9. Innovation & Technology Department
   a. Resolution to Enter into an Agreement for Local and Long Distance Phone Services from Granite

13. Human Resources Department
   a. Resolution to Approve Managerial and Confidential Employee Reclassification Levels

Limited Public Comment

Derrick Quinney, Register of Deeds, commented on Managerial and Confidential (MC) reclassifications. He stated he had questions for which he wanted answers and he noticed those questions were not answered to his satisfaction during the County Services Committee meeting on April 23, 2019.
Register Quinney stated that he wanted to go on record having expressed frustration with the reclassification process and asked to be directed to the proper forum to have those concerns addressed.

Chairperson Grebner stated that when something was in front of the Finance Committee it was more to look at the money, where the County Services Committee looked at procedure.

Discussion.

Commissioner Crenshaw requested that the Finance Chairperson ask the County Services Chairperson to look into this matter on behalf of the Register of Deeds. He further stated that he agreed it was a valid concern that they are not fully participatory from the Human Resources Department in the process and that it needed to be cleared up.

MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. MAIVILLE, TO REQUEST THE FINANCE CHAIRPERSON SEND A LETTER TO THE COUNTY SERVICES CHAIRPERSON THAT CONCERN HAD BEEN RAISED REGARDING THE RECLASSIFICATION.

THE MOTION CARRIED UNANIMOUSLY. Absent: Commissioner Tennis

MOVED BY COMM. MAIVILLE, SUPPORTED BY COMM. CRENSHAW, TO APPROVE A CONSENT AGENDA CONSISTING OF THE FOLLOWING ACTION ITEMS:

13. **Human Resources Department**  
    b. Resolution to Amend Personnel Policy 107: Special Part-Time, Temporary or Seasonal Employee Sick Leave Policy
14. **Controller/Administrator’s Office**  
a. Resolution Authorizing Adjustments to the 2019 Ingham County Budget

THE MOTION CARRIED UNANIMOUSLY. Absent: Commissioner Tennis

THE MOTION TO APPROVE THE ITEMS ON THE CONSENT AGENDA CARRIED UNANIMOUSLY. Absent: Commissioner Tennis

3. **Drain Commissioner** – Resolution to Authorize an Agreement with Huntington National Bank for the Financing of a Vactor Truck

MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. MAIVILLE, TO APPROVE THE RESOLUTION.

Commissioner Maiville stated he had a disclosure that the itemized list included equipment manufactured by the company he worked for, but he had nothing to do with the purchasing process.

Commissioner Schafer stated that he would vote against the resolution because he objected to lease arrangements.

Discussion.

THE MOTION CARRIED. Yeas: Grebner, Crenshaw, Maiville, Morgan, Polsdofer  
Nays: Schafer  
Absent: Tennis

6. **Equalization/Tax Mapping**  
a. Resolution to Adopt the 2019 County Equalization Report as Submitted with the Accompanying Statements *(Report to be Distributed at Meeting)*

MOVED BY COMM. POLSDOFER, SUPPORTED BY COMM. MAIVILLE, TO APPROVE THE RESOLUTION.

Bill Fowler, Equalization Director, stated that he wanted to go on record having thanked his staff for all the hard work they did. He further stated that anyone who had the chance to review the report would have seen that the County was making small steps to capture back the market value that was lost after the subprime collapse.

Chairperson Grebner stated that the wonderful thing about equalization was that if everything was done right there was not anything to say about it.

Mr. Fowler stated that the County was equalizing as assessed.
Commissioner Crenshaw stated that he remembered the City of Lansing looking into the County taking over assessments for the City. He asked if the current Lansing City Assessor was a permanent or temporary position.

Mr. Fowler stated that as he understood she was hired on a contractual basis. He further stated that that discussion happened while he was still the Assessor and it was his position then and when he left the City of Lansing that the County did not have the resources to take on the assessment of all the parcels in the City.

THE MOTION CARRIED UNANIMOUSLY. Absent: Commissioner Tennis

13. Human Resources Department
   a. Resolution to Approve Managerial and Confidential Employee Reclassification Levels

MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. MAIVILLE, TO APPROVE THE RESOLUTION.

Chairperson Grebner stated that each position in the County goes up one grade, on average, every 10-15 years because positions became more complex but also because it was easier to level up than down. He further stated that reclassifications were just a slow increase built into the County’s base spending rate.

Commissioner Morgan asked if it was known if the folks filling these positions had received job offers elsewhere, or if the County was having trouble maintaining staffing in these positions.

Chairperson Grebner stated that that would not be the normal situation. He further stated that the normal situation was when somebody went to their department head and said they want to put in for reclassification because their position had new responsibilities added to it, that was when a request for reclassification would occur.

Chairperson Grebner stated that in theory, the reclassification process had nothing to do with the individual, but rather the position itself that existed on the allocation list.

Becky Bennett, Board of Commissioners Director, stated that much like the unions that had the opportunity to renegotiate contracts, Managerial and Confidential employees were given the opportunity submit a request for reclassification because their position had changed.

Discussion.

Chairperson Grebner stated that because there was not any system in place for keeping job descriptions up to date, and needed changes were not discovered until someone noticed and requested a change.

THE MOTION CARRIED UNANIMOUSLY. Absent: Commissioner Tennis

14. Controller/Administrator’s Office
   c. Resolution Updating Various Fees for County Services (Discussion)
Commissioner Schafer stated that fees charged by the Environmental Health Department for inspecting temporary food licenses were so high that for small organizations selling food to raise money, there were almost no profit margins. He further stated he would like to see those fees lowered.

Commissioner Crenshaw asked what fee number in the attached table he was referring to.

Commissioner Schafer stated he was talking about fee number 34 in the table (Human Services Committee 2020 Fee Analysis Attachment A) and also 38, in the same table, which carried an additional late fee.

Commissioner Morgan asked Commissioner Schafer if it was his desire to lower the fee for small organizations.

Commissioner Schafer stated that he would like to see it lowered dramatically.

Chairperson Grebner stated the Health Department incurred cost and someone still had to pay.

Discussion.

Chairperson Grebner mentioned that he found the fee reduction for the jail per diem interesting.

Discussion.

Commissioner Morgan stated that in essence a mother selling cookies to fund a pom pom trip to Pennsylvania, might be out several hundred dollars.

Chairperson Grebner stated that he thought some items did not require an inspection.

Discussion.

Chairperson Grebner suggested keeping an eye on the resolution as it moved forward through Committees and get with the proper liaison to voice any concerns because the Finance Committee probably would not do much with it.

Adjournment

The meeting was adjourned at 6:25 p.m.
RESOLUTION ACTION ITEMS:

The Controller’s Office recommends approval of the following resolutions:

2a. **Circuit Court – Family Division** – Resolution to Authorize a Contract for Attorney Services for the Juvenile Division

This resolution will authorize a contract with Attorney Annette Skinner to provide Lawyer/Guardian Ad Litem representation for children at a rate of $4,040 a month, not to exceed $34,340, for the time period of April 15 through December 31, 2019. The Court has entered into these Lawyer/Guardian Ad Litem contracts since 2002 in an effort to reduce costs for attorney fees and provide consistent and efficient representation for children. The Court is presenting this resolution because a current attorney has accepted a position in the Public Defenders Office effective April 15, 2019, terminating his contract with the Court.

See memo for details.

2b. **Circuit Court – Family Division** – Resolution to Authorize Funds to Purchase a New Transport Vehicle for the Ingham County Family Center

This resolution would authorize the purchase of a transit wagon for use at the Ingham County Family Center to transport juveniles to and from the Ingham Academy and Pride Evening Reporting Programs. This vehicle will replace a van purchased in 2010, with more than 173,000 miles. At the end of 2018, the reserve fund for van replacement had accumulated approximately $71,000. These funds are accumulated as the County is able to receive 50% reimbursement from the State’s Child Care Fund for mileage accrued by transporting juveniles to and from programs when the program is part of the juvenile’s treatment plan. The cost of the new vehicle should not exceed $30,000 and would be purchased through the State government purchasing contract as has been past practice.

This resolution will create the final position approved in the 2018-2019 Michigan Indigent Defense Commission (MIDC) grant budget, but not yet approved by the Board of Commissioners. The Human Resources Department is recommending, with union support, the position classification of Clerk and Technical Support UAW/H (salary range $41,625.46 to $49,653.67)

See memo for details.

4a. **Facilities Department** – Resolution to Authorize a Purchase Order to LJ Trumble Group for the Hand Rails in the 30th Circuit Court Room at the Mason Courthouse

This resolution will authorize a purchase order with LJ Trumble Group, to furnish and install hand rails in the 30th Circuit Court Room at the Mason Courthouse for an amount not to exceed $9,950, which includes a contingency amount of $250. These hand rails are needed to provide safety from falls in the 30th Circuit Court Room at the Mason Courthouse. Funds for this project are available within the Public Improvement Fund.

See memo for details.
4b. **Facilities Department** – *Resolution to Authorize a Purchase Order to Replace the Domestic Hot Water Storage Tank at the Ingham County Jail*

The Facilities Department reported that one of two domestic hot water storage tanks that services the entire Jail recently failed. The tank began to leak due to the liner failing and was taken out of service for safety reasons. The tank has outlived its useful life and needs to be replaced. The Department recommends approval of a resolution to authorize a purchase order issued to John E Green Company to replace the domestic hot water storage tank at a cost not to exceed $9,800.

