceed the maximum rate permitted by law.

(c) Interest shall be mailed by first class mail to the registered owner of each Note as of the applicable date of record, provided, however, that the Treasurer may agree with the Registrar (as defined below) on a different method of payment.

(d) Subject to Section 403 in the case of variable rate Notes, the date of record shall be not fewer than 14 nor more than 31 days before the date of payment, as designated by the Treasurer prior to the sale of the Notes.

205. Note Form. The form of Note shall be consistent with the prescriptions of this Resolution and shall reflect all material terms of the Notes. Unless the Treasurer shall by written order specify the contrary, the Notes shall be issued in fully registered form both as to principal and interest, registrable upon the books of a note registrar (the "Registrar") to be named by the Treasurer. If the Notes are issued in bearer form the Treasurer shall appoint a paying agent (the "Paying Agent"). (The Registrar or Paying Agent so named may be any bank or trust company or other entity, including the County, offering the necessary services pertaining to the registration and transfer of negotiable securities.)

206. Denominations and Numbers. The Notes shall be issued in one or more denomination or denominations of $1,000 each or any integral multiple of $1,000 in excess of $1,000, as determined by the Treasurer. Notwithstanding the foregoing, however, in the event
the Notes are deposited under a book entry depository trust arrangement pursuant to Section 208, the Notes may, if required by the depository trustee, be issued in denominations of $5,000 each or any integral multiple of $5,000. The Notes shall be numbered from one upwards, regardless of maturity, in such order as the Registrar shall determine.

207. Transfer or Exchange of Notes.

(a) Notes issued in registered form shall be transferable on a note register maintained with respect to the Notes upon surrender of the transferred Note, together with an assignment executed by the registered owner or his or her duly authorized attorney-in-fact in form satisfactory to the Registrar. Upon receipt of a properly assigned Note, the Registrar shall authenticate and deliver a new Note or Notes in equal aggregate principal amount and like interest rate and maturity to the designated transferee or transferees.

(b) Notes may likewise be exchanged for one or more other Notes with the same interest rate and maturity in authorized denominations aggregating the same principal amount as the Note or Notes being exchanged, upon surrender of the Note or Notes and the submission of written instructions to the Registrar or, in the case of bearer Notes, to the Paying Agent. Upon receipt of a Note with proper written instructions the Registrar or Paying Agent shall authenticate and deliver a new Note or Notes to the owner thereof or to the owner's attorney-in-fact.

(c) Any service charge made by the Registrar or Paying Agent for any such registration, transfer or exchange shall be paid for by the County as an expense of borrowing, unless otherwise agreed by the Treasurer and the Registrar or Paying Agent. The Registrar or Paying Agent may, however, require payment by a noteholder of a sum sufficient to cover any tax or other governmental charge payable in connection with any such registration, transfer or exchange.

208. Book Entry Depository Trust. At the option of the Treasurer, and notwithstanding any contrary provision of Section 212, the Notes may be deposited, in whole or in part, with a depository trustee designated by the Treasurer who shall transfer ownership of interests in the Notes by book entry and who shall issue depository trust receipts or acknowledgments to owners of interests in the Notes. Such book entry depository trust arrangement, and the form of depository trust receipts or acknowledgments, shall be as determined by the Treasurer after consultation with the depository trustee. The Treasurer is authorized to enter into any depository trust agreement on behalf of the County upon such terms and conditions as the Treasurer shall deem appropriate and not otherwise prohibited by the terms of this Resolution. The depository trustee may be the same as the Registrar otherwise named by the Treasurer, and the Notes may be transferred in part by depository trust and in part by transfer of physical certificates as the Treasurer may determine.

209. Redemption.

(a) Subject to the authority granted the Treasurer pursuant to subsection (c) of this Section (in the case of fixed rate Notes) and to the authority granted the Treasurer pursuant to Section 404 (in the case of variable rate Notes), the Notes or any maturity or maturities of the Notes shall be subject to redemption prior to maturity on the terms set forth in subsection (b) below.

(b) Notes scheduled to mature after the first date on which any Notes of the series are scheduled to mature shall be subject to redemption, in inverse order of maturity, on each interest payment date arising after the date of issue.
(c) If the Treasurer shall determine such action necessary to enhance the marketability of the Notes or to reduce the interest rate to be offered by prospective purchasers on any maturity of the Notes, the Treasurer may, by written order prior to the issuance of such Notes, (i) designate some or all of the Notes as non-callable, regardless of their maturity date, and/or (ii) delay the first date on which the redemption of callable Notes would otherwise be authorized under subsection (b) above.

(d) Notes of any maturity subject to redemption may be redeemed before their scheduled maturity date, in whole or in part, on any permitted redemption date or dates, subject to the written order of the Treasurer. Notes called for redemption shall be redeemed at par, plus accrued interest to the redemption date, plus, if the Treasurer so orders, a premium of not more than 1%. Redemption may be made by lot or pro rata, as shall be determined by the Treasurer.

(e) With respect to partial redemptions, any portion of a Note outstanding in a denomination larger than the minimum authorized denomination may be redeemed, provided such portion as well as the amount not being redeemed constitute authorized denominations. In the event less than the entire principal amount of a Note is called for redemption, the Registrar or Paying Agent shall, upon surrender of the Note by the owner thereof, authenticate and deliver to the owner a new Note in the principal amount of the principal portion not redeemed.

(f) Notice of redemption shall be by first class mail 30 days prior to the date fixed for redemption, or such shorter time prior to the date fixed for redemption as may be consented to by the holders of all outstanding Notes to be called for redemption. Such notice shall fix the date of record with respect to the redemption if different than otherwise provided in this Resolution. Any defect in any notice shall not affect the validity of the redemption proceedings. Notes so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with a paying agent to redeem the same.

210. Discount. At the option of the Treasurer, the Notes may be offered for sale at a discount not to exceed 2%.

211. Public or Private Sale. The Treasurer may, at the Treasurer's option, conduct a public sale of the Notes after which sale the Treasurer shall either award the Notes to the lowest bidder or reject all bids. The conditions of sale shall be as specified in a published Notice of Sale prepared by the Treasurer announcing the principal terms of the Notes and the offering. Alternatively, the Treasurer may, at the Treasurer's option, negotiate a private sale of the Notes as provided in Act 206. If required by law, or if otherwise determined by the Treasurer to be in the best interest of the County, (a) the Notes shall be rated by a national rating agency selected by the Treasurer, (b) a good faith deposit shall be required of the winning bidder, and/or (c) CUSIP numbers shall be assigned to the Notes. If a public sale is conducted or if otherwise required by law or the purchaser of the Notes, the Treasurer shall prepare or cause to be prepared and disseminated an offering memorandum or official statement containing all material terms of the offer and sale of the Notes. Pursuant to any sale of the Notes, the County shall make such filings, shall solicit such information and shall obtain such governmental approvals as shall be required pursuant to any state or federal law respecting back-up income tax withholding, securities regulation, original issue discount or other regulated matter.

212. Execution and Delivery. The Treasurer is authorized and directed to execute the Notes on behalf of the County by manual or facsimile signature, provided that if the facsimile signature is used the Notes shall be authenticated by the Registrar or any tender agent as may be appointed pursuant to Section 801(c). The Notes shall be sealed with the County seal or imprinted with a facsimile of such seal. The Treasurer is authorized and directed to then deliver the Notes to the purchaser thereof upon receipt of the purchase price. The Notes shall be
delivered at the expense of the County in such city or cities as may be designated by the Treasurer.

213. Renewal, Refunding or Advance Refunding Notes. If at any time it appears to be in the best interests of the County, the Treasurer, by written order, may authorize the issuance of renewal, refunding or advance refunding Notes. The terms of such Notes, and the procedures incidental to their issuance, shall be set subject to Section 309 and, in appropriate cases, Article X.

