1. **Health Department** - Resolution to Authorize a Contract with Armor Correctional Health Services, Inc. for Medication Passing Services at the Ingham County Jail

MOVED BY COMM. SCHAFER, SUPPORTED BY COMM. DRAGONETTI, TO APPROVE THE RESOLUTION TO AUTHORIZE A CONTRACT WITH ARMOR CORRECTIONAL HEALTH SERVICES, INC. FOR MEDICATION PASSING SERVICES AT THE INGHAM COUNTY JAIL.

Mr. Neilsen informed the Committee that the vendor who had previously been approved has since backed out of the agreement; consequently, it was necessary to rebid. He explained the bid respondents were interviewed and Armor Correctional Health Services is the recommended vendor. The term of the contract suggests starting as early as October 1, 2012.

Mr. Neilsen stated that there will be a request for proposal issued for overall Jail Medical Services and Armor Correctional Health Services will be made aware that this contract may be terminated before the term expiration. Mr. Neilsen said that he anticipates Armor Correctional Health Services will be interested in the proposal process and if they are the approved vendor that would expand this contract. Comm. Tsernoglou asked if the contract could be terminated early. Mr. Neilsen stated there will language in the contract allowing the County to terminate the contract with a 60 day written notice. Comm. Tsernoglou questioned why the low bid was not selected. Mr. Neilsen stated there was a lack of references and experience. Comm. Schafer noted that Armor Correctional Health Services has medical mal-practice insurance.

Comm. Dragonetti asked how a company in Florida found out about the RFP because it was only advertised locally. Chief Deputy Harless explained that the Armor Correctional Health Services attends industry conferences asking to be notified when there is an opportunity to bid, as well as, servicing other jails in Michigan. Comm. Dragonetti asked if there were any local businesses who could bid. Chief Deputy Harless explained that the Company who does drug testing was encouraged to bid; however, they were not interested in expanding their services.
Comm. De Leon asked for clarification of the not to exceed, budget amount and overtime. Mr. Neilsen explained the budgeted is being used similar to a contingency fund taking overtime into consideration and after the budget amount is met the vendor will have to absorb any overages. Major Davis explained the nuances of passing medication in the jail. Comm. Tsernoglou questioned if opening another post will increase the costs. Comm. Koenig expressed her concern if the vendor is unable to fulfill the contract because of overages they could quit. Mr. Neilsen explained that there may be leverage because of the new request for proposal. Chief Deputy Harless stated Armor Correctional Health Services wants to bid.

MOTION CARRIED UNANIMOUSLY. Absent: Comm. Celentino

4. Sheriff’s Office
   b. Resolution to Authorize the Ingham County Sheriff’s Office and the Michigan Department of Corrections to Enter into a Rental Agreement for 64 Beds within the Ingham County Jail

MOVED BY COMM. DE LEON, SUPPORTED BY COMM. DRAGONETTI, TO APPROVE THE RESOLUTION TO AUTHORIZE THE INGHAM COUNTY SHERIFF’S OFFICE AND THE MICHIGAN DEPARTMENT OF CORRECTIONS TO ENTER INTO A RENTAL AGREEMENT FOR 64 BEDS WITHIN THE INGHAM COUNTY JAIL.

Mr. Neilsen stated the Finance Committee amended the budget to include this arrangement in the Sheriff Department’s revenues in order to reopen Post 3 (64 beds) which has been closed since 2011 along with keeping Post 7 (57 beds) open. Mr. Neilsen explained the Michigan Department of Corrections arrangement, the statutory bed rate, in addition to, the 2-year term of the MDOC inmates’ sentence in the County Jail. He noted the Controller’s Office has estimated 97% occupancy in their projection of revenue. Major Davis stated that the occupancy turn over is typically within 24 hours.

Major Davis explained during his research he found nine counties that were working with the MDOC and all were pleased with the arrangement. He explained that the MDOC will send the healthiest inmates to the County Jail plus take the responsibility for them medically either through reimbursement or scheduling and transporting. Disciplinary actions are also handled by the MDOC.

Comm. De Leon questioned what the County costs are. Mr. Neilsen stated there is an excess of $150,000 after direct costs. The Committee discussed revenue and expenses.

MOVED BY COMM. SCHAFER TO AMEND THE 1ST WHEREAS, CHANGING 401 TO 408, THE 4TH WHEREAS ADD LENAWEE, THE THEREFORE BE IT RESOLVED BY ADDING FOR A TOTAL OF $793,072 TO THE END OF THE LAST SENTENCE, THE 1ST BE IT FURTHER RESOLVED ADD “INCLUDING ADDING 6 FTE CORRECTION OFFICERS AT THE END OF THE LAST SENTENCE, AS FOLLOWS:

d. Discussion: Ingham County Sheriff’s Department – Collision

Chief Deputy Harless explained as he understands it two Sheriff’s cars were going north on Aurelius Road when the first car seen a violator and did a u-turn in pursuit unaware of the other Sheriff’s close behind. The second car swerved and they hit. All parties went to the hospital by EMS and are ok. There is currently an investigation plus the State Police are downloading the information from the vehicle. Comm. Dragonetti questioned why there were two officers in the same area. Chief Deputy Harless explained there is not always a car on opposite sides of the township.

6. Board Referrals
a. Letter from Lansing Police Department with Attached 425 Agreement Between the City of Lansing and Dewitt Township
b. Letter from Eaton County Board of Commissioners Regarding the Portion of the City of Lansing in Eaton County and the Dispatch Services Provided to those Residents as a Result of the Consolidation of Services that Recently Occurred in Ingham County
c. Letter from Clinton County Office of Administrative Services Regarding Surcharge and Areas Incorporated into Cities in Neighboring Counties

Mr. Neilsen stated a letter has been sent by the Board Chairperson (handout provided) to Eaton and Clinton Counties requesting their participation with Ingham County 911 Central Dispatch Center costs. He pointed out each county’s response is provided in the letters placed on the Board Referrals. He noted each County is willing to talk. Mr. Langdon provided maps outlining the Lansing-Dewitt Township 425 Area.

Mr. Neilsen stated in order to properly invoice Clinton and Eaton Counties for the Ingham County 911 Central Dispatch Center service a formula was derived by using the 2010 local surcharge receipts, 2010 Census population and 2010 (estimated) devices per resident (Clinton County) and the average millage rate (Eaton County) in order to estimate a reasonable share. Mr. Neilsen pointed out that many MSU students may not have phones being assessed the surcharge for the area because their parents live elsewhere and the students are on those plans.
Mr. Gaukel provided the history of the annexations, as well as, dispatching and emergency service response. The Committee discussed who responds to the emergency services, mutual aid, back up service, number of incoming 911 calls from the annexed areas, the annexed areas of the Airport, Bath Township, Eaton County, parts of Lansing, in addition, to costs associated with the 911 services giving the example of the radios. It was noted that there is not a shared cost associated with back-up or mutual aid services between the all of the Counties. Comm. Schafer stated it was his opinion that this is a question of mutual aid and does not want to further pursue the issue further stating it’s not a fight worth getting into.

(Comm. Schafer stepped out at 6:55 p.m.)

Comm. Koenig questioned how often the other counties provide back up. Mr. Gaukel explained that back up is provided if there is a capacity overflow and that could happen from time to time within a year. He noted in the past Lansing and East Lansing were each others back up. Comm. Dragonetti asked if this is something the Advisory Board could handle. Mr. Gaukel explained they have not yet met and they will be discussing operations rather than money. Mr. Neilsen added unless they are specifically asked. Comm. Koenig questioned how many calls are being answered in the annexed areas stating the bottom line is the other counties are collecting taxes for services they are not providing.

Mr. Neilsen stated that Ms. Szymanski, Lansing Chief of Police has formally requested Ingham County 911 Central Dispatch Center as the PSAP for the Capital Regional International Airport. The number of calls in the 425 Agreement between the City of Lansing and DeWitt Township were discussed. Comm. Koenig asked if Peckham is included in that area. Mr. Gaukel stated they are out of the area. Mr. Neilsen stated there is largely vacant land owned by the Airport in the area therefore the telephone revenue would be minimal. The Committee discussed the number of radios used by the Airport, costs, grant funding, as well as, mandates.

Mr. Neilsen stated that he has had discussions with the County Attorney, Eaton and Clinton County Administrators, the State 911 Administrator, as well as, reviewing sections in the Emergency 911 Service Enabling Act referencing technical assistance and resolving disputes. He noted that the County could bring this to the State Board mediation; however, it is always best for the local communities work it out amongst themselves. He noted another option is the Public Service Commission. He reminded the Committee this is only for telephone and device surcharges not property taxes. Mr. Neilsen asked how the Committee wants him to proceed.

Comm. De Leon suggested getting the facts and figures together before making a decision on how to proceed. Chairperson Tsernoglou noted that being a good neighbor would include Clinton and Eaton Counties contributing to the Airport. Comm. Koenig stated that Eaton County is clear cut that they are collecting a tax for service they do not provide while Clinton County is much more ambiguous because the students’ phones. Comm. De Leon noted the area Bath Township has grown with many more homes. Mr. Neilsen stated that it is important to establish the PSAP for Clinton and Eaton Counties where they are served by the Ingham County 911 Central Dispatch Center. The Committee directed Mr. Neilsen to prepare a resolution which will identify Ingham County as the PSAP for Clinton and Eaton Counties where Ingham County provides direct service.
Comm. Koenig asked if Mr. Neilsen to obtain more information from the public service commission. Comm. De Leon asked Mr. Langdon and Mr. Gaukel for call and dispatch statistics (2-years back) for Clinton and Eaton Counties serviced by Ingham County, as well as, the Aurelius Township area.

The Board Referrals were received and placed on file.

7. Discussion:  Budget Hearing Update

Mr. Neilsen reminded the Committee they suggested keeping the Jail Post open by using the Fund Balance and placing the Deputy and Detective Positions on the “Z” List. He then informed the Committee of the following changes made at the Finance Committee Budget Hearing: 1) Rather than using the fund balance the following will be used to keep the Jail Post Open: $300,000 from the “Z” List, $150,000 Net Revenues with the Michigan Department of Corrections arrangement for renting beds in Post 3, plus $61,741 from the 2013 Contingency Fund. 2) The Deputy Position was restored by swapping two, full-time, corrections officers for special part-time officers for a savings of $66,000. 3) and because the Jail Post was kept open with the “Z” List funding the Detective Position was not funded; however, referred back to the Law Enforcement Committee for alternative funding suggestions. Mr. Neilsen noted the Sheriff will be consulting with the Controller’s Office about a proposal through the Committee process to fund the Detective position from forfeiture funds.

The Health Department found additional revenues to retain some of their positions and a position from the Park’s Department was not funded but was referred back to the County Services Committee. Mr. Neilsen noted the new Pre-trial Services Coordinator in the Circuit Court Budget was contingent upon the Jail Post closing.

TO: Finance and Liaison Committees

FROM: Teri Morton, Budget Director

RE: 3rd Quarter 2012 Budget Adjustments and Contingency Fund Update

Enclosed please find the recommended adjustments to the Ingham County budget for the first quarter of fiscal year 2012. The total increase to the General Fund is $347,000.

The quarterly budget amendment process as authorized by the Board of Commissioners is necessary to make adjustments to the adopted budget. Usually, adjustments are made as a result of updated revenue and expenditure projections, grant revenues, reappropriations, accounting and contractual changes, and general housekeeping issues.

A major adjustment this quarter is related to the transfer of jail medical services from the Health Department to a contract in the Sheriff’s Office, which is included in the 2013 Budget as Recommended by the Finance Committee. Since the Health Department is on an October to September fiscal year and the General Fund (which includes the Sheriff’s budget) is on a calendar fiscal year, an extra three months of expenses will be incurred. The 2013 budget includes funding for jail medical services in the Sheriff’s Office beginning January 1, 2013. Because the Health Department’s year will end on September 30, 2012, there is currently no budget for this service from October 1 to December 31, 2012.

Three months of funding for this service will have a net cost of approximately $400,000. This resolution would authorize the transfer of $400,000 from the 2012 contingency account (current balance: $502,013) to a separate activity in the general fund to cover this cost in 2012. It should be noted that when the transition of jail medical services from the Sheriff’s Office to the Health Department occurred in 2007, there were three months in cost savings incurred by the general fund due to a shortened year.

Another major adjustment is the recognition of higher than budgeted property tax revenue. An additional $540,000 is expected due to the 2012 taxable value being higher than projected when the budget was developed last year. This increase is offset by decreases in other revenues including Court Equity Funding ($80,000) and indirect cost reimbursement ($200,000) for Friend of the Court and the Family Division due to a change in cost allocation methodology. There is also an expected decrease in cost for Circuit Court indigent attorney fees ($170,000) based on current spending trends. This resolution would also recognize the cost savings ($150,000) resulting from the suspension of step increases until collective bargaining agreements are in place and the additional cost ($480,000) due to unrealized savings from employee concessions that were included in the 2012 Adopted Budget. The net surplus from these revenue and expenditure changes is $100,000, which is recommended to be added to the 2012 contingency account.

In anticipation of lower than budgeted revenues, the Parks Department has recommended several budget adjustments that would bring their expenses in line with their current revenue projections. The net decrease to the Parks fund would be $68,381.
This resolution would also authorize the transfer of $16,217 from Lansing Police Department Forfeitures to cover the cost of an Assistant Prosecuting Attorney position from October 1 to December 31. The D.A.R.T. grant will end September 30 and was not renewed for the next fiscal year. This will allow the retention of a current employee until another position becomes vacant. The grant funded position will be eliminated effective January 1, 2013.

There are also some increases for replacement computer equipment where costs are recouped through chargebacks to user departments. Finally, an adjustment is recommended for the Department of Transportation and Roads to move $180,000 from salaries to road maintenance materials. This transfer requires Board approval as funds are being moved from the personnel cost category.

Also included is an update of contingency fund spending so far this year. The current contingency amount is $502,013. If this resolution is passed as recommended, that amount will be decreased to $202,013. The attached document details how the Board has allocated the contingency funds throughout the year, beginning with a balance of $494,888.

Should you require any additional information or have questions regarding this process, please don’t hesitate to contact me.
Introducing by the Finance Committee of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION AUTHORIZING ADJUSTMENTS TO THE 2012 INGHAM COUNTY BUDGET

WHEREAS, the Board of Commissioners adopted the 2012 Budget on October 25, 2011 and has authorized certain amendments since that time, and it is now necessary to make some adjustments as a result of updated revenue and expenditure projections, fund transfers, reappropriations, accounting and contractual changes, errors and omissions, and additional appropriation needs; and

WHEREAS, the Liaison Committees and the Finance Committee have reviewed the proposed budget adjustments prepared by the Controller’s staff and have made adjustments where necessary; and

WHEREAS, Public Act 621 of 1978 requires that local units of government maintain a balanced budget and periodically adjust the budget to reflect revised revenue and expenditure levels.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby directs the Controller to make the necessary transfers to adjust revenues and expenditures in the following funds, according to the attached schedules:

MEMORANDUM

TO: Law Enforcement and Finance Committees
FROM: John Neilsen, Deputy Controller
RE: Notice of Intent to Function as a Public Safety Answering Point (PSAP)
DATE: September 19, 2012

PA 32 of 1986 (Emergency 911 Service Enabling Act) requires the County to have a 911 Service Plan in place to facilitate the provision of emergency telephone service and dispatch services to citizens within Ingham County and our 911 Service area. With the opening of the Ingham County 911 Central Dispatch Center, the cities of Lansing and East Lansing no longer operate separate 911 dispatch centers as they have in the past. The Ingham County Board of Commissioners adopted a new 911 Service Plan that reflects the current operational arrangement including the provision of direct 911 dispatch services within all areas within the Cities of East Lansing and Lansing including the areas located within the Counties of Clinton and Eaton County.

On August 6, 2012, the Lansing Chief of Police Teresa A. Szymanski formally requested through the attached letter that the Ingham County Board of Commissioners recognize that the City of Lansing and DeWitt Township have entered into a 425 Agreement transferring the Capitol Region International Airport and other adjacent property to the jurisdiction of the City of Lansing including emergency services.

Furthermore the City of Lansing has formally requested that Ingham County provide direct 911 dispatch to the Airport and surrounding area contained within the 425 Agreement. Currently the 911 calls go to Clinton County 911 Dispatch and they transfer the calls to our 911 Dispatch, which results in slight delays for 911 Emergency dispatch to the area.

The vehicle to do that would be by approving the attached resolution which authorizes the filing of a Notice of Intent to function as a Public Safety Answering Point (PSAP) that would be filed with Clinton County which is in the process of updating their 911 Service Plan. Furthermore, the Resolution recognizes the current arrangements whereby Ingham County is already receiving directly 911 Emergency calls for those areas within the Cities of East Lansing and Lansing located within the Counties of Clinton and Eaton County and authorizes a Notice of Intent to function as a Public Safety Answering Point (PSAP) for those areas as well.

This communication and request from the City of Lansing was discussed at the September 13 Law Enforcement Committee along with the separate issue of Ingham County not receiving reimbursement for 911 Services from the Counties of Clinton and Eaton County for those areas within the Cities of East Lansing and Lansing located within those Counties.

The Law Enforcement Committee directed me to prepare this resolution for the next round as they continue to consider the funding inequity issue.

The 911 Director and I recommend that the Board of Commissioners approve the attached Resolution.

Please contact me if you have any questions or concerns.

Re: 425 Agreement Between the City of Lansing and DeWitt Township

Dear Mr. Neilsen:

Effective November 30, 2011, the City of Lansing and DeWitt Township entered into a 425 Agreement, transferring the Capitol Region International Airport and other property to the jurisdiction of the City of Lansing. Pursuant to the 425 Agreement, the City of Lansing is responsible for providing emergency services in the area. To that end, the 425 Agreement stipulates that 911 services be handled by Ingham County. Ingham County 911 is well familiar with this subject. In fact, Ingham County has already changed its PSAP to include this 425 area.

The Lansing Police Department is charged with public safety in this 425 Agreement area. Pursuant to the request of Ingham 911 made on August 1, 2012, the City of Lansing hereby requests the Ingham County Board of Commissioners request the Clinton County Board of Commissioners modify the Clinton County PSAP accordingly, in accordance with applicable laws.

Thank you for your assistance.

Sincerely,

Teresa A. Szymanski
Chief of Police