4c. **Facilities Department** – *Resolution to Authorize a Purchase Order to Replace the Sewage Ejector Pump at the Grady Porter Building*

The Facilities Department seeks authorization to replace a sewage ejector pump at the Grady Porter Building. The current pump is 20 years old, the bearings are bad and the impeller has deteriorated. It has outlived its useful life and is in need of replacement. The Department recommends approval of a resolution to authorize a purchase order issued to John E Green Company to replace the sewage ejector pump at a cost not to exceed $8,150.

5. **Animal Control** – *Resolution to Accept a Bissell Pet Foundation Empty the Shelters Free Adoption Grants on an Ongoing Basis*

This resolution will approve acceptance of forthcoming funding from the BISSELL Pet Foundation on an ongoing basis for amounts to be determined by the number of adoptions on individual event dates. Ingham County Animal Control and Shelter (ICACS) has participated in the BISSELL Pet Foundation Empty the Shelters program about twice per year for several years. These grants have been routinely approved by the Board of Commissioners on a recurring basis and ICACS seeks Board of Commissioners authorization to accept these grants on an ongoing basis.

See memo for details.

6. **9-1-1 Central Dispatch Center** – *Resolution to Authorize the Ingham County 9-1-1 Central Dispatch Center to Purchase the Solacom Product Guardian, Equipment, System Support, Training, and Optional Equipment*

This resolution will authorize a contract with Solacom Technologies for equipment and support for a Next Generation (i3) Communication System. Next Generation 9-1-1 is an internet protocol (IP) network that is more reliable, redundant, resilient, and has the capacity and capability to send more data with the voice call to the appropriate 9-1-1 Center. In order to make the transition from the current analog copper 9-1-1 network to an IP-based Next Generation 9-1-1 (NG911) infrastructure, Ingham County 9-1-1 will need a communication system that can support this technology. This technology will provide advancements in call routing and call location, thereby decreasing response time.

Following an RFP process, the evaluation team unanimously chose Solacom Technologies and its Guardian product.

This contract will include purchase of the Guardian product, equipment necessary to support the geo-diverse system design, training, and customer support. Other optional items will be negotiated with the company for enhancement of Ingham County Central Dispatch’s service. The cost of this purchase is not to exceed $1,041,504.69.
Funds for this project are available within the fund balance of the 9-1-1 Emergency Telephone fund. In addition, the Ingham County Central Dispatch Management team is currently pursuing a federal E-911 grant through the State of Michigan to mitigate the expense of this system, equipment, training, and any other allowable expenses within the grant parameters.

See memo for details.

7. **Fair Office** – *Resolution to Accept a Grant from the Michigan Department of Agriculture and Rural Development*

This resolution authorizes the acceptance of the $40,000 CIP grant from the Michigan Department of Agriculture and Rural Development for the *Horse Complex Improvement Project*.

8a. **Health Department** - *Resolution to Amend the Mother and Infant Oral Health Pilot Project Grant*

This resolution authorizes extending the Mother and Infant Oral Health (MIOH) Project Grant with the University of Detroit (U of D) allowing $13,850 of unspent funds already allocated to be used for the continuation of grant reporting effective October 1, 2018 through September 30, 2019.

8b. **Health Department** - *Resolution to Accept Funding from Michigan State University’s College of Human Medicine*

This resolution accepts $6,000 of funding from Michigan State University’s College of Human Medicine (MSU’s CHM) for clinical teaching effective December 1, 2018 through February 28, 2019.

9a. **Parks Department** - *Resolution to Authorize an Amendment to Meridian Township’s Trails and Parks Millage Agreements*

This resolution authorizes approval of a request by Meridian Township to reallocate trails and parks millage funds for projects previously approved by the Board of Commissioners. This reallocation is necessary because of differences in the initial cost estimates in the comprehensive report versus what the final cost estimates are. A detailed memorandum from Meridian Township that explains the specifics of the changes is included in the agenda packet. No additional funds are requested.

9b. **Parks Department** - *Resolution to Authorize an Amendment to the City of Lansing and the Village of Stockbridge Trails and Parks Millage Agreements*

This resolution authorizes a redistribution of funds for a change in scope for the projects for the Village of Stockbridge and the City of Lansing. No additional funds are requested.

9c. **Parks Department** - *Resolution to Authorize a Contract with L.J. Trumble Builders, LLC.*

This resolution authorizes a contract with L.J. Trumble Builders for the purpose of supplying and installing standing seam metal roofs on six buildings at Ingham County Parks for the base bid $112,100, and a contingency not to exceed 5% or $5,605 to include replacing OSB Sheathing, if needed at a cost of $5.50 per square foot for a total amount not to exceed of $117,705. Funds for the projects are available in the 2019 CIP budget.
10. **Farmland and Open Space Preservation Board** – Resolution to Authorize a Contract with Michigan State University Remote Sensing and Geospatial Information Systems to Conduct Mapping Services for the Farmland and Open Space Selection Criteria of the FOSP Board

Selection Criteria approved for ranking applications to the Farmland and Open Space Preservation (FOSP) program requires numerous data sets, such as soils, parcel size, geographic location, and proximity to other protected properties to calculate an objective score. The FOSP Board entered into an agreement with Michigan State University Remote Sensing and Geospatial Information Systems Department (MSU RS&GIS) to complete open space modeling criteria to be applied to applications received in 2014 (see Resolution 14-439). The FOSP Board seeks authorization to enter into a three-year agreement with MSU RS&GIS at a cost not to exceed $60,000 for the purpose of data collection and preparation, geospatial modeling, and the development of land use cover maps for farmland applications.

11a. **Road Department** – Resolution to Approve Local Road Agreement with Lansing Township

Lansing Township recently petitioned the Road Department to include improvement projects on local roads throughout the Township as part of the 2019 local road program. These projects include asphalt resurfacing and related repairs at a total estimated cost of $453,620.20. A County Road Department allocation was reserved for local road improvement in Lansing Township pending Township approval of matching funds. The Road Department recommends approval of a resolution to approve a local road agreement with Lansing Township.

11b. **Road Department** – Resolution to Authorize Contracts with Michigan Paving & Materials Company for Item V of Bid Packet #72-19 and Reith-Riley Construction Company, Inc. for Item VI of Bid Packet #72-19 and Rejection of All Bids Received for Item IV of Bid Packet #72-19 Recycling and Resurfacing of Various County Primary Roads

The Road Department has determined that pavement recycling, asphalt resurfacing, and other repairs are needed on various county primary roads due to normal deterioration over time. The Department recommends approval of a resolution to authorize a contract with Michigan Paving & Materials Company for Item V at a cost net to exceed $1,154,047.92, and to authorize a contract with Reith-Riley Construction Company, Inc. for Item VI at a cost net to exceed $1,429,960.08. Both contracts include recycling, resurfacing and related work as specified by Road Department. The Department further recommends rejection of all bids received for Item IV because the low bid exceeds available funding.

11c. **Road Department** – Resolution to Replace Roof at the Road Department Eastern District Garage

The Road Department requests approval of a resolution to replace the Eastern District Garage roof. The roof is 40-years old and it has become apparent, after dozens of temporary repairs, that the roof has exceeded its life expectancy. The Department recommends approval of a resolution authorize an agreement, with Quality Roofing Inc. to remove and replace the current Eastern Garage roof at a total cost not to exceed $159,400, plus the cost of any additional required metal decking replacement at $7.50 per square foot.
12. **Controller’s Office** – *Resolution Updating Various Fees for County Services*

A resolution is proposed to authorize the adjustment of various fees for county services to be effective for the Health Department and the Friend of the Court on October 1, 2019, Potter Park Zoo on November 1, 2019 and for all other departments on January 1, 2019. These adjustments are based on an update of the “Cost of Services Analysis” completed by Maximus in 2002. In subsequent years, the cost has been determined by multiplying the previous year’s cost by a cost increase factor for each department. Utilizing this method again, the 2020 cost was calculated by multiplying the 2019 cost by the 2020 cost increase factor. Updated costs were then multiplied by the target percent of cost to be recovered by the fee for services as identified by the Board of Commissioners. Input was solicited from county departments and offices as part of the process of making these recommended adjustments. A full analysis of each fee was presented to all committees at previous rounds of meetings. If the fee adjustments are passed as proposed, additional annual revenue would total approximately $343,959. Any additional revenue will be recognized in the 2020 Controller Recommended Budget.

**PRESENTATION/DISCUSSION/OTHER ITEM:**

1. **Presentation** – *Pre-Audit Communication*
TO: Law and Courts and Finance Committees
FROM: Scott LeRoy, Deputy Court Administrator
DATE: April 23, 2019
SUBJECT: RESOLUTION TO AUTHORIZE A CONTRACT WITH ATTORNEY ANNETTE SKINNER

The Resolution attached with this memo is requesting the authority for the Circuit Court Juvenile Division to enter into a contract with attorney Annette Skinner for legal representation of children in neglect and abuse cases. The Court has entered into these Lawyer/Guardian Ad Litem contracts since 2002 in an effort to reduce costs for attorney fees and provide consistent and efficient representation for children.

The Circuit Court Juvenile Division is presenting this resolution because Attorney Keith Watson has accepted a position in the Public Defender’s Office effective 04/15/2019; therefore, terminating his contract with the Court. The Judiciary selects specific attorneys for these contacts based on exceptional qualifications, such as good standing with the State Bar of Michigan, familiarity with this specific area of law and a well-known reputation for zealously advocating for their clients.