III.
SHORT-TERM NOTES

301. Authority. At the option of the Treasurer, exercisable by written order, Notes may be issued in accordance with this Article III. All references to "Notes" in Article III refer only to Notes issued pursuant to Article III, unless otherwise specified.

302. Date and Maturity. The Notes shall be dated as of their date of issuance or any prior date selected by the Treasurer and shall mature on such date not exceeding three years from the date of their issuance as may be specified by written order of the Treasurer.

303. Interest and Date of Record. The Notes shall bear interest payable monthly, quarterly, or semi-annually and at maturity at such rate or rates as may be determined by the Treasurer not exceeding the maximum rate of interest permitted by law on the date the Notes are issued. The date of record shall be not fewer than two nor more than 31 days before the date of payment, as designated by the Treasurer prior to the sale of the Notes.

304. Note Form. The form of Note shall be consistent with the prescriptions of this Resolution and shall reflect all material terms of the Notes. The Notes shall, in the discretion of the Treasurer and consistent with Section 205, either be payable to bearer or be issued in registered form. If issued in registered form, the Notes may be constituted as book-entry securities consistent with Section 208, notwithstanding any contrary provision of Section 308.

305. Denomination and Numbers. The Notes shall be issued in one or more denomination or denominations, as determined by the Treasurer. The Notes shall be numbered from one upwards in such order as the Treasurer determines.

306. Redemption. The authority and obligations of the Treasurer set forth in subsections (b) and (c) of Section 209 (in the case of fixed rate Notes), or Section 404 (in the case of variable rates Notes), as the case may be, shall apply also to Notes issued under Article III.

307. Sale of Notes. The authority and obligations of the Treasurer set forth in Sections 210 and 211 respecting Fixed Maturity Notes shall apply also to Notes issued under Article III.

308. Execution and Delivery. The authority and obligations of the Treasurer set forth in Section 212 respecting Fixed Maturity Notes shall also apply to Notes issued under Article III.

309. Renewal or Refunding Notes.

(a) The Treasurer may by written order authorize the issuance of renewal or refunding Notes (collectively the "Renewal Notes"). Renewal Notes shall be sold on the maturity date of, and the proceeds applied to the payment of debt service on, the Notes to be renewed. The maturities and repayment terms of the Renewal Notes shall be set by written order of the Treasurer.
(b) In the order authorizing Renewal Notes, the Treasurer shall specify whether the Notes shall be issued in accordance with this Article III, in which event the provisions of Article III shall govern the issuance of the Notes, or whether the Notes shall be issued in accordance with Article II, in which event the provisions of Article II shall govern the issuance of the Notes. The order shall also provide for and shall also govern with respect to:

(i) the aggregate amount of the Renewal Notes;
(ii) the date of the Renewal Notes;
(iii) the denominations of the Renewal Notes;
(iv) the interest payment dates of the Renewal Notes;
(v) the maturity or maturities of the Renewal Notes;
(vi) the terms of sale of the Renewal Notes;
(vii) whether any Renewal Notes issued in accordance with Article II shall be subject to redemption and, if so, the terms thereof; and
(viii) any other terms of the Renewal Notes consistent with, but not specified in, Article II or Article III.

(c) Regardless of whether Renewal Notes need be approved by prior order of the Department of Treasury, the Treasurer, pursuant to Section 89(5)(d) of Act 206, shall promptly report to the Department of Treasury the issuance of any Renewal Notes.

IV. VARIABLE INTEREST RATE

401. Variable Rate Option. At the option of the Treasurer, exercisable by written order, the Notes, whether issued pursuant to Article II or Article III, may be issued with a variable interest rate, provided that the rate shall not exceed the maximum rate of interest permitted by law.

402. Determination of Rate. The order of the Treasurer shall provide how often the variable interest rate shall be subject to recalculation, the formula or procedure for determining the variable interest rate, whether and on what terms the rate shall be determined by a remarketing agent in the case of demand obligations consistent with Section 801(d), and whether and on what terms a fixed rate of interest may be converted to or from a variable rate of interest. Such formula or procedure shall be as determined by the Treasurer, but shall track or float within a specified percentage band around the rates generated by any one or more of the following indices:

(i) Publicly reported prices or yields of obligations of the United States of America;
(ii) An index of municipal obligations periodically reported by a nationally recognized source;
(iii) The prime lending rate from time to time set by any bank or trust company in the United States with unimpaired capital and surplus exceeding $40,000,000;
Any other rate or index that may be designated by order of the Treasurer provided such rate or index is set or reported by a source which is independent of and not controlled by the Treasurer or the County.

The procedure for determining the variable rate may involve one or more of the above indices as alternatives or may involve the setting of the rate by a municipal bond specialist provided such rate shall be within a stated percentage range of one or more of the indices set forth above.

403. Date of Record. The Date of Record shall be not fewer than one nor more than 31 days before the date of payment, as designated by written order of the Treasurer.

404. Redemption. Notwithstanding any contrary provision of subsections (b) and (c) of Section 209, but subject to the last sentence of this Section 404, Notes bearing interest at a variable rate may be subject to redemption by the County and/or put by the holder at any time or times and in any order, as may be determined pursuant to written order of the Treasurer. Notes shall not be subject to redemption more frequently than monthly.

405. Remarketing, Repurchase and Resale.

(a) In the event Notes issued under this Article IV are constituted as demand obligations, the interest rate on the Notes shall be governed by, and shall be subject to, remarketing by a remarketing agent appointed in accordance with Section 801(c), under the terms of a put agreement employed in accordance with Section 801(d).

(b) The County shall be authorized, consistent with Act 206 and pursuant to order of the Treasurer, to participate in the repurchase and resale of Notes in order to reduce the cost of, or increase the revenue, attendant to the establishment of the Revolving Fund and the issuance and discharge of the Notes. Any purchase of Notes pursuant to this subsection (b) shall be made with unpledged monies drawn from revolving funds established by the County in connection with retired general obligation limited tax notes.

V. MULTIPLE SERIES

501. Issuance of Multiple Series. At the option of the Treasurer, exercisable by written order, the Notes issued under Article II, Article III or Article X may be issued in two or more individually designated series. Each series shall bear its own rate of interest, which may be fixed or variable in accordance with Article IV. Various series need not be issued at the same time and may be issued from time to time in the discretion of the Treasurer exercisable by written order. In determining the dates of issuance of the respective series, the Treasurer shall consider, among other pertinent factors, the impact the dates selected may have on the marketability, rating and/or qualification for credit support or liquidity support for, or insurance of, the Notes. The Notes of each such series shall be issued according to this Resolution in all respects (and the term "Notes" shall be deemed to include each series of Notes throughout this Resolution), provided that:

(a) The aggregate principal amount of the Notes of all series shall not exceed the maximum aggregate amount permitted under Section 103;

(b) Each series shall be issued pursuant to Article II or Article III, and different series may be issued pursuant to different Articles;
(c) Each series shall be issued pursuant to Section 502 or Section 503, and
different series may be issued pursuant to different Sections;

(d) A series may be issued under Article II for one or more of the annual
maturities set forth in Article II with the balance of the annual maturities being issued under
Article II or under Article III in one or more other series, provided that the minimum annual
maturities set forth in Section 203 shall be reduced and applied pro rata to all Notes so issued;
and

(e) The Notes of all series issued pursuant to Article II above shall not, in
aggregate, mature in amounts or on dates exceeding the maximum authorized maturities set forth
in Section 203.

502. Series Secured Pari Passu. If the Notes are issued in multiple series pursuant to this
Article V, each series of Notes may, by written order of the Treasurer, be secured pari passu
with the other by the security described in and the amounts pledged by Article VII below.
Moreover, such security may, pursuant to further written order of the Treasurer, be segregated in
accordance with the following provisions.

(a) The Treasurer may by written order establish separate sub-accounts in the
County's 2019 Note Reserve Account for each series of Notes, into which shall be deposited the
amount borrowed for the Note Reserve Account for each such series.

