3. Controller's Office - Resolution to (Approve or Decline) the City of Lansing's Request for the Ingham County Sheriff's Office to Provide Traffic Enforcement Services through the Secondary Road Patrol P.A. 416 Grant Program

MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. HOPE, TO APPROVE THE RESOLUTION TO (APPROVE OR DECLINE) THE CITY OF LANSING'S REQUEST FOR THE INGHAM COUNTY SHERIFF'S OFFICE TO PROVIDE TRAFFIC ENFORCEMENT SERVICES THROUGH THE SECONDARY ROAD PATROL P.A. 416 GRANT PROGRAM.

Discussion.

Commissioner Schafer stated that he will be voting no on the resolution because of the limited number of personnel available elsewhere.

Commissioner Maiville stated that he will be voting no on the resolution because with the cuts to the out-county road patrols already in place, there is basically nothing left of the Sheriff's Department road patrol. He further stated that he would like to vote yes on the resolution and stated that to vote yes is a symbolic gesture of cooperation, but with what has been done, there will be nothing left for out-county. He further stated that there was a fight at the Lansing Center which had Lansing, East Lansing, Michigan State University, and Eaton County police forces responding, but there was no Ingham County Sheriff's Department presence because there were not enough personnel. Commissioner Maiville stated that if the Committee is going to vote yes on the grant program, the Committee should work to fully fund the Sheriff's Department.

Commissioner Celentino asked Undersheriff Allan Spyke that if Lansing had requested a Sheriff's Deputy to patrol a road under the grant and the Sheriff's Department facilitated the request, could the Sheriff's Department then pull the Deputy to respond to a Sheriff's Department issue.

Undersheriff Spyke answered that it would be up to the Sheriff's Department as to when they would send patrols and the amount of assistance it would provide. He further stated that the amount of assistance the Sheriff's Department could provide was negligible because of the

Department's limited funds. Undersheriff Spike stated that often there is only one "416 deputy on duty on any given shift."

Commissioner Celentino stated that the Committee should listen to Undersheriff Spyke. He further stated that there is enough flexibility in this where we can protect our interests. Commissioner Celentino stated that if there was not enough availability, there would be no "416 patrol."

Undersheriff Spyke stated that the Sheriff's Department has requested funding for additional staff in its 2015 budget request. He further stated that the Department and Lansing already cooperate extensively.

Commissioner Tsernoglou asked whether the grant would have any impact on services, and what Undersheriff Spyke's personal opinion was on the matter.

Undersheriff Spyke answered that there would be an impact on services because Sheriff's Department is already a small force. He further stated there are thirteen regular deputies and four "PA 416" deputies, and the seventeen total deputies are not enough for the county given its size. Undersheriff Spyke stated that taking any deputy out of the mix would be one less deputy writing a traffic ticket or arresting a drunk driver. He further stated that he would not speak to his personal beliefs on the subject.

Commissioner Tsernoglou asked whether there would be an impact on Lansing.

Undersheriff Spyke answered that the impact would be negligible because the Sheriff's Department has little time to dedicate to Lansing.

Commissioner Schafer stated that his concern is if the situation continues in Lansing, there is no response available to out-county. He further stated that he supported a .65 mill ballot initiative to fund the Sheriff's Department, but it did not make it to the ballot. Commissioner Schafer stated that this is mostly a political maneuver.

Chairperson Bahar-Cook asked whether the Sheriff's Department would respond to a train derailment in the out-county.

Undersheriff Spyke answered that the Department would respond.

Commissioner Celentino stated that Lansing is merely taking advantage of a benefit afforded to it.

MOTION CARRIED. Yeas: Bahar-Cook, Celentino, Crenshaw, Hope, and Tsernoglou. **Nays:** Maiville and Schafer.

John Neilsen, Deputy Chief Controller, requested clarification on the name of the resolution along with the language inside the resolution, specifically whether the title of the resolution is "RESOLUTION TO APPROVE THE CITY OF LANSING'S REQUEST FOR THE INGHAM

COUNTY SHERIFF'S OFFICE TO PROVIDE TRAFFIC ENFORCEMENT SERVICES THROUGH THE SECONDARY ROAD PATROL P.A. 416 GRANT PROGRAM" and the resolution language states, "THEREFORE BE IT RESOLVED, the Ingham County Board of Commissioners approves the City of Lansing request as outlined in Resolution #2014-152 effective June 11, 2014."

Chairperson Bahar-Cook answered that the resolution would read as Mr. Neilsen had stated.

4. Circuit Court/Family Division

- a. Juvenile Sex Offender Program Presentation by Dr. Dara Psarouthakis, Annette Ellison and Sara Depez (*No Materials*)

Maureen Winslow, Deputy Court Administrator, introduced the Ingham County Juvenile Sex Offender Treatment program. Ms. Winslow introduced Dara Psarouthakis, Ph.D., Court Psychologist, Sara Depez, Juvenile Services Director, and Annette Ellison, Clinical Social Worker-HALT Program.

Ms. Depez presented on the youth served by the sex offender program and its savings to the county.

Dr. Psarouthakis presented on the program's psychological evaluation of sex offenders, including its purpose, what is being assessed, and different measures that are employed to evaluate.

Chairperson Bahar-Cook asked what the difference was between "opportunity" and "predatory" sex offending.

Dr. Psarouthakis stated that opportunity reflects a history of abuse against the juvenile offender, which operates as a trigger to offend. She further stated that predator offending is the result of sociopathic tendencies like the willingness to prey on others and aggression. Dr. Psarouthakis stated that there is possible to have a mix of the two as well.

Commissioner Schafer asked what types of CSC the program handles.

Ms. Depez stated that the most common types are CSC 1 and CSC 2, however CSC 4 does occur as well.

