Ms. Seyka stated that she wanted to reiterate the crucial partnership that existed with the Health Department to offer these services.

**CLARIFICATION/INFORMATION PROVIDED BY COMMITTEE CHAIRS**

Commissioner Tennis stated that he wanted to respond to the public comments. He further stated that he did not believe anyone on the Board was questioning the quality of services that SVCC rendered. Commissioner Tennis moved to adopt the resolution. Commissioner Slaughter supported the motion.

Commissioner Stivers moved to amend the resolution by adjusting the millage rate from 0.7000 to 0.6300. Commissioner Tennis supported the motion.

Chairperson Crenshaw asked the County Attorney whether this could be a friendly amendment.

Dave Stoker, County Attorney, advised that it would be construed as a friendly amendment.

Commissioner Sebolt stated that he would move for a vote on the amendment.

Commissioner Morgan stated that he opposed the amendment. He further stated that the Board had the discretion to not levy the full 0.7 mills and it would be better to have the flexibility.

Commissioner Stivers stated that amendment was based on the numbers requested by Community Mental Health of Clinton, Eaton, and Ingham Counties (CMH) and Ingham Health Plan Corporation (IHP). She further stated that we could decide not to levy the full 0.63 mills if the funds were not needed.
Commissioner Grebner stated that whatever we think may happen does not happen. He further stated that they always found themselves in a different situation than the year before.

Mr. Stoker stated that if the amendment was adopted, the estimated amount of the levy in the first year should be revised in the ballot language as well.

Chairperson Crenshaw stated that that piece would need to be amended too.

Commissioner Naeyaert stated that with respect to the current millage, we have lowered it. She further stated that she believed that IHP continued to provide scenarios rather than realities. Commissioner Naeyaert stated that she did not support an increase where we did not have a reality-based decision.

Commissioner Trubac stated that he supported the amendment. He further stated that he did not believe in throwing larger numbers onto millage proposals so maybe we could raise it later if needed. Commissioner Trubac stated that he believed in going to the voters in good faith based on the numbers we believed we needed.

Commissioner Sebolt stated that he appreciated Commissioner Naeyaert’s concerns in this matter. He further stated that he felt IHP had been providing the best numbers they could in a fluid situation. Commissioner Sebolt stated that so much was changing in healthcare on a day-to-day basis, including the current administration’s effort to sue to end healthcare coverage as we knew it. Commissioner Sebolt stated that he preferred to know that Ingham County would have the broadest level of support to the widest number of residents possible in the event the unfortunate would happen. He further stated that he supported the resolution and millage rate as set by the Human Services Committee.

Commissioner Tennis asked what the numbers would be.

Teri Morton, Deputy Controller, stated that it would be $4,840,219.

Chairperson Crenshaw stated that the number was confirmed.

Commissioner Koenig asked if the 0.7 mill was the result of the math error.

Commissioner Stivers answered yes.

Commissioner Morgan stated that we wanted to come up with a clean 1.0 mill total for healthcare services and senior services.

The motion to amend the resolution carried. **Yeas:** Celentino, Grebner, Koenig, Maiville, Naeyaert, Polsdofer, Schafer, Stivers, Tennis, Trubac **Nays:** Crenshaw, Morgan, Sebolt, Slaughter **Absent:** None

Commissioner Stivers moved to amend the resolution to change the election that the ballot question would go before the voters from the March 10, 2020 election to the August 4, 2020 election. Commissioner Polsdofer supported the motion.

Commissioner Morgan stated that he opposed this motion because the March ballot would be the most friendly and this was a tax increase. He further stated that he appreciated the dilemma faced in Williamstown Township, however the Board should be reminded that out of 280,000 Ingham County residents, only 4,978 or 1.7% were
Williamstown Township residents. Commissioner Morgan stated that by changing the date, we were imperiling other proposals such as the City of Lansing’s parks renewal.

