RESOLUTION TO SUBMIT TO THE ELECTORATE A SPECIAL MILLAGE QUESTION FOR HEALTH SERVICES FOR LOW INCOME UNINSURED FAMILIES AND ADULTS LIVING IN INGHAM COUNTY NOT COVERED BY THE AFFORDABLE CARE ACT
RESOLUTION #12-287

WHEREAS, the Board of Commissioners desire to continue to provide funding for health care services for low income, uninsured families and adults residing in Ingham County; and

WHEREAS, the Board of Commissioners has provided the financial stability necessary for sound planning through the facilitation of a local-federal funding match arrangement since 1998; and

THEREFORE BE IT RESOLVED, that the following question be submitted to a vote of the electorate in the election to be held on November 6, 2012:

INGHAM COUNTY HEALTH SERVICES MILLAGE

Shall Ingham County be authorized to levy up to 0.52 additional mills for the purpose of providing basic health care services to Ingham County residents who are not eligible for Medicaid under the Federal Affordable Care Act, and whose individual income is less than $28,000 and who do not have medical insurance. If this proposal is approved, Ingham County will use these funds to help pay for access to doctor visits, generic medications, and essential care such as preventative testing and treatment for cancer, diabetes, heart disease and other serious illnesses for low-income residents whose employers do not offer health insurance or who cannot afford to purchase health insurance. This proposal would increase the Constitutional limitation of the amount of property taxes which may be assessed each year against all the taxable real and personal property in Ingham County by up to 0.52 mills ($0.52 per thousand dollars of state taxable valuation) as new additional millage for a period of three years (2012-2014 inclusive). If levied in full, this millage would raise an estimated $3,349,707 in the first calendar year.

Dear Mr. Copedge:

The State Tax Commission would like to remind all counties that per MCL 211.10d (11), all counties must appoint an Equalization Director and that Equalization Director must be certified at the level required by the State Tax Commission. At this time, the State Equalized Value of Ingham County requires the expertise of an MMAO(4) certified Equalization Director, though other factors may reduce this level (see enclosed). Our records indicate that your Equalization Director is certified as an MMAO(4). Enclosed are the 2014 required county certification levels, as approved by the State Tax Commission at their August 28, 2012 meeting.

The Commission is concerned by a recent influx of questions and waiver requests by counties wishing to employ an under-certified Equalization Director. Also enclosed is a document outlining the basic requirements of Michigan counties in the equalization process. This is to better assist county officials in understanding the importance of county equalization and the employment of a properly certified Equalization Director.

If you have any questions regarding county certification matters, please feel free to contact me at 517-335-2532 or tenbroekek@michigan.gov.

Re: FY 2012 Grants to Encourage Arrest Policies and Enforcement of Protection Orders  
Program (Arrest Program)  
Application Number: 2012-X0418-MI-WE

Dear Mr. Copedge:

Thank you for submitting your proposal to the Office on Violence Against Women (OVW) for the  
FY 2012 Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program. In  
Federal Fiscal Year 2012, $50,000,000 was appropriated for this program. We received 115  
proposals requesting a total of $58,346,089.55. We received more applications than we were  
able to financially support and we regret to inform you that your project was not selected for  
Fiscal Year 2012 funding.

Your application was assessed for meeting basic minimal requirements and a detailed peer  
review was conducted by a panel of OVW Staff. The Arrest Program applications were  
reviewed and evaluated in accordance with the selection criteria outlined in the grant  
solicitation. Final selection was made based on scores, statutory requirements, OVW priorities  
and, where applicable, prior performance on previous awards.

We thank you for taking the time and effort to develop and submit your application. We  
encourage you to submit future applications to OVW and anticipate that the Federal Fiscal Year  
2013 Arrest Solicitation will be released later this year. At that time, application information will  
be available on our Website at: www.ovw.usdoj.gov.

If you have any questions, please do not hesitate to contact OVW at (202) 307-6026 and ask to  
speak to a staff member of the Arrest Program. Again, thank you for your application to the  
Arrest Program, and for your interest in serving those affected by sexual assault, domestic  
violence, dating violence and stalking.

Sincerely,

Bea Hanson

MSUE does support and encourage the use of technologies that others may not, including social media applications. We view communication with our constituents through channels such as Facebook, Twitter, and Second Life to be critical to our work. However, networks that support our employees are not expected to see traffic from gaming within some of these applications – most notably, services such as “Mafia Wars” or “Farmville”, which can be resource intensive. MSUE staff and others can refer to the standing Social Media Policy for more details.

The easiest way to allow access to necessary applications needed by Extension personnel is to allow the full MSU Internet Protocol Range access to and from your network, as well as opening social media sites to the addresses used by MSUE staff at your location. The MSU-owned ranges are:

NetRange 35.8.0.0 - 35.10.255.255
CIDR 35.10.0.0/16 35.8.0.0/15

If you would like to narrow the scope further for additional protection, the addresses that will need to be allowable include:

35.9.160.36 (1935,443) (authentication)
35.8.201.221 (10020) (ProofPoint)
35.9.83.132 (all) (vpn.msu.edu)
35.9.121.194 (443) (SharePoint)
35.9.121.211 & 212 (443) (Exchange)
35.8.10.135 (adobe connect)

The following clients are necessary on all computers – Outlook (preferably 2010, MSUE provides Office 2010 licensing), Lync 2010 Client, SAP client, VPN client. (IE 7.0 or higher)

Some configuration changes are necessary to support services such as SharePoint, including modifications to Internet Explorer. These can always be found on the ANR Technology web site.
