Commissioner Nolan asked how the Courts were going to handle the \$100,000 reduction in grants contemplated in Action Items No. 2(a)-(b).

John Neilsen, Chief Deputy Controller, provided an overview of the grant awards. He stated that the Court would be looking to renegotiate subcontracts to get everything within budget.

THE MOTION CARRIED UNANIMOUSLY. Absent: Commissioner Schafer.

4. 9-1-1 Center - Resolution Authorizing an Extension of the Infrastructure Maintenance Agreement with Harris Corporation for the Ingham County Public Safety Radio System

MOVED BY COMM. NOLAN, SUPPORTED BY COMM. CRENSHAW, TO APPROVE THE RESOLUTION AUTHORIZING AN EXTENSION OF THE INFRASTRUCTURE MAINTENANCE AGREEMENT WITH HARRIS CORPORATION FOR THE INGHAM COUNTY PUBLIC SAFETY RADIO SYSTEM.

Commissioner Celentino asked for clarification as to whether the County was going to use an RFP process to address this issue as opposed to the six year agreement contemplated in the resolution.

Mr. Neilsen stated that he had recommended the RFP process previously. He further stated that Brent Williams had reported that the County was not in a crisis situation since Harris would be supporting a similar system in Florida through 2021. Mr. Neilsen stated that the proposed contract, contemplated in the resolution, provided the County with an out clause with six month notice to Harris. He further stated that this issue was discussed by the 9-1-1 Advisory Committee. Mr. Neilsen stated that this opportunity was favorable for the County since there was only a 1% maintenance increase for each of the six years.

Commissioner Celentino asked whether the 9-1-1 Advisory Committee was going to continue to develop an RFP recommendation for the Board of Commissioners.

Mr. Neilsen answered that the 9-1-1 Advisory Committee was interested in continuing to develop an RFP recommendation, however what had changed was that Harris Corporation had made a corporate decision to contractually support the existing EDAC's system for a minimum of six more years.

Commissioner Hope asked whether the out clause required the payment of a penalty.

Mr. Neilsen answered no.

Commissioner Nolan stated that she preferred developing the RFP as opposed to entering into the maintenance agreement contemplated by the resolution. She further stated that she would recommend a one or two year contract with Harris instead of six years if this resolution were to be considered.

Chairperson Tsernoglou asked whether this was a possibility.

Mr. Neilsen stated that it was possible, however the out clause could protect the County. He further stated that he would have preferred that Harris provide this contract proposal earlier.

MOVED BY COMM. NOLAN TO AMEND THE RESOLUTION TO MAKE THE CONTRACT A TWO YEAR CONTRACT RATHER THAN SIX YEAR CONTRACT.

Discussion.

THE MOTION TO AMEND THE RESOLUTION FAILED FOR LACK OF SUPPORT.

Commissioner Celentino stated that the Committee and Board of Commissioners could pass a resolution directing the 9-1-1 Advisory Committee to come back to the Committee with an RFP recommendation by a set deadline.

Discussion.

Commissioner Koenig stated that she viewed this resolution as a win-win since there was an out clause.

Discussion.

Commissioner Celentino stated that he wanted to make sure that we did not get off track from developing the RFP now because the maintenance agreement would be available to us for six years.

Chairperson Tsernoglou stated that the 9-1-1 Advisory Committee was directed to come up with a recommendation by the November Committee meeting.

Mr. Neilsen stated that he would pass this directive to the 9-1-1 Advisory Committee.

THE MOTION CARRIED UNANIMOUSLY. Absent: Commissioner Schafer.

Lance Langdon, 9-1-1 Center Director, stated that this issue got started when we began receiving end of life notices. He further stated that this resolution would buy the County time to save or find funds for a new emergency telecommunications system.

Chairperson Tsernoglou asked for a moment of silence in honor of the Lansing firefighter, Dennis Rodeman, who was struck by a vehicle while he was collecting donations for charity and later passed away due to his injuries.

Chairperson Tsernoglou stated that meeting would be suspended at 6:43 p.m. in preparation for a presentation.

Chairperson Tsernoglou called the meeting back to order at 6:48 p.m.

