This resolution authorizes approval of a variety Law Enforcement Committee liaison contracts for the 2012 budget year. The list consists only of contracts that are included in the 2012 Adopted Budget.

Those contracts will be removed from this resolution before the passage by the Board of Commissioners, and will be brought back before the Board as separate resolutions at a later date.

Based on the policy on cost increases for service related contracts authorized by Board Resolution #10-357, expenditure contracts with a 2012 increase of 1% or less are the only ones included in this resolution. (See attached memo from Mary Lannoye.)

RE: Resolution Approving Various Contracts for the 2012 Budget Year

---

Commissioners:

This resolution will approve the attached list of contracts for the 2012 budget year. The list consists only of contracts that are included in the 2012 Adopted Budget. If a contract later exceeds the budgeted amount, a resolution will need to be brought before the Board of Commissioners approving the increased amount. In addition, a separate Board resolution will be required if there is a change in employee status or increase in the total number of employees.

In the past, a limited amount of contract renewals have been included in the annual appropriations resolution. With the amendment of the county contract approval process authorized by Resolution 09-095, which reduced the maximum amount allowed for short form authorizations from \$25,000 to \$5,000, it was decided two years ago to expand this list and have the Board of Commissioners consider these contracts as a separate resolution. The liaison committees may decide that there are some contracts included on the list that would better be considered as separate resolutions. Those contracts will be removed from this resolution before the passage by the Board of Commissioners, and will be brought back before the Board as separate resolutions at a later date.

Based on the policy on cost increases for service related contracts authorized by Board Resolution 10-357, expenditure contracts with a 2012 increase of 1% or less are the only ones included in this resolution.

Please contact me if you have any questions.

Introduced by the Finance Committee of the:

**INGHAM COUNTY BOARD OF COMMISSIONERS**

**RESOLUTION APPROVING VARIOUS CONTRACTS FOR THE 2012 BUDGET YEAR**

WHEREAS, county policy requires that all contracts over \$5,000 be approved by the Board of Commissioners; and

WHEREAS, numerous contracts are approved by the Board of Commissioners each year, many of which are routine continuations of existing contracts; and

WHEREAS, funding for these contracts has been included within the 2012 Adopted Budget; and

WHEREAS, the budget also contains anticipated revenues and expenditures from certain grant programs, which will also require approval of agreements with granting agencies at various times during the fiscal year.

THEREFORE BE IT RESOLVED, that the Board Chairperson is authorized to sign agreements, contracts, and/or other documents related to grant programs and other county appropriations which are contained in the adopted budget, as listed in the attached document, subject to review by the County Attorney as to form and to certification by the Controller that 1) the total amount of revenues and expenditures and the net obligation to the County is not greater than what is budgeted; and 2) there is no change in employee status and no additional employees other than as authorized in the adopted budget.

BE IT FURTHER RESOLVED, that all grants and funding arrangements with entities whose fiscal years do not coincide with the County's fiscal year be considered authorized providing that they have been authorized in part for in the adopted budget, and the remaining portion of the time period and funds are included in the Controller's Recommended Budget for the succeeding fiscal year.

BE IT FURTHER RESOLVED, that all contracts over \$5,000 that are not included in this resolution shall be approved by the Board of Commissioners by separate resolution.
