Commissioner Crenshaw stated that it was a pleasure to vote on the resolution, having been the Chairperson of the interview panel. He further stated that there were several candidates who had applied for the position, but that Russel Church stood above all others due to his background in public defense, his experience as an assistant prosecuting attorney, and his passion for the law.

He further stated that his mind and his gut seldom worked together on important decisions, but in this case everything felt perfect.

BE IT FURTHER RESOLVED, that the above-stated salaries for Ingham County Commissioners shall not preclude a Commissioner from receiving a per diem payment when he/she is appointed to a statutory board and/or agency by the County Board of Commissioners. Commissioners shall receive the same per diem as non-Commissioner members appointed by the Board of Commissioners to statutory boards and/or agencies, in addition to the above stated salary, provided that a per diem Commissioner payment is not prohibited by the specific statute in question.

BE IT FURTHER RESOLVED, that the Director of the Board of Commissioner’s Office shall be responsible for periodically preparing appropriate vouchers for the payment of per diem for each Commissioner, based on the approved minutes of each Standing Committee, Committee of the Whole, and Board Leadership meeting, and that said voucher shall be approved and signed by the individual Commissioners prior to its submission for payment.

In the event that the above stated mileage reimbursement exceeds the mileage rate established by the State Officers Compensation Commission, then under such circumstances that rate established by the State Officers Compensation Commission shall supersede the above stated rates. This paragraph shall apply to out-of-county travel only. Commissioners shall not receive mileage reimbursement for intra-county travel, except when in the process of traveling in the County as stated above and as otherwise provided hereunder.

   Nays: None   Absent: Sebolt, Hope   Approved 12/04/2018

Commissioner Sebolt moved to adopt the resolution. Commissioner Crenshaw supported the motion.

Commissioner Grebner stated that he had created a spreadsheet laying out a historic record of the compensation for members of the Board of Commissioners over time. He further stated that average compensation per member had followed a general pattern, in which past Boards of Commissioners had not increased compensation to keep up with inflation, even during periods in which other County employees had received raises.

Commissioner Grebner stated that the terms on the spreadsheet were adjusted for inflation, and that compensation for the Board of Commissioners had been going down since 1995-96. He further stated that it was very easy to vote against this resolution, but that all theories supporting a vote against the resolution amounted to “not this time, maybe next time.”

Commissioner Grebner stated that as a result of past votes, compensation at the present time was lower than when he was first elected, or 10-20 years ago. He further stated that it would keep dropping unless the Board of Commissioners did something.

Commissioner Grebner stated that he had introduced an amendment to increase per diem compensation for members of the Board of Commissioners, and that he was surprised when it passed in the County Services Committee. He further stated that the most important thing was for compensation to keep up with inflation.

Commissioner Grebner stated that there were a couple of tests to apply to the question, including comparison to counties of comparable size. He further stated that Ottawa County, Saginaw County, Kalamazoo County, Washtenaw County, and Genesee County were roughly the same size as Ingham County, and that the Boards of Commissioners of some of those counties were paid a lot more than the Ingham County Board of Commissioners.

Commissioner Grebner stated that the Board of Commissioners did not need to compete with other county Boards of Commissioners. He further stated that the Board of Commissioners did need to pay enough compensation so that members would not see their services as a pain or a volunteer activity.

Commissioner Grebner stated that while it was easy to find people willing to serve on the Board of Commissioners, it was common for Commissioners to stop seeking re-election. He further stated that this happened fairly often, and that it was a measure that serving as a Commissioner was not a terribly attractive job.

Commissioner Grebner stated that he supposed the Commissioners could get by without increased compensation, but that he would appreciate other Commissioners’ support for the resolution in order to keep up with inflation. He further stated that he would probably do the same thing again in five years, and that he would be pleased to share the spreadsheet with anyone who asked.
Chairperson Celentino stated that the County had Directors and Deputy Directors, and that no position for Board of Commissioners Coordinator existed. He further stated that Becky Bennett’s correct title was Director of the Board of Commissioners’ Office.

Chairperson Celentino stated that he wanted the Commissioners to give Ms. Bennett respect by using her correct title.

