2025	665,000		

SEPTEMBER 26, 2017 REGULAR MEETING

If the original purchaser shall designate certain of the bonds as term bonds, the maturities set forth above shall become mandatory redemption requirements in accordance with the provisions of Section 6 and the form of bond set forth in Section 11.

In accordance with the Notice of Sale, the County has reserved the right to decrease the principal amount of the bonds. Such adjustment, if necessary, will be made in increments of \$5,000, and may be made in one or more maturities.

3. METHOD OF SALE. The County shall sell the bonds at not less than 100% nor more than 105% of their par value and accrued interest in accordance with the laws of the State of Michigan. The Authorized Officer is authorized to do all things necessary to effectuate the sale, issuance, delivery, transfer and exchange of the bonds in accordance with the provisions of this Bond Resolution. The Authorized Officer is authorized to make filings with the Department of Treasury of the State of Michigan as may be required by law or which may be deemed appropriate. The County shall receive bids for the purchase of the bonds after publication of the Notice of Sale substantially in the form set forth in Section 25 hereof with such changes as shall be approved by the Authorized Officer.

4. PAYMENT OF PRINCIPAL AND INTEREST. The principal of and interest on the bonds shall be payable in lawful money of the United States. Principal shall be payable upon presentation and surrender of the bonds to the bond registrar and paying agent as they severally mature. Interest shall be paid to the registered owner of each bond as shown on the registration books at the close of business on the 15th day of the calendar month preceding the month in which the interest payment is due. Interest shall be paid when due by check or draft drawn upon and mailed by the bond registrar and paying agent to the registered owner at the registered address.

SEPTEMBER 26, 2017 REGULAR MEETING

5. BOOK-ENTRY SYSTEM. Initially, one fully-registered bond for each maturity, in the aggregate amount of such maturity, shall be issued in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC") for the benefit of other parties (the "Participants") in the book-entry-only transfer system of DTC. In the event the County determines that it is in the best interest of the County not to continue the book-entry system of transfer or that the interests of the holders of the bonds might be adversely affected if the book-entry system of transfer is continued, the County may notify DTC and the bond registrar and paying agent, whereupon DTC will notify the Participants of the availability through DTC of bond certificates. In such event, the bond registrar and paying agent shall deliver, transfer and exchange bond certificates as requested by DTC and any Participant or "beneficial owner" in appropriate amounts in accordance with this Bond Resolution. DTC may determine to discontinue providing its services with respect to the bonds at any time by giving notice to the County and the bond registrar and paying agent and discharging its responsibilities with respect thereto under applicable law or the County may determine that DTC is incapable of discharging its duties and may so advise DTC. In either such event, the County shall use reasonable efforts to locate another securities depository. Under such circumstances (if there is no successor securities depository), the County and the bond registrar and paying agent shall be obligated to deliver bond certificates in accordance with the procedures established by this Bond Resolution. In the event bond certificates are issued, the provisions of this Bond Resolution shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of and interest on such certificates. Whenever DTC requests the County and the bond registrar and paying agent to do so, the County and the bond registrar and paying agent shall cooperate with DTC in taking appropriate action after reasonable notice to make available one or more separate certificates evidencing the bonds to any Participant having bonds credited to its DTC account or to arrange for another securities depository to maintain custody of certificates evidencing the bonds.

SEPTEMBER 26, 2017 REGULAR MEETING

Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, interest on and redemption premium, if any, on the bonds and all notices with respect to the bonds shall be made and given, respectively, to DTC as provided in the Blanket Issuer Letter of Representations between DTC and the County. The Authorized Officer is authorized to sign the Blanket Issuer Letter of Representations on behalf of the County in such form as the Authorized Officer deems necessary or appropriate in order to accomplish the issuance of the bonds in accordance with law and this Bond Resolution.

6. MANDATORY PRIOR REDEMPTION. If any of the bonds are designated by the original purchaser as term bonds such bonds shall be subject to mandatory prior redemption at par and accrued interest in accordance with the maturity schedule set forth in Section 2 hereof and upon the terms and conditions set forth in the form of bonds contained in Section 11 hereof. The bonds to be redeemed shall be selected by lot.

7. OPTIONAL PRIOR REDEMPTION. The bonds shall be subject to optional redemption prior to maturity upon the terms and conditions set forth in the final form of bonds.