Commissioner Grebner stated that they could not possibly avoid stepping on the proposals of other millage authorities. He further stated that he did not believe having this millage question on the March ballot would be disadvantageous for Williamstown Township. Commissioner Grebner stated that should this amendment pass, we would be providing a favor to a group of people who had requested it.

Commissioner Stivers stated that she did not believe it was a favor to work on behalf of constituents.

Commissioner Polsdofer stated that what Williamstown Township had requested was a matter of regional cooperation.

Commissioner Tennis stated that it was not unusual for local governments to discuss coordination like this. He further stated he would support the amendment.

Commissioner Schafer stated that Williamstown Township was in his district. He thanked his colleagues for raising this amendment.

Commissioner Koenig stated that sometimes one did the wrong thing for the right reasons.

Commissioner Morgan stated that we were discussing a population receiving healthcare services, including mental health treatment. He further stated that March was our best opportunity and August may not be a friendly ballot.

The motion to amend the resolution carried. Yeas: Celentino, Koenig, Maiville, Naeyaert, Polsdofer, Schafer, Stivers, Tennis, Trubac, Crenshaw Nays: Grebner, Sebolt, Morgan, Slaughter Absent: None

Mr. Stoker advised that the 0.63 mill and August 4, 2019 amendments needed to be consistent throughout the resolution. He also advised that the dollar amount need to be addressed.

Chairperson Crenshaw stated that the amendments would be consistent throughout the resolution.

Commissioner Grebner stated that now that the date had changed, if there was a mistake, it could be brought back to be corrected.

Commissioner Schafer stated that when we passed the original health service millage, the information provided was erroneous at best and therefore left a bad taste in his mouth. He further stated that when we discussed need, the Justice Center and Juvenile Justice millages both included monies for mental health treatment. Commissioner Schafer stated that just because someone had a request, did not mean it should be granted. He further stated that it meant you looked at all your funding options. Commissioner Schafer provided a brief overview of taxes levied and fees collected. He further stated that he would be voting no on this millage.

Commissioner Sebolt stated that this resolution was important as it provided needed healthcare to Ingham County residents. He further stated that he was pleased that mental health was now included in healthcare. Commissioner Sebolt stated that the jail millage provided mental health services for those who accessed the criminal justice system. He further stated that this millage was for Ingham County residents generally.
Commissioner Tennis provided an overview of the history of this millage.

Commissioner Naeyaert stated that she had concerns regarding IHP. She further stated that the voters would decide whether to support this millage. Commissioner Naeyaert stated that she appreciated the enhanced accountability.

Commissioner Schafer stated that he raised the issue because of the tax burden. He further stated that he was disappointed with previous accountability issues regarding the spending of millage funds.

Commissioner Morgan stated that this was not an IHP millage, but a more holistic health services millage. He further stated the Committee had worked hard to make sure that the language was flexible to address emerging needs.

Commissioner Grebner stated that this county spent $3 billion on healthcare. He further stated that this millage was approximately $3 million. Commissioner Grebner stated that those who fell through the cracks would be able to access some services. He further stated that the overall tax burden was low because of low taxable values. Commissioner Grebner stated that the Board had the power to place millage languages on the ballot, which was powerful. He further stated that we had an electorate who trusted us and said yes to our millage questions.

Commissioner Koenig stated that there was no reason why we should not provide healthcare to all of our people from birth to death. She further stated that she supported this resolution.

Commissioner Schafer stated that it was overdue that we had this discussion.

Commissioner Naeyaert stated that she thanked her Democratic colleagues for the opportunity to have these discussions and to be considered an equal in them.

Commissioner Slaughter stated that he supported this resolution and thanked Commissioner Naeyaert for her contributions.

The motion to adopt the resolution, as amended, carried by roll call vote. **Yeas:** Celentino, Crenshaw, Grebner, Koenig, Morgan, Naeyaert, Polsdofer, Schafer, Sebolt, Slaughter, Stivers, Tennis, Trubac **Nay:** Maiville **Absent:** None

Mr. Stoker asked for clarification that Agenda Item No. 23 should be on the March 10, 2020 election.