Commissioner Tennis stated that he had been a stick in mud on the issue of Commissioner compensation in the past. He further stated that his past objections had mainly been in situations where employees were not receiving raises, and he did not feel it was fair for the Board of Commissioners to receive something when the employees were not.

Commissioner Tennis stated that he wholeheartedly endorsed Commissioner Grebner’s chart and the sentiments behind his comments. He further stated that he would be very supportive of the resolution.

The motion carried. **Yeas:** Banas, Crenshaw, Grebner, Hope, Maiville, Naeyaert, Slaughter, Triplett, Tennis, Celentino. **Nays:** Morgan, Schafer, Sebolt. **Absent:** Nolan.
1. Each Commissioner may be reimbursed up to $1,500 annually for costs of transportation, meals and lodging associated with attending conferences or conventions in his/her capacity as a County Commissioner. Expenses for incidental travel and alcoholic beverages while at such conferences and conventions will not be reimbursed. Expenses must be reimbursed in the year in which they are incurred.

2. The cost of registration not exceeding $1,000 per Commissioner for in-state and out-of-state conferences or conventions may be paid from the Board of Commissioners budget and will not be counted as part of the Commissioners annual $1,500 travel reimbursement allowance.

3. In the event that a Commissioner is appointed or elected to an office by a state or national association, the Board may, by resolution, recognize the position and allocate up to an additional $1,500 annually within the County’s fiscal year to cover increased expenses of attending necessary functions associated with the office.

4. Expenses incurred by a Commissioner in excess of the above limits which are billed to the County will be recovered through payroll deduction unless reimbursed by the Commissioner within 10 working days of receipt of the statement by the Board Office.

5. Original receipts or credit card records must be submitted to obtain reimbursement for travel and lodging expenses.

6. Any funds authorized pursuant to this policy, but unexpended within the fiscal year, cannot be carried over for use in succeeding fiscal years.

7. A Commissioner shall not be reimbursed more than $3,000 for travel expenses within the County’s fiscal year, excluding registration fees.

RESOLUTION IN OPPOSITION TO SENATE BILL 796 AND HOUSE BILL 6474

RESOLUTION # 18 – 553

WHEREAS, Senate Bill 796 has been introduced in the Michigan Legislature and would amend the Public Employment Relations Act to prohibit a public employer from entering into a bargaining agreement that required or allowed paid release time for a bargaining representative to conduct union business, if the public employer paid for the release time; and

WHEREAS, House Bill 6474 has been introduced in the Michigan Legislature and would amend the Public Employment Relations Act to prohibit a public employer from entering into a bargaining agreement that would allow release time for the conducting of union business if the release time would be paid by the public employer; and

WHEREAS, these bills would prevent public employers and public employees from negotiating “paid” leave time for employer/employee purposes such as negotiating contracts, resolving grievances or other purposes designed to assist the employer in running an efficient workplace; and

WHEREAS, costs associated with the bills are unpredictable since it would be necessary for professional staff and union representatives to negotiate contracts, enforce contract provisions and resolve grievances after work hours – requiring employer representatives to be available after hours and likely at overtime pay; and

WHEREAS, SB 796 and HB 6474 would interfere with employees’ right to union representation. Paid release time enables union representatives to be available during work hours to address issues quickly and with little expense, absent paid release time, union representation could be diminished, eliminated, or delayed.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby adopts this resolution in opposition to Senate Bill 796 and House Bill 6474.

BE IT FURTHER RESOLVED, that copies of this resolution shall be forwarded to Governor Rick Snyder, the Ingham County state legislative delegation and the Michigan Association of Counties by the County Clerk.

COMMISSIONER ANNOUNCEMENTS

Chairperson Crenshaw asked Commissioners Celentino and Koenig to join him at the podium.
Chairperson Crenshaw stated that last year there had been a unique opportunity to have two chairpersons during the same session. He further stated that Commissioner Koenig had served as chair at the beginning of the term, and had left to pursue a unique opportunity that conflicted with her position on the Board of Commissioners.

Chairperson Crenshaw stated that under Commissioner Koenig’s leadership, the Board of Commissioners had taken on some heavy issues. He further stated that he wanted to thank Commissioner Koenig for her leadership during that time.

Chairperson Crenshaw presented Commissioner Koenig with a gavel on behalf of the Board of Commissioners, representing her leadership in the past year.

