LIMITED PUBLIC COMMENT

Joseph C. Groff, Board of Canvassers Member, stated that the Board of Canvassers was a volunteer board that worked very well together to get their job done. He further stated that the Board of Canvassers performed a vital service to the County that was an integral part of the election process.

Mr. Groff stated that the Board of Canvassers made sure every ballot was included in election totals. He further stated that the Board of Canvassers made the official determination of the outcome of all County election events.

Mr. Groff stated that that task was sometimes tedious but that the Board of Canvassers performed their duties because they were community-oriented, service-minded and asked to serve. He further stated that he was coming before the Board of Commissioners to ask them to reconsider Resolution 19-176, which changed Canvasser pay from a daily rate to an hourly rate.

Mr. Groff stated that the same day Resolution 19-176 was adopted, Resolution 19-175 was also adopted, establishing an increased per diem of $75 for the six other boards. He further stated that those Board meetings were mostly only one to two hours long.

Mr. Groff stated that for the Board of Canvassers members to earn $75, they would have to work 5 hours.

Mr. Groff stated that many of the Board of Canvassers’ days are over 5 hours, but not always. He further stated that, for example, the December 5th recount of East Lansing School District lasted an hour, which under the new program would have paid Canvassers $15.

Mr. Groff stated that the Board of Canvassers completed most of their work on the May 7th school referendum on the first day, in three and three quarters hours, for which they will receive $56.25. He further stated that the Board of Canvassers returned for a second day for a half hour to complete paperwork, for which each Canvasser will receive $7.50.

Mr. Groff stated that, under the new compensation plan, for the three days, the Canvassers would have received $78.75, while members of the six Boards, under Resolution 19-175, would have received $225.

Mr. Groff stated that if the idea of the new hourly rate was to better compensate the Board of Canvassers for their hard work, it does not always work. He asked the Board of Commissioners to reconsider resolution 19-176.

Chairperson Crenshaw thanked Mr. Groff for his comments.

Jacob McCormick, Ingham County Historical Commission Chairperson, presented the 2019 Ingham County Heritage Award to Caroline Cooper in recognition of Blue Stars in Every Window, her 564 page book on the history of Mason and World War II.

Caroline Cooper accepted the 2019 Ingham County Heritage Award. She thanked the veterans and their families for allowing her to preserve their stories and the Mason Area Historical Society for their support and funding of the project.
Chairperson Crenshaw thanked and congratulated Ms. Cooper.

Barb Byrum, County Clerk, made the following statement, in response to Mr. Groff:

“Thank you for the opportunity to speak during Public Comment in regards to complaints you have received about the Ingham County Canvasser Pay and other policy changes.

On December 28, 2018, then Governor Rick Snyder signed Public Act 614 of 2018. The legislation requires that the Board of Commissioners consult with the County Clerk to determine compensation for the Board of County Canvassers and any assistants needed.

In response, I as Clerk, worked with Ingham County Board Director Bennett to propose to you a compensation plan, which you adopted with Resolution 19-176.

The rate was based on my desire to respect the value canvassers provide to the public. Personally, I preferred the hourly rate as during a canvass, canvassers work many hours at a time. Previously, a canvasser would only earn $60 for an entire day’s worth of work.

This resolution also offered a perfect opportunity to correct some past practices that I know to be in direct conflict with County Policy.

In fact, in August 2017, I let the Canvassers know that I would no longer authorize mileage reimbursement for them to attend regular meetings, which was a past practice but in direct conflict with County Policy. I received quite a bit of pushback from the Republican members, one of whom is also pushing back about this hourly pay rate, today.

To recap, under Resolution 19-176, no longer will Canvassers be provided food at County expense, which is in accordance with County Policy of not feeding County employees. If I am prohibited by County Policy to feed my staff, many of whom work from 6 a.m. on Election Day until 3 or 4 a.m. the following Wednesday, then the Canvassers certainly should not be fed either.

The hourly pay will also assist the canvassers and my Office to complete the canvass as soon as possible rather than coming back the next day.