(b) The Treasurer may by written order establish separate sub-accounts in the
County's 2019 Note Payment Account for each series of Notes, and all amounts deposited in the
Note Payment Account shall be allocated to the sub-accounts.

(c)(i) In the event separate sub-accounts are established pursuant to subsection
(b) above, and subject to Paragraph (ii) below, the percentage of deposits to the County's 2019
Note Payment Account allocated to each sub-account may be set equal to the percentage that
Notes issued in the corresponding series bears to all Notes issued under this Resolution or to any
other percentage designated by the Treasurer pursuant to written order; provided that if the
various series are issued at different times or if the various series are structured with different
maturity dates, (I) sums deposited in the Note Payment Account prior to the issuance of one or
more series may upon the issuance of each such series be reallocated among the various sub-
accounts established under Subsection (b) above to achieve a balance among the sub-accounts
proportionate to the designated percentage allocation, and/or (II) deposits to the Note Payment
Account may be allocated among the sub-accounts according to the total amount of debt service
that will actually be paid from the respective sub-accounts.

(ii) Alternatively, the Treasurer may, by written order, rank the sub-accounts
established under Subsection (b) above in order of priority, and specify that each such sub-
account shall receive deposits only after all sub-accounts having a higher priority have received
deposits sufficient to discharge all (or any specified percentage of) Notes whose series
corresponds to any of the sub-accounts having priority.

(d) In the absence of a written order of the Treasurer to the contrary, the
amounts in each sub-account established pursuant to this Section 502 shall secure only the Notes
issued in the series for which such sub-account was established, until such Notes and interest on
such Notes are paid in full, after which the amounts in such sub-account may, pursuant to written
order of the Treasurer, be added pro rata to the amounts in the other sub-accounts and thereafter
used as part of such other sub-accounts to secure all Notes and interest on such Notes for which
such other sub-accounts were created, until paid in full. Alternatively, amounts held in two or
more sub-accounts within either the Note Reserve Account or the Note Payment Account may be
commingled, and if commingled shall be held *pari passu* for the benefit of the holders of each series of Notes pertaining to the relevant sub-accounts.

503. Series Independently Secured. If the Notes are issued in multiple series pursuant to this Article V, each series of Notes may, by written order of the Treasurer, be independently secured in accordance with this Section 503.

(a) Each series of Notes shall pertain to one or more taxing units, as designated by the Treasurer pursuant to written order, and no two series of Notes shall pertain to the same taxing unit. A school district, intermediate school district, or community college district extending beyond the boundaries of a city in which it is located may, pursuant to written order of the Treasurer, be subdivided along the boundaries of one or more cities and each such subdivision shall be deemed a taxing unit for purposes of this Section 503.

(b) Separate sub-accounts shall be established in the County's 2019 Tax Payment Account. Each sub-account shall receive the proceeds of one and only one series of Notes, and amounts shall be disbursed from the sub-account to only those taxing units designated as being in that series.

(c) In the event Notes are issued for deposit into the Project Account established under Section 701, separate sub-accounts shall be established in the Project Account. Each sub-account shall receive the proceeds of one and only one series of Notes, and amounts shall be disbursed from the sub-account only to accounts, sub-accounts and/or taxing units designated as being in the series corresponding to the sub-account from which disbursement is being made.

(d) A separate sub-account shall be established in the County's 2019 Note Reserve Account for each series of Notes, into which shall be deposited the amount determined by the Treasurer under Section 103 or Section 703 with respect to the series. Each sub-account shall secure one and only one series.

(e) A separate sub-account shall be established in the County's 2019 Note Payment Account for each series of Notes. Each sub-account shall be allocated only those amounts described in Section 704 which pertain to the taxing units included in the series corresponding to the sub-account. Chargebacks received from a taxing unit pursuant to Section 905 shall be deposited in the sub-account corresponding to the series in which the taxing unit is included. Amounts held in each sub-account shall secure the debt represented by only those Notes included in the series corresponding to the sub-account, and disbursements from each sub-account may be applied toward the payment of only those Notes included in the series corresponding to the sub-account.

(f) The amounts in each sub-account established pursuant to this Section 503 shall secure only the Notes issued in the series for which such sub-account was established until such Notes and interest on such Notes are paid in full, after which any amounts remaining in such sub-account shall accrue to the County and shall no longer be pledged toward payment of the Notes.

VI.

TAXABILITY OF INTEREST

601. Federal Tax. The County acknowledges that the current state of Federal law mandates that the Notes be structured as taxable obligations. Consequently, the Notes shall, subject to Article X, be issued as obligations the interest on which is not excluded from gross income for purposes of Federal income tax.
602. **State of Michigan Tax.** Consistent with the treatment accorded all obligations issued pursuant to Act 206, interest on the Notes shall be exempt from the imposition of the State of Michigan income tax and the State of Michigan single business tax, and the Notes shall not be subject to the State of Michigan intangibles tax.

603. **Change in Federal Tax Status.** In the event there is a change in the Federal tax law or regulations, a ruling by the U.S. Department of Treasury or Internal Revenue Service establishes that the Notes may be issued as exempt from Federal income taxes or a change in Michigan law causes the Notes in the opinion of counsel to be exempt from federal income taxes, the Notes may be so issued.

### VII.

**FUNDS AND SECURITY**

701. **Delinquent Tax Project Account.** If the Notes are issued and sold before the Treasurer has received certification from the taxing units of the amount of the Delinquent Taxes and if such certification is not reasonably anticipated in time to allow distribution of the proceeds of the Notes within 20 days after the date of issue, a 2019 Delinquent Tax Project Account (the "Project Account") shall be established by the Treasurer as a separate and distinct fund of the County within its general fund. The Project Account shall receive all proceeds from the sale of the Notes, including any premium or accrued interest received at the time of sale. The Project Account shall be held in trust by an escrow agent until the monies therein are disbursed in accordance with this Article VII. The escrow agent shall be a commercial bank, shall be located in Michigan, shall have authority to exercise trust powers, and shall have a net worth in excess of $25,000,000. The form and content of the agreement between the County and the escrow agent shall be approved by the Treasurer. Subject to the following sentence, monies deposited in the Project Account shall be expended only (i) for the purpose of funding the Tax Payment Account established under Section 702 and (ii) to the extent permitted by Act 206, for the purpose of paying the expenses of the offering of the Notes. In the event the Treasurer by written order so directs, additional funding of the Project Account may be undertaken, and any surplus proceeds remaining in the Project Account after the Treasurer has completed the funding of the Tax Payment Account may be transferred to either the 2019 Note Reserve Account created under Section 703 or the 2019 Note Payment Account created under Section 704. Monies in the Project Account may be disbursed by the escrow agent to the County's 2019 Tax Payment Account at any time and from time to time, upon receipt of a written requisition signed by the Treasurer.

702. **2019 Tax Payment Account.** The County's 2019 Tax Payment Account (the "Tax Payment Account") is hereby established as a distinct account within the Revolving Fund. The Treasurer shall designate all or a portion of the proceeds of the Notes, not to exceed the amount of Delinquent Taxes, for deposit in the Tax Payment Account. If, however, the proceeds of the Notes are initially deposited in the Project Account pursuant to Section 701, the Treasurer is instead authorized and directed to transfer monies included in the Project Account in accordance with the procedures set forth in Section 701. The County shall apply the monies in the Tax Payment Account to the payment of the Delinquent Taxes or expenses of the borrowing in accordance with Act 206. The allocation of monies from the Tax Payment Account may be made pursuant to a single, comprehensive disbursement or may instead be made from time to time, within the time constraints of Act 206, to particular taxing units as monies are paid into the Tax Payment Account, such that the source of the monies (whether from the County's own funds, from the proceeds of a tax exempt borrowing or from the proceeds of a taxable borrowing) may be traced to the particular taxing unit receiving the funds. Moreover, and regardless of whether multiple series of Notes are issued, the Tax Payment Account may be divided into separate sub-
accounts in order to allow the Treasurer to designate which taxing units shall receive borrowed funds and which shall receive funds otherwise contributed by the County.