The contracts will be in effect from April 15, 2019 through December 31, 2019, unless otherwise noted. Funds to support these contracts have been allocated in the existing 2019 budget and will be recommended in the 2020 budget. No additional funding is required.
Introduced by the Law & Courts and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AUTHORIZE A CONTRACT FOR ATTORNEY SERVICES
FOR THE JUVENILE DIVISION

WHEREAS, the Circuit Court Juvenile Division, by statute and Constitution, must provide Lawyer/Guardian Ad Litem representation for children in neglect and abuse cases; and

WHEREAS, the Circuit Court Juvenile Division, in order to reduce costs for attorney fees and provide consistent and efficient legal services for children, has contracted with specific attorneys to provide Lawyer/Guardian Ad Litem representation; and

WHEREAS, the 2019 budget approved by the Board of Commissioners, authorized funds to contract with specific attorneys to provide Lawyer/Guardian Ad Litem representation; and

WHEREAS, the current Lawyer/Guardian Ad Litem providing this representation for Judge Lawless has accepted a position in the Public Defender’s Office, thus resigning his position as a Lawyer/Guardian Ad Litem; and

WHEREAS, the Circuit Court Juvenile Division recommends offering a contract to Attorney Annette Skinner to provide Lawyer/Guardian Ad Litem representation for children in neglect and abuse cases, effective April 15, 2019 through December 31, 2019.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes entering into a contract with Attorney Annette Skinner to provide Lawyer/Guardian Ad Litem representation for children at a rate of $4,040.00 a month, not to exceed $34,340.00, effective 04-15-2019 through 12-31-2019.

BE IT FURTHER RESOLVED, that the Chairperson of the Ingham County Board of Commissioner is authorized to sign any necessary contractual documents consistent with this Resolution and approved to form by the County Attorney.
TO:           Law and Courts and Finance Committees  
FROM:      Scott LeRoy, Deputy Court Administrator  
DATE:  April 23, 2019  
SUBJECT:  Resolution to Authorize Funds to Purchase a New Transport Vehicle for the Ingham County Family Center  

This resolution requests authorization to replace one of the vans at the Ingham County Family Center by purchasing a new 2019 Ford Transit XLT Passenger Wagon. The vehicles at the Family Center are used to transport juveniles to and from the Ingham Academy and Pride Evening Reporting Programs. The van being replaced was purchased in 2010 and currently has over 173,000 miles.

Ingham County is able to receive 50% reimbursement from the State’s Child Care Fund for mileage accrued by transporting juveniles to and from programs, when the program is part of the juvenile’s treatment plan. The reimbursement funds are put in a reserve account which is used for van replacements. At the 2018 year end, the fund had accumulated roughly $71,000.

It is believed a new van would not exceed $30,000 in cost. If authorized, the new vehicle will be purchased through the state government purchasing contract as previously done with the other Family Center vehicles.
Agenda Item 2b

Introduced by the Law & Courts and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AUTHORIZE FUNDS TO PURCHASE A NEW TRANSPORT VEHICLE FOR THE INGHAM COUNTY FAMILY CENTER

WHEREAS, the Juvenile Division has a fleet of ten vehicles used to transport juveniles to and from the Ingham Academy as well as the Pride Evening Reporting Program; and

WHEREAS, one of the ten vehicles is in need of replacement as it was purchased in 2010 and has over 173,000 miles; and

WHEREAS, the Juvenile Division’s budget includes a line item for van replacement; and

WHEREAS, the funds deposited in this reserve come from the Child Care Fund’s reimbursement for each van’s usage, transporting youth to and from community programs; and

WHEREAS, the year end fund balance for this account in 2018 was roughly $71,000; and

WHEREAS, a request is made to purchase a new 2019 Ford Transit XLT Passenger Wagon at a cost not to exceed $30,000.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby authorizes the purchase of a new 2019 Ford Transit XLT Passenger Wagon at a cost not to exceed $30,000.

BE IT FURTHER RESOLVED, that the Controller/Administrator is directed to make the necessary budget transfers from the van replacement reserve in the 2019 Juvenile Division budget.

SUBJECT: Resolution Creating Clerk and Technical Support Position for the Public Defenders Office

For the meeting agendas of May 2, 7 and 8

BACKGROUND
Every local indigent defense system was required by the Michigan Indigent Defense Commission to submit a plan to comply with the first four minimum standards and to provide quality defense to indigent people who are accused of crimes. In November 2017, as approved by Resolution #17-445, the Board of Commissioners accepted the compliance plan created by the Ingham County Indigent Defense Collaborative Committee. The State of Michigan has approved full funding of the plan effective October 1, 2018.

The plan recommended a Public Defenders Office to be administered by Ingham County to provide indigent defense and related services at the 30th Circuit Court, 54A District Court, 54B District Court, and the 55th District Court. The MIDC Compliance plan authorized the creation of a total of 36.5 full-time equivalent positions. All but one of these positions has been approved by the Board of Commissioners. The final position approved in the plan has been classified by the Human Resources Department as a Clerk and Technical Support position – UAW/H (salary range $41,625.46 to $49,653.67).

FINANCIAL IMPACT
The long-term (topped out) annual cost of this position including wages and fringes, would be $83,067. Funds are included in the 2018-2019 MIDC grant budget for this position.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of assuring fair and efficient judicial processing, specifically section A 2. (c) of the Action Plan – Develop an indigent defense services plan following guidelines issued by the State through the Michigan Indigent Defense Commission (MIDC).

OTHER CONSIDERATIONS
The UAW union supports this job description and classification.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution.

RE: Resolution to Authorize Issuing a Purchase Order to LJ Trumble Group for hand rails in the 30th Circuit Court Room at the Mason Courthouse

For the meeting agendas of: May 2, 7 & 8

BACKGROUND
In an effort to provide safety from falls in the 30th Circuit Court Room at the Mason Courthouse, the Facilities Department and 30th Circuit Court would like to request entering into an agreement with LJ Trumble Group who submitted the lowest proposal of $9,700.00 to furnish and install the hand rails.

ALTERNATIVES
There are no alternatives for this project.

FINANCIAL IMPACT
We are requesting to fund this from the Public Improvement Fund (245). We are also requesting a contingency of $250.00 for any unforeseen circumstances, for a total not to exceed $9,950.00.

OTHER CONSIDERATIONS
There are no other considerations for this project.

RECOMMENDATION
Based on the information presented, the Facilities Department and 30th Circuit Court respectfully recommend approval of the attached resolution to support issuing a purchase order to LJ Trumble Group to furnish and install hand rails in the 30th Circuit Court Room at the Mason Courthouse.
The Purchasing Department can confirm that three written bids were sought and received from vendors for the purpose of providing and installing two handrails; one at the juror’s box and one near the judge’s bench in the Mason Courthouse. The vendor will remove and replace flooring if necessary to install the handrails.

The Purchasing Department can confirm the following:

DATE: April 17th, 2019
SUBJECT: Resolution to continually accept Bissell Pet Foundation Funding
For the meeting agendas of: May 2, 8, and 14

BACKGROUND
For several years Ingham County Animal Control and Shelter, as well as a majority of other Michigan Animal Shelters, have participated in the BISSELL Pet Foundation Empty the Shelters program about two times a year (spring/ fall). This BISSELL program allows shelters to offer FREE or reduced cost adoptions to the public with Bissell Pet Foundation reimbursing the shelter for the adoption cost via a follow up check after the event.

ICACS uses their regular adoption application, screening process and adoption agreement for adoptions done as part of these events. The grants facilitate an increase in adoptions as well as help with marketing of ICACS’s adoption program in the community.

The amount of each reimbursement check is always determined by the number of adoptions that occurred but generally does not exceed $5,000 per event.

ALTERNATIVES
If these funds are not accepted, ICACS will adopt animals at the regular adoption fees that date and likely wouldn’t see the influx of adoptions on that date.

FINANCIAL IMPACT
Accepting the grants will enhance ICAC adoption revenue.

OTHER CONSIDERATIONS
Previous Bissell Foundation adoption events have been successful and ultimately increased adoptions from ICACS.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution to accept all forthcoming Bissell Pet Foundation funding as a result of continuous involvement in the events.
Introduced by the Law & Courts and Finance Committees of the:

DATE: April 21, 2019  
SUBJECT: Purchase of Next Generation (i3) Communication system  
For the meeting agenda of May 2, 2019  

BACKGROUND  
Advances in telecommunications technology and mobility have put the nation’s 9-1-1 system at a crossroads. The growing market penetration of both wireless telephones and Voice over Internet Protocol (VoIP) underscore the limitations of the current 9-1-1 infrastructure. Next Generation 9-1-1 is an IP network that is more reliable, redundant, resilient, and has the capacity and capability to send more data with the voice call to the appropriate 9-1-1 Center. In our goal to make the transition from our current analog copper 9-1-1 network to an Internet Protocol (IP)-based Next Generation 9-1-1 (NG911) infrastructure, Ingham County 9-1-1 will need a communication system that can support this technology. This technology will give advancements in call routing and call location which will decrease responder response time. This purchase will allow our PSAP (Public Safety Answering Point) to begin this transition.

