MOVED BY COMM. MAIVILLE, SUPPORTED BY COMM. CRENSHAW, TO APPROVE THE RESOLUTION.

Chairperson Grebner stated that there could not be that much accounting involved with grants and asked what exactly the full-time account clerk would be accounting.

Melissa Buzzard, Trails and Parks Millage Program Coordinator, stated that there was a surprising amount of paperwork involved with grants from start to finish and that accounting responsibilities would continue to pick up even as everything was wrapped up.

Chairperson Grebner asked if the position included only financial duties.

Ms. Buzzard stated that there was enough of that to require a full-time position.

Chairperson Grebner stated that it seemed like the paper process needed to find itself streamlined.

Ms. Buzzard stated that the position was responsible for all millage contracts, not just grants.

Chairperson Grebner asked who would have known there would be enough financial paperwork involved with the millage to keep someone busy for that many hours in a year.

Chairperson Grebner stated that he always felt that the way priorities were discovered was when people vote on things. He further stated that he was not opposed to the Strategic Plan but that he did not think it was the life of the County’s Budget.

Without these funds, Day Reporting will only be available with State Community Corrections grant funding which imposes strict eligibility limitations and on a client pay basis which limits or precludes access. Electronic Monitoring services for eligible indigent users will be reduced or terminated if the annual general fund allocation is exhausted prior to the end of the year.

Day Reporting will provide services on a fee for service bases for an estimated 40-50 participants, services to include a needs assessment, individual plan for success, progress reports, fundamental needs services and other indicated services. Attrition savings through the vacant physician positions will be utilized to cover the cost of the agreement.

5a. **Potter Park Zoo** – Resolution to Accept an Ultrasound Donation from the Potter Park Zoological Society

SUBJECT: Resolution to Authorize a Two-Year Extension to the Contract with the State of Michigan Department Of Health And Human Services (MDHHS) for the Access and Use of the Michigan Centralized Birth Certification System (MiCBCS)

BACKGROUND
Since 2016, the Ingham County Clerk’s Office has utilized the MiCBCS to quickly access, verify, and provide quality certified copies of birth records for those individuals born in Ingham County. While the Ingham County Clerk is the local registrar of vital records, the MDHHS Office of Vital Records serves as the state registrar of vital records and therefore, holds many records that Ingham County residents desire to purchase.

The original contract expires after September 30, 2019.

The attached resolution proposes to extend the contract for two years and sets the expiration date as September 30, 2021.

FINANCIAL IMPACT
There is no fee that Ingham County pays to MDHHS to access the MiCBCS. Rather, when a certified copy of a birth record is purchased utilizing the MiCBCS, the customer pays a fee that is split between MDHHS and Ingham County’s General Fund.

Fees collected and remitted to MDHHS are as follows:

- Non-State-only records are $4 for the first copy and $1 for each additional copy;
- State-only records are $34 for the first copy and $16 for each additional copy; and
- State-only senior citizen records are $14 for the first copy and $16 for each additional copy; and

The fee that the Ingham County Clerk collects and remits to the General Fund is $10 per transaction (i.e., the fee is $10 irrespective of the number and type of certified copies sold).

The fees are authorized by Resolutions #16-387 and #17-21.

RECOMMENDATION
I respectfully recommend approval of the resolution.
RESOLUTION TO AUTHORIZE A TWO-YEAR EXTENSION TO THE CONTRACT WITH THE STATE OF MICHIGAN DEPARTMENT OF HEALTH AND HUMAN SERVICES (MDHHS) FOR THE ACCESS AND USE OF THE MICHIGAN CENTRALIZED BIRTH CERTIFICATION SYSTEM (MiCBCS)

WHEREAS, Resolution #16-387 authorized Ingham County, in conjunction with the Ingham County Clerk, to contract with MDHHS for access to the MiCBCS, which is utilized to quickly access, verify, and provide quality certified copies of birth records for those individuals born in Ingham County; and

WHEREAS, there are fees collected from customers for the service and remitted to MDHHS for access of the MiCBCS, and they are as follows:
- non-state-only records are $4 for the first copy and $1 for each additional copy;
- state-only records are $34 for the first copy and $16 for each additional copy; and
- state-only senior citizen records are $14 for the first copy and $16 for each additional copy; and

WHEREAS, pursuant to Resolution #17-21, the Ingham County Clerk collects $10.00 per transaction for records issued from the MiCBCS irrespective of the number of certified copies processed and remits said funds to the General Fund; and

WHEREAS, the contract authorized by Resolution #16-387 expires after September 30, 2019; and

WHEREAS, the Ingham County Clerk desires to extend this contract for two more years (extension period: October 1, 2019 – September 30, 2021) in order to continue offering the highest level of customer service to Ingham County residents.

