4. **Law & Courts Committee** - Resolution Authorizing 2016 Agreements for Juvenile Justice Community Agencies

MOVED BY COMM. CRENSHAW, SUPPORTED BY COMM. CELENTINO, TO APPROVE THE RESOLUTION AUTHORIZING 2016 AGREEMENTS FOR JUVENILE JUSTICE COMMUNITY AGENCIES.

Commissioner Celentino reviewed the memo accompanying the resolution provided by John Neilsen, Chief Deputy Controller. He stated that in order to reduce the $7,282 excess request of funds to the $100,000 available allocation for the Juvenile Justice Community Agencies, 93% of the requested funds could be allocated to each respective agency. He further stated that a better option may be to allocate the same funding to each agency as 2015.

There was a discussion as to if it was necessary for the community agencies to address the committee.

Commissioner Crenshaw stated that allocating the same amount to each agency as last year would be fair and the best case scenario.

Chairperson Tsernoglou stated that the committee did not have any questions for the agencies and were satisfied with their requests.

Commissioner Celentino addressed the community agency representatives. He stated that not having the representatives speak to the committee did not mean that their services were not valued. He further stated that the services provided to the community, by these agencies, were very much appreciated.

Mr. Neilsen reviewed the allocation options for 2016.

Chairperson Tsernoglou asked why the 2015 funding allocation for Small Talk Children’s Assessment Center was reduced to $9,000, from the original appropriation of $18,000.

Lisa McCormick, Small Talk Children’s Assessment Center, stated that the original appropriation included funding for a position that was not filled.

Commissioner Celentino stated that there was a remaining balance of $962 in funding available and that this money could be dispersed equally among the agencies.
Discussion.

Commissioner Crenshaw stated that the Resolution Services Center of Central Michigan requested $27,500 for 2016 and in 2015 was allocated $20,811; therefore the extra $962 should be allotted to this agency.

MOVED BY COMM. HOPE, SUPPORTED BY COMM. CELENTINO, TO AMEND OPTION ONE TO INCLUDE THE REMAINING BALANCE OF $962 TOWARD RESOLUTION SERVICES CENTER OF CENTRAL MICHIGAN’S 2016 ALLOCATION, BRINGING THEIR TOTAL TO $21,773.

THE MOTION TO APPROVE THE RESOLUTION CARRIED UNANIMOUSLY. Absent: Commissioners Koenig and Nolan.

Chairperson Tsernoglou stated that the committee had decided on option number one and asked Mr. Neilsen to read the final numbers aloud for clarification.

Mr. Neilsen stated the following results for the 2016 individual agency allocation:

- Child and Family Charities – Nexus Program $37,287
- Child and Family Charities - Teen Court $23,902
- Resolution Services Center of Central Michigan $21,773
- Small Talk Children’s Assessment Center $17,038

Chairperson Tsernoglou thanked the Juvenile Justice Community Agencies in attendance.

Re: Contract with Graphic Sciences, Inc.
Transport, Storage and Retrieval of Circuit Court Files

The Circuit Court has approximately 5,677 linear filing feet of Circuit Court files stored in the Annex and Hilliard buildings in Mason. The infrastructure of the Annex building has deteriorated causing the files to be exposed to elements detrimental to the preservation and safekeeping of the files. The Facilities Director, Circuit Court Administrator and Ingham County Clerk had been looking for alternative storage locations for the files currently stored in the Annex and had jointly determined that contracting with Graphic Sciences, Inc. would provide the Court with a secure environment within which to store the Circuit Court files.

In the 2016 budget, the Circuit Court requested and was granted additional operating expenses to address the records storage matter. However, it is the belief of the Facilities Director, Circuit Court Administrator and Ingham County Clerk that it is not prudent to wait until 2016 to begin transferring records to Graphic Sciences, Inc.

The attached resolution requests the authority to enter into a contract with Graphic Sciences, Inc. with a term beginning in 2015 for supplies and packing, storage and retrieval of Circuit Court records. It also requests transfer of $26,526 of the money approved in the 2016 budget for this project to the 2015 budget for temporary employee assistance to prepare the Circuit Court files for transport ($7,670) and for supplies and packing services provided by Graphic Sciences, Inc. ($18,856).

RE: RESOLUTION TO ENTER INTO A CONTRACT WITH THE STATE OF MICHIGAN, MAKING INGHAM COUNTY THE FIDUCIARY AGENT FOR MICHIGAN HOMELAND SECURITY REGION 1 AND ACCEPT THE FY2015 HOMELAND SECURITY GRANT PROGRAM FUNDS.

The FY 2015 Homeland Security Grant Program (HSGP) is a primary funding mechanism that plays an important role in the implementation of the National Preparedness System by supporting the building, sustainment, and delivery of core capabilities essential to achieving the National Preparedness Goal of a secure and resilient Nation.