An RFP- Packet No. 17-19: Next Generation 9-1-1 (i3) Communication System- was available on January 15, 2019. Proposals were submitted on March 25, 2019. Seven vendors submitted proposals. After evaluating their proposals, five vendors were invited to participate in demonstrations of their products at the 9-1-1 Center on April 15 and 16, 2019. The Ingham County team was comprised of: three dispatchers, one dispatch supervisor, one representative from Ingham County IT, Bruce Gaukel, our Systems Manager, and Barb Davidson, Interim Director of the 9-1-1 Center.

After all five demonstrations were viewed and discussed by the Ingham County team, further questioning was done with the two top demonstrations. After this was complete, our Ingham County team unanimously chose Solacom Technologies and their product Guardian.

Solacom with their Guardian product were moderately priced. Their proposal and cost breakdown covered both of the sites and equipment we would be using to create a geo-diverse redundant system. Solacom was able to provide features now without having to enhance their system which include: Text from 9-1-1, ease of use for transferring calls, a true touch screen environment, and local service support. Further, we contacted their references who said they would highly recommend this company.

ALTERNATIVES  
We viewed and questioned SolaCom Technologies, Central Square Technologies, Carousel Industries, Zetron Inc., and West Safety Service’s proposals/demonstrations. Each were evaluated by our team and were not recommended for price, features that were lacking or needed to be developed, and concerns about support.

FINANCIAL IMPACT  
Solacom – Guardian system proposal  
Base purchase  476,538.00 (826,538 – 350,000 incentive discount)  
Prepaid maintenance 315,490.00 (years 2-5, includes remote active monitoring)  
Total:  $792,028.00
Purchase includes all central equipment at both A and B, all PSAP equipment at the 9-1-1 Center (19 positions) and our backup facility (12 positions) and includes year one maintenance with active remote monitoring. Purchasing a five year prepaid maintenance plan with remote monitoring would be recommended for further cost savings.

Portable call taker answering points quoted as optional ($9,064.63 each x 4 =$36,258.52). Options would be to suggest replacing positions at backup with laptops keeping them at the 9-1-1 Center and have docks/monitors as backup for them. This recommendation will also be a cost savings.

Many other specifics to negotiate (i.e., they list 24” touchscreens – we want to stipulate ELO (brand name) monitors).

Funds for this project are available within the fund balance of the 9-1-1 Emergency Telephone fund.

**OTHER CONSIDERATIONS**

In 2012, the NG911 Advancement Act of 2012 (Middle Class Tax Relief and Job Creation Act of 2012, Pub. L. 112-96, Title VI, Subtitle E (codified at 47 U.S.C. 942)) enacted changes to the current 9-1-1 grant program. The NG911 Advancement Act modifies the 9-1-1 Grant Program to incorporate Next Generation 9-1-1 (NG911) services, among other things, while preserving the basic structure of the program. The NG911 Advancement Act broadens the eligible uses of funds and provides new funding for grants to be used for the implementation and operation of 9-1-1 services, E-911 services, migration to an IP-enabled emergency network, and adoption and operation of NG911 services and applications; the implementation of IP-enabled emergency services and applications enabled by Next Generation 9-1-1 services, including the establishment of IP backbone networks and the application layer software infrastructure needed to interconnect the multitude of emergency response organizations; and training public safety personnel, including call-takers, first responders, and other individuals and organizations who are part of the emergency response chain in 9-1-1 services. The State of Michigan applied to be awarded money from this grant. It’s a non-competitive grant. The 9-1-1 Grant Program requires cost sharing, also known as a matching funds requirement. The federal share of the total cost of any activity carried out under the Grant Program may not exceed 60% of the eligible cost of carrying out grant activities. We are in communication with the State 9-1-1 Director on this subject. With the Federal government shutdown, the timeline of this grant has been delayed. We will continue to pursue this grant to help mitigate the cost of this system.

**RECOMMENDATION**

Based on the information presented, I respectfully recommend approval of the attached resolution to support the purchase of the SolaCom product Guardian, equipment, training, and customer support.

RE: Memorandum of Performance for RFP No. 17-19 Next Generation 9-1-1 (i3) Communication System
CC: Bruce Gaukel, 911 Systems Manager
     Barb Davidson, 911 Staff Services Manager

Per your request, the Purchasing Department sought proposals from qualified and experienced vendors to provide and to install a Next Generation 9-1-1 (i3) (NG9-1-1) ready Communications System. The new System will be used to process, answer and direct all calls, texts, and multi-media placed to, and initiated by, the Ingham County 9-1-1 Central Dispatch Center.

The scope of work includes, but is not limited to, providing new hardware and software, installation, training, shipping, program management, and services. Vendors must also provide the following options: host other Public Safety Answering Points (PSAPs), remote monitoring, extended maintenance, portable call taker answering position, emergency backup IP telephones, remote positions, wall board display hardware, programmable keypads, and workstation status lights.

The Purchasing Department can confirm the following:

A summary of the vendors’ costs is located on the next page.

A preconstruction meeting will be required prior to commencement of work since the construction cost exceeds $10,000. Please make sure the Purchasing Department is invited and able to attend the preconstruction meeting to ensure that all contractors comply with the Prevailing Wage Policy and proper bonding.

You are now ready to complete the final steps in the process: 1) evaluate the submissions based on the criteria established in the RFP; 2) confirm funds are available; 3) submit your recommendation of award along with your evaluation to the Purchasing Department; 4) write a memo of explanation; and, 5) prepare and submit a resolution for Board approval.

This Memorandum is to be included with your memo and resolution submission to the Resolutions Group as acknowledgement of the Purchasing Department’s participation in the purchasing process.

If I can be of further assistance, please do not hesitate to contact me by e-mail at jhudgins@ingham.org or by phone at 676-7309.

Introduced by the Law & Courts and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AUTHORIZE THE INGHAM COUNTY 9-1-1 CENTRAL DISPATCH CENTER TO PURCHASE THE SOLACOM PRODUCT GUARDIAN, EQUIPMENT, SYSTEM SUPPORT, TRAINING, AND OPTIONAL EQUIPMENT

WHEREAS, the Ingham County Board of Commissioners operates the Ingham County 9-1-1 Central Dispatch Center; and

WHEREAS, the majority of the call delivery is utilized by wireless and Voice over Internet Protocol (VoIP), the current 9-1-1 infrastructure is being taxed; and

WHEREAS, to improve our level of service and to address the strain being placed on the current system, moving to a NG911 (Next Generation 9-1-1) communication system is recommended; and

WHEREAS, it has been determined a NG911 communication system is more reliable, redundant, resilient, and has the capacity and capability to send more data with the voice call to the appropriate 9-1-1 Center, as well as enhanced location capabilities; and

WHEREAS, our current communication/phone system is not capable of supporting these enhancements to service, an RFP seeking a replacement was issued and a team of dispatchers, dispatch supervisor, IT, and executive team members from the 9-1-1 Center evaluated the proposals and demonstrations; and

WHEREAS, the Ingham County Central Dispatch Management team with the evaluation team are unanimously recommending that the Ingham County Board of Commissioners authorize the purchase of Solacom’s Guardian product, training, equipment, and support services to replace its current communication/phone system; and

WHEREAS, funds for this project are available within the fund balance of the 9-1-1 Emergency Telephone fund; and

WHEREAS, the Ingham County Central Dispatch Management team will continue to pursue a federal E911 grant through the State of Michigan to mitigate the expense of this system, equipment, training, and any other allowable expenses within the grant parameters.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby authorizes a contract with Solacom Technologies for the purchase of the Guardian product, equipment necessary to support the geo-diverse system design, training, and customer support.

BE IT FURTHER RESOLVED, that optional items are to be negotiated with the company for enhancement of Ingham County Central Dispatch’s service.

BE IT FURTHER RESOLVED, that the Board of Commissioners authorizes a total purchase amount not to exceed $1,041,504.69.
BE IT FURTHER RESOLVED, that incidental costs of up to $5,000 will be covered from within the 9-1-1 Central Dispatch Center operating budget.

BE IT FURTHER RESOLVED, that the 9-1-1 Director is authorized to sign change orders with Solacom Technologies, provided that the change orders do not increase the total cost of the project as approved by this resolution.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make any necessary budget adjustments consistent with this resolution.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chair to sign any necessary contract/purchase order documents that are consistent with this resolution and approved as to form by the County Attorney.

SUBJECT:  Authorization to accept grant funding
          For the meeting agendas of 05/06/2019 and 05/08/2019

BACKGROUND
The fair receives a significant portion of its off-season revenue from horse shows. There are four (4) new barns that need various upgrades to compete with larger more prestigious shows. Each year the Michigan Department of Agriculture and Rural Development has been able to fund Capital Improvement Grants. This year they were able to offer up to $40,000 with a 0 cent on the dollar match. The cost of the project far exceeds the required match.

ALTERNATIVES
If the grant is not accepted, the full cost of the project will have to be borne by the fair.

FINANCIAL IMPACT
This frees up monies for other, much needed projects on the fairgrounds, in addition to becoming a more desired location for big shows.

STRATEGIC PLANNING IMPACT
This resolution supports Goal A: Service to Residents: Provide easy access to quality, innovative, cost-effective services that promote well-being and quality of life for the residents of Ingham County. Strategy A1. Strive to make facilities and services user-friendly.