5. Presentation by Dr. Brockman – “Internal Organizational Assessment, Recommended Report - Ingham County 9-1-1 Center”

Mr. Neilsen introduced Dr. Julie Brockman.

- Barb Davidson
- Sherry Larner
- Mike Parker
- Tom Krug
- Kathy Murray-Rice
- Karen Phelps

- Danielle Harris
- Brittany Krogerson
- Stanley Sheridan

Dr. Brockman presented the Internal Organizational Assessment and Recommended Report.

5. Presentation by Dr. Brockman – “Internal Organizational Assessment, Recommended Report - Ingham County 9-1-1 Center”

- a. Question and Answer Period

Commissioner Nolan stated that this report was somewhat unsettling. She asked what the process would be to implement the presented recommendations.

Dr. Brockman stated that she recommended an external facilitative process, so people could learn how to solve the identified issues. She further stated that most of the issues could be addressed internally. Dr. Brockman stated that union leadership should be involved in the process as much as management.

Commissioner Crenshaw asked why there were more interviews completed than surveys.

Dr. Brockman stated that in a few cases, there were technical difficulties. She further stated that some others were concerned with survey's confidentiality.

Commissioner Nolan stated that the current County policy prohibiting employee reviews should be reviewed in the County Services Committee. She further stated that staff should report back to the Committee in three months on the status of implementing these recommendations.

Mr. Neilsen stated that reporting back to the Committee had been their intent.

Discussion.

Chairperson Tsernoglou thanked Dr. Brockman for her presentation.

Commissioner Koenig stated that she toured the 9-1-1 Center for roughly 5-6 hours a while ago, and she was very impressed with everyone's performance and experience.

Announcements

None.

Public Comment

Tom Krug, FOP Executive Director, addressed the Committee. He stated that he was involved in this project from the beginning and Dr. Brockman did an excellent job. Mr. Krug stated that there were issues that needed to be addressed. He further stated that 51 employees who were FOP members were interviewed on their own time, which reflected their dedication to the 9-1-1 Center. Mr. Krug encouraged the commissioners to tour the 9-1-1 Center. He further stated that Dr. Brockman should continue to be involved in this process as an outside facilitator.

Kathy Murray-Rice, 9-1-1 Center Dispatcher and Union Steward, thanked the Committee for retaining Dr. Brockman for this assessment as it was needed. She further stated that we needed to be fast to implement changes that were recommended. Ms. Murray-Rice stated that overtime was a huge issue that needed to be addressed. She further stated that there could be issues with finding proper training if the 9-1-1 Center continued to lose employees.

Barb Davidson, 9-1-1 Center Night Shift Supervisor, stated that the 9-1-1 Center employees were extraordinary. She further stated that working at the 9-1-1 Center was a thankless job. Ms. Davidson stated that she wanted the commissioners interested in what was occurring at the 9-1-1 Center. She further stated that, as a member of the Teamsters, she was recommending that Dr. Brockman be retained as the external facilitator.

Adjournment

The meeting was adjourned at 7:32 p.m.

Re: Victims of Crime Act – Crime Victim Assistance Grant 2015 – 2016
Grant Award

The Victims of Crime Act (VOCA) has awarded the Ingham County Prosecutor’s Office \$ 133,900 to provide direct services to victims of crime. In the past years this grant has only funded one full-time position which is the Domestic Violence Coordinator in the amount of approximately \$75,000. The 2016 Budget reflects that amount because we were not aware that we would be award an increase of \$58,900. This increased grant award will allow more funding to victims of crime. The Domestic Violence Coordinator position will be fully funded. There is also an increase in funding to cover training, supplies, transportation costs and interpretation costs.

VOCA also funds direct services, like crisis counseling to victims of sexual abuse and child abuse. This grant award will allow the Ingham County Prosecutor’s office to contract with Small Talk Children’s Assessment Center who will provide crisis counseling services to victims of sexual assault and severe child abuse.