The purpose of this contract is to provide federal pass-through funds to the Region 1 Homeland Security Planning Board through the County of Ingham. The amount of funding being awarded to Region 1 is $1,019,708. The FY2015 HSGP covers eligible costs from September 1, 2015 to May 31, 2018. At least $254,927 of award funds must be dedicated toward Law Enforcement Terrorism Prevention Activities (LETPA). A Maximum of $509,854 of award funds may be used for personnel and personnel-related activities. A maximum of up to 5% of State Homeland Security Program (SHSP) funds awarded may be retained and used solely for management and administration (M&A) purposes associated with the SHSP Award. This 5% will be retained by the County of Ingham for M&A purposes.

The County of Ingham may only fund projects which directly support one of the FY2015 HSGP grant investments. The State of Michigan shall make final determination on how funds awarded under the grant agreement are allocated and/or spent, from projects reviewed and approved by the Region 1 Planning Board and submitted to the State of Michigan by the County of Ingham.
RESOLUTION TO ENTER INTO A CONTRACT WITH THE STATE OF MICHIGAN MAKING INGHAM COUNTY THE FIDUCIARY AGENT FOR MICHIGAN HOMELAND SECURITY REGION 1 AND ACCEPT THE FY2015 HOMELAND SECURITY GRANT PROGRAM FUNDS

WHEREAS, the Ingham County Office of Homeland Security & Emergency Management has applied for and has been approved to receive pass through grant funds from the FY2015 Homeland Security Grant Program (HSGP); and

WHEREAS, the purpose of these grant funds is to purchase equipment and to provide training in the Homeland Security & Emergency Management field; and

WHEREAS, the total amount of grant funds available to Ingham County agencies is $59,806 from the State Homeland Security Program (SHSP), $19,935 from the Law Enforcement Terrorism Prevention Program (LETPP) for a total of $79,741; and

WHEREAS, the SHSP is a core assistance program that provides funds to build capabilities at the state, local, tribal, and territorial levels, to enhance national resilience to absorb disruptions and rapidly recover from natural disasters and terrorist incidents; and

WHEREAS, there are a number of projects benefiting Ingham County agencies, presently approved or pending approval by the State of Michigan; and

WHEREAS, the total Grant Award for Michigan Homeland Security Region 1 for FY2015 is $1,019,708; and

WHEREAS, Ingham County will be the fiduciary agent for these grant funds for Michigan Homeland Security Region 1.

THEREFORE BE IT RESOLVED, the Ingham County Board of Commissioners authorizes entering into a contract with the State of Michigan, to be the fiduciary agent for the FY2015 Department of Homeland Security, Homeland Security Grant Program, and the acceptance $1,019,708 for the time period of September 1, 2015 to May 31, 2018.

BE IT FURTHER RESOLVED, that the Ingham County Board of Commissioners authorizes the Board Chairperson to sign any necessary contract documents or purchase documents that are consistent with this resolution and approved as to form by the County Attorney.
A program has been developed by Rave Mobility that allows the public to go online and set up a profile with information that would assist in the event they needed to call for emergency assistance. The system has been given the support of the State 9-1-1 office and they have arranged for any PSAP to be provided the “Basic” Smart 911 system at no cost. As you might guess the features of the basic free system are limited and as a result this request is for their full featured “Standard” system. This opens up many features and individual access to the profiles rather than just businesses.

Many PSAP’s have implemented the system. Our neighboring PSAP in Eaton County has had the system in place for some time. We did consider the system when they did but the costs at that time was much greater and with major CAD and EMD projects that were underway we did not want to add an additional project.

The Smart 911 system can provide a great deal of information that can greatly assist 911 staff and first responders with emergency situations. Some information that if added to a profile could be; Medical information about heart conditions, medications, disability information, special medical needs or equipment being used, how to access a home or building in an emergency situation. It can provide photos of family members with dementia, autism or other conditions that might result in their becoming confused and getting lost. It could also have information on what language the caller speaks or that they are hard of hearing or unable to speak, or other information that they wish to provide.

It also can be used to list chemicals or hazards in businesses or buildings that might be hazardous to first responders responding to an emergency at that location.

The cost of this system is borne by the PSAP’s. We would have 5 licenses for our call taking positions, with 13 back up licenses so that it could be accessed at any of our other dispatch positions. The public only has to go online to set up their profile and it is free to them. A very important part for us here at the Center, is that Smart 911 also takes care of keeping the information up to date. They require that the profile be updated every 6 months so that information provided is as accurate as possible, the individual not our 9-1-1 staff, would be responsible for updating this information.