OTHER CONSIDERATIONS
This grant has not been awarded to the Ingham County Fair in prior years. This projects fits perfectly in the scope of the grant criteria.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution.
Introduces by the Human Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO ACCEPT A GRANT FROM THE MICHIGAN DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT

WHEREAS, the Ingham County Fair Board wishes to accept a grant in the amount of $40,000 for assistance in upgrading the four (4) newest Horse Barns on the fairgrounds; and

WHEREAS, a significant portion of the Fair’s off-season revenue comes from horse shows; and

WHEREAS, enhanced facilities will attract bigger and more prestigious shows; and

WHEREAS, an RFP has been published with an estimated cost of $190,000; and

WHEREAS, the Grant will help offset the cost of the project.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorize the acceptance of the $40,000 grant from the Michigan Department of Agriculture and Rural Development for the Horse Complex Improvement Project.

BE IT FURTHER RESOLVED, that the term for the grant is May 1, 2019 thru February 29, 2020.

BE IT FURTHER RESOLVED, that the County Controller/Administrator is authorized to make any necessary budget amendments consistent with this resolution.

BE IT FURTHER RESOLVED, that the Chairperson of the Ingham County Board of Commissioners is authorized to sign any necessary contract documents consistent with this resolution upon approval as to form by the County Attorney.

SUBJECT: Resolution to Extend the Mother and Infant Oral Health Pilot Project Grant

For the meeting agendas of May 6th and May 8th, 2019

BACKGROUND
Ingham County Health Department (ICHD) wishes to amend the agreement with University of Detroit (U of D) to extend participation and grant reporting through the Mother and Infant Oral Health (MIOH) Project Grant from October 1, 2018 through September 30, 2019. Through an approval of a no-cost one-year extension granted by the State of Michigan, this extension will allow $13,850 of unspent funds from the initially awarded $83,080 in the first year of funding (authorized through Resolution #17-461), to be available through the duration of the extended grant period. This offer to amend the term of the initial agreement was made available to ICHD in March of 2019, after approvals to extend the funding and terms were accomplished through the State of Michigan and U of D.

ALTERNATIVES
There are no alternatives.

FINANCIAL IMPACT
There is no cost to ICHD.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of promoting accessible healthcare, specifically section A.1(e) of the Action Plan – Expand access to healthcare for county residents, with an emphasis on the uninsured and underinsured.

OTHER CONSIDERATIONS
There are no other considerations

RECOMMENDATION
Based on the information presented, I respectfully recommend that the Ingham County Board of Commissioners authorize extending the Mother and Infant Oral Health (MIOH) Project Grant with the University of Detroit (U of D) allowing $13,850 of unspent funds already allocated to be used for the continuation of grant reporting effective October 1, 2018 through September 30, 2019.

SUBJECT: Authorization to Accept Funding from Michigan State University’s College of Human Medicine

For the meeting agendas of May 6 and May 8, 2019

BACKGROUND
Ingham County Health Department (ICHD) wishes to accept funding from Michigan State University’s College of Human Medicine (CHM) for clinical teaching effective December 1, 2018 through February 28, 2019. As part of a new Early Clinical Experience curriculum (ECE) project, first year CHM students need to complete and present scholarly projects. ICHD has been identified as a teaching site that will allow for ECE to occur. This agreement is for the current academic year and will be terminated February 28, 2019. MSU’s CHM will pay for each student (12 students total) on site which will allow for teaching and project implementation.

ALTERNATIVES
There are no alternatives.

FINANCIAL IMPACT
Michigan State University’s College of Human Medicine (MSU CHM) will pay $500 per CHM student which will allow for teaching and project implementation. ICHD will have 12 students on site which will total $6,000 paid by MSU CHM to ICHD.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of promoting accessible healthcare, specifically section A.1(e) of the Action Plan – Expand access to healthcare for county residents, with an emphasis on the uninsured and underinsured.

OTHER CONSIDERATIONS
There are no other considerations.

RECOMMENDATION
Based on the information presented, I respectfully recommend Ingham County Board of Commissioners accept funding from Michigan State University’s College of Human Medicine (MSU’s CHM) for clinical teaching effective December 1, 2018 through February 28, 2019.

SUBJECT: Amendment to Meridian Township Millage Agreements

For the meeting agenda of 5/6/19 Human Services and 5/8/19 Finance

BACKGROUND
Board of Commissioners Resolution 16-257, 16-328, 17-275, 18-186, and 19-047 authorized entering into contracts with Meridian Township for the following millage projects: TR002, TR021, TR022, TR023, TR024, TR025, TR026, TR027, TR049 and TR054. Meridian Township is requesting a reallocation of funds for these projects as detailed in Exhibit A. Additionally, Meridian Township is requesting an amendment to Agreements TR002, TR021, TR022, TR023, TR024, TR025, TR026, TR027 for an extension to December 31, 2019 to complete the projects.

ALTERNATIVES
The Park Commission considered this request at their April 22nd meeting and recommended this approach.

FINANCIAL IMPACT
This resolution requests reallocating funds. No additional funds are requested.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of striving to make facilities and services user-friendly, specifically Section A. 1(f) - Maintain and improve existing parkland, facilities and features, 1(g) - Work to improve accessibility for visitors of all ages and abilities and 1(h) - Enhance existing trails and blueways, and develop new multi-use trails and blueways, that connect parks with recreational, residential, cultural and business centers throughout Ingham County.

OTHER CONSIDERATIONS
The Ingham County Park Commission supported this resolution at their April 22, 2019 meeting.

RECOMMENDATION

Dear Ms. Buzzard:

Subject: Meridian Township Millage Reallocation Request

Please accept this letter of explanation as an addendum to our Millage reallocation request spreadsheet.

Very broadly speaking, the primary reason behind our request for reallocation between Millage projects is that the cost estimates included in the Comprehensive Report were, in most cases, far in excess of the actual costs to perform the work, with a few falling a little short. In accordance with the attached spreadsheet, the amount and reasoning behind the reallocation for each project is detailed below.

TR002 – Meridian Township Trail Rehabilitation
Award Amount: $88,000; Final Estimate: $173,000
Adjustment: $85,000 ($53,000 from TR025 and $32,000 from TR022)

The original project and estimate included large amounts of preventative maintenance (crack sealing) and light rehabilitation (thin asphalt overlay). While this has proved suitable for many of the trails included in the project, there are very large portions of two of the trails (Trail ID#12 & 16) which have structurally failed and cannot accept an asphalt overlay. As such, they require extensive asphalt replacement, which is more expensive than simple maintenance and rehabilitation.

TR021 – MT-07-MIP-DR, East of Okemos Road
Award Amount: $140,000; Final Estimate: $146,000
Adjustment: $6,000 from TR027

The original estimate for this project was very close and only requires a minor adjustment. The primary cause of the increase came from increased pavement replacement. The replacement was necessary to align the trail with the new culvert and to replace a section of the trail which was damaged during construction.
TR022 - MT-03-PK-DR, Central Park South
Award Amount: $101,000; Final Estimate: $51,000
Adjustment: -$50,000 (Allocate $32,000 to TR002 and $18,000 to TR023)

The original estimate for this project was very far in excess of the actual cost to replace a bridge of this type. The final estimate includes the cost of the bridge and all associated paving and restoration, which has been completed.

TR023 - MT-05-PK-DR, Nancy L. Moore Community Park (Nemaha Trail Drive)
Award Amount: $50,000; Final Estimate: $68,000
Adjustment: $18,000 from TR022

While fairly close, the actual cost to replace the concrete culvert, including the backfill, fence, and pavement, was slightly higher than the estimate. All of the work, except minor restoration, has been completed.

TR024 - MT-04-PK-DR, Nancy L. Moore Community Park (Behind Ball Fields)
Award Amount: $70,000; Final Estimate: $28,000
Adjustment: -$42,000 (Allocate to MSU to Lake Lansing Connector, Phase II [Approved 2019])

The original estimate for this project was very far in excess of the actual cost to replace a boardwalk and bridge members of this type. The final estimate includes the cost of the complete boardwalk reconstruction, bridge member replacement, new fencing, and pavement replacement. All of the work, except minor restoration, has been completed.

TR025 - MT-02-MIP-DR, West of Okemos Road
Award Amount: $68,000; Final Estimate: $15,000
Adjustment: -$53,000 (Allocate to TR002)

The original estimate for this project was very far in excess of the actual cost to replace bridge members of this type. Additionally, some of the asphalt replacement that was included in this project was completed separately with an adjacent Ingham County Drain project. The final estimate includes the cost of replacing all of the bridge timbers, new fencing, reduced asphalt replacement, and restoration. All of the work, except the limited asphalt paving, has been completed.

TR026 - MT-01-PK-SWI, Hartwick Park
Award Amount: $136,000; Final Estimate: $25,000
Adjustment: -$111,000 (Allocate to TR049)

The original estimate for this project was very far in excess of the actual cost to replace a boardwalk of this type. The final estimate includes the cost of the complete boardwalk reconstruction (with the addition of new benches and railings), asphalt replacement, and restoration. All of the boardwalk work has been completed. Minor restoration and the asphalt paving remain.
TR027 – MT-06-MIP-DR, West of Okemos Road, Meridian Interurban Pathway
Award Amount: $10,000; Final Estimate: $4,000
Adjustment: -$6,000 (Allocate to TR021)

The scope of this project was very limited, and the actual cost will not be far off from the original estimate. The extent of the necessary bank restoration and pavement replacement was less than originally anticipated.