For comparison purposes, I would like to identify the current fees for Michigan’s largest counties:

Wayne County        $25 set fee
Oakland County      $15/hour canvassers and $13/hour assistant canvassers
                     Same as Ingham County
Macomb County       Very generous at $185/day or $75 if less than 2 hours
Kent County         $50/4 hours or less and $100/full-day
                     An 8-hour full-day would be $12.50
Genesee County      $35/half-day and $70/full-day
MAY 14, 2019 REGULAR MEETING

An 8-hour full-day at $70 would amount to approximately $8.75/hour

| Ottawa County     | $40/half-day and $70/full-day  
                    An 8-hour full-day at $70 would amount to $8.75/hour|
| Kalamazoo County  | $50/half-day and $100/full-day  
                    An 8-hour full-day at $100 would amount to $12.50/hour|
| Saginaw County    | $50/half-day and $100/full-day  
                    An 8-hour full-day at $100 would amount to $12.50/hour|
| Livingston County | $40/4 hours or less and $75 for over 4 hours  
                    An 8-hour full day at $75 would amount to $9.37/hour|

So Ingham County Canvasser pay is actually on the higher side amongst the counties of similar size. In fact, I have added approximately $18,000 to my Elections Budget request for this purpose, as 2020 will be a much busier election year.

In my opinion, the previous speaker opposes me just for the sport of opposing me.

Serving as a Canvasser is just that, serving. Public service should not be about the income received but rather the service offered.”

Chairperson Crenshaw thanked Clerk Byrum for her comments.

CLARIFICATION/INFORMATION PROVIDED BY COMMITTEE CHAIR

Commissioner Grebner asked if the matter of Canvasser pay could be referred to the County Services Committee.

Discussion.

Chairperson Crenshaw stated that it would be up to the Chairperson of the County Services Committee to bring the matter back before that Committee.

WHEREAS, the Road Department has determined that pavement recycling, asphalt resurfacing, and repairs are needed on the various county primary roads listed below, due to normal deterioration over time; and

WHEREAS, the cost for the primary road projects listed below is/will be budgeted in the 2019 Road Fund Budget, which will be supplemented per a separate future resolution to adjust the 2019 Road Fund Budget to recognize approximately $2.9 million in additional state revenue provided per Michigan Public Acts 207 and 618, both of 2018, and an additional estimated $1.3 million Road Fund balance available for additional 2019 primary road resurfacing; and

WHEREAS, the Ingham County Purchasing Department solicited and received sealed bids in accordance with Ingham County Purchasing policies for this project per Bid Packet #72-19, Items IV, V, and VI; and

WHEREAS, the bids were reviewed by the Ingham County Purchasing and Road Departments, and both Departments were in agreement that the low bidders’ proposals met all necessary qualifications, specifications and requirements; and

WHEREAS, Michigan Paving & Materials Company, of Lansing, MI, submitted the lowest responsive and responsible bid for Item V and Rieth-Riley Construction Company, Inc. of Lansing, MI, submitted the lowest responsive and responsible bids for Items IV & VI as follows:

Item IV: Low Bid--$ 1,351,352.08
Recycling and resurfacing of:
Howell Road, Williamston Road to Dietz Road

Item V: Low Bid--$ 1,049,134.47
Recycling and resurfacing of:
Okemos Road, Central Park Drive to Lake Lansing Road

Item VI:  Low Bid--$ 1,299,963.71
Recycling and resurfacing of:
Eden Road, Kinneville Road to Barnes Road

and;

WHEREAS, due to increased demand for road construction, contractors currently have very full road work
schedules and prices have risen dramatically this spring; so as a result, the low bid received for Item IV is
higher than the funding available, such that it is recommended to reject all bids received for Item IV of Bid
Packet #72-19; and

WHEREAS, a contingency is being requested in the amount of 10% of the low bid costs for Items V and VI in
Bid Packet #72-19, totaling $104,913.45 for Item V and $129,996.37 for Item VI, as may be needed for any
additional work deemed necessary by Road Department staff.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners approves entering into a
contract with Michigan Paving & Materials Company for Item V with the low bid cost shown above plus a 10%
requested contingency for a contract total of $1,154,047.92 and entering into a contract with Rieth-Riley
Construction Company, Inc. for Item VI with the low bid cost shown above plus a 10% requested contingency
for a contract total of $1,429,960.08, all of which include the recycling, resurfacing and related work as
specified in the Ingham County Road Department’s Bid Packet #72-19.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners approves deferring action on
all bids received for Item IV of Bid Packet #72-19.