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION REQUESTING AN ATTORNEY GENERAL OPINION AS TO THE COUNTY’S STATUTORY AUTHORITY TO REGULATE THE KEEPING OF LIVESTOCK AND POULTRY UNDER THE DOG LAW OF 1919 AND MCL 46.11(J) AND DEFER FURTHER AMENDMENT OF ART. VIII OF THE ORDINANCE PENDING RECEIPT OF THAT OPINION

RESOLUTION # 19 - 477

WHEREAS, the Ingham County Animal Control Ordinance was adopted by the Board of Commissioners on September 18, 1972, and has subsequently been amended; and

WHEREAS, under Art. VIII of the Ordinance, as amended, livestock and poultry are generally prohibited from non-agricultural areas within the County, with an exception for the keeping of chickens in non-agricultural areas under certain conditions; and

WHEREAS, some County residents have requested an Ordinance amendment allowing for the keeping of a limited number of ducks on residential land in urban areas, under certain conditions; and

WHEREAS, the County Attorney has raised a question as to whether the County possesses the statutory authority under the Dog Law of 1919, MCL 287.289a, and the County’s general Ordinance-making authority under MCL 46.11(j), to regulate the keeping of livestock and poultry, and to enforce those regulations; and

WHEREAS, the lack of specific statutory authority for the regulation of keeping livestock and poultry under Art. VIII of the Ordinance means that those regulations would be open to legal challenge, and may be found by a Court to be beyond the County’s authority, and held unenforceable.

THEREFORE BE IT RESOLVED, that the Ingham County Controller shall take the necessary steps to request a formal Attorney General Opinion on the issue of whether State law authorizes a County to regulate the keeping of livestock and poultry under a County Animal Control Ordinance adopted under the Dog Law of 1919 and MCL 46.11(j).

BE IT FURTHER RESOLVED, that any further amendment of Art. VIII of the Ingham County Animal Control Ordinance or otherwise pertaining to the keeping of livestock and poultry shall be deferred pending receipt of the Attorney General Opinion.

RESOLUTION TO REORGANIZE THE CIRCUIT COURT CLERK'S OFFICE

RESOLUTION # 19 - 478

WHEREAS, since April 16, 2019, Circuit Court case filings in General Trial Criminal and Civil areas in addition to those in Domestic Relations have been maintained in paperless form through the use of imaging; and

WHEREAS, since going “paperless” in the above described areas the need to pull and reshelve physical files has decreased while the importance of docketing and scanning has increased; and

WHEREAS, one of the main duties of the Deputy Clerk I position is to pull and reshelve physical files; and

WHEREAS, one of the main duties of the Deputy Clerk III position is to docket and scan filings; and

WHEREAS, over the years the Circuit Court Clerk’s Office has lost Deputy Clerk II positions that are devoted to assisting people at the counter; and

WHEREAS, for some time now it has been necessary to put a Deputy Clerk III at the counter to assist with the workload there, thereby taking the Deputy Clerk III away from her or his docketing and scanning duties; and

WHEREAS, the Circuit Court Clerk’s Office has a total of 3 FTE at the level of Deputy Clerk I, and 1.5 FTE of this total has been vacant for some time; and

WHEREAS, of the 1.5 FTE Deputy Clerk I that is currently filled, 1 FTE is devoted to, among other things, answering the main line of the Circuit Court and processing the daily mail, while .5 FTE is devoted to some level of pulling files and re-shelving but also assists with other general tasks in the office that need to be done; and

WHEREAS, when the remaining .5 FTE Deputy Clerk I becomes vacant it would be reasonable to fold that position into the new .5 FTE of Deputy Clerk II to make 1 FTE Deputy Clerk II; and

WHEREAS, were the currently vacant 1.5 FTE Deputy Clerk I to be converted to 1 FTE Deputy Clerk III and .5 FTE Deputy Clerk II, positions would be realigned in the Circuit Court Clerk’s Office to reflect the current work needs of the office; and

WHEREAS, the Human Resources Department has reviewed job descriptions for accuracy and is recommending the reorganization as detailed here; and