703. 2019 Note Reserve Account. In the event funding is provided as described in this Section 703, the Treasurer shall establish a 2019 Note Reserve Account (the "Note Reserve Account") as a distinct account within the Revolving Fund. After depositing all of the monies to fund the Tax Payment Account pursuant to Section 702, the Treasurer shall next transfer to the Note Reserve Account, either from the Project Account or directly from the proceeds of Notes, any proceeds remaining from the initial issuance of the Notes. In addition, the Treasurer may transfer unpledged monies from other County sources to the Note Reserve Account in an amount which, when added to any other amounts to be deposited in the Note Reserve Account, does not exceed the amount reasonably required for the Notes secured by the Reserve Account or, if less, 20% of the total amount of the Notes secured by the Reserve Account. Except as provided below, all monies in the Note Reserve Account shall be used solely for payment of principal of, premium, if any, and interest on the Notes to the extent that monies required for such payment are not available in the County's 2019 Note Payment Account. Monies in the Note Reserve Account shall be withdrawn first for payment of principal of, premium, if any, and interest on the Notes before County general funds are used to make the payments. All income or interest earned by, or increment to, the Note Reserve Account due to its investment or reinvestment shall be deposited in the Note Reserve Account. When the Note Reserve Account is sufficient to retire the Notes and accrued interest thereon, the Treasurer may order that the Note Reserve Account be used to purchase the Notes on the market, or, if the Notes are not available, to retire the Notes when due. If so ordered by the Treasurer, all or any specified portion of the Note Reserve Account may be applied toward the redemption of any Notes designated for redemption in accordance with Section 209.

704. 2019 Note Payment Account.

(a) The County's 2019 Note Payment Account is hereby established as a distinct account within the Revolving Fund. (The County's 2019 Note Payment Account, as supplemented by monies held in any interim account that are designated for transfer to the 2019 Note Payment Account, is herein referred to as the "Note Payment Account"). The Treasurer is directed to deposit into the Note Payment Account, promptly on receipt, those amounts described below in Paragraphs (i), (ii), (iv), and (v) that are not excluded pursuant to Subsection (c) below. Furthermore, the Treasurer may, by written order, deposit into the Note Payment Account all or any portion of the amounts described below in Paragraph (iii).

(i) All Delinquent Taxes.

(ii) All statutory interest on the Delinquent Taxes.

(iii) All property tax administration fees on the Delinquent Taxes, net of any amounts applied toward the expenses of this borrowing.

(iv) Any amounts which are received by the Treasurer from the taxing units within the County because of the uncollectability of the Delinquent Taxes.

(v) Any amounts remaining in the Project Account after the transfers to the Tax Payment Account and Note Reserve Account have been made as specified in Sections 702 and 703.

(b) Monies in the Note Payment Account shall be used by the County to pay principal of, premium, if any, and interest on the Notes as the same become due and payable.
(c)(i) The Treasurer may by written order provide that only a portion of the sums described above in Subsection (a) shall be deposited into the Note Payment Account and applied toward the payment of debt service on the Notes, in which event those sums which are withheld from the Note Payment Account shall be deposited into the Tax Payment Account or, pursuant to further order of the Treasurer, applied toward any other purpose consistent with Act 206. The portion of any sums described in Subsection (a) which are withheld from the Note Payment Account pursuant to this Subsection shall be determined in accordance with the following Paragraph.

(ii) Prior to the issuance of the Notes, the Treasurer may by written order specify a cut-off date not earlier than March 1, 2019, and only those sums payable to the Note Payment Account and received by the County after the cut-off date shall be applied to the Note Payment Account.

(d) The Treasurer may by written order provide that at such time as sufficient funds shall have been deposited into the Note Payment Account to pay all remaining amounts owed under the Notes the pledge on any additional monies otherwise payable to the Note Payment Account shall be discharged and such monies shall not be deposited into the Note Payment Account or otherwise pledged toward payment of the Notes.

(e) The Treasurer may by written order provide that in the event Notes are issued pursuant to Article III, amounts which would otherwise be included in the Note Payment Account or the Note Reserve Account (or any sub-account therein for a particular series of Notes) shall not include any amounts received by the County prior to the latest maturity date of any series of Notes previously issued under Article II and/or Article III.

705. Limited Tax General Obligation and Pledge.

(a) The Notes shall be the general obligation of the County, backed by the County's full faith and credit, the County's tax obligation (within applicable constitutional and statutory limits) and the County's general funds. The County budget shall provide that if the pledged monies are not collected in sufficient amounts to meet the payments of the principal and interest due on the Notes, the County, before paying any other budgeted amounts, shall promptly advance from its general funds sufficient monies to pay such principal and interest.

(b) In addition, the monies listed below are pledged to the repayment of the Notes and, subject to Section 901, shall be used solely for repayment of the Notes until the principal of, premium, if any, and interest on the Notes are paid in full:

(i) All amounts deposited or earned in any Project Account, until disbursed in accordance with Section 701;

(ii) All net proceeds from the sale of the Notes deposited or earned in the Tax Payment Account, until disbursed in accordance with Section 702;

(iii) All amounts deposited in the Note Payment Account pursuant to Section 704(a);

(iv) All amounts deposited in the Note Reserve Account;

(v) All amounts earned from the investment of monies held in the Note Payment Account or the Note Reserve Account; and
(vi) Any monies placed in the Note Payment Account and drawn in the discretion of the Treasurer from unpledged sums on the revolving funds, which pledge shall be subject to such limitations or exceptions as shall be set forth in the written order of the Treasurer.

(c) If the Notes shall be issued in various series pursuant to Article V, this pledge shall in the case of any independently secured series extend only to monies in accounts or sub-accounts pertaining to the particular series.

(d) If the amounts so pledged are not sufficient to pay the principal and interest when due, the County shall pay the same from its general funds or other available sources. Pursuant to written order of the Treasurer, the County may later reimburse itself for such payments from the Delinquent Taxes collected.

706. Security for Renewal, Refunding or Advance Refunding Notes. Renewal, refunding, or advance refunding Notes shall be secured by all or any portion of the same security securing the Notes being renewed, refunded or advance refunded. The monies pledged in Section 705 for the repayment of the Notes are also pledged for the repayment of the principal of, premium, if any, and interest on any renewal, refunding, or advance refunding Notes issued pursuant to this Resolution, and any such renewal, refunding, or advance refunding Notes shall be the general obligation of the County, backed by its full faith and credit, which shall include the tax obligation of the County, within applicable constitutional and statutory limits.

707. Use of Funds after Full Payment or Provisions for Payment. After all principal of, premium, if any, and interest on the Notes have been paid in full or provision made therefor by investments of pledged amounts in direct noncallable obligations of the United States of America in amounts and with maturities sufficient to pay all such principal, premium, if any, and interest when due, any further collection of Delinquent Taxes and all excess monies in any fund or account of the Revolving Fund, and any interest or income on any such amounts, may, pursuant to written order of the Treasurer and subject to Article V, be used for any proper purpose within the Revolving Fund including the securing of subsequent issues of notes.

VIII.
SUPPLEMENTAL AGREEMENTS

801. Supplemental Agreements and Documents. The Treasurer, on behalf of the County, is authorized to enter into any or all of the following agreements or commitments as may, in the Treasurer's discretion, be necessary, desirable or beneficial in connection with the issuance of the Notes, upon such terms and conditions as the Treasurer may determine appropriate:

(a) A letter of credit, line of credit, repurchase agreement, note insurance, or similar instrument, providing backup liquidity and/or credit support for the Notes;

(b) A reimbursement agreement, revolving credit agreement, revolving credit note, or similar instrument, setting forth repayments of and security for amounts drawn under the letter of credit, line of credit, repurchase agreement or similar instrument;

(c) A marketing, remarketing, placement, authenticating, paying or tender agent agreement or dealer agreement designating a marketing, remarketing, authenticating, paying, tender or placement agent or dealer and prescribing the duties of such person or persons with respect to the Notes; and
(d) A put agreement or provision allowing the purchaser of the Notes to require the County to repurchase the Notes upon demand at such times as may be provided in such put agreement or provision.