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO REPLACE ROOF AT THE ROAD DEPARTMENT EASTERN DISTRICT GARAGE

RESOLUTION # 19 – 209

WHEREAS, the Ingham County Road Department (ICRD) Eastern District Garage has a 40 year old roof in need of replacement with many temporary repairs and has exceeded its life expectancy; and

WHEREAS, the ICRD’s 2018-2019 carry over budget adjustment will have funds available for this roof project and other ICRD projects; and

WHEREAS, the Purchasing Department recently released bid packet #12-19 and received competitive bid proposals for the purpose of the removal and replacement of ICRD Eastern Garage roof, with all required upgraded to meet Local, State and Federal building code standards; and

WHEREAS, bids were solicited and evaluated by the Ingham County Road and Purchasing Departments and the architectural consultant hired for the project, Roger L. Donaldson AIA, P.L.C., per RFP #12-19, recommends to award the roof project to the lowest qualified bidder, Quality Roofing Inc., Whitmore Lake, Michigan.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners accepts the lowest qualified bid of $159,400, plus the cost of any additional required metal decking replacement at $7.50 per square foot, and authorizes an agreement with Quality Roofing Inc., Whitmore Lake, Michigan, to remove the existing roof and install a new roof to be compliant with current building codes at the ICRD Eastern District Garage.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson to sign any necessary documents that are consistent with this resolution on behalf of the County after approval as to form by the County Attorney.

WHEREAS, the Board of Commissioners set various fees for county services in Resolution #02-155 based on information and recommendations of the *Maximus Cost of Services Analysis* completed in 2002; and

WHEREAS, the Board of Commissioners also established the percent of the cost of providing the services which should be recovered by such fees, referred to in this process as a “target percent”; and

WHEREAS, the Board of Commissioners has directed the Controller’s Office to establish a process for the annual review of these fees and target percents; and

WHEREAS, the annual average United States’ consumer price index was used as the cost increase factor; and

WHEREAS, this cost increase factor is applied to the previous year’s calculated cost and multiplied by the target percent and in most cases rounded to the lower full dollar amount in order to arrive at a preliminary recommended fee for the upcoming year; and

WHEREAS, in cases where the calculated cost multiplied by target percent is much higher than the current fee, the fee will be recommended to increase gradually each year until the full cost multiplied by target percent is reached, in order to avoid any drastic increases in fees; and

WHEREAS, in cases where the calculated cost multiplied by target percent is lower than the current fee, no fee increase will be recommended for that year; and

WHEREAS, after initial recommendations are made by the Controller, these recommendations are distributed to the affected offices and departments, in order to receive their input; and

WHEREAS, after reviewing the input from the affected offices and departments, the Controller makes final recommendations to the Board of Commissioners; and

WHEREAS, the Controller’s Office has finished its annual review of these fees and recommended increases where appropriate based on increased costs of providing services supported by these fees and the percent of the cost of providing the services which should be covered by such fees as established by the Board of Commissioners; and

WHEREAS, the Board of Commissioners has reviewed the Controller’s recommendations including the target percentages, along with recommendations of the various county offices, departments, and staff.
THEREFORE BE IT RESOLVED, that the Board of Commissioners authorizes or encourages the following fee increases in the Attachments at the rates established effective January 1, 2020 with the exception of the Health Department and Friend of the Court, where new rates will be effective October 1, 2019, the Park and Zoo winter seasonal fees and the Park Annual Passes which will be effective starting November 1, 2019.

BE IT FURTHER RESOLVED, that the fees within major Health Department services are not included on the attachments and were not set by the policy above, but rather through policy established in Resolutions #05-166 and #05-242.