THEREFORE BE IT RESOLVED, that the Board of Commissioners, in conjunction with the Ingham County Clerk, hereby authorizes a two-year extension to the contract with the MDHHS for access to and usage of the MiCBCS.

BE IT FURTHER RESOLVED, that the two-year extension shall run October 1, 2019 to September 30, 2021.

BE IT FURTHER RESOLVED, that Resolutions #16-387 and #17-21 otherwise remain in effect.

Electronic Monitoring services will be provided for an estimated 7-9 additional participants based on the current contract fee schedule ranging from $4.65 to $14.00 per day.

SUBJECT: Authorization to Amend Staffing Services Agreement with Cross Country
For the meeting agendas of June 3 and June 5, 2019

BACKGROUND
Ingham County Health Department (ICHD) wishes to amend the Cross Country Agreement (Resolution #19-075) to include the Community Health Centers by adding temporary placements to sustain access to care for the patient panels of the recently vacated physician positions.

Through Resolution #19-075, the agreement with Cross Country for the placement of clinical staffing, including Certified Nursing Assistants, Nurses, Medical Assistants and Licensed Practical Nurses, was expanded to include medical providers (Nurse Practitioners, Physician Assistants, and Physicians) through Cross Country’s subsidiary, Medical Doctors Associates. Ingham County Health Department (ICHD) is experiencing critical staffing levels in the Community Health Center (CHC) operation as a result of two recent vacancies in physician positions. In order to avert negative impacts of provider staff vacancies to service delivery and quality of care for patients, ICHD would like to amend the Cross Country agreement. Through this amended agreement, CHC operations can maintain adequate primary care provider staffing and service levels with temporary placements while permanent placements are recruited and hired into the vacant county physician positions. This amendment totaling $250,000 will be effective June 1, 2019 through March 30, 2020.

ALTERNATIVES
There are no alternatives.

FINANCIAL IMPACT
The costs associated with contractual staffing to fill employment vacancies for the physician positions are offset by unexpended salary and fringe budgeted for those positions. The total costs of contractual staff would not exceed the total contractual, salary and fringe amounts budgeted in any given fiscal year.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of promoting accessible healthcare, specifically section A.1(e) of the Action Plan – Expand access to healthcare for county residents, with an emphasis on the uninsured and underinsured

OTHER CONSIDERATIONS
There are no other considerations.

RECOMMENDATION
Based on the information presented, I respectfully recommend that the Ingham County Board of Commissioners amend the existing Cross County Staffing Agreement to include the CHCs for temporary placements, while permanent placements are recruited and hired into the vacant physician positions for a total amount not to exceed $250,000, effective June 1, 2019 through March 30, 2020.
Agenda Item 4

Introduced by the Human Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

WHEREAS, the total costs of contractual staff even in a high vacancy year, would not exceed the total contractual, salary and fringe amounts budgeted in any given fiscal year; and

WHEREAS, the Ingham Community Health Center Board supports the amending of the Cross County Staffing Agreement to include the CHCs with temporary provider Placements; and

WHEREAS, the Health Officer recommends that the Ingham County Board of Commissioners amend the existing Cross County Staffing Agreement to include the CHCs for temporary provider placements for a total amount not to exceed $250,000 effective June 1, 2019 through March 30, 2020.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners amends the existing Cross County Staffing Agreement to include the Community Health Centers for temporary provider placements for a total amount not to exceed $250,000 effective June 1, 2019 through March 30, 2020.

SUBJECT: Resolution authorizing acceptance of an ultrasound donation from the Potter Park Zoological Society
For the meeting agendas of June 4 & June 5, 2019

BACKGROUND
The Potter Park Zoological Society is a private, 501c (3) nonprofit fundraising organization that supports Potter Park Zoo. The Zoological Society’s mission, starting in 1969 as Friends of the Zoo, is to support the Potter Park Zoo through educational programming, volunteerism, public relations services, special events, and fundraising. Local individuals, businesses, and organizations support the Zoo through donations to the Zoological Society.

The Potter Park Zoo Veterinarian identified the need for a new ultrasound machine that will provide significant improvement in the monitoring of animal health through higher quality images. The need became more urgent with the confirmed pregnancy of the Zoo’s endangered black rhino.

An anonymous donor has offered to fund an ultrasound machine for the Potter Park Zoo animal health department through the Potter Park Zoological Society.

ALTERNATIVES
The primary alternative is to continue using the current ultrasound machine.

FINANCIAL IMPACT
The new ultrasound has a value of $35,000—allowing Potter Park Zoo to use monies that would have otherwise been spent on this piece of medical equipment for other improvements.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of Improving Facilities, specifically section A.1 (f) of the Ingham County Action Plan - Maintain and improve existing parkland, facilities, and features.

OTHER CONSIDERATIONS
Ingham County Animal Control will be able to utilize the current Zoo ultrasound.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution to accept the ultrasound donation from the Potter Park Zoological Society.