TR049 – Okemos Road Pedestrian Boardwalk
Award Amount: $1,300,000; Final Estimate: $1,410,000
Adjustment: $111,000 from TR026

While construction on this project has just begun, we are concerned about the potential for increased costs due to the excessively bad soils which were found during the soil investigation (after the project was awarded). If the boardwalk piles cannot reach the necessary bearing capacity at the anticipated depths, then additional engineering and construction costs would likely be substantial. We would like to be prepared for this potential by utilizing surplus funds which have already been obligated.

If there are any questions about our request or the work thus far completed, please feel free to reach out to me.

Sincerely,

[Signature]

DATE: April 23, 2019
SUBJECT: Amendment to City of Lansing and the Village of Stockbridge Millage Agreements
For the meeting agenda of 5/6/19 Human Services and 5/8/19 Finance

BACKGROUND
Board of Commissioners Resolution #18-110 authorized entering into a contract with the Village of Stockbridge for millage project TR048 Lakelands Trail Resurfacing. The Village of Stockbridge is requesting a change in scope for the project as detailed in Exhibit A.

Board of Commissioners Resolution #17-109 authorized entering into a contract with the City of Lansing for millage project TR029 Grand River North Section - Bank Stabilization. The City of Lansing is requesting a change in the scope for the project. Originally, the project was approved to stabilize the bank and use rip rap. This resolution authorizes using the $100,000 for steps instead of rip rap, as shown in Exhibit B. Agreement TR029 expires on May 1, 2019 and needs to be extended to December 31, 2019.

ALTERNATIVES
The Park Commission considered these requests at their April 22nd meeting and recommended this approach.

FINANCIAL IMPACT
This resolution requests a redistribution of funds for a change in scope for the projects for the Village of Stockbridge and the City of Lansing. No additional funds are requested.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of striving to make facilities and services user-friendly, specifically Section A. 1(f) - Maintain and improve existing parkland, facilities and features, 1(g) - Work to improve accessibility for visitors of all ages and abilities and 1(h) - Enhance existing trails and blueways, and develop new multi-use trails and blueways, that connect parks with recreational, residential, cultural and business centers throughout Ingham County.

OTHER CONSIDERATIONS
The Ingham County Park Commission supported this resolution at their April 22, 2019 meeting.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution.

Dear Ms. Buzzard,

SUBJECT: Stockbridge Millage Funds Award

This letter is to request a redistribution of the funds awarded to the Village of Stockbridge for rehabilitation and development of the Mike Levine Lakelands Trail in Ingham County. In the initial application it was noted the awarded $809,980 would be split between two projects on the Lakelands Trail: $733,390 for the trail east of M-52 which is being constructed by the Village and $76,290 for the trail west of M-52 which is being constructed by the DNR.

I was able to cover the allotted $76,290 with other funds so am requesting the entire $809,980 be allocated to the trail project east of the M-52 managed by the Village. The total request does not change, this request is simply to narrow the scope of work. All funds will be used by the Village of Stockbridge for trail design/construction.

I have discussed this with Molly Howlett, Village President and she agrees to the shift in funding. If you have any questions, please contact Molly or me.

Sincerely,

SUBJECT: Contract with L. J. Trumble Builders, LLC.
For the meeting agenda of 5/6/19 Human Services and 5/8/19 Finance

BACKGROUND
The Parks Department owns and maintains the buildings at Hawk Island, Burchfield Park, Lake Lansing North, and Lake Lansing South. The Ingham County Parks Department has a roof replacement plan in place to ensure routine replacement of building roofs. The Purchasing Department solicited proposals from qualified and experienced roofing contractors to enter into a contract for the purpose of supplying and installing standing seam metal roofs on six buildings at Ingham County Parks.

ALTERNATIVES
The Parks Department owns and maintains the building at Hawk Island, Burchfield Park, Lake Lansing North, and Lake Lansing South that are in need of roof replacement. Failure to address these needs could result in damage to the building and contents within.

FINANCIAL IMPACT
The bids were evaluated by the Purchasing Department, and it is their recommendation, with the concurrence of Parks Department staff, to award the contract to L. J. Trumble Builders, LLC. for the base bid $112,100, and a contingency not to exceed 5% or $5,605 to include replacing OSB Sheathing, if needed at a cost of $5.50 per square foot for a total amount not to exceed of $117,705.

STRATEGIC PLANNING IMPACT
This resolution supports the overarching long-term objective of striving to make facilities and services user-friendly, specifically Section A. 1(f) of the Action Plan - Maintain and improve existing parkland, facilities, and features.

OTHER CONSIDERATIONS
The Ingham County Park Commission supported this resolution at their April 22, 2019 meeting.

RECOMMENDATION
Based on the information presented, I respectfully recommend approval of the attached resolution authorizing Ingham County enter into a contract with L. J. Trumble Builders, LLC.

FROM: James Hudgins, Director of Purchasing
DATE: April 11, 2019
RE: Memorandum of Performance for RFP No. 67-19 Supplying and Installing Standing Seam Metal Roofs for Six (6) Buildings

Per your request, the Purchasing Department sought proposals from qualified and experienced roofing contractors to enter into a contract for the purpose of supplying and installing standing seam metal roofs on six (6) buildings at various Ingham County Parks.

The scope of work includes, but is not limited to, acquiring all necessary permits, preparing roof for the metal roof installation, environmentally disposing and hauling materials/debris away, repairing roofing boards/sheathing as determined by the park manager, supply and install all new roofing material matching the eves trough and flashing. Vendor is to repair and/or replace any damage to turf, trees, or park facilities.

The Purchasing Department can confirm the following:

A summary of the vendors’ costs is located on the next page.

A preconstruction meeting will be required prior to commencement of work since the construction cost exceeds $10,000. Please make sure the Purchasing Department is invited and able to attend the preconstruction meeting to ensure that all contractors comply with the Prevailing Wage Policy and proper bonding.

You are now ready to complete the final steps in the process: 1) evaluate the submissions based on the criteria established in the RFP; 2) confirm funds are available; 3) submit your recommendation of award along with your evaluation to the Purchasing Department; 4) write a memo of explanation; and, 5) prepare and submit a resolution for Board approval.

This Memorandum is to be included with your memo and resolution submission to the Resolutions Group as acknowledgement of the Purchasing Department’s participation in the purchasing process.

If I can be of further assistance, please do not hesitate to contact me by e-mail at jhudgins@ingham.org or by phone at 676-7309.
The Local Purchasing Preference Policy Resolution 05-044, as amended by Resolution #10-359 allows for a registered local vendor who submits a responsive proposal/bid within 10% of the lowest responsive proposal/bid the opportunity to reduce its proposal/bid to meet the lowest responsive proposal/bid, and upon doing so shall be considered to be the lowest responsive proposal/bid.

- LJ Trumble Builders LLC, a local register vendor, has agreed to match the lowest responsive proposal; therefore, is considered the lowest responsive bidder.

RE: RESOLUTION TO AUTHORIZE A CONTRACT WITH MICHIGAN STATE UNIVERSITY REMOTE SENSING AND GEOSPATIAL INFORMATION SYSTEMS TO CONDUCT MAPPING SERVICES FOR THE FARMLAND AND OPEN SPACE PRESERVATION BOARD

**Project Description**
The Ingham County Farmland and Open Space Preservation Board (FOSP) wishes to contract with Michigan State University Remote Sensing and Geospatial Information Systems (MSU RS&GIS) in the Geography Department for mapping services. The FOSP Board and the County Board of Commissioners annually approves the selection criteria for ranking applications received by the FOSP Program. The purpose of the selection criteria is to prioritize properties for protection through the purchase of a conservation easement.

Many variables are used to develop this comprehensive document. The Selection Criteria consists of four categories, Agricultural Characteristics, Development Pressure, Additional Ag Protection Efforts and Other Criteria. These categories each have variables that require data for application to the selection criteria. The end product is a qualitative score that is used to objectively rank and prioritize properties for protection.

These data sets are not easily discovered or user friendly. Although most data sets are available, they are not always in a usable format or there is a significant amount of interpretation that must occur before the information is relevant to the selection criteria, leaving room for error. MSU RS&GIS has access to these required data sets and the expertise and resources to interpret them into a usable format for FOSP Board use.

MSU RS&GIS will reduce the opportunity for subjectivity in the ranking and streamline the process to allow for better use of available data sets and technology.