8. BOND REGISTRAR AND PAYING AGENT. The Authorized Officer may from time to time as required designate a similarly qualified successor bond registrar and paying agent. After the bonds have been executed and authenticated for delivery to the original purchaser thereof, they shall be delivered by the County Treasurer to the purchaser upon receipt of the purchase price. Additional bonds bearing the facsimile signatures of the Chairperson of the Board and the County Clerk and upon which the seal of the County (or a facsimile thereof) is impressed or imprinted may be delivered to the bond registrar and paying agent for authentication and delivery in connection with the exchange or transfer of bonds. The bond registrar and paying agent shall indicate on each bond the date of its authentication.

Any bond, at the option of the registered owner thereof and upon surrender thereof to the bond registrar and paying agent with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or its duly authorized attorney, may be exchanged for bonds of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered bond.

Each bond shall be transferable only upon the books of the County, which shall be kept for that purpose by the bond registrar and paying agent, upon surrender of such bond together with a written instrument of transfer satisfactory to the bond registrar and paying agent duly executed by the registered owner or its duly authorized attorney.

Upon the exchange or transfer of any bond, the bond registrar and paying agent on behalf of the County shall cancel the surrendered bond and shall authenticate and deliver to the transferee a new bond or bonds of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered bond. The County agrees to indemnify and save the bond registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating the registered owner.

For every exchange or transfer of a bond, the County or the bond registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The bond registrar and paying agent shall not be required to transfer or exchange bonds or portions of bonds that have been selected for redemption.

The purchase price will be adjusted proportionately to the decrease in the principal amount of the bonds, but the interest rates specified by the winning bidder will not change. The winning bidder may not withdraw its bid as a result of any changes made as provided in this paragraph.

GOOD FAITH: A good faith deposit in the form of a certified or cashier's check drawn upon an incorporated bank or trust company, or wire transfer, in the amount of \$100,000 payable to the order of the County Treasurer will be required of the winning bidder. If a check is used, it must accompany the bid. If a wire transfer is used, the winning bidder is required to wire its good faith deposit to the County not later than Noon, Eastern Daylight Time, on the next business day following the sale using the wire instructions provided by PFM Financial Advisors LLC. The good faith deposit will be applied to the purchase price of the bonds. In the event the purchaser fails to honor its accepted bid, the good faith deposit will be retained by the County. No interest shall be allowed on the good faith deposit, and checks of the unsuccessful bidders will be promptly returned to such bidder's representative or by registered mail. The good faith check of

SEPTEMBER 26, 2017 REGULAR MEETING

the winning bidder will be cashed and payment for the balance of the purchase price of the bonds shall be made at the closing.

AWARD OF BONDS: The bonds will be awarded to the bidder whose bid produces the lowest true interest cost to the County. True interest cost shall be computed by determining the annual interest rate (compounded semiannually) necessary to discount the debt service payments on the bonds from the payment dates thereof to _____, 2017, and to the price bid.

LEGAL OPINION: Bids shall be conditioned upon the approving opinion of Dickinson Wright PLLC, attorneys of Lansing, Michigan, which opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The fees of Dickinson Wright PLLC for services rendered in connection with such approving opinion are expected to be paid from bond proceeds. Except to the extent necessary to issue its approving opinion as to the validity of the bonds, Dickinson Wright PLLC has made no inquiry as to any financial information, statements or material contained in any financial documents, statements or materials that have been or may be furnished in connection with the authorization, issuance or marketing of the bonds and, accordingly, will not express any opinion with respect to the accuracy or completeness of any such financial information, statements or materials.

TAX MATTERS: The approving opinion of bond counsel will include an opinion to the effect that under existing law, the interest on the bonds (a) is excluded from gross income for federal income tax purposes, and (b) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; such opinion will note, however, that certain corporations must take into account interest on the bonds in determining adjusted current earnings for the purpose of computing such alternative minimum tax. The opinion set forth in clause (a) above will be subject to the condition that the County comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be satisfied subsequent to the issuance of the bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the bonds to be included in gross income retroactive to the date of issuance of the bonds. The County has covenanted to comply with all such requirements. Bond counsel will express no opinion regarding other federal tax consequences arising with respect to the bonds.

The County has not designated the bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

If the winner bidder will obtain a municipal bond insurance policy or other credit enhancement for the bonds in connection with their original issuance, the winning bidder will be required, as a condition of delivery of the bonds, to certify that the premium therefor will be less than the present value of the interest expected to be saved as a result of such insurance or other credit enhancement. The form of an acceptable certificate will be provided by bond counsel.

In addition, the approving opinion of bond counsel will include an opinion to the effect that under existing law, the bonds and the interest thereon are exempt from all taxation by the State of Michigan or a political subdivision thereof, except estate taxes and taxes on gains realized from the sale, payment or other disposition thereof.

