This resolution would authorize entering into a three year contract with Charlevoix County 7th Probate Court (more commonly referred to as "Recovery High") for the care and treatment of adjudicated juveniles, specifically juveniles with a substance abuse issue. The program provides extensive substance abuse education, intervention and treatment services to youth and their families. The youth reside in a court-licensed, specially trained foster home, attend a drug free school with significant court presence, and participate in intensive substance abuse services offered though B.A.S.E.S. Drug testing and involvement of family in the weekly Parent Group are also important components of the program.