**Financial Implications**
The total cost of the contract is not to exceed $60,000.00 for a contract term of 3 years, $20,000.00 each year. The FOSP Board has budgeted for this cost in the 2019 budget.
INTRODUCED BY COUNTY SERVICES AND FINANCE COMMITTEES OF THE:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AUTHORIZE A CONTRACT WITH MICHIGAN STATE UNIVERSITY REMOTE SENSING AND GEOSPATIAL INFORMATION SYSTEMS TO CONDUCT MAPPING SERVICES FOR THE FARMLAND AND OPEN SPACE SELECTION CRITERIA OF THE FOSP BOARD

WHEREAS, the Ingham County Board of Commissioners adopted the Ingham County Farmland Purchase of Development Rights Ordinance in July 2004; and

WHEREAS, the Ingham County Farmland Purchase of Development Rights Ordinance authorized the establishment of the Ingham County Farmland and Open Space Preservation Board (FOSP) to oversee the Farmland Preservation Program; and

WHEREAS, the voters of Ingham County approved a millage for Farmland and Open Space Preservation in August 2008 and renewed the millage for another ten years in 2018; and

WHEREAS, the Selection Criteria approved for ranking farmland and open space applications to the FOSP Program requires numerous data sets, such as soils, parcel size, geographic location, proximity to other protected properties, and to calculate an objective score; and

WHEREAS, the FOSP Board contracted with Michigan State University Remote Sensing and Geospatial Information Systems (MSU RS & GIS) to complete Farmland and Open Space Modeling on applications in 2013 and has continued to use their services to score and rank farmland and open space applications; and

WHEREAS, the cost of this service is a not to exceed amount of $60,000.00 for a term of 3 years ($20,000.00/year) and the contractor will only bill for hours worked on the project; and

WHEREAS, the FOSP Board has money in the budget to cover this expense.

THEREFORE BE IT RESOLVED, the Ingham County Board of Commissioners authorizes a three-year contract with Michigan State University Remote Sensing and Geospatial Information Systems in an amount not to exceed $60,000.00 for the purpose of data collection and preparation, geospatial modeling, and the development of land use cover maps for farmland applications.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chair to sign any necessary documents that are consistent with this resolution and approved as to form by the County Attorney.

RE: Resolution for 2019 Local Road Program Agreement with Lansing Township

Attached is a proposed resolution for a 2019 Local Road Program Agreement with Lansing Township.

The project would include asphalt resurfacing and related repairs on the following streets in Lansing Township:

- Kerry Street, Township/City of Lansing line to Lake Lansing Road
- Hopkins Avenue, Downer to Chester Streets
- Fitting Street, Saginaw Highway (M-43) to Macon Street

The project includes removal of the existing aged asphalt pavement, asphalt resurfacing with curb and gutter repair, sidewalk ramp upgrades, and manhole adjustment where necessary at a total bid cost of $412,382.00 per bids received per RFP #37-19, Item III, previously submitted to the Board of Commissioners for bid approval and authorization to enter into a contract with the low bidder. With the normal 10% contingency requested in the previous bid submission, the total estimated cost is $453,620.20, which is proposed to be split evenly between the Township and the Road Department at $226,810.10 apiece.

The project would be funded by the Local Road Program wherein the Township and Road Department split the cost of the project. The Road Department’s current local road match for Lansing Township includes the normal annual local road program allocation for Lansing Township of $60,000, plus $136,518.73 in prior remaining local road match for Lansing Township, for a total available in 2019 of $196,518.73, which is included in the adopted 2019 road fund budget.

Lansing Township and the Road Department request that the remaining $30,291.37 of the Road Department match be pulled forward from next year’s Road Department local road match allocation for Lansing Township, which would be added to the 2019 local road program in a future 2019 budget adjustment to submitted for approval later. Most of this future match fund use would be for covering the contingency costs indicated above if necessary, and thus most of it may not be used.

Approval of the attached resolution is therefore recommended.
WHEREAS, Lansing Township and the Ingham County Road Department agree that existing pavement removal, asphalt resurfacing and related repairs are needed on the following streets in Lansing Township, due to normal deterioration over time:

Kerry Street, Township/City of Lansing line to Lake Lansing Road
Hopkins Avenue, Downer to Chester Streets
Fitting Street, Saginaw Highway (M-43) to Macon Street

to include removal of the existing asphalt pavement, asphalt resurfacing with curb and gutter repair, sidewalk ramp upgrades, and manhole adjustment where necessary at a total bid cost of $412,382.00 per bids received per RFP #37-19, Item III, previously submitted to the Board of Commissioners for bid approval and authorization to enter into a contract with the low bidder; and

WHEREAS, with the normal 10% contingency requested in the previous bid submission, the total estimated cost of the above project is $453,620.20; and

WHEREAS, the above project is proposed to be funded by the Local Road Program wherein the Township and Road Department split the cost of the project at $226,810.10 apiece; and

WHEREAS, the Road Department’s current local road match for Lansing Township includes the normal annual local road program allocation for Lansing Township of $60,000, plus $136,518.73 in prior remaining local road match for Lansing Township, for a total available in 2019 of $196,518.73, which is included in the adopted 2019 road fund budget, and

WHEREAS, Lansing Township and the Road Department request that the remaining $30,291.37 of the Road Department match be pulled forward from the Road Department’s 2020 local road match allocation for Lansing Township, which would be added to the 2019 local road program in a future 2019 budget adjustment to be submitted later in 2019 for Board of Commissioners approval; and

WHEREAS, the Road Department recommends the above described project to be undertaken per bids recently let and to be approved in a separate resolution by the Board of Commissioners previously submitted, and to pay half of the cost of said improvements from the County Road Fund; and

WHEREAS, the Township is willing to pay the remaining half of the cost of said project; and

THEREFORE BE IT RESOLVED, that the Road Department shall cause the improvements identified above and incorporated herein by reference to be performed under a contract per bids recently let and to be approved in a separate resolution by the Board of Commissioners during the construction season of the 2019 calendar year.
BE IT FURTHER RESOLVED, that for 2019, the Road Department has allocated to Lansing Township’s local roads, a maximum sum of $196,518.73 from the County Road Fund, including $136,518.73 left from prior years and $60,000 for the 2019 allocation, which shall be matched equally by the Township to the extent used.

BE IT FURTHER RESOLVED, that the remaining $30,291.37 of the Road Department match necessary for the above said project be pulled forward from the Road Department’s 2020 local road match allocation for Lansing Township, which shall be added to the 2019 local road program in a future 2019 budget adjustment to be submitted later in 2019 for Board of Commissioners approval.

BE IT FURTHER RESOLVED, that the County on behalf of the Road Department agrees to contribute half of the final cost of the project up to $226,810.10 from the County Road Fund toward the cost of said improvement.

BE IT FURTHER RESOLVED, that in the event the final cost of the subject improvements is less than the estimate provided above, the savings shall be split evenly between the Township and the Road Department.

BE IT FURTHER RESOLVED, that the Road Department shall invoice the Township for its contribution.
BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes entering into an agreement with Lansing Township to affect the above described local road improvements as provided above.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson to sign any necessary agreement that is consistent with this resolution and approved as to form by the County Attorney.

RE: Proposed Resolution to Approve a Contract with Michigan Paving & Materials Company for Item V of Bid Packet # 72-19, Approve a Contract with Rieth-Riley Construction Company, Inc. for Item VI of Bid Packet # 72-19, and Reject All Bids Received for Item IV for Bid Packet # 72-19 for Various 2019 Primary Road Resurfacing Projects.

BACKGROUND & FINANCIAL INFORMATION
With the increase in road funding from the 2015 Michigan Road Funding Legislation package, the Road Department has programmed various poor condition, high traffic volume county primary and local roads over the next several years to be recycled and resurfaced as necessary due to pavement deterioration and other upgrades needed.

The 2019 County Road Fund adopted budget includes $1,500,000 for contracted primary and local road resurfacing for this purpose. In addition, the Road Fund received $2,320,574 per PA 207 of 2018 which was a special state general fund transfer to the Michigan Transportation Fund (MTF) and was distributed per the Act 51 formula in October 2018 and in January 2019. Although recognized in the last budget adjustment of 2018, this amount will be in the carry-over to 2019. In further addition to the above amounts, per MDOT revenue estimates, the Road Fund is also expected to receive approximately $600,000 more in 2019 MTF funding throughout the state fiscal year due to the state’s passing of PA 618 in late 2018, which was another special state general fund transfer to the MTF.

The above amounts plus available road fund balance carryover from 2018 to 2019 will be recognized in the County Road Fund 2019 budget per a proposed budget adjustment resolution to be submitted later. We currently estimate the Road Fund balance carry-over available for additional 2019 primary road resurfacing will be approximately $1.3 million in addition to the PA 207 funds mentioned above. The above amounts will be applied to contracted primary road paving, raising the budget for this item to an estimated $5.7 million. Please note the total carryover from 2018 to 2019 will include approximately $695,000 in MTF revenue distributed in error by MDOT in 2018 which will be corrected by the same amount less in 2019 MTF payments, but which is not included in, and does not affect any of the amounts given above. Again, this will be recognized in an upcoming 2019 budget adjustment.

CURRENT REQUEST
The Road Department has determined that pavement recycling, asphalt resurfacing, and other repairs are needed on the various county primary roads listed below, due to normal deterioration over time.

The Road Department solicited and received sealed bids in accordance with Ingham County Purchasing policies for this project per Bid Packet #72-19, Items IV, V, and VI. Please note the item numbers for Bid Packet #72-19 continue sequentially from the item numbers used in Bid Packet #37-19 on which a resolution was submitted previously for bid approval and contract authorizations. The bids were reviewed by the Purchasing and Road Departments, and both Departments were in agreement that the low bidders’ proposals met all necessary qualifications, specifications, and requirements.
Michigan Paving & Materials Company, of Lansing, MI, submitted the lowest responsive and responsible bid for Item V as follows:

**Item V:** Low Bid--$1,049,134.47  
Recycling and resurfacing of:  
Okemos Road, Central Park Drive to Lake Lansing Road

Rieth-Riley Construction Company, Inc. of Lansing, MI, submitted the lowest responsive and responsible bid for Items IV and VI as follows:

**Item IV:** Low Bid--$1,351,352.08  
Recycling and resurfacing of:  
Howell Road, Williamston Road to Dietz Road

Due to increased demand for road construction, contractors currently have very full road work schedules and prices have risen dramatically this spring. As a result, the low bid for Item IV is higher than the funding available, such that it is recommended to reject all bids received for Item IV.