(e) An agreement to use amounts formerly pledged to other years borrowings as security for the Notes when no longer so pledged.

802. **Revolving Credit Notes.** If the Treasurer enters into a revolving credit agreement (the "Agreement") pursuant to Section 801 above, the Agreement may call for the issuance of one or more revolving credit notes (the "Revolving Credit Notes") for the purpose of renewing all or part of maturing Notes or Notes that have been put pursuant to a put agreement or provision. Such Revolving Credit Notes shall be issued pursuant to Article II or III, as appropriate, and in accordance with the following provisions:

(a) Interest on the Revolving Credit Notes may be payable on maturity, on prior redemption, monthly, bimonthly, quarterly, or as otherwise provided in the Agreement.

(b) The Revolving Credit Notes may mature on one or more date or dates not later than the final maturity date of the Notes, as provided in the Agreement.

(c) The Treasurer may, at the time of the original issuance of the Notes, execute and deliver one Revolving Credit Note in a maximum principal amount not exceeding the lending commitment under the Agreement from time to time in force (and may substitute one such Note in a lesser principal amount for another in the event the lending commitment is reduced), provided that a schedule shall be attached to such Note on which loans and repayments of principal and interest are evidenced and further provided that the making of a loan and the evidencing of such loan on the schedule of any such Note shall constitute the issuance of a renewal Note for the purposes of this Resolution.

**IX. MISCELLANEOUS PROVISIONS**

901. **Expenses.** Expenses incurred in connection with the Notes shall be paid from the property tax administration fees collected on the Delinquent Taxes and, if so ordered by the Treasurer, from any earnings on the proceeds of the offering or from other monies available to the County.

902. **Bond Counsel.** The Notes (and any renewal, refunding or advance refunding Notes) shall be delivered with the unqualified opinion of Clark Hill PLC, attorneys of Detroit, Michigan, bond counsel chosen by the Treasurer, which selection may, at the option of the Treasurer, be for one or more years.

903. **Financial Consultants.** PFM Financial Advisors, LLC, Ann Arbor, Michigan, is hereby retained to act as financial consultant and advisor to the County in connection with the sale and delivery of the Notes.

904. **Complete Records.** The Treasurer shall keep full and complete records of all deposits to and withdrawals from each of the funds and accounts in the Revolving Fund and any account or sub-account created pursuant to this Resolution and of all other transactions relating to such funds, accounts and sub-accounts, including investments of money in, and gain derived from, such funds and accounts.
905. Chargebacks. If, by the date which is three months prior to the final maturity date of the Notes, sufficient monies are not on deposit in the Note Payment Account and the Note Reserve Account to pay all principal of and interest on the Notes when due, Delinquent Taxes not then paid or recovered at or prior to the latest tax sale transacted two or more months before the final maturity of the Notes shall, if necessary to ensure full and timely payment on the date of final maturity, be charged back to the local units in such fashion as the Treasurer may determine, and, subject to Article V, the proceeds of such chargebacks shall be deposited into the County's 2019 Note Payment Account no later than five weeks prior to the final maturity of the Notes. This Section 905 shall not be construed to limit the authority of the Treasurer under State law to charge back under other circumstances or at other times.

906. Investments. The Treasurer is authorized to invest all monies in the Project Account, in the Revolving Fund or in any account or sub-account therein which is established pursuant to this Resolution in any one or more of the investments authorized as lawful investments for counties under Act No. 20, Public Acts of 1943, as amended. The Treasurer is further authorized to enter into a contract on behalf of the County under the Surplus Funds Investment Pool Act, Act No. 367, Michigan Public Acts of 1982, as amended, and to invest in any investment pool created thereby monies held in the Project Account, in the Revolving Fund, or in any account or sub-account therein which is established pursuant to this Resolution.

907. Mutilated, Lost, Stolen or Destroyed Notes. In the event any Note is mutilated, lost, stolen, or destroyed, the Treasurer may, on behalf of the County, execute and deliver, or order the Registrar or Paying Agent to authenticate and deliver, a new Note having a number not then outstanding, of like date, maturity and denomination as that mutilated, lost, stolen, or destroyed. In the case of a mutilated Note, a replacement Note shall not be delivered unless and until such mutilated Note is surrendered to the Treasurer or the Registrar or Paying Agent. In the case of a lost, stolen or destroyed Note, a replacement Note shall not be delivered unless and until the Treasurer and the Registrar or Paying Agent shall have received such proof of ownership and loss and indemnity as they determine to be sufficient.

ARTICLE X.
TAX-EXEMPT NOTES OR REFUNDING

1001. Refunding of Taxable Debt or Issuance of Tax-Exempt Debt. The County acknowledges that the current state of Federal law precludes the issuance of the Notes as obligations the interest on which is exempt from Federal income tax. However, the County presently contemplates that anticipated amendments to the Internal Revenue Code of 1986 (the "Code") and/or the Treasury Regulations issued thereunder (the "Regulations") or a change in Michigan law changing the character of the Notes may in the future permit the issuance of general obligation limited tax notes on a tax-exempt basis, and, in view of this expectation, the County, through the offices of the Treasurer, shall issue tax-exempt notes or issue obligations to refund any or all outstanding Notes issued as taxable obligations, at the time, on the terms, and to the extent set forth in this Article X.

1002. Timing of Refunding. The aforementioned refunding obligations (the "Refunding Notes") shall be issued after the effective date of any change in the Code, Regulations, Internal Revenue Service pronouncements or judicial rulings which, as confirmed by the written opinion of bond counsel, permit the refunding of all or some of the outstanding Notes with proceeds from obligations the interest on which is excluded from gross income for purposes of Federal income tax.

1003. Extent of Refunding. Subject to the other provisions of this Section 1003, the Refunding Notes shall refund all Notes outstanding at or after the effective date of any change in
the law described in Section 1002. This Section 1003 shall not, however, be construed to require
the refunding of any Note prior to the time such Note may be refunded on a tax-exempt basis, 
or shall this Section 1003 be construed to require the refunding of any Note, if that refunding 
would result in greater cost to the County (including interest expense, professional fees and 
administrative outlays) than would arise if the Note were to remain outstanding.

1004. Confirmatory Action. Subsequent to any change in the law described in Section 
1002, the Board shall convene to consider any terms of the Refunding Notes requiring specific 
ratification by the Board.

1005. Arbitrage Covenant and Tax Law Compliance. In the event tax-exempt Notes or 
Refunding Notes are issued pursuant to this Article X, the following covenants shall be observed 
by the County:

(i) the County will make no use of the proceeds of the Notes or Refunding 
Notes and will undertake no other intentional act with respect to the Notes or Refunding Notes 
which, if such use or act had been reasonably expected on the date of issuance of the Notes or 
Refunding Notes or if such use or act were intentionally made or undertaken after the date of 
issuance of the Notes or Refunding Notes, would cause the Notes or Refunding Notes to be 
"arbitrage bonds," as defined in Section 148 of the Internal Revenue Code of 1986, as amended 
(the "Code"), in the Regulations promulgated under Sections 103 and 148 of the Code or in any 
successor or supplementary provision of law hereinafter promulgated,

(ii) the County will undertake all actions as shall be necessary to maintain the 
Notes or Refunding Notes as obligations the interest on which qualifies for the tax exemption 
provided by Section 103(a) of the Code, including, where appropriate and without limitation, 
filing informational returns with the Secretary of Treasury, keeping accurate account of all 
monies earned in any fund, account or sub-account authorized by this Resolution or any 
resolution adopted in accordance with Section 1004 above, certifying cumulative cash flow 
deficits of the County and the local units, and investing any required portion of the gross 
proceeds of the Notes or Refunding Notes, whether on behalf of the County or the local units, in 
tax-exempt obligations or State and Local Government Series obligations, and

(iii) the County will make timely payment to the United States of any 
investment earnings, realized by the County on the gross proceeds of the Notes or Refunding 
Notes, as may be subject to rebate under Section 148(f) of the Code, and, to the extent required 
under applicable law or deemed by the Treasurer to be in the best interest of the County pursuant 
to written order, the County's obligation to make such payment to the United States shall also 
account for excess investment earnings realized by local units on all or a portion of the gross 
proceeds distributed to, and held by, the local units pursuant to Section 702.