SUBJECT: Zoo Reorganization
For the meeting agenda of May 21, 2019

BACKGROUND
The Zoo Registrar position became vacant in 2018 which allowed opportunity for review of the Potter Park Zoo organization chart. As an accredited member of the Association of Zoos and Aquariums (AZA) we are required to maintain or exceed the standards set forth by the association. In 2018 the AZA animal welfare standards were substantially expanded to require a set process for evaluating the welfare of each animal in our care. This extensive process necessitates a staff member be responsible for overseeing the welfare process including: documentation, evaluation, and continued improvement. The proposed new Animal Programs Manager position will be responsible for ensuring the welfare program exceeds AZA standards.

The Registrar position has historically been responsible for animal records, payroll, accounts payable, and accounts receivable. The proposed reorganization would split those duties between two positions, the Animal Programs Manager and the part-time Account Clerk. The Animal Care Supervisor will supervise all non-medical animal care staff.

ALTERNATIVES
The Registrar position could be filled as written and the full-time positions could remain as written. However, this structure does not allow for effective oversight of the Zoo’s welfare program.

FINANCIAL IMPACT
The budget office wage projections show at Step 8 there is a savings of $8,088.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of Maintaining and improving existing parkland, facilities, and features, specifically section A.1 (f) of the Ingham County Action Plan.
OTHER CONSIDERATIONS
This reorganization takes into consideration budgetary constraints, as well as the most critical needs of the Potter Park Zoo animal care and accounting departments. The Zookeeper 400 and 500 job descriptions were updated to reflect the proposed new supervisor titles and focus on animal welfare. The Teamster and UAW Zoo Unions are in support of the proposed reorganization and job description updates.

RECOMMENDATION
Based on the information presented, I respectfully recommend support of the proposed reorganization of Potter Park Zoo.
Human Resources can confirm the following information regarding the re-organization for Potter Park Zoo:

1. Human Resources has created a new position titled Account Clerk, Potter Park Zoo. The position will reside in the Zoo UAW Local 2256 unit. The position will be compensated at the Zookeeper Trainee scale. The position will be a part-time position.

2. Human Resources has updated the job descriptions for Zookeeper 400 and Zookeeper 500 to reflect the duties of the position. The salaries would remain the same. The Zoo will add two Zookeeper 400 positions.

3. Human Resources has created a new position titled Animal Care Supervisor. The position will reside in the Zoo Teamster Unit. The position will be compensated at the Zoo Curator/Vet Salary scale.

4. Potter Park Zoo will convert position number 692024 Curator to a newly created position titled Animal Program Manager. The salary would remain the same as the Zoo Curator/Vet salary scale in the Zoo Teamster unit.

5. Lastly, Potter Park Zoo will be eliminating two positions, Zoo Keeper 600 (the person will be moving to the Animal Care Supervisor position) and Zoo Registrar (currently vacant).

I have sent the Zoo UAW and Zoo Teamsters notices regarding the above positions. Both units support all of the changes, eliminations and additions. I have attached their responses. I have also attached all the job descriptions.

Please use this memo as acknowledgement of Human Resources’ participation and analysis of your proposed re-organization. You are now ready to complete the final step in the process: contact Budgeting, write a memo of explanation and prepare a resolution for Board approval.

If I can be of further assistance, please email or call me (887-4375).

Good Afternoon Kyle,

Back on December 3, 2018 we had a meeting to discuss the possibility of a re-organization for the Zoo. At the time both the UAW Zoo and the Zoo Teamster Union were on-board with the proposed changes. The Zoo would like to propose the following re-organization:

The re-organization would consist of the following:

1. Human Resources has created a new position titled Account Clerk, Potter Park Zoo. The position will reside in the Zoo UAW Local 2256 unit. The position will be compensated at the Zookeeper Trainee scale. The position will be a part-time position.

2. Human Resources has updated the job descriptions for Zookeeper 400 and Zookeeper 500 to reflect the duties of the position. The salaries would remain the same. The Zoo will add two Zookeeper 400 positions.

3. Human Resources has created a new position titled Animal Care Supervisor. The position will reside in the Zoo Teamster Unit. The position will be compensated at the Zoo Curator/Vet Salary scale.

4. Potter Park Zoo will convert position number 692024 Curator to a newly created position titled Animal Program Manager. The salary would remain the same as the Zoo Curator/Vet salary scale in the Zoo Teamster unit.

5. Lastly, Potter Park Zoo will be eliminating two positions, Zoo Keeper 600 (the person will be moving to the Animal Care Supervisor position) and Zoo Registrar (currently vacant).

Does the Zoo UAW Local 2256 support the Zoo’s Re-organization? If you have any questions or concerns and need to meet with either Cindy or I please let us know.
Thank-you,