WHEREAS, the Ingham County Central Dispatch Management team with the evaluation team are unanimously recommending that the Ingham County Board of Commissioners authorize the purchase of Solacom’s Guardian product, training, equipment, and support services to replace its current communication/phone system; and

WHEREAS, funds for this project are available within the fund balance of the 9-1-1 Emergency Telephone fund; and

WHEREAS, the Ingham County Central Dispatch Management team will continue to pursue a federal E911 grant through the State of Michigan to mitigate the expense of this system, equipment, training, and any other allowable expenses within the grant parameters.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby authorizes a contract with Solacom Technologies for the purchase of the Guardian product, equipment necessary to support the geo-diverse system design, training, and customer support.

BE IT FURTHER RESOLVED, that optional items are to be negotiated with the company for enhancement of Ingham County Central Dispatch’s service.
BE IT FURTHER RESOLVED, that the Board of Commissioners authorizes a total purchase amount not to exceed $1,041,504.69.

BE IT FURTHER RESOLVED, that incidental costs of up to $5,000 will be covered from within the 9-1-1 Central Dispatch Center operating budget.

BE IT FURTHER RESOLVED, that the 9-1-1 Director is authorized to sign change orders with Solacom Technologies, provided that the change orders do not increase the total cost of the project as approved by this resolution.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make any necessary budget adjustments consistent with this resolution.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chair to sign any necessary contract/purchase order documents that are consistent with this resolution and approved as to form by the County Attorney.

Commissioner Sebolt disclosed that Florensio Hernandez contributed to his campaign.

The motion carried unanimously.

PUBLIC COMMENT

Joe Groff stated that he was not opposed to the Clerk, he was opposed to some of the tactics that happen there. He further stated that he talked to many counties that have also changed their procedures and that those other counties polled the county canvassers.

Mr. Groff stated that, as far as he knew, only one of the Ingham County Canvassers was asked and that none of the others were asked. He further stated that he could not care less about lunch and mileage and that he did not always take lunch or mileage.

Mr. Groff stated that his concern was how the Canvassers were compensated because they provided a vital service and they should be treated as such. He further stated that he felt the Canvassers were not always respected and appreciated.

Mr. Groff stated that he was not opposed to the hourly pay because the Canvassers would make out like bandits come November, but because of other situations in which the Canvassers would not make out as well. He further stated and that he would recommend a minimum of a half day pay and then go for the hourly pay after that.

Mr. Groff stated that to say he was opposed or that Republicans were opposed was a falsehood.

Chairperson Crenshaw thanked Mr. Groff for his comments.

COMMISSIONER ANNOUNCEMENTS

None.

CONSIDERATION AND ALLOWANCE OF CLAIMS

Commissioner Morgan moved to pay the claims in the amount of $2,477,933.73. Commissioner Koenig supported the motion.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - These financial statements are prepared on the accrual basis of accounting. Additions are recorded when billed and deductions are recorded based upon the provisions of Michigan Public Act 32. Since the statute mandates cost recoveries, there is no income, loss or corresponding fund balance.

Classification of assets and liabilities - The financial activities of the Pool do not generally involve a business cycle since the recognition of assets and the payment of liabilities are based on specific circumstances. Accordingly, the classification of assets and liabilities between current and long-term is not used.

Common funds - The service suppliers utilize a common bank account for the seventy-nine service districts within the State of Michigan (the Pool). All funds within the Pool are held in trust solely for participating service suppliers. Cash and cash equivalents consist of cash on deposit and short-term investments with maturities of twelve months or less. Interest earnings, generally immaterial, are credited to the various service districts to reduce reported costs.

Accounts receivable - Accounts receivable are reported at the amount management expects to collect on balances outstanding at year-end. Receivable amounts are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Federal income tax - Due to the nature of the Pool, taxes on income are not applicable. Accordingly, these financial statements do not reflect a provision for income taxes and the Pool has no other tax positions which must be considered for disclosure.

Amounts due to or from common funds - represents the service district's cash and cash equivalents or advances from the Pool bank account.