Crisis Counseling services is currently provided by Small Talk Children’s Assessment Center through a VOCA Grant held by the Shiawassee Child Abuse Prevention Council. Due to the growth and size of Small Talk, Shiawassee County determined that they no longer had the ability to partner with Small Talk to provide crisis counseling. When Shiawassee County terminated the relationship, the thought was that Small Talk would apply on its own for VOCA funds. However, it was determined that the VOCA Grant was not being opened up to new grantees until October 1, 2016. Therefore, in order to continue providing services Small Talk Board of Directors approached the Ingham County Prosecutor’s Office to contract with Small Talk to provide these services and the VOCA office agreed. There are no additional costs to the county.

The breakdown of the grant award is as follows:

Salary & Wages:	\$ 49698.00
Fringe Benefits	\$ 23358.00
Travel	\$ 6972.00
Supplies & Materials	\$ 16391.00
Contractual – Small Talk	\$ 29021.00
Other Expenses	\$ 8450.00
 Total Grant Award	 \$ 133,890.00

RE: Organizational Assessment of the Ingham County 9-1-1 Central Dispatch Center
Additional Facilitation Services Contract Amendment

Commissioners:

The Law & Courts Committee has had several discussions during the past couple of years about ways we can improve the Ingham County 9-1-1 Central Dispatch Center since it began operations in June of 2012. In addition, our Director has reported frequently to the Committee to keep Commissioners apprised on the various challenges the 9-1-1 Center has had to reach full staffing, reduce overtime, improve technology, and address labor issues.

Towards that end, Ingham County approved a proposal by an independent consultant to conduct an Internal Organizational Assessment of the Ingham County 9-1-1 Central Dispatch Center. That assessment was spearheaded by Dr. Julie Brockman, Associate Professor of the Michigan State University School of Human Resources and Labor Relations. The Internal Organizational Assessment has been completed and was presented to the Law & Courts Committee at their September 10, 2015 meeting. That report was also previously sent to all Commissioners and employees at the 9-1-1 Center.

One of the key recommendations was for a facilitator to work with the joint Labor/ Management team to start enacting the recommendations and to identify by priority the top issues to focus on.

I have prepared a resolution for your consideration to authorize a contract amendment with the Michigan State University School of Human Resources and Labor Relations for Dr. Brockman to provide these Facilitation services at cost not to exceed \$ 6,500.

I recommend your approval.

DIRECTOR

RECEIVED
AUG 31 2015

August 31, 2015.

Dear Family Court Judges, Family Court Administrators and County Treasurers:

Please find attached the state ward chargeback rates for calendar year 2016.

The Youth Rehabilitation Services Act, MCL 803.301 et seq., requires that the Department "prescribe the liability of counties for the cost of services for state wards." The Department has determined that the attached rates will be effective for calendar year 2016, effective January 1, 2016. These rates shall remain in effect until the next scheduled revision in 2017.

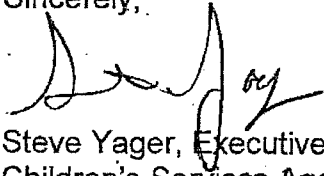

Each county will continue to be charged one-half of the appropriate per diem costs for care provided to a state ward. There is no chargeback for Title IV-E funded youth placements.

The Department is making every effort to contain the cost of care for youth placed in State facilities. We are making every effort to keep the chargeback rate as low as possible, including aggressive cost containment, consolidation of administrative functions, cost effective tangible goods contracts and reduction in fixed costs.

Medical costs incurred for individual youth that are over and above routine medical care will continue to be billed directly and are not included in the per diem cost. Routine medical care consists of services such as routine physical exams, dental exams, first aid and over the counter medications for common ailments. Any non-routine medical costs for an individual youth will be billed to the county with Court jurisdiction over the youth resulting in commitment to DHS under the Youth Rehabilitation Services Act. This change is in keeping with MCL 803.305(1), which requires that "the county from which the public ward is committed is liable to the state for 50% of the cost of his or her care". Attributing non-routine medical costs to the county of commitment will help lower the daily cost for all youth and assign additional medical costs only to the youth in need of such services.

If you have any questions regarding the chargeback rates, please contact Herman McCall, Director, Juvenile Justice Programs at (517) 335-3489.

Sincerely,