SEPTEMBER 26, 2017 REGULAR MEETING

ISSUE PRICE: The winning bidder shall assist the County in establishing the issue price of the bonds and shall execute and deliver to the County at closing an "issue price" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the bonds, together with the supporting pricing wires or equivalent communications, substantially in the form provided by Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County and Bond Counsel. All actions to be taken by the County under this Notice of Sale to establish the issue price of the bonds may be taken on behalf of the County by the County's financial consultant identified herein and any notice or report to be provided to the County may be provided to the County's financial consultant.

The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the bonds) will apply to the initial sale of the bonds (the "competitive sale requirements") because:

- (1) the County is disseminating this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the County anticipates receiving bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the County anticipates awarding the sale of the bonds to the bidder who submits a firm offer to purchase the bonds at the lowest true interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the bonds, as specified in the bid.

In the event that competitive sale requirements are satisfied, the winning bidder shall be expected to certify as to the reasonably expected initial offering price of the Bonds to the public.

In the event that the competitive sale requirements are not satisfied, the County shall so advise the winning bidder. The County shall treat the first price at which 10% of a maturity of the bonds (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis (and if different interest rates apply within a maturity, to each separate CUSIP number within that maturity). The winning bidder shall advise the County if any maturity of the bonds satisfies the 10% test as of the date and time of the award of the bonds. The County will not require bidders to comply with the "hold-the-offering-price rule" and therefore does not intend to use the initial offering price to the public as of the sale date of any maturity of the bonds as the issue price of that maturity. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that all of the maturities of the bonds will be subject to the 10% test in order to establish the issue price of the bonds.

SEPTEMBER 26, 2017 REGULAR MEETING

If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the bonds, the winning bidder agrees to promptly report to the County the prices at which the unsold bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the closing date has occurred, until the 10% test has been satisfied as to the bonds of that maturity or until all bonds of that maturity have been sold.

By submitting a bid, each bidder confirms that: (i) except as otherwise provided in its bid, it has an established industry reputation for underwriting new issuances of municipal bonds, (ii) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the bonds of that maturity or all bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (iii) any agreement among underwriters relating to the initial sale of the bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the bonds of that maturity or all bonds of that maturity have been sold to the public, if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party,
- (ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the bonds to the public),
- (iii) a purchaser of any of the bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by

one corporation of another), (ii) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) "sale date" means the date that the bonds are awarded by the County to the winning bidder.

CUSIP: CUSIP numbers will be imprinted on all bonds of this issue at the County's expense. Neither the failure to print numbers nor an improperly printed number shall constitute cause for the purchaser to refuse to accept delivery. The purchaser shall be responsible for requesting assignment of numbers and for payment of any charges for the assignment of numbers.

OFFICIAL STATEMENT: A copy of the County's official statement relating to the bonds may be obtained by contacting PFM Financial Advisors LLC at the address referred to below. The official statement is in a form deemed final by the County for purposes of paragraph (b)(1) of SEC Rule 15c2-12 (the "Rule"), but is subject to revision, amendment and completion in a final official statement.

After the award of the bonds, the County will provide on a timely basis copies of a final official statement, as that term is defined in paragraph (e)(3) of the Rule, at the County's expense in sufficient quantity to enable the winning bidder or bidders to comply with paragraph (b)(3) and (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board. Requests for such additional copies of the final official statement shall be made to PFM Financial Advisors LLC at the address set forth below within 24 hours of the award of the bonds.

CONTINUING DISCLOSURE: In order to assist bidders in complying with paragraph (b)(5) of the Rule, the County will undertake to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the preliminary official statement and will also be set forth in the final official statement.

BIDDER CERTIFICATION: NOT "IRAN-LINKED BUSINESS": By submitting a bid, the bidder shall be deemed to have certified that it is not an "Iran-Linked Business" as defined in Act No. 517, Public Acts of Michigan, 2012; MCL 129.311 et seq.

DELIVERY OF BONDS: The County will furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser through DTC, New York, New York. The usual closing documents, including a continuing disclosure certificate and a certificate that no litigation is pending affecting the issuance of the bonds, will be delivered at the time of the delivery of the bonds. If the bonds are not tendered for delivery by twelve o'clock noon, Eastern Daylight Time, on the 45th day following the date of sale, or the first business day thereafter if said 45th day is not a business day, the winning bidder may on that day, or any time thereafter until delivery of the bonds, withdraw its proposal by serving notice of cancellation, in writing, on the undersigned, in which event the County shall return the good faith deposit. Payment for the

bonds shall be made in Federal Reserve Funds. Accrued interest to the date of delivery of the bonds shall be paid by the purchaser at the time of delivery.