(iv) the Treasurer shall be directed to take such actions and to enter into such 
agreements and certifications, on behalf of the County, as the Treasurer shall deem necessary or 
appropriate to comply with the foregoing covenants.

1006. Undertaking to Provide Continuing Disclosure. If necessary, this Board of 
Commissioners, for and on behalf of the County of Ingham, hereby covenants and agrees, for the 
benefit of the beneficial owners of the Notes to be issued by the County, to enter into a written 
undertaking (the "Undertaking") required by Rule 15c2-12 promulgated by the Securities and 
Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule") to 
provide continuing disclosure of certain financial information and operating data and timely 
notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall 
be substantially in the form as approved by the Underwriter of the Notes. The Undertaking shall 
be enforceable by the beneficial owners of Notes or by the Underwriter on behalf of such
beneficial owners (provided that the Underwriter's right to enforce the provisions of the Undertaking shall be limited to a right to obtain specific enforcement of the County's obligations hereunder and under the Undertaking), and any failure by the County to comply with the provisions of the Undertaking shall not be deemed a default with respect to the Notes.

The County Treasurer or other officer of the County charged with the responsibility for issuing the Notes shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the terms of the County's Undertaking.

SUBJECT: Resolution to Authorize defenderData Software and Implementation
For the meeting agendas of March 28 and April 3

BACKGROUND
In November, 2017 the Board of Commissioners approved Resolution #17-445 which accepted the compliance plan created by the Ingham County Indigent Defense Collaborative Committee. The State of Michigan has provided for full funding of the plan effective October 1, 2018. The establishment of a fully functional law office requires case management software and it is the intention of the office to be as paperless as possible. The grant provided that acquisitions must be subject to state policies on open competition with a waiver possible if such competition was deemed by the State of Michigan to be impracticable. As described below, the initial budget was based on the cost of obtaining a program called OnBase. OnBase is primarily a document management system and one of its shortcomings is that it has limited ability to extract data for case load numbers for the office and per attorney. The Michigan Indigent Defense Commission has provided information about a program called defenderData that is being used or is being acquired by many of the other grantees. An evaluation by the Public Defenders Office has concluded that program offers several significant advantages over the program that was initially included in the budget.

FINANCIAL IMPACT
The initial grant provides $41,494.14 for licenses and work flow access to a case management system. That figure was based on the expected cost of a program called OnBase, currently used by the Prosecutor’s Office and being implemented by the Circuit Court. That figure would be a recurring expense annually. Additionally, the budget provides for $216,000.00 for developing a customized platform by OnBase for the Office of the Public Defender. Both of these sums have been budgeted in this year’s MIDC grant. The resolution provides for the first year of licenses for a program called defenderData by a company called JusticeWorks. DefenderData is being used currently by several public defender offices in Michigan as well as a number of other locations in the country. DefenderData charges $25.00 per user license per month. There is no cost to acquire the software and no specific contractual obligation. For 42 licenses, the annual expense will be $12,600.00. Because they have already fielded it in Michigan, it is not expected that there would be any customization to begin using it, but the charge for customization is $100.00 per hour. The resolution allows the expenditure of $5,000.00, should a need for customization arise.

STRATEGIC PLANNING IMPACT
This resolution supports the immediate need of being able to establish a functional law office. It also supports the expected implementation of Michigan Indigent Defense Standard 6 related to maintaining manageable workloads by being able to track how many cases of each category the attorneys are handling.

OTHER CONSIDERATIONS
The grant has a provision for competitive bidding that could be waived by the State of Michigan as grantor. That requirement has been waived by the Licensing and Regulatory Authority.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution.
Introduced by the Law and Courts and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

WHEREAS, every local indigent defense system was required by the Michigan Indigent Defense Commission to submit a plan to comply with the first four minimum standards and to provide quality defense to indigent people who are accused of crimes; and

WHEREAS, the Ingham County Board of Commissioners accepted the compliance plan created by the Ingham County Indigent Defense Collaborative Committee and funding has been approved by the State of Michigan, effective October 1, 2018; and

WHEREAS, the implementation of the plan and the operation of the office will require appropriate computer software to manage the files and the activities of the office; and

WHEREAS, the Public Defenders Office has selected the case management system called defenderData by JusticeWorks to provide the necessary software program; and

WHEREAS, the annual cost of the number of needed licenses (42) is $12,600.00 per year and the cost of any necessary customization specific to the Ingham County Public Defenders Office is at the rate of $100.00 per hour with a requested maximum of $5,000.00; and

WHEREAS, the budget for obtaining such a case management system is included in the grant budget authorized by Resolution #18-476.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes the acquisition of the case management system called defenderData by JusticeWorks, Inc. at an annual expenditure of $12,600.00.

BE IT FURTHER RESOLVED, that the Public Defenders Office may authorize customized features at the rate of $100.00 per hour to JusticeWorks, Inc. not to exceed a total sum of $5,000.00 for customization.

SUBJECT: Resolution authorizing a purchase order with Ultra Seating Corp for 9-1-1 Chairs
For the meeting agenda March 28, 2019 and April 3, 2019

BACKGROUND
This resolution authorizes a purchase of 6 chairs to replace worn out chairs at the 9-1-1 Center. The chair has been identified by staff as being very comfortable and is rated for 24x7 operations. Two were initially purchased for evaluation and additional chairs are wanted and needed.

Quotes were obtained from three vendors: Seat works, DBI, and Ultra Seating. The chairs from Ultra Seating cost was between the other two vendors, but with staff’s evaluation of chairs from all three vendors, Ultra Seating was preferred. Many of our current chairs are from Seat works, but they were the highest in cost with the quotes obtained. They are good chairs, but staff liked the Ultra Seating chairs the most, resulting in my recommending them for purchase.

ALTERNATIVES
With staff identifying that these chairs meet their needs and they are staffing the center 12 hours a day, 24x7, 365 days a year, chairs are a very important piece of equipment to them.

FINANCIAL IMPACT
The funds for these chairs is part of the center’s budget. The cost with shipping for the 6 chairs should be just under $5,600.00. These chairs are at a lower cost as compared to the other 24x7 chair we have been using.

STRATEGIC PLANNING IMPACT
Keeping the staff at 9-1-1 comfortable and happy does have an effect in assisting public safety.

OTHER CONSIDERATIONS
Staff has seen these chairs at a trade show among others and was liked. Two were ordered to try them out at the center and staff are asking to purchase more to replace the worn out chairs.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution to issue a PO for the purchase of chairs from Ultra Seating.

SUBJECT: Renewal of Support for Computer Aided Dispatch System with TriTech/Central Square
For the meeting agenda March 28, 2019 and April 3, 2019

BACKGROUND
The Board purchased a new 9-1-1 Computer Aided Dispatch (CAD) System with Resolution #14-081, which went live in April of 2015. This like most computer systems require support and maintenance fees to be paid for the companies to constantly maintain, update and improve the systems. The renewal for 2018 effective date is from April 14, 2018 to April 13, 2019. The support agreement is updated yearly.

ALTERNATIVES
With the operation of any system of this type, support and maintenance fees are expected. There is not an option to use a software program of this type without this support, and as such there are really no alternatives to approving this agreement.