Commissioner Koenig thanked Chairperson Crenshaw and the Board of Commissioners. She further stated that she had missed the opportunity she had resigned from the Board of Commissioners to pursue, but that she had enjoyed taking a break for a few months.

Commissioner Koenig stated that the opportunity was worth pursuing, and had not been in vain. She then thanked Chairperson Crenshaw and the Board of Commissioners.

Chairperson Crenshaw stated that when Commissioner Koenig had resigned, Commissioner Celentino had stepped in as Chairperson. He further stated that it had been Commissioner Celentino’s fourth time serving as Chairperson, and that he had led the Board of Commissioners well in the last few months.

Chairperson Crenshaw stated that he appreciated Commissioner Celentino’s hard work and dedication. He further stated that on behalf of the Board of Commissioners, he would like to present Commissioner Celentino with a gavel signifying his leadership in the past year.

Commissioner Celentino stated that he was glad he was able to help out for the last eight weeks or so of the 2018 session. He further stated that he wanted to thank everyone for their support during that time.

Commissioner Celentino stated that at the last meeting, he had forgotten to thank Commissioner Sebolt for stepping up as Vice-Chair in the previous year. He thanked Commissioner Sebolt for his leadership in the previous year, and into the current year.

Commissioner Celentino thanked Chairperson Crenshaw and the Board of Commissioners.

Chairperson Crenshaw read a statement, which has been included in the minutes as Attachment A.

Chairperson Crenshaw welcomed Commissioners Stivers, Polsdofer, and Trubac as new members, and Commissioners Morgan and Slaughter as relatively new members. He further stated that he thought the Board of Commissioners would work well together in the coming year.

Dear Chair Celentino and Chair-Elect Crenshaw:

The City of Lansing is pleased to support the Ingham County Parks and Trails Millage and recently applied for funding for several projects. We are committed to continuing this valuable and collaborative partnership to maintain and improve the regional trail system. The trail system is an important resource for Lansing residents, businesses and tourists and we look forward to continuing the progress made possible by the millage.

The most recent recommendations from the Ingham County Parks Commissioners does not include the application for the Cambridge pathway extension. We also applied for funding from the Michigan Department of Natural Resources Trust Fund and received a score for this project that ranks in the top ten in the state. The maximum funding allowed by the state was $300,000. Our intent was to use the Ingham County Parks and Trails Millage to match the Trust Fund Grant.

This section of trail runs along the Grand River and connects to Cambridge road. Currently individuals who do not want to cross into Frances Park are forced into the street if they wish to continue east on Moores River Drive. This is compounded by the fact that there is a curve on Moores River Drive that limits visibility and makes this a dangerous situation for the pedestrian.

I am asking for the Board of Commissioners to consider funding this project as these come before you for approval in 2019.

I appreciate your consideration of these grant applications and if I may provide any additional information on these projects, please feel free to contact my office at 517-483-4141.

Sincerely,

OPPOSING SENATE BILL 396
FOREST INDUSTRY WEIGHT LIMIT EXEMPTIONS

At the Regular/Reconvene of the Annual Meeting November 12, 2018, present Commissioners Truman Bicum, David Comai, Patty Cox, Craig Crambell, Kohn Fisher, Stuart McKinnon and James Sweet:

WHEREAS, Roads are the backbone to the social, cultural and economic stability of Kalkaska County and the State of Michigan; and

WHEREAS, Senate Bill (SB) 396 (S-5) passed and reported out of the Senate Transportation Committee on September 6, 2018 allows exemptions from seasonal weight restrictions (aka “frost laws”) to the forest product industry during the spring thaw when roads are the most vulnerable to damage from heavy loads; and

WHEREAS, It is a fact in Kalkaska County and throughout the northern states that roads become soft in the spring and applying unrestricted 164,000-pound truck loading on soft roads, is in our opinion, poor public policy; and

WHEREAS, SB-396 also grants exemptions to the forest industry that will allow the hauling of forest products and transport of equipment on the public road system without obtaining permits from road authorities at all times of the year; and

WHEREAS, the provisions from SB 396 will result in damage to the public road system; and