We will also work with our Public Safety agency’s to use this system to replace their old business card files that they would have to go out and get information from their businesses to obtain after hours or other emergency contact information for each one. Instead they can work to get businesses to go online and manage their emergency information.
Rave Mobility will also as part of this purchase assist with marketing and getting the message out to the public about the programs/service so that we can get people to sign up and have needed information at our fingertips when the emergency 9-1-1 comes in. This program is on the AT&T State of Michigan Contract #071B4300006 WSCA#1907.

While Smart 911 was put in as a capital improvement for 2016, it is being requested this year to take advantage of the pricing available in 2015 through the State 9-1-1 Office. With this not being a budgeted item in 2015, I am requesting funds from the 9-1-1 Fund Balance be used to purchase this program, and the 2016 budgeted funds would then be used for the year 2 maintenance/support costs.

I would respectfully request that you approve the purchase of the system and maintenance costs for our citizens to have access to this program.
INHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO APPROVE THE PURCHASE AND SERVICE AGREEMENT WITH RAVE SMART 911 AND AT&T MOBILITY FOR THE SMART 911 SYSTEM TO BE INTEGRATED WITH THE CURRENT 9-1-1 COMPUTER SYSTEMS

WHEREAS, the Ingham County Board of Commissioners has established a Consolidated 9-1-1 Emergency Dispatch Center that opened June 27, 2012; and

WHEREAS, The State of Michigan 9-1-1 Office has partnered with Rave Mobility to provide their Basic SMART 911 system at no cost to the PSAP’s across the state for 2015; and

WHEREAS, the BASIC SMART 911 system allows businesses to develop profiles and the STANDARD Smart 911 allows anyone that wishes to, to develop a personal, family or business profile that is tied to their individual phone number(s) at no cost; and

WHEREAS, the Ingham County 9-1-1 Central Dispatch Center with the purchase of the system and maintenance, would have access to the profiles that have been provided when a user calls 9-1-1; and

WHEREAS, the profile information would provide the 9-1-1 Emergency Telecommunicator with important information about medical conditions, environmental hazards, emergency access codes, or any other information the users provide, to assist Public Safety Responders in helping the individual with their emergency needs; and

WHEREAS, the Ingham County IT Director has a contract in place with AT&T Mobility for services, which is the provider/partner with Rave Mobility for this system; and

WHEREAS, the Ingham County 9-1-1 Central Dispatch Center has submitted with its 2016 budget a capital improvement request which would cover the year 2 maintenance/support costs of the system.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes a contract/purchase order to purchase the Rave Smart 911 system from AT&T Mobility at a cost not to exceed $16,875.00 from the 9-1-1 Emergency Telephone Dispatch Services - 911 Fund balance.

Cathy is always positive, supportive and helpful with her co-workers and trainees. She has been our unofficial photographer making posters of the photos she takes of center staff, working to make it a fun place to be and work.

Cathy stared her 9-1-1 career at a later time in her life than most, and is now looking forward to time traveling with her husband in retirement, after over 13 years serving the citizens of Ingham County.

I would request the attached resolution be approved honoring Cathy for her dedication and service to us all as she retires on October 22, 2015.

MEMORANDUM

October 5, 2015

TO: Finance and Liaison Committees

FROM: Teri Morton, Budget Director

RE: Third Quarter 2015 Budget Adjustments and Contingency Fund Update

Enclosed please find the recommended adjustments to the Ingham County budget for the third quarter of fiscal year 2015. The total decrease to the General Fund is $33,172.

The quarterly budget amendment process as authorized by the Board of Commissioners is necessary to make adjustments to the adopted budget. Usually, adjustments are made as a result of updated revenue and expenditure projections, grant revenues, reappropriations, accounting and contractual changes, and general housekeeping issues.

The biggest revenue adjustment in the general fund is a decrease of $33,172 in secondary road patrol grant revenue based on the award letter from the State of Michigan. The biggest expense adjustment is a decrease of $52,006 in the appropriation to the Health Department. This decrease will balance the transfers out from the general fund to the transfers in to the Health Fund. As grant adjustments are made throughout the year by resolution, there are minor changes in the necessary general fund appropriation. This adjustment will recognize those changes.

Outside the general fund, a significant adjustment is made to recognize the $1.5 million insurance refund received by the County from its liability insurance carrier. This revenue has enabled the county to suspend liability chargebacks to departments as one of its short term budget balancing strategies for 2016.

Also included is an update of contingency fund spending so far this year. Based on items going before the Board this round and last, the current contingency amount is projected at $94,874. The attached document details how the Board has allocated the contingency funds throughout the year, beginning with a balance of $317,183.

Should you require any additional information or have questions regarding this process, please don’t hesitate to contact me.