FINANCIAL IMPACT
The cost of this contract is $125,943.06 for the listed period. This amount was included in the 2019, 9-1-1 Center operations budget.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of service to our residents and supporting public safety.

OTHER CONSIDERATIONS
The renewal in required to obtain support and keep the system operational.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution to continue the support contract with TriTech/Central Square.

Agenda Item 9a

TO: Board of Commissioners Human Services & Finance Committees
FROM: Tim Morgan, Parks Director
DATE: March 19, 2019
SUBJECT: Hawk Island Red Tail Shelter Enclosure
For the meeting agenda of 4/1/19 Human Services and 4/3/19 Finance

BACKGROUND
The Hawk Island Tubing Hill has seen incredible growth in visitation over the past couple years. When comparing visitation statistics from the 2016-17 winter season to the current season, numbers indicate that average per day visitation has almost doubled in two years (155 vs 274). The highest one day visitation in 2016-17 was 400, compared to several days during the current year that have exceeded 600 visitors. Reservations have also increased exponentially; four in 2016-17 compared to 15 in the current year. The current ticket/warming building is constructed of insulated panels that are installed specifically during the winter in order to make Red Tail shelter a year-round multi-use building. Currently the seasonal panels enclose approximately 5/8ths of the entire shelter. Staff is proposing to enclose the additional 3/8ths of Red Tail Shelter. This will enclose the entire building in the winter months.

ALTERNATIVES
None. With these large increases in visitation, the current ticket area and warming building have become too restrictive in size to accommodate the current user load we have been experiencing. In order to accommodate this increase, coupled with maintaining customer satisfaction, it has become a necessity to expand the current ticket area.

FINANCIAL IMPACT
This resolution requests authorization to use the Parks 208 fund balance in order to expand this warming building for the upcoming 2019-2020 winter season. There are funds available to do this project in the Parks Department 208 fund balance.

Please see cost summary below:

Panel Construction and Windows/Doors: $5,160
Expanded Infrared Heating system: $7,840

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of striving to make facilities and services user-friendly, specifically Section A. 1(f) of the Action Plan - Maintain and improve existing parkland, facilities, and features.

OTHER CONSIDERATIONS
The Ingham County Park Commission supported this resolution at their February 25, 2019 meeting.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution.
Quotes were sought to furnish and install three (3) new heaters at the Red Tail Shelter at Hawk Island Tubing Hill.

Agenda Item 10a

TO: Board of Commissioners Human Services, County Services, and Finance Committees
FROM: Linda S. Vail, Health Officer
DATE: March 14th, 2019
SUBJECT: FY 19 State of Michigan Comprehensive Agreement Amendment # 3

For the meeting agendas of April 2, 2019 and April 3, 2019

BACKGROUND

Ingham County Health Department (ICHD) currently receives funding from Michigan Department of Health and Human Services (MDHHS) via the Comprehensive Agreement. The Comprehensive Agreement is the annual process whereby MDHHS transmits State and Federal Funds to Ingham County to support public health programs. The Board of Commissioners (BOC) authorized the 2018-2019 Comprehensive Agreement through Resolution #18-351 and Amendment #1 through Resolution #18-470 and Amendment #2 through Resolution #19-050. As a result of this funding ICHD would like to make the following changes:

- Requesting to hire a 1.0 FTE PHN for Nurse Family Partnership
- Re-establish a 1.0 Lead Social Worker for Pathways to Care (PTC). This position was eliminated in the FY 19 Budget process. PTC staff routinely serve adults with various psycho-social and mental health needs, as a result we have determined that a social worker is an essential part of the team to ensure appropriate services to the clients and to support the staff through reflective supervision.
- Eliminate a .75 FTE PHN (Position # 601151)

In order to utilize the Hepatitis A grant funds authorized through the comprehensive agreement, ICHD would like to use an amount not to exceed $85,000 for agreements regarding Hepatitis A advertising with the following agreements:

- Enter into an agreement with Comcast for the purpose of Hep A advertising
- Enter into an agreement with Adams Outdoor Advertising for the purposes of Hep A advertising
- Enter into an agreement with National CineMedia for the purposes of Hep A advertising
- Enter into an agreement with the Gay Ad Network for the purposes of Hep A advertising

ALTERNATIVES

There are no alternatives.

FINANCIAL IMPACT

The financial impact of this amendment will increase the agreement for Comprehensive Local Health Services from $5,449,665 to $5,686,220, an increase of $236,555. The amendment makes the following specific changes in the budget:
Nurse Family Partnership: increase of $100,000 from $485,300 to $585,300
Hepatitis A Response: increase of $140,000 from $5,000 to $145,000
Public Health Emergency Preparedness (10/01/18 – 6/30/19): increase of $2,430 from $117,595 to $120,025
Vector-Borne Surveillance & Prevention: increase of $8,125 from $0 to $8,125
WISEWOMAN: decrease of $14,000 from $14,000 to $0

The creation of a 1.0 FTE PHN and 1.0 FTE Lead Social Worker position and the elimination of the .75 FTE Public Health Nurse position will have a General Fund cost savings in the amount of approximately $6,600.

- $100,000 NFP additional grant dollars
- $56,500 in additional Medical Outreach dollars related to services provided by Lead Social Worker
- Savings of $88,000 associated with the elimination of the .75 FTE PHN.

ICHD would like to use an amount not to exceed $85,000 for agreements regarding Hepatitis A advertising.

- Comcast: $20,000
- Adams Outdoor Advertising: $40,000
- National CineMedia: $16,000
- Gay Ad Network: $9,000

**STRATEGIC PLANNING IMPACT**
This resolution supports the long-term objection of Promoting Accessible Healthcare, specifically section A.1(e) of the Action Plan – Expand access to healthcare for county residents, with an emphasis on the uninsured and underinsured.

**RECOMMENDATION**
Based on the information presented, I respectfully recommend approval of the attached resolution to support Amendment # 3 with Michigan Department of Health & Human Services (MDHHS) effective October 1, 2018 through September 30, 2019.

SUBJECT: Authorization to Enter Into Agreement with Epividian

For the meeting agendas of April 1st and April 3rd, 2019

BACKGROUND
Ingham County Health Department (ICHD) wishes to enter into an agreement with Epividian for providing an analytic program which allows data to be interfaced and imported electronically within the Ryan White HIV program effective June 1, 2019 through May 31, 2020. ICHD’s Community Health Centers (CHCs) Ryan White D (RW-D) program currently uses .50 FTE of one medical assistant’s time to re-enter information from the Electronic Health Record (EHR) to the HIV CAREWare system. In a recent RW-D site visit corrective action plan, it was cited that ICHD should eliminate manual data entry processes and pursue electronic interfaces or imports which allow existing electronic data to be directly entered into CAREWare. Epividian provides an analytics program called CHORUS. CHORUS is designed specifically to help clinicians treating patients with HIV. CHORUS exports EHR data, interprets and classifies medical data in the EHR to deliver disease management, and delivers population reporting and more. Using CHORUS through Epividian will transfer medical assistant time to patient care. It will also improve data quality, be more consistent, and reduce errors. Rather than daily data re-entry, the RW-D patient charts will be extracted and stored in the Ryan White Data Service (RWDS) folder in CHORUS, be formatted per CAREWare requirements, and be imported monthly in 20 minutes or less.

ALTERNATIVES
There are no alternatives.

FINANCIAL IMPACT
The financial impact will be a one-time cost of $2,500, a fee of $1.50 per Ryan White D patient per month and cover approximately 600 Ryan White patients. This analytic program will cost $900 a month, $10,800 a year and will not exceed $13,300. Currently .50 FTE is dedicated to data re-entry at the rate of $35,400 a year (pay, benefits, fringe). The total cost of $13,300 will be covered by ICHD’s Care Coordination Grant.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of promoting accessible healthcare, specifically section A.1(e) of the Action Plan – Expand access to healthcare for county residents, with an emphasis on the uninsured and underinsured.