**Item VI:** Low Bid--$1,299,963.71  
Recycling and resurfacing of:  
Eden Road, Kinneville Road to Barnes Road

**RECOMMENDATION**
Adopt the attached, proposed resolution to approve the rejection of all bids received for Item IV, entering into a contract with Michigan Paving & Materials Company for Item V with the low bid cost shown above plus a 10% requested contingency for a contract total of $1,154,047.92 and entering into a contract with Rieth-Riley Construction Company, Inc. for Item VI with the low bid cost shown above plus a 10% requested contingency for a contract total of $1,429,960.08, all of which include the recycling, resurfacing, and related work as specified in the Ingham County Road Department’s Bid Packet #72-19.

RE: Memorandum of Performance for RFP No. 2019 Primary Road Program

Per your request, the Purchasing Department sought proposals Michigan Department of Transportation, MDOT, pre-qualified contractors for the purpose of entering into a contract for the 2019 Primary Road Program.

The scope of work includes, but is not limited to, furnishing all necessary equipment, tools, special apparatus needed for construction, labor to perform all work, and materials for concrete curb & gutter replacement, ADA sidewalk ramp upgrades, cold-milling HMA surface removal, crushing & shaping HMA base, hot-in-place HMA recycling, cold-in-place HMA recycling, manhole adjustment, HMA paving, ultra-thin HMA overlay and/or HMA resurfacing, on various roadways per the technical specifications described in the request for proposal.

In accordance with Resolution #13–119, the Local Purchasing Preference Policy was not applied in this solicitation as I have determined that the application of the Local Purchasing Preference Policy would preclude the County from obtaining a sufficient number of competitive proposals.

A summary of the vendors’ costs is located on the next page.

A preconstruction meeting will be required prior to commencement of work since the construction cost exceeds $10,000. Please make sure the Purchasing Department is invited and able to attend the preconstruction meeting to ensure that all contractors comply with the Prevailing Wage Policy and proper bonding.

You are now ready to complete the final steps in the process: 1) evaluate the submissions based on the criteria established in the RFP; 2) confirm funds are available; 3) submit your recommendation of award along with your evaluation to the Purchasing Department; 4) write a memo of explanation; and, 5) prepare and submit a resolution for Board approval.

This Memorandum is to be included with your memo and resolution submission to the Resolutions Group as acknowledgement of the Purchasing Department’s participation in the purchasing process.

SUBJECT: Roof Replacement at the ICRD Eastern District garage roof replacement

The purpose of this correspondence is to support the attached resolution to replace the Road Dept. Eastern District Garage roof. The roof is 40 years old and it has become apparent, after dozens of temporary repairs, the roof has exceeded its life expectancy.

To delay the replacement of the Eastern Garage roof could possibly lead to damage of the integrity of the structure.

The new roof design is energy efficient and will meet or exceed current Federal, State, and Local building code standards.

The ICRD’s 2018-2019 carry over budget adjustment will have funds available for this roof project and other ICRD projects.

There were 6 qualified bids received from qualified and experienced vendors for RFP #12-19 issued for this project.

There were 36 local vendors invited to submit a bid for the project, but no local vendors submitted a bid.

Bids were solicited and evaluated by the Ingham County Purchasing Department and the hired architectural consultant, Roger Donaldson AIA., P.L.C., per RFP #12-19, recommends, with the concurrence of the Road Department, to award the roofing project to the lowest qualified bidder, Quality Roofing Inc., Whitmore Lake, Michigan, with a bid cost of $159,400, plus the cost of any additional required metal decking replacement at $7.50 per square foot.

Therefore, approval of the attached resolution is recommended to authorize an agreement with Quality Roofing Inc., Whitmore Lake, Michigan to remove and replace the current Eastern Garage roof with a new code compliant roof.

Per your request, the Purchasing Department sought proposals from qualified and experienced roofing and general contractors to enter into a contract for the purpose of furnishing and installing a new roof at the Ingham County Road Department’s Eastern Garage.

The scope of work includes, but is not limited to, removal of existing roofing and insulation, then providing new adhered Single Ply Black EPDM roofing over insulation system with new coping and flashings along with raising the exhaust fans.

The architectural consultant for this project is Roger Donaldson, AIA P.L.C.

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO REPLACE ROOF AT THE ROAD DEPARTMENT 
EASTERN DISTRICT GARAGE

WHEREAS, the Ingham County Road Department (ICRD) Eastern District Garage has a 40 year old roof in need of replacement with many temporary repairs and has exceeded its life expectancy; and

WHEREAS, the ICRD’s 2018-2019 carry over budget adjustment will have funds available for this roof project and other ICRD projects; and

WHEREAS, the Purchasing Department recently released bid packet #12-19 and received competitive bid proposals for the purpose of the removal and replacement of ICRD Eastern Garage roof, with all required upgraded to meet Local, State and Federal building code standards; and

WHEREAS, bids were solicited and evaluated by the Ingham County Road and Purchasing Departments and the architectural consultant hired for the project, Roger L. Donaldson AIA, P.L.C., per RFP #12-19, recommends to award the roof project to the lowest qualified bidder, Quality Roofing Inc., Whitmore Lake, Michigan.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners accepts the lowest qualified bid of $159,400, plus the cost of any additional required metal decking replacement at $7.50 per square foot, and authorizes an agreement with Quality Roofing Inc., Whitmore Lake, Michigan, to remove the existing roof and install a new roof to be compliant with current building codes at the ICRD Eastern District Garage.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson to sign any necessary documents that are consistent with this resolution on behalf of the County after approval as to form by the County Attorney.

DATE: April 23, 2019
SUBJECT: Resolution Updating Various Fees for County Services

This resolution will authorize the adjustment of various fees for county services to be effective for the Health Department and the Friend of the Court on October 1, 2019, for the Park and Zoo winter seasonal fees on November 1, 2019, and for all other departments with the exception of the Zoo, on January 1, 2020. These adjustments are based on an update of the “Cost of Services Analysis” completed by Maximus in 2002. In subsequent years, the cost has been determined by multiplying the previous year’s cost by a cost increase factor for each department. Utilizing this method again, the 2020 cost was calculated by multiplying the 2019 cost by the 2020 cost increase factor. Updated costs were then multiplied by the target percent of cost to be recovered by the fee for services as identified by the Board of Commissioners. Input was solicited from county departments and offices as part of the process of making these recommended adjustments. A full analysis of each fee was presented to all committees at previous rounds of meetings.

If the fee adjustments are passed as proposed, additional annual revenue would total approximately $343,959. Any additional revenue will be recognized in the 2020 Controller Recommended Budget.

As directed by the Board of Commissioners, the Controller’s Office has incorporated the update of county fees into the annual budget process. This will allow the county to annually and incrementally adjust fees based on changing costs, rather than to make large adjustments at one time.

Please contact me if you have any questions regarding this information.

Attachments
WHEREAS, the Board of Commissioners set various fees for county services in Resolution #02-155 based on information and recommendations of the *Maximus Cost of Services Analysis* completed in 2002; and

WHEREAS, the Board of Commissioners also established the percent of the cost of providing the services which should be recovered by such fees, referred to in this process as a “target percent”; and

WHEREAS, the Board of Commissioners has directed the Controller’s Office to establish a process for the annual review of these fees and target percents; and

WHEREAS, the annual average United States’ consumer price index was used as the cost increase factor; and

WHEREAS, this cost increase factor is applied to the previous year’s calculated cost and multiplied by the target percent and in most cases rounded to the lower full dollar amount in order to arrive at a preliminary recommended fee for the upcoming year; and

WHEREAS, in cases where the calculated cost multiplied by target percent is much higher than the current fee, the fee will be recommended to increase gradually each year until the full cost multiplied by target percent is reached, in order to avoid any drastic increases in fees; and

WHEREAS, in cases where the calculated cost multiplied by target percent is lower than the current fee, no fee increase will be recommended for that year; and

WHEREAS, after initial recommendations are made by the Controller, these recommendations are distributed to the affected offices and departments, in order to receive their input; and

WHEREAS, after reviewing the input from the affected offices and departments, the Controller makes final recommendations to the Board of Commissioners; and

WHEREAS, the Controller’s Office has finished its annual review of these fees and recommended increases where appropriate based on increased costs of providing services supported by these fees and the percent of the cost of providing the services which should be covered by such fees as established by the Board of Commissioners; and

WHEREAS, the Board of Commissioners has reviewed the Controller’s recommendations including the target percentages, along with recommendations of the various county offices, departments, and staff.

THEREFORE BE IT RESOLVED, that the Board of Commissioners authorizes or encourages the following fee increases in the Attachments at the rates established effective January 1, 2020 with the exception of the Health Department and Friend of the Court, where new rates will be effective October 1, 2019, the Park and Zoo winter seasonal fees and the Park Annual Passes which will be effective starting November 1, 2019.
BE IT FURTHER RESOLVED, that the fees within major Health Department services are not included on the attachments and were not set by the policy above, but rather through policy established in Resolutions #05-166 and #05-242.