WHEREAS, the UAW has reviewed and is in support of the proposed changes; and
WHEREAS, the long-term cost of this reorganization would be $10,044, including the later conversion of the currently filled half-time Deputy Clerk I position to Deputy Clerk II; and

WHEREAS, should the above reorganization be approved, the additional cost to the Circuit Court in the 2020 budget would be $7,019 ($1,373 based on changing .5 FTE Deputy Clerk I to .5 FTE Deputy Clerk II at Step 1, and $5,646 based on changing 1 FTE Deputy Clerk I to 1 FTE Deputy Clerk III at Step 1), an amount the Circuit Court is willing and able to absorb within its operating budget; and

WHEREAS, the Circuit Court will work with the Controller’s Office to address ongoing funding for this reorganization as part of the budget process.

THEREFORE BE IT RESOLVED, that the Board of Commissioners does hereby authorize the reorganization of the Circuit Court Clerk’s Office by converting the currently vacant full-time Deputy Clerk I (Position Number 130030, UAW/C), to a full-time Deputy Clerk III (UAW/E) and the currently vacant part-time Deputy Clerk I (130059, UAW/C) to a part-time Deputy Clerk II (UAW/D).

BE IT FURTHER RESOLVED, that when the remaining part-time Deputy Clerk I (Position Number 130060, UAW/C) becomes vacant that position, at the discretion of the Circuit Court, will be combined with the part-time Deputy Clerk II (Position Number 130059) to make a full-time Deputy Clerk II.

BE IT FURTHER RESOLVED, that the Controller/Administrator is authorized to make any necessary budget adjustments and changes to the position allocation list consistent with this resolution.

Dear Family Court Judges, Family Court Administrators and County Treasurers:

Please find attached the state ward chargeback rates for calendar year 2020.

The Youth Rehabilitation Services Act, MCL 803.301 et seq., requires that the Department "prescribe the liability of counties for the cost of services for state wards." The Department has determined that the attached rates will be effective for calendar year 2020, effective January 1, 2020. These rates shall remain in effect until the next scheduled revision in 2021.

Each county will continue to be charged one-half of the appropriate per diem costs for care provided to a state ward. There is no chargeback for Title IV-E funded youth placements.

The Department is making every effort to contain the cost of care for youth placed in State facilities while ensuring the provision of quality care.

Medical costs incurred for individual youth that are over and above routine medical care will continue to be billed directly and are not included in the per diem cost. Routine medical care consists of services such as routine physical exams, dental exams, first aid and over the counter medications for common ailments. Any non-routine medical costs for an individual youth will be billed to the county with Court jurisdiction over the youth resulting in commitment to MDHHS under the Youth Rehabilitation Services Act. This change is in keeping with MCL 803.305(1), which requires that "the county from which the public ward is committed is liable to the state for 50% of the cost of his or her care".Attributing non-routine medical costs to the county of commitment will help lower the daily cost for all youth and assign additional medical costs only to the youth in need of such services.
If you have any questions regarding the chargeback rates, please contact Debora Buchanan, Director, Division of Juvenile Justice, Native American Affairs and Race Equity, at (517) 335-3489.

Sincerely,

The following resolution was offered by Goodman and seconded by Bergstrom:

TOWNSHIP of LESLIE
RESOLUTION NO 19-20-4
TO OPPOSE THE PROPOSED INGHAM COUNTY PERIODIC (TEN YEAR OR OTHER) INSPECTION OF SEPTIC SYSTEMS

WHEREAS, the Leslie Township Board of Trustees does not support any changes to the current point of sale system in Ingham County; and

WHEREAS, the Leslie Township Board of Trustees feels unless the periodic (ten year or other) inspection is enacted and overseen by the State of Michigan on a statewide basis this would be futile and an unnecessary financial burden to the residents of Leslie Township; and

WHEREAS, the Leslie Township Board of Trustees feels the periodic (ten year or other) inspection is unfocused and untargeted towards the actual problem of surface and ground water contamination, it being a mandatory inspection without regard to data supporting known hazards to surface and ground water contamination, and health; and