OTHER CONSIDERATIONS
There are no other considerations.

RECOMMENDATION
Based on the information presented, I respectfully recommend that the Ingham County Board of Commissioners authorize approval to enter into an agreement with Epividian for providing an analytic program which will allow data to be interfaced and imported electronically within the Ryan White HIV program for a total amount of $13,000 effective June 1, 2019 through May 31, 2020.

Subject: Increase in the Part-Time Temporary Management Position at the Ingham County Fairgrounds
For the meeting agendas of April 1, April 2 and April 3

BACKGROUND
This resolution authorizes a part-time temporary management position at the Ingham County Fairgrounds to be increased to full-time. This position functions as the interim Fair Manager until a permanent replacement is hired by the Board of Commissioners. Carol Carlson is serving in this role. Ms. Carlson has served as interim Fair Manager twice before, in 2011 and 2018.

ALTERNATIVES
The current 25 hour per week arrangement could continue. However, as the Fair approaches the workload significantly increases and Fair staff may not be able to do all that is necessary to prepare for the Fair.

FINANCIAL IMPACT
This temporary manager will continue to be compensated at a rate of $25 per hour. Funds are available in the Fair budget due to attrition savings from the vacant Fair Manager position.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of: Providing Recreational Opportunities.

OTHER CONSIDERATIONS
None.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution.
RESOLUTION TO AMEND RESOLUTION #19-006 TO AUTHORIZE AN INCREASE IN HOURS FOR A PART-TIME TEMPORARY EMPLOYEE AT THE INGHAM COUNTY FAIRGROUNDS

SUBJECT: Potter Park Zoo Incentives
For the meeting agendas of April 2 and 3, 2019

BACKGROUND
The Board of Commissioners authorized an agreement, March 27, 2007, with the City of Lansing for the lease and operation of the Potter Park Zoo and Potter Park, Resolution #07-058.

The agreement states: “The County shall periodically (a minimum of once a week) offer a discounted entrance rate for residents of Ingham County and the City of Lansing, which discounted rate shall also be made available to residents of those entities that contribute to the Park and Zoo through a millage. The County shall, at least once per calendar year, allow for free admission to the Zoo for County and/or City residents.”

Current incentives designated as reduced admission for Ingham County residents should be expanded to include City of Lansing residents who reside outside of Ingham County. The Board of Commissioners adopted Resolution #18-174 Visitor Incentives at Potter Park Zoo in April 2018. We are requesting to amend this Resolution and include two additional incentives for City of Lansing residents.

ALTERNATIVES
An alternative to combining incentives for residents of Ingham County and City of Lansing would be to have separate reduced admission incentives.

FINANCIAL IMPACT
Incentives have the potential to create additional parking, admission, gift shop, and restaurant revenue through increased attendance as well as increased awareness of services at the zoo.

STRATEGIC PLANNING
The proposed incentives will help achieve Ingham County Strategic Plan – Implementation Plan strategies A1 (Strive to make facilities and services user-friendly) and B1 (Promote key services through the local media). Through these incentives the zoo is able to improve accessibility for visitors of all ages and abilities and promote key services through the local media. Each event or incentive day at the zoo provides an opportunity to promote and increase awareness of activities and opportunities at the zoo as well as create monetary accessibility for members of the community.

OTHER CONSIDERATIONS

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached Resolution to amend Resolution #18-174 and approve two additional visitor incentives at Potter Park Zoo for City of Lansing residents.

        SS-1H @ $2.20 per a gallon
These emulsions are a blend of liquid asphalt, emulsifiers, and water. These mixtures have been known to be high maintenance and fail to meet specifications if not managed correctly and the Road Department has to perform several quality control inspections daily to confirm the quality of the product. In the event the awarded providers’ emulsions fail to meet the required specifications or are unable to provide material when and where requested, we have requested these secondary providers be approved as needed.

1. Michigan Paving & Materials as a secondary supplier for,  
   HFRS-2M @ $2.05 per a gallon  
   AE-90 (AMS Seal SP) @ $2.20 per a gallon.
2. Asphalt Materials  
   HFRS-2M @ $2.17 per a gallon

The decision to where the Emulsions will be purchased on any given operation will be based on Road Department staff’s judgment as to which supplier is most advantageous for the County, with preference based on lowest qualifying bid unit price and a quantity not to exceed $1,500,000; and

Therefore, approval of the attached resolution is recommended to authorize purchase of the Road Department’s 2019 seasonal supply of emulsions.

BE IT FURTHER RESOLVED, that the Purchasing Department and the Road Department are hereby authorized to execute purchase orders accordingly with Bit Mat of Michigan, Michigan Paving and Materials, and Asphalt Materials Inc., for purchasing of emulsified asphalts as needed and budgeted, on behalf of the County.
The Road Department annually purchases approximately 50,000 to 55,000 tons of various Hot Mix Asphalt (HMA) mixtures, with the option of Flowboy and Quad axle trucking furnished by the supplier with a per hour rate.

The Hot Mix Asphalt (HMA) shall meet or exceed the specifications from the HMA Production Manual, Marshall HMA mixture according to the “Special Provision for Marshall Hot Mix Asphalt Mixtures”, the 2012 MDOT Standard Specifications for Construction, Section 501, and the Invitation to Bid (ITB) packet #47-19, Section 8 Specifications.

The purpose of this correspondence is to support the attached resolution to purchase 13A, 13A Top, and 36A HMA for the scheduled 2019 HMA maintenance program and various other road maintenance agreements. The 3 different types of HMA are designed to meet the various needs for building and repairing county roads by Road Department staff in various road maintenance operations.

The Road Department’s adopted 2019 budget included in controllable expenditures funds for this and other maintenance material purchases.

Bids for 13A, 13A Top, and 36A HMA were solicited and evaluated by the Ingham County Purchasing Department per ITB #47-19, and it is their recommendation, with the concurrence of Road Department staff, to award these bids and purchase 13A, 13A Top, and 36A HMA on an as-needed, unit price per ton basis from all 3 vendors.

   The provided Quad-axle trucking rate is $125.00 per an hour

2. Michigan Paving & Materials
   13A @ $48.00 per a ton
   13A Top @ $49.00 per ton
   36A @ $ 49.50 per ton
   The provided Flowboy trucking rate is $155.00 per an hour

   The provided Flowboy trucking rate is $155.00 per an hour
   The provided Quad-axle trucking rate is $115.00 per an hour
   Winter grade 36A asphalt @ $125 per a ton

The decision to where the HMA will be purchased on any given operation will be based on Road Department staff’s judgment as to which supplier is most advantageous for Ingham County. This decision will be based on a combination of bid unit price, supplier proximity to the work being performed at the time and availability of required material, with preference based on lowest qualifying bid unit price per ton and a quantity not to exceed $2,500,000; and

Therefore, approval of the attached resolution is recommended to authorize the purchase of the Road Department’s 2019 seasonal supply of HMA, with the option of provided Flow boy and Quad axle trucking.

Major county bridge repair, replacement, and preventative maintenance projects are typically funded by the Local Bridge Program (LBP), which is funded by a combination of federal and state transportation revenue. The Local Bridge Program is a rolling three-year program, in which applications approved in the first year of the program receive funding in the third year of the program. Local Bridge Program applications for this year are due on, or before, May 1st for fiscal year 2022 funding. Each agency is limited to five applications per year, and if awarded a project, the program funds 95% of construction costs and the Road Department would need to fund the remaining 5%.

The Road Department contracts to have all county bridges inspected, biennially or more frequently, by a state certified bridge inspection consultant as required by federal requirements. The inspection consultant is required to recommend bridge project candidates for replacement, rehabilitation, or preventative maintenance as part of their contract deliverable. After thoroughly evaluating the recommendations, the Ingham County Road Department has proposed candidates for the 2019 bridge funding applications as follows:
