It also authorizes a variety of other subcontracts for CCAB programming and a special part-time (19 hours per week) Pretrial Services Investigator position at the ICEA PRO06 salary grade not to exceed $25,683.

   All the programming is subject to the availability of grant funding. (See attached memo.)

2. **Sheriff’s Office**

   This Resolution authorizes the Ingham County Sheriff’s Office, to accept $3,123.75 from a 2013 MMRMA RAP Grant and accept a new MILO Shooting System portable simulator. The MMRMA will actually purchase this portable machine and it will be shared on a rotation schedule between the Ingham County Sheriff’s Office and the Livingston County Sheriff’s Office for training purposes. The net cost to Ingham County along with the Livingston County Sheriff’s office is $3,123.75 each with each County writing a check for $6,247.50 and then MMRMA reimbursing each agency 50% ($3,123.75).    This Resolution authorizes the Ingham County Sheriff’s Office to accept the 2013 MMRMA Member Recognition Award, along with a grant award of five hundred dollars ($500) to the Ingham County Sheriff’s office for clothing apparel. The MMRMA in recognition of this award also has awarded Ingham County with a five percent (5%) reduction in our next annual premium (2014/15 FY) up to maximum allowable amount of $5,000. This is a prestigious award as the Sheriff’s Office submission achieved first place state wide in the MMRMA Member Recognition Award program for the multi-phase/single lock down response plan for county-wide schools. The Sheriff’s Office has been invited to attend the MMRMA annual Meeting in August to receive an award plaque at the Board of Directors meeting.
c. Resolution to Allow the Ingham County Sheriff’s Office to Enter into an Interlocal Agreement with the City of Lansing and City of East Lansing for the 2013 Local JAG Grant

This resolution would authorize entering into the Interlocal agreement between Ingham County, the City of Lansing and the City of East Lansing to accept the $105,367 allocated portion of the 2013 Local JAG grant. The County would not receive any funds again this year under the proposed 2013 JAG grant because the formula requires a certain threshold of serious crime in the Sheriff’s Office area of primary jurisdiction. Nonetheless, the County is still required to enter into this agreement and we have done so in previous grant cycles. (See attached memo.)

d. Resolution Authorizing Ingham County Sheriff’s Office to Accept $3,402.00 for the 2013 Marine Safety Grant Program

This Resolution authorizes the Ingham County Sheriff’s Office to accept the 2013 Marine Safety Grant Program funds of $3,402.00 for the time period of from January 1, 2013 thru September 30, 2013. Funds are anticipated in the budget.

The recommendation includes alternate #1 in the amount of $16,237.00 for the replacement of condenser pumps and a contingency in the amount of $6,000.00 for a total project budget of up to $129,235.

The funds for this project are available in the approved Capital Improvements Fund budget. (See attached memo.)
4. **Controller’s Office**
   
   **a. Resolution Amending Resolution #12-403 to Sign Agreements with Westlaw for Clear Services**

   This Resolution authorizes a contract agreement with Westlaw for CLEAR services for the Circuit Court from January 1, 2013 through December 31, 2015 out of budgeted operational and LOFT Funds consistent with this Resolution without approval as to form by the County Attorney. Westlaw will not agree to eliminate the Indemnification language. Therefore, our Attorneys will not approve it as to Form as required by our Authorizing Resolution. However, Westlaw has agreed to modify same which would allow the County to argue in the event of any dispute, that the provision is null and void. (See attached memo.)

   **c. Resolution Authorizing Adjustments to the 2013 Ingham County Budget**

   This resolution would authorize the recommended adjustments to the Ingham County budget for the second quarter of fiscal year 2013. The total increase to the General Fund is $82,550. (See attached memo for details.)

   **d. Resolution to Adopt the 2014 Juvenile Justice Community Agency Process Calendar**

   This Resolution authorizes the adoption of the 2014 Juvenile Justice Community Agency Process calendar to establish time lines and a budget amount for the process. This will be the eighth Juvenile Justice Community Agency process. The Judiciary Committee has traditionally recommended a $100,000 (on an annual basis) out of JJM funds for this program.

   Staff recommends consideration of the flat/declining revenues for the JJM millage before passing this resolution and/or the amount approved. (See attached memo and JJM fund projection.)

Re: Circuit Court Clear Contract Issue

The Ingham County Courts, the Prosecutor’s Office and the Jail use Westlaw Next for on line legal research. The FOC uses the CLEAR product to locate individuals for the purposes of Child Support Enforcement and/or Collections. We are now proposing that the Circuit Court also use the CLEAR product to locate individuals for the purposes of Collections.

The Board of Commissioners via Resolution #12-403 adopted in November of 2012 (see attached), authorized a contract renewal agreement with Westlaw for on line research and CLEAR services.

Since November our Attorneys have been attempting to negotiate acceptable language in order to give their approval as to Form on the CLEAR product for the Circuit Court which heretofore have not used the product to locate individuals. The CLEAR product has been used by the FOC for several years previously. We have discovered that the Vendor will not agree to the Indemnification language and therefore they will not approve it as to Form as required by our Authorizing Resolution. (See attached letter from Bob Townsend.) However, Westlaw has agreed to modify some which would allow the County to argue in the event of a dispute, that the premium is null and void.

“BE IT FURTHER RESOLVED, that the Chairperson of the Ingham County Board of Commissioners and the County Clerk are authorized to sign any contract/purchase documents consistent with this Resolution and approved as to form by the County Attorney.”

The FOC CLEAR contract currently in use apparently also was not approved as to form yet attached amendments were so the contract was inadvertently signed previously.

The County is now faced with a business decision on whether we should execute the contract without the “approval as to form by the County Attorney”.

The Circuit Court is recommending that we proceed with the contract and I have been advised by MMRMA that while they agree with our Attorneys position on these contracts the County’s MMRMA insurance will cover both the County and the Court for any liability the County may occur as a result of the Indemnification provisions in the proposed agreement and Amendments.

For these reasons, I believe the risk is relatively low and I recommend that we proceed to enter into this Westlaw CLEAR agreement and the BOC authorize the contract without the “approval as to form by the County Attorney”. I have discussed this with Peter Cohl and he agrees that the risk to the County is minimal.

RE: Second Quarter 2013 Budget Adjustments and Contingency Fund Update

Enclosed please find the recommended adjustments to the Ingham County budget for the second quarter of fiscal year 2013. The total increase to the General Fund is $82,550.

The quarterly budget amendment process as authorized by the Board of Commissioners is necessary to make adjustments to the adopted budget. Usually, adjustments are made as a result of updated revenue and expenditure projections, grant revenues, reappropriations, accounting and contractual changes, and general housekeeping issues.

Adjustments that affect three county departments relate to staffing changes at the Potter Park Zoo. Position changes and additions related to the Zoo Director, the Curator and the Security Coordinator have all been approved by previous resolutions. This resolution will approve the necessary budget adjustments. In addition, the Parks Director and Financial Coordinator are no longer being allocated to the Zoo. The general fund cost related to this change will be covered for the most part by a new reimbursement from the Zoo Fund for 10% of the cost of the Facilities Director and Manager and an increase in the indirect cost reimbursement as calculated in the most recent cost allocation plan.

Another sizable adjustment is the establishment of a budget for the Community Development Block Grant (CDBG) Fund. This budget was inadvertently omitted from the 2013 Adopted Budget. The 2013 budget does include a transfer of $40,000 from the Delinquent Tax Revolving Fund to the CDBG Fund for administrative costs. This resolution will increase that transfer to $75,000. This is the current estimate from the Treasurer’s Office and Financial Services of the amount necessary to balance the fund.

There are also some increases for replacement computer equipment where costs are recouped through chargebacks to user departments as well as a reappropriation of Animal Control donation funds collected but not spent in 2012. Finally, there is a transfer from the MIS consultant’s line item to temporary salaries to provide staffing for a much needed inventory update.

Also included is an update of contingency fund spending so far this year. The current contingency amount is $260,671. The attached document details how the Board has allocated the contingency funds throughout the year, beginning with a balance of $353,259.

Should you require any additional information or have questions regarding this process, please don’t hesitate to contact me.

RESOLUTION AUTHORIZING ADJUSTMENTS TO THE 2013 INGHAM COUNTY BUDGET

WHEREAS, the Board of Commissioners adopted the 2013 Budget on October 23, 2012 and has authorized certain amendments since that time, and it is now necessary to make some adjustments as a result of updated revenue and expenditure projections, fund transfers, reappropriations, accounting and contractual changes, errors and omissions, and additional appropriation needs; and

WHEREAS, the Liaison Committees and the Finance Committee have reviewed the proposed budget adjustments prepared by the Controller’s staff and have made adjustments where necessary; and

WHEREAS, Public Act 621 of 1978 requires that local units of government maintain a balanced budget and periodically adjust the budget to reflect revised revenue and expenditure levels; and

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby directs the Controller to make the necessary transfers to adjust revenues and expenditures in the following funds, according to the attached schedules:

Agenda Item 4d

To: Ingham County Finance and Law & Courts Committees

From: John Neilsen, Deputy Controller

Date: July 6, 2013

Re: Resolution to Adopt the 2014 Juvenile Justice Community Agency Process Calendar

This resolution would authorize the adoption of the attached 2014 Juvenile Justice Community Agency Process calendar to establish time lines for the process. This will be the seventh Juvenile Justice Community Agency process.

The 2012 year end audited fund balance is $3,961,299 for the Juvenile Justice Millage Fund.

- First Juvenile Justice Community Agency Process reserved $50,000.
- Second Juvenile Justice Community Agency Process reserved $150,000 (18 month period).
- Third through seventh Juvenile Justice Community Agency Process reserved $100,000 (12-month period).

The seventh year grant awards were:

- Child and Family Services Capital Area $ 46,500
- Resolution Services Center of Central Michigan $ 23,500
- Lansing Teen Court $ 30,000

The 2013 operating budget for Juvenile Justice millage funded programs exceeds the budgeted revenue by about $1,526,978 and 2014 revenues are projected to be reduced. Therefore this trend makes it likely that a $100,000 continuation appropriation will further strain the JJM fund. Existing Court programs that are funded in whole or partially with JJM funds will be scrutinized during the 2014 budget process.

Staff recommends consideration of the flat/declining revenues for the JJM millage before passing this resolution and /or the amount approved. It is likely that a balanced approach will be necessary to begin to solve this problem. A combination of reduced JJM expenditures and a shift back to the General fund of some JJM funded programs will need to take place during the 2014 budget process. (See attached chart.)

TO: Law & Courts Committee
FROM: John L. Neilsen, Deputy Controller
RE: 2014 Budget Priority

Commissioners:

I wanted to have a discussion with the Committee to discuss the following 2014 Budget priority.

e. Provide Appropriate Treatment and Sanctions for at Risk Juveniles

Continue to maximize use of Juvenile Justice Millage funds to implement the Chinn Study so as to provide the most appropriate community based programming for juvenile offenders and juveniles at risk of adjudication. Implement an independent assessment of the success of the Ingham County Juvenile Justice Programs every 3 years beginning in 2014. Explore the cost benefits of providing a male group home.

This could be accomplished in a number of ways, one of which would be by preparing a RFP and to seek qualified applicants.

Given the issues with the JJM fund, we should think about putting this priority in place sooner rather than later in 2014.

If you should have any questions, please feel free to contact me if you should have any questions.
WHEREAS, Ingham County government is committed to assuring the provision of services most important to its citizens; and

WHEREAS, Ingham County services are focused on these long-term objectives:

* Enhancing access to county records
* Providing a quality transportation system network including roads
* Providing a suitable and ecologically sensitive drainage system
* Providing recreational opportunities
* Fostering economic well being
* Promoting environmental protection, smart growth and conservation
* Preventing and controlling disease
* Promoting accessible health care
* Assisting in meeting basic needs
* Fostering youth development
* Supporting public safety
* Assuring judicial processing
* Providing appropriate evidence based sanctions for adult offenders
* Providing appropriate evidence based treatment and sanctions for at-risk juveniles; and

WHEREAS, these services are to be delivered in a manner which emphasizes:

* An educated and participating citizenry
* An ongoing capacity for intergovernmental collaboration
* A quality workforce
* Cost-effective delivery of county services
* Maximum use of technology
* A commitment to fairness, opportunity and eliminating inequalities; and

WHEREAS, the Board of Commissioners has identified significant revenue shortfalls including falling property tax assessments, state cuts to revenue sharing, and potential elimination of portions of the personal property tax for 2014; and

WHEREAS, the Controller/Administrator is projecting approximately a $3 million budget shortfall for 2014; and
WHEREAS, the Board of Commissioners has identified priorities to guide the development of the 2014 Budget and activities of county staff.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners adopts the following priority areas to be utilized by the Controller/Administrator’s Office and the county offices, departments, agencies, and courts in developing proposed activities and budgets for 2014:

1. Current year expenditures should be supported by current year revenues. The Controller/Administrator will develop a multi-year budget projection and a long-range plan to finance the County’s legacy costs. These projections will be used to guide the Board’s decision as to the appropriate use of the County’s reserves in the development of the 2014 Budget.

2. To the extent necessary and appropriate, mandated services currently provided by county government in support of all its long-term objectives should be continued in 2014, with ongoing evaluation to identify possible overlap and duplication of services and to identify more efficient uses of county funds.

3. The Board of Commissioners will be forced to reduce or eliminate service levels primarily in areas of discretionary services, while recognizing that all mandated services will also be considered for budget reductions to the extent possible and necessary in this unprecedented time.

4. The Board of Commissioners expects all department offices and courts to consider these priorities in the development of their budgets and activities for 2014.

5. Priority consideration should be given to all of the following long-term objectives:

a. Promoting Accessible Health Care
   1. Continue to maintain and expand access to health care for the uninsured and under-insured through the Ingham Health Plan, the Federally Qualified Health Clinics, and other county operated programs and clinics. Maximize implementation of the 2010 Patient Protection and Affordable Care Act and maximize implementation of the Affordable Care Act and the Ingham County Health Care Millage to benefit the County and enhance the delivery of public health services in Ingham County.
   2. Maximize ability to draw down federal funds for health care.
   3. Evaluate the Health Department budget to determine the appropriate amount of support that is necessary from the County General Fund in order to continue operations at an acceptable level.
   4. Develop a long range plan for the operation and location of the Community Health Centers.

b. Fostering Economic Well Being
   Explore utilizing the County’s authority under Public Act 88 of 1913 to provide for the creation of a fund to be used for economic development in Ingham County.

c. An Ongoing Capacity for Intergovernmental Collaboration/Cost Effective Delivery of County Services
   The Ingham County Board of Commissioners will explore efficiencies through regional cooperation, emphasizing consolidation and service sharing, accountability and transparency, and controlling costs.
d. **Providing Appropriate Sanctions for Adult Offenders**

Encourage the use of appropriate sanctions for adults in order to foster appropriate behavior, reduce criminal recidivism, and effectively manage corrections resources, including the jail population. These resources will be effectively managed by supporting strategies recommended by the Jail Utilization Coordinating Committee, Community Corrections Advisory Board, and other community partners. In addition the County will increase the use of GPS/tethering equipment, maintain and use a data tracking system that focuses on system volume and trends. Support appropriate use of probation residential services, facilitate screening and treatment of substance abuse, and/or mental disorders, and continue Pre-Trial Services. This enhancement is designed to facilitate the identification of appropriate populations for bond recommendations, risk/needs assessments, recommended conditions of release, supervision of felony defendants released on conditional bonds, and initiation of court action for violation of bond conditions.

e. **Provide Appropriate Treatment and Sanctions for at Risk Juveniles**

Continue to maximize use of Juvenile Justice Millage funds to implement the Chinn Study so as to provide the most appropriate community based programming for juvenile offenders and juveniles at risk of adjudication. Implement an independent assessment of the success of the Ingham County Juvenile Justice Programs every 3 years beginning in 2014. Explore the cost benefits of providing a male group home.

f. **Supporting Recreational Opportunities**

Provide recreational opportunities throughout Ingham County to the extent possible, guided by the County Parks Master Plan and the Potter Park Master Plan.

BE IT FURTHER RESOLVED, the Ingham County Board of Commissioners supports the efforts to prevent environmental hazards to human health.

BE IT FURTHER RESOLVED, that efforts to expand and increase the use of technology countywide will continue to the extent that efficiencies are created and/or funding is available.

BE IT FURTHER RESOLVED, that the Ingham Board of Commissioners will explore efficiencies regarding the provision of employee and retiree health care benefits.

BE IT FURTHER RESOLVED, Ingham County will evaluate the budgetary effect of the potential phase out of the personal property tax.

BE IT FURTHER RESOLVED, that Ingham County will develop a plan to increase road maintenance services if an increase in operating revenue from the Michigan Transportation Fund is approved.

BE IT FURTHER RESOLVED, as part of other routine and long-range planning processes transportation alternatives (such as mass transit and non-motorized) will be given consideration when allowable.

BE IT FURTHER RESOLVED, that Ingham County will evaluate the budgetary and overall impact of the indigent defense system pending potential State legislation.

BE IT FURTHER RESOLVED, that County staff will continue to explore options for reforms and consolidations leading to savings (short-term or long-term) and present these to Commissioners for consideration.