WHEREAS, the provisions of SB 396 will negatively impact the traveling public accessing the road system, resulting in burdening road authorities with expensive reactive maintenance repairs and significantly increased taxpayer costs to maintain the public road system; and

WHEREAS, the provisions in SB 396 and subsequent impacts to the local road system will negatively impact the health, safety and welfare of Kalkaska County residents and the traveling public; and

WHEREAS, the Kalkaska County Road Commission and other road commissions throughout the State of Michigan work closely with the logging industry to keep the economic vitality of the Townships, Counties and the State of Michigan moving by continuously monitoring road conditions and permitting the logging industry to move equipment and material on roads when the roads can structurally support such loading without negatively impacting the road system and traveling public;

THEREFORE, BE IT RESOLVED, that the Kalkaska County Board of Commissioners hereby strongly opposes SB 396; and

BE IT FURTHER RESOLVED that a vote hereon be taken by aye and nay and spread at large on the minutes of the Board.

BAY COUNTY BOARD OF COMMISSIONERS

DECEMBER 18, 2018

RESOLUTION

BY: Bay County Board of Commissioners (12/18/18)

WHEREAS, Michigan's Republican dominated legislature is pushing forward measures aimed at hamstringing newly elected State Officials who will take office in January; and

WHEREAS, Republicans have already sent legislation to Governor Snyder that would make it much harder for executive branch agencies to issue regulations that are stricter than federal ones, strip campaign finance regulation authority from the newly elected Democratic Secretary of State, give the Legislature an unchallenged voice in lawsuits overseen by the newly elected Democratic Attorney General and prevent newly elected officials from forcing nonprofit political advocacy groups to disclose who bankrolls their campaigns; and

WHEREAS, The Legislature's moves are unsettling to some members of both parties; and

WHEREAS, The blatant misuse of power in the lame duck session will continue to drive a wedge between the elected officials in Lansing where efforts should be underway to seek common ground in their representation of the citizens of Michigan; Therefore, Be It

RESOLVED That the Bay County Board of Commissioners calls on Governor Snyder to veto any and all new legislation that changes existing law pertaining to the duties of the Governor, Secretary of State and Attorney General; Be It Finally

RESOLVED That copies of this resolution be forwarded to Governor Snyder, our local State representatives and the other 82 Michigan counties.

Good morning Heywood,

Thank you for reaching out to me today. I'm emailing you to confirm my resignation from the board. Due to extenuating circumstances, I have not been able to be as involved as I initially wanted to and I apologize to the entire board for my lack of participation. Thank you for this opportunity and I wish things could have definitely been different.

Also, thank you so much for considering my application for the outreach position, however, I ask that you withdraw my application. The health center does a lot of amazing work for PLWH and I believe that at this time I will not be ready to start the position and that another candidate will be more suitable to do a much better job. This work is very important to me and I hope that the health center identifies someone who will take on this role and do some great work!

Warm Regards and much appreciation,

-Dwayne Riley

Dear Chairperson Celentino,

It would be so fun in this season of caring, to gather together for friendship and sharing. Our distance impedes our contact at this stage, so we will share our thoughts with you on this page.

I am writing to share how much I appreciate the proactive disposition of Sheriff Scott Wrigglesworth. The Sheriff is a progressive leader. He is able to analyze a situation and provide a thoughtful solution focused on making a difference. Since he took office, the Sheriff has created several partnerships with Holt Public Schools that deserve to be highlighted. School safety is one of the Sheriff’s priorities! While we work with Sheriff Wrigglesworth on a regular basis, some of the programs he has established have made our schools more secure. Sheriff Wrigglesworth created his safe school initiative where deputies drop in to our schools randomly throughout each week. The Sheriff created a school safety video highlighting the need to be more flexible when our schools are faced with an act of school violence. By creating a Run, Hide, Fight video, school employees and the students we serve have a better understanding regarding when to run, when to hide and shelter in place, and when to prepare to fight/defend. While there are countless other initiatives he has inspired, his overall willingness to partner with Holt Public Schools continues to impress me! It is clear to me; we have the right person serving us in the Sheriff’s Office!

We have determined that we cannot be our best without amazing partners like the Ingham County Sheriff’s Office! Once again, we appreciate Sheriff Wrigglesworth’s unconditional support of Holt Public and the students we serve! Please share our appreciation with him!