WHEREAS, the USGS Lansing office, the Capital Area Foundation and Tri-County Regional Planning Groundwater Project, that is nearly completed, has shown very little contamination of groundwater in Ingham County from on-site septic systems; and

WHEREAS the periodic (ten year or other) inspection program would create a new division and jobs at the Ingham County Health Department without improving public health and only increase funds flowing to the department, and

NOW THEREFORE BE IT RESOLVED that, the Leslie Township Board of Trustees opposes the proposed Ingham County periodic (10 year or other) inspection of septic systems and recommend continuation of the current point of sale inspections that gives the best protection of any county in Michigan.

RESOLUTION PLEDGING FULL FAITH AND CREDIT TO
WEBBERVILLE CONSOLIDATED DRAIN DRAINAGE DISTRICT BONDS

RESOLUTION # ________

Minutes of a regular meeting of the Board of Commissioners of Ingham County, Michigan, held in the Ingham County Courthouse, Mason, Michigan, on __________, 2019, at _____ p.m., local time.

PRESENT: Commissioners ____________________________________________

ABSENT: Commissioners ____________________________________________

The following resolution was offered by Commissioner _____________ and supported by Commissioner: ____________

WHEREAS pursuant to a petition filed with the Drain Commissioner of the County of Ingham, State of Michigan (the “Drain Commissioner”), proceedings have been taken under the provisions of Act 40, Public Acts of Michigan, 1956, as amended (the “Act”), for the making of certain intra-county drain improvements referred to as the Webberville Consolidated Drain Maintenance and Improvement Project (the “Project”), which is being undertaken by the Webberville Consolidated Drain Drainage District (the “Drainage District”) in a Special Assessment District (the “Special Assessment District”) established by the Drainage District; and

WHEREAS, the Project is necessary for the protection of the public health, and in order to provide funds to pay the costs of the Project, the Drain Commissioner intends to issue the Drainage District’s bonds (the “Bonds”) in an amount not to exceed $4,490,000 pursuant to the Act; and

WHEREAS, the principal of and interest on the Bonds will be payable from assessments to be made upon public corporations and/or benefited properties in the Special Assessment District (the “Special Assessments”); and

WHEREAS, the Drain Commissioner, in consultation with professionals engaged by the Drainage District, has analyzed the Special Assessments and the proposed Bonds; and informed the County that there is no other indebtedness of the Drainage District secured by the Special Assessments, and that the Special Assessments will be levied in an amount equal to or greater than the par amount of the Bonds, assuring the County that there is a sufficient amount of Special Assessments levied, which together with interest thereon is projected to be sufficient to make payments of the principal of and interest on the Bonds as they become due; and

WHEREAS, PFM Financial Advisors LLC has been engaged by the Drainage District to review such projections and to assist the Drainage District as registered municipal advisor for the issuance of the Bonds; and
WHEREAS, the Ingham County Board of Commissioners (the “Board”) may, by resolution adopted by a majority of the members of the Board, pledge the full faith and credit of the County for the prompt payment of the principal of and interest on the Bonds pursuant to Section 276 of the Act; and

WHEREAS, the Drain Commissioner has informed the County that the pledge of the full faith and credit of the County to the Bonds will reduce the interest cost of financing the Project thus reducing the interest cost of the County and the property owners in the Drainage District for the Project; and

WHEREAS, if the County has advanced funds pursuant to its full faith and credit pledge and the Drainage District does not have funds to reimburse the County, the Act requires the Drain Commissioner to levy an additional assessment in such an amount as is required to reimburse the County for its advance; and

WHEREAS, the Drain Commissioner recommends that the Board adopt a resolution to pledge the full faith and credit of the County for the prompt payment of the principal of and interest on the Bonds; and

WHEREAS, based on the recommendation of the Drain Commissioner, the Board agrees to pledge the full faith and credit of the County to the Bonds.