Accounts payable and receivable - service suppliers - represents the amounts due to or from the emergency telephone service suppliers within the service district. Accounts receivable do not bear interest.
NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Additions - represent the monthly billings of technical surcharges to end users by the service suppliers. These amounts are determined in accordance with the provisions of Michigan P.A. 32 and are subject to maximum caps as stipulated by that statute.

Deductions - represent the costs of providing the emergency telephone network, switching, billing and collection, and similar amounts by the service suppliers to end users in the service district.

Surplus or deficit - represents future refunds or billings to adjust for the over or under collection of surcharges from the service end users.

NOTE 2 - NATURE OF ORGANIZATION, RISKS, AND UNCERTAINTIES

The Ingham County E911 Technical Surcharge Pool is an unincorporated association of suppliers of emergency (911) telephone service within Ingham County, in the State of Michigan. It was formed to provide for the settlement of costs between service suppliers as required by Public Act 32 (P.A. 32) of 1986, as amended.

The service suppliers for this service district are CenturyTel Midwest, CenturyTel of Upper Michigan, Comcast, Frontier Communications, AT&T, Matrix Telecom, Shiawassee Telephone Company, Springport Telephone Company, Sprint, TDS Metrocom, and TelNet Worldwide. In accordance with Michigan P.A. 32, these service suppliers are entitled to recovery of costs as defined by the statute. In addition, the statute requires uniform billing on a geographic basis. Each service supplier reports its billings and costs. These amounts are then pooled and settlements for over or under collections are made.

The Pool is required to disclose significant concentrations of credit risk regardless of the degree of such risk. Financial instruments that potentially subject the Pool to concentrations of credit risk consist principally of temporary cash investments. The Pool places its temporary cash investments in a Money Market account with funds backed by the United States Government. In the opinion of management these funds are subject to minimal risk.

Management evaluates events and transactions that occur after year end for potential recognition or disclosure in the financial statements. These subsequent events have been considered through March 31, 2019, which is the date the financial statements were available to be issued.

In the preparation of tax returns, tax positions are taken based on interpretation of federal, state and local income tax laws. Management periodically reviews and evaluates the status of uncertain tax positions and makes estimates of amounts, including interest and penalties, ultimately due or owed. No amounts have been identified, or recorded, as uncertain tax positions. Federal, state and local tax returns generally remain open for examination by the various taxing authorities for a period of three to four years.
NOTE 2 - NATURE OF ORGANIZATION, RISKS, AND UNCERTAINTIES (Concluded)

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets, and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from estimated amounts.

NOTE 3 - SURCHARGE RATES

P.A. 32 permits the recovery of both recurring and nonrecurring charges. Recurring charges are defined as the amounts necessary for the ongoing operation of the system. Nonrecurring charges are for the initial setup and non-operational installation of trunks, circuits and similar items. Depending on the date of commencement of service, the nonrecurring charges are subject to various amortization rates and periods of up to ten years. From January 1, 2018 to May 4, 2018 the Ingham County billed access-facility monthly rates were recurring $0.27 and non-recurring $0.00.

NOTE 4 - SUBSEQUENT EVENT

On March 6, 2018, Michigan Senate Bill 400 was signed into law. This law is a comprehensive rewrite of the 911 funding mechanism. Included in the law are changes in the way 911 technical surcharges for recurring and non-recurring costs are recovered from subscribers. There will now be one statewide technical recurring rate and one statewide non-recurring rate. The new monthly rate will be $0.53 for recurring costs and $0.02 for non-recurring costs for a total 911 technical surcharge of $0.55 per month. This new rate is effective May 5, 2018.

ABSENT: ____________________________________________

The following preamble and resolution were offered by Commissioner Nichols and supported by Commissioner Musta.