Thanks again,

BAY COUNTY BOARD OF COMMISSIONERS
JANUARY 8, 2019

RESOLUTION

BY: COMMISSIONER KIM J. COONAN, 4TH DISTRICT (1/8/19)

WHEREAS, Health care costs continue to rise for all Americans and, for some Americans, this increase can be devastating; and

WHEREAS, Medicare is the focus of many lawmakers who portray it as an "entitlement" program that costs the Treasury too much money. Technically, the term "entitlement" is correct but it has an unfortunate connotation; and

WHEREAS, Medicare is an essential medical plan that millions of seniors and disabled individuals depend upon to stay alive. Medicare is not a gift, as the term "entitlement" suggests. Many of the beneficiaries have worked their entire adult life and paid into the system in order to receive this crucial medical plan; and

WHEREAS, Due to spiraling costs largely associated with the price of prescription medications, our elected officials find themselves passing on increased costs to those who can least afford that increase, namely senior citizens and disabled individuals who are on Medicare's Part D drug program; and

WHEREAS, When congress enacted Medicare Prescription Drug Bill they enacted a law that does not allow Medicare to negotiate with pharmaceutical companies for drug price the way Medicaid and the Veterans Administration does; and

WHEREAS, One economist, Dean Baker, estimates that Medicare could have saved approximately $332 billion dollars between 2006 and 2013 (approximately $50 billion a year) had the Department of Health and Human Services been permitted to negotiate prices of drugs with the drug companies, as federal agencies do in other programs; and

WHEREAS, Rising prescription drug costs have been the primary reason for the increase in health benefit costs; and

WHEREAS, The increasing cost of prescription drugs and outrageous profits made by pharmaceutical companies is a systemic problem that significantly affects our state and our nation. It deserves non-partisan effort; and

WHEREAS, We must prevent our elected officials from balancing the budget on the backs of those who can least afford it, the elderly and disabled. Increases in premiums and drug costs are unacceptable ways to deal with a flawed Medicare Prescription Drug Bill; and

WHEREAS, We must preserve the Medicare program as it currently exists and to do so requires immediate action to cut unnecessary costs, particularly in the area of prescription drug coverage; and

WHEREAS, We must revise the Medicare Prescription Drug Bill of 2003 to allow negotiating lower drug prices and the importation of identical, cheaper, drugs from Canada and elsewhere; and

WHEREAS, We cannot allow the previously approved bill to stand as adopted at the risk of having the Medicare program be the cause of a staggeringly increasing deficit which will require tax increases or cuts to the rest of the government, nor can we allow the continuance of price increases to our citizens cause many to contemplate discontinuing medically necessary drugs in order to pay their bills, heat their houses and have food on the table; Therefore, Be It

RESOLVED That the Bay County Board of Commissioners goes on record urging our Legislators to immediately commence the process of revising the Medicare Prescription Drug Bill of 2003 to allow negotiating lower drug prices and the importation of identical, cheaper drugs from Canada and elsewhere; Be It Further

RESOLVED That a copy of this resolution be forwarded to our area Federal and State Legislators, the National Association of Counties, the Michigan Association of Counties and the other Michigan counties.

ABSENT:  Commissioners

The following resolution was offered by Commissioner _______________ and supported by Commissioner:  

______

WHEREAS, proceedings have previously been taken under the provisions of Act 40, Public Acts of Michigan, 1956, as amended (the “Act”), for the making of certain intra-county drain improvements referred to as the Cook and Thorburn Drain Project (the “Project”), which was undertaken by the Cook and Thorburn Drain Drainage District (the “Drainage District”) in a Special Assessment District (the “Special Assessment District”) established by the Drainage District; and

WHEREAS, in order to provide funds to pay the costs of the Project, the Drainage District issued its 2010 Drain Bonds (General Obligation Limited Tax) (the “Prior Bonds”) in the original aggregate principal amount of $10,360,000 pursuant to the Act; and

WHEREAS, the principal of and interest on the Prior Bonds is payable from assessments made upon public corporations and/or benefited properties in the Special Assessment District (the “Special Assessments”); and