Commissioner Crenshaw asked what JSOP looks at.

Ms. Depez stated that there are four elements, two of which are static, for example the number of occurrences, and the other two are dynamic.

Commissioner Schafer asked whether the program considers the impact on the victim.

Dr. Psarouthakis stated that she looks at the police report and forensic report.

Ms. Deprez also stated that the Court's Advocate looks into the victim's impact. She also stated that there is often a familial overlap between offender and victim.

Ms. Ellison presented on the Healthy Attitudes and Lifestyles for Teens program (HALT), including stating goals and treatment targets, the four step process, and the STRIVE mentoring program.

Commissioner Crenshaw asked what would happen if a juvenile does not want to open up.

Ms. Ellison stated that this happens all the time because the juvenile is afraid of how they are seen. She further stated that other more experienced group members can coax new members into sharing and participating.

Commissioner Crenshaw asked how the group was organized.

Ms. Ellison responded that the group is a mix of juveniles from each step in the process.

Chairperson Bahar-Cook left at 6:50 p.m.

Commissioner Crenshaw asked what the average rate of juveniles coming back into system was.

Ms. Ellison answered that she does not keep statistics because there are too many factors.

Commissioner Schafer asked whether there is a group for boy victims.

Ms. Ellison answered that boy victims are also in the HALT program because they are frequently offenders too.

Ms. Deprez presented on recidivism.

Chris Seelye, STRIVE Program Co-Director, presented on the successes of the STRIVE program.

Commissioner Crenshaw asked about the issue of mentors dropping out.

Mr. Seelye stated that there are few drop outs because mentors sign an extensive agreement so they know what they are getting into. He further stated that if they feel that mentor is not meeting the challenge he or she is presented with, the mentor will be asked to leave.

b. Quarterly Report

Ms. Winslow, Ms. Deprez, and Scott LeRoy, Juvenile Programs Director addressed the Committee and distributed a hard copy of the quarterly data report for the Family Division of the Ingham County Circuit Court covering the time period of January 1, 2014 to March 31, 2014.

Ms. Deprez stated that nothing has really changed from the last quarterly report.

Mr. LeRoy extended invitations to attend the Ingham Academy graduation ceremony on July 23, at 2:00 p.m. He stated that official invitations will be mailed next week. Mr. LeRoy stated that he is expecting five students to graduate. He further stated that two students would unlikely graduate as of now because one is AWOL and the other committed a big offense.

Mr. LeRoy also announced that the Garden Gala will be on July 24 at 6:00 p.m.

Commissioner Crenshaw thanked Ms. Deprez and all the other presenters for the program.

JUNE 12, 2014 LAW & COURTS AGENDA STAFF REVIEW SUMMARY

RESOLUTION ACTION ITEMS:

The Chief Deputy Controller is recommending approval of the following resolutions/actions:

1. *Law & Courts Committee- Interviews for Ingham County Family Center Advisory Board*

Committee interviews and potential appointment

- 2a. *Sheriff's Office - Resolution to Allow the Ingham County Sheriff's Office to Enter into an Interlocal Agreement with the City of Lansing and City of East Lansing for the 2014 Local JAG Grant*

This resolution would authorize entering into the Interlocal agreement between Ingham County, the City of Lansing, and the City of East Lansing to accept the \$108,195 allocated portion of the 2014 Local JAG grant. The Lansing Police Department, with their portion of the 2014 Local JAG grant, will voluntarily transfer to the Ingham County Sheriff's Office \$5,000.00 to be used for technology upgrades. The County would not have received any funds again this year under the proposed 2014 JAG grant because the formula requires a certain threshold of serious crime in the Sheriff's Office area of primary jurisdiction. Nonetheless, the County is still required to enter into this agreement and we have done so in previous grant cycles. The City of Lansing voluntarily authorized \$5,000 for the FY 2013 grant year as well for Deputy overtime for "Regional Policing Projects." (see attached memo for details)

- 2b. *Sheriff's Office - Resolution to Honor Deputy Raymond Bollis of the Ingham County Sheriff's Office*

This is a Resolution to honor a retired county employee

Discussion items:

3. *Circuit Court – Circuit Court Administrator Shauna Dunnings - Update on the Court of Claims move to the Court of Appeals*

MEMORANDUM

TO: LAW AND COURTS COMMITTEE

FROM: SHAUNA DUNNINGS, CIRCUIT COURT ADMINISTRATOR

DATE: JUNE 5, 2014

RE: UPDATE ON THE COURT OF CLAIMS MOVING TO THE COURT OF APPEALS

CC: HON. JANELL LAWLESS, CHIEF CIRCUIT JUDGE

Effective November 12, 2013 jurisdiction of the Court of Claims was transferred from the Thirtieth Circuit Court to the Michigan Court of Appeals pursuant to PA 164 of 2013. At the time the legislation was enacted, the Court of Appeals did not have the infrastructure in place to accept the Court of Claims cases.

Pursuant to Ingham County Board of Commissioners Resolution #13-451 the Circuit Court worked cooperatively with the Michigan Court of Appeals during the transition process. The transition period was from November 12, 2013 to February 12, 2014.

In November 2013 and January 2014 the Circuit Court entered into Letters of Agreement with the Michigan Court of Appeals and the State Court Administrative Office to be reimbursed for the costs associated with providing case processing support to the Court of Claims. On April 3, 2014 the State Court Administrative Office and the Court of Claims agreed to reimburse Ingham County \$32,772.50 to cover the costs associated with providing case processing support for the Court of Claims from November 12, 2013 through February 12, 2014.

In 2013 an average of 40 Court of Claims cases were disposed of each quarter which represented an average of 2.22% of all of the Circuit Court cases disposed during the same period of time. (See attached)

I will be in attendance at the June 12, 2014 Law and Courts Committee meeting.