RESOLUTION NO. 19-12
FUNDING THE GREAT LAKES RESTORATION INITIATIVE

WHEREAS, The Great Lakes are a critical resource for our nation, supporting the economy and a way of life in Michigan and the other seven states within the Great Lakes region. The Great Lakes hold 20 percent of the world's surface freshwater and 90 percent of the United States' surface freshwater. This globally significant freshwater resource provides drinking water for more than 30 million people and directly supports 1.5 million jobs, generating $62 billion in wages; and

WHEREAS, The Great Lakes Restoration Initiative (GLRI) provides essential funding to restore and protect the Great Lakes. This funding has supported long overdue efforts to clean up toxic pollution, reduce runoff from cities and farms, combat invasive species, and restore fish and wildlife habitat. Since 2010, the federal government has partnered with public and private entities and invested more than $2 billion in over 2,900 projects throughout the region. Over its first six years, the GLRI has provided more than $425 million for more than 500 projects in Michigan alone. The Brookings Institution has estimated that every dollar invested in the Great Lakes produces two dollars in long-term economic benefits; and

WHEREAS, GLRI projects are making a significant difference. They have restored more than 150,000 acres of fish and wildlife habitat; opened up fish access to more than 3,400 miles of rivers; helped implement conservation programs on more than 1 million acres of farmland; and accelerated the cleanup of toxic hotspots. In Michigan, GLRI funding has been instrumental in removing contaminated sediments from Muskegon Lake, the River Raisin, and the St. Mary's River; in restoring habitat along the St. Clair River, Cass River, Boardman River, and the Keweenaw Peninsula; and in the delisting of White Lake in Muskegon County and Deer Lake in the Upper Peninsula as areas of concern; and

WHEREAS, While a significant investment, past GLRI funding represents only a small portion of the amount needed to restore and protect the Great Lakes. Toxic algal blooms, beach closings, fish consumption advisories, and the presence of contaminated sediments continue to limit the recreational and commercial use of the Great lakes; and

WHEREAS, Any cuts to GLRI funding would jeopardize the momentum from over a decade of unprecedented regional cooperation. Draft federal budgets have proposed a 97 percent reduction in GLRI funding. These cuts would be a short-sighted, short-term cost-saving measure with long-term implications. Restoration efforts will only become more expensive and more difficult if they are not addressed in the coming years.
NOW, THEREFORE BE IT RESOLVED, That the Wexford County Board of Commissioners opposes slashing federal funding for the Great Lakes Restoration Initiative.

BE IT FURTHER RESOLVED, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation as well as the other 82 Michigan counties.

3. Proration.

   (a) Effective the first full pay period of April, 2010, the accrual rates in Subsection (1) of this Article are based upon a full-time employee being on the active payroll and compensated for all of the payroll period. Being on the active payroll and compensated means receiving wages, or on paid leave, such as paid sick leave, holidays, vacation, compensatory leave, county paid military leave, or paid union leave. An employee shall not be considered on the active payroll and being compensated when they are on unpaid leaves, workers compensation, disability leave, unpaid FMLA, or layoff. Accruals shall be prorated if a full time employee is on the active payroll and compensated less than eighty (80) hours in a payroll period. Accruals provided in Subsection 2, above, for part-time employee shall be prorated if the part-time employee is on the active payroll and compensated less than forty (40) hours in a payroll. Proration under this section will be calculated based on the ratio of time compensated versus the applicable normal full payroll amount (80, 60, or 40 hours).

   (b) Unpaid time taken off pursuant Ingham County Board of Commissioners’ Resolution #09-081, or any resolution continuing such unpaid time off policy, and any unpaid furlough days that may hereinafter be approved by the Ingham County Board of Commissioner, will not affect accrual of any vacation or sick leave, and, rather, such leave will accrued as though the unpaid time off or furlough days had been worked.

4. Vacation leaves shall be scheduled by the department head in accordance with operating requirement, and, where possible, with the written request of the employee. The amount of vacation leave charged to an employee during an annual leave will be equal to the number of regularly scheduled hours that would otherwise have been worked during the period of absence on
such leave. A maximum of three hundred eighty (380) four hundred fifty (450) hours vacation leave may be accumulated for use by an employee. Payout to an employee at termination of service is limited to a maximum of three hundred eighty (380) hours.

5. Absence due to an employee’s medically verified illness or disability in excess of previously accumulated sick leave hours may be charged against vacation credits at the employee’s request.

6. An employee whose service is terminated voluntarily or involuntarily is entitled to receive a vacation payout for all accrued vacation hours, subject to the allowable maximum.