WHEREAS, the Ingham County Board of Commissioners (the “Board”), by resolution adopted by a majority of the members of the Board, pledged the full faith and credit of the County for the prompt payment of the principal of and interest on the Prior Bonds pursuant to Section 276 of the Act; and

WHEREAS, the Drainage District has received a savings report from PFM Financial Advisors LLC (“PFM”), that shows that refunding all or a portion of the Prior Bonds may provide a net present value savings with respect to the debt service on the Prior Bonds; and

WHEREAS, the Drainage District intends to issue refunding bonds in the amount of not to exceed $6,240,000 (the “Refunding Bonds”) in order to refund the Prior Bonds; and
WHEREAS, Act 34, Public Acts of Michigan, 2001, as amended provides that the Refunding Bonds shall be of the same character as the Prior Bonds and shall be construed to be a continuation of the Prior Bonds; and

WHEREAS, the Board desires to confirm the pledge of the County’s full faith and credit to the Refunding Bonds as a continuation of the Prior Bonds; and

WHEREAS, the pledge of the full faith and credit of the County to the Refunding Bonds will provide a net interest cost savings and will be a benefit to the County and the people of the County by reducing the amount of interest that will be paid by the County and the people of the County in the Special Assessment District; and

WHEREAS, the amount of the Bonds issued will not exceed the amount of the outstanding Special Assessments, assuring the County that the security for the Bonds will remain unchanged; and

WHEREAS, the refunding of the Prior Bonds will reduce the overall exposure of the County’s full faith and credit pledge due to the reduction in overall interest cost under the Refunding Bonds; and

WHEREAS, since the refunding of the Prior Bonds will reduce the exposure of the County, and based on the findings of the savings report from PFM that the refunding of the Prior Bonds will provide an interest cost savings to the County and the people of the County, the Ingham County Drain Commissioner recommends that the Prior Bonds be refunded and that the County confirm its pledge of full faith and credit to the Refunding Bonds.

NOW, THEREFORE, IT IS RESOLVED as follows:

1. The County pledges its full faith and credit for the prompt payment of the principal of and interest on the Refunding Bonds in a par amount not to exceed $6,240,000. The County shall immediately advance sufficient moneys from County funds, as a first budget obligation, to pay the principal of and interest on any of the Refunding Bonds should the Drainage District fail to pay such amounts when due. The County shall, if necessary, levy a tax on all taxable property in the County, to the extent other available funds are insufficient to pay the principal of and interest on the Refunding Bonds when due.

2. Should the County advance County funds pursuant to the pledge made in this Resolution, the amounts shall be repaid to the County from assessments or reassessments made as provided in the Act.

3. The Chairperson of the Board, the County Controller/Administrator, the County Clerk, the County Treasurer and any other official of the County, or any one or more of them (“Authorized Officers”), are authorized and directed to take all actions necessary or desirable for the issuance of the Refunding Bonds and to execute any documents or certificates necessary to complete the issuance of the Refunding Bonds, including, but not limited to, any applications including the Michigan Department of Treasury, Application for State Treasurer’s Approval to Issue Long-Term Securities, any waivers, certificates, receipts, orders, agreements, instruments, and any certificates relating to federal or state securities laws, rules, or regulations and to participate in the preparation of a preliminary official statement and a final official statement for the Refunding Bonds and to sign such documents and give any approvals necessary therefor.

4. Any one of the Authorized Officers is hereby authorized to execute a certificate of the County to comply with the continuing disclosure undertaking of the County with respect to the Refunding Bonds pursuant to paragraph (b)(5) of SEC Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate...
and any amendments thereto are collectively referred to herein as the “Continuing Disclosure Certificate”). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

5. All resolutions and parts of resolutions are, to the extent of any conflict with this resolution, rescinded to the extent of the conflict.