NOW, THEREFORE, IT IS RESOLVED as follows:

1. The County pledges its full faith and credit for the prompt payment of the principal of and interest on the Bonds in a par amount not to exceed $4,490,000. The County shall immediately advance sufficient moneys from County funds, as a first budget obligation, to pay the principal of and interest on any of the Bonds should the Drainage District fail to pay such amounts when due. The County shall, if necessary, levy a tax on all taxable property in the County, to the extent other available funds are insufficient to pay the principal of and interest on the Bonds when due.

2. Should the County advance County funds pursuant to the pledge made in this Resolution, the amounts shall be repaid to the County from assessments or reassessments made upon benefited properties in the Special Assessment District as provided in the Act.

3. The Chairperson of the Board, the County Administrator, the County Clerk, the County Treasurer, the County Finance Director and any other official of the County, or any one or more of them (“Authorized Officers”), are authorized and directed to take all actions necessary or desirable for the issuance of the Bonds and to execute any documents or certificates necessary to complete the issuance of the Bonds, including, but not limited to, any applications including the Michigan Department of Treasury, Application for State Treasurer’s Approval to Issue Long-Term Securities, any waivers, certificates, receipts, orders, agreements, instruments, and any certificates relating to federal or state securities laws, rules, or regulations and to participate in the preparation of a preliminary official statement and a final official statement for the Bonds and to sign such documents and give any approvals necessary therefor.

4. Any one of the Authorized Officers is hereby authorized to execute a certificate of the County to comply with the continuing disclosure undertaking of the County with respect to the Bonds pursuant to paragraph (b)(5) of SEC Rule 15c2-12 issued under the Securities Exchange Act of 1934, as amended, and amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the “Continuing Disclosure Certificate”). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

5. All resolutions and parts of resolutions are, to the extent of any conflict with this resolution, rescinded to the extent of the conflict.

RESOLUTION TO PURCHASE STAND-ALONE EVIDENCE SOFTWARE FROM PORTER LEE CORPORATION

RESOLUTION #19 -

WHEREAS, the Ingham County Sheriff’s Office has a need to hold items of property and evidence in the course of its duties, and

WHEREAS, our current evidence system, a part of our records management system, is time consuming, redundant and therefore inefficient, and

WHEREAS, using a records management system for evidence management will require manual removal of property/evidence data from the current records management system and manual re-entry of all property/evidence data into the new records management system each time a new records management software is purchased, and

WHEREAS, manual re-entry of all evidence data into a new records management system requires extensive personnel hours and increases opportunity for error; and

WHEREAS, many law enforcement agencies are moving to a stand-alone evidence management system to eliminate that process, and

WHEREAS, research and quotes from three stand-alone evidence systems were received; of the three stand-alone evidence systems, The Beast was found to be the most efficient, customizable, and successfully used by other local agencies, and

WHEREAS, The Beast was the median cost of the three systems and offered the most support and customization, at the cost of $23,285.10 with annual software support costs of $1,475.00, and initial set up cost and support will be paid out of the Forfeiture Account (26533500-726010), and future maintenance and support will be paid out of Field Services/Contracts (10130101-818000); and

WHEREAS, The Beast software will provide electronic data migration for property/evidence held in our records management systems, eliminating manual individual item re-entry into the software, therefore significantly reducing personnel hours and opportunity for error, and

WHEREAS, The Beast software will allow the Ingham County Sheriff’s Office to hold all evidence items in a stand-alone evidence system, regardless of the records management software used in the future.

THEREFORE BE IT RESOLVED that the Ingham County Board of Commissioners authorizes entering into a contract with Porter Lee Corporation, located at 1901 Wright Blvd., Schaumburg, IL 60193, for the purchase of “The Beast” evidence management system for the not-to-exceed total cost of $23,285.10, with annual software support costs of $1,775.00.
BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson to sign any necessary documents that are consistent with this resolution and approved as to form by the County Attorney.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Controller to make the necessary adjustments to the Ingham County Sheriff’s Office budget to purchase The Beast evidence management system.