The following resolution was offered by Commissioner _____________ and supported by Commissioner: _____________

WHEREAS, proceedings have previously been taken under the provisions of Act 40, Public Acts of Michigan, 1956, as amended (the “Act”), for the making of certain intercounty drain improvements referred to as the Gilbert and West Town Intercounty Drain Project (the “Project”), which was undertaken by the Gilbert and West Town Intercounty Drain Drainage District (the “Drainage District”) in a Special Assessment District (the “Special Assessment District”) established by the Drainage District; and

WHEREAS, in order to provide funds to pay the costs of the Project, the Drainage District issued its Drainage District Bonds, Series 2009 (General Obligation Limited Tax) (the “Prior Bonds”) in the original aggregate principal amount of $2,700,000 pursuant to the Act; and

WHEREAS, the principal of and interest on the Prior Bonds is payable from assessments made upon public corporations and/or benefited properties in the Special Assessment District (the “Special Assessments”); and

WHEREAS, ninety-seven percent (97%) of the cost of the Project was apportioned by the Drainage Board for the Drainage District to the County of Ingham (the “County”) and three percent (3%) of the cost of the Project was apportioned by the Drainage Board to the County of Eaton; and

WHEREAS, the Ingham County Board of Commissioners (the “Board”), by resolution adopted by a majority of the members of the Board, pledged the full faith and credit of the County, to the extent of special assessments against property and public corporations in the County, for the prompt payment of the principal of and interest on the Prior Bonds pursuant to Section 276 of the Act; and

WHEREAS, the Drainage District has received a savings report from PFM Financial Advisors LLC (“PFM”), that shows that refunding all or a portion of the Prior Bonds may provide a net present value savings with respect to the debt service on the Prior Bonds; and
WHEREAS, the Drainage District intends to issue refunding bonds in the amount of not to exceed $1,485,000 (the “Refunding Bonds”) in order to refund the Prior Bonds; and

WHEREAS, Act 34, Public Acts of Michigan, 2001, as amended provides that the Refunding Bonds shall be of the same character as the Prior Bonds and shall be construed to be a continuation of the Prior Bonds; and

WHEREAS, the Board desires to confirm the pledge of the County’s full faith and credit to the Refunding Bonds as a continuation of the Prior Bonds; and

WHEREAS, the refunding of the Prior Bonds will reduce the overall exposure of the County’s full faith and credit pledge due to the reduction in overall interest cost under the Refunding Bonds; and

WHEREAS, since the refunding of the Prior Bonds will reduce the exposure of the County, and based on the findings of the savings report from PFM that the refunding of the Prior Bonds will provide an interest cost savings to the County and the people of the County, the Ingham County Drain Commissioner recommends that the Prior Bonds be refunded and that the County confirm its pledge of full faith and credit to the Refunding Bonds.

NOW, THEREFORE, IT IS RESOLVED as follows:

1. The County pledges its full faith and credit for the prompt payment of the principal of and interest on the Refunding Bonds to the extent of special assessments against property and public corporations in the County, and the County agrees that in the event that property owners or public corporations in the County shall fail to pay the amount of any such special assessment installment and interest (in anticipation of which the Refunding Bonds are issued) when due, or there is otherwise a shortfall of funds available to pay the principal of and interest on the Refunding Bonds attributable to the percentage of the Project apportioned to the County, then the County will immediately make such advancement from funds of the County and the County Treasurer is directed to immediately make such advancement to the extent necessary. The ability of the County to levy taxes to pay its share of the principal of and interest on the Refunding Bonds shall be subject to constitutional and statutory limitations on the taxing power of the County.

2. Should the County advance County funds pursuant to the pledge made in this Resolution, the amounts shall be repaid to the County from assessments or reassessments made as provided in the Act.

3. The Chairperson of the Board, the County Controller/Administrator, the County Clerk, the County Treasurer and any other official of the County, or any one or more of them (“Authorized Officers”), are authorized and directed to take all actions necessary or desirable for the issuance of the Refunding Bonds and to execute any documents or certificates necessary to complete the issuance of the Refunding Bonds, including, but not limited to, any applications including the Michigan Department of Treasury, Application for State Treasurer’s Approval to Issue Long-Term Securities, any waivers, certificates, receipts, orders, agreements, instruments, and any certificates relating to federal or state securities laws, rules, or regulations and to

4. Any one of the Authorized Officers is hereby authorized to execute a certificate of the County to comply with the continuing disclosure undertaking of the County with respect to the Refunding Bonds pursuant to paragraph (b)(5) of SEC Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the “Continuing Disclosure Certificate”). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

5. All resolutions and parts of resolutions are, to the extent of any conflict with this resolution, rescinded to the extent of the conflict.
