LATE ITEMS/DELETIONS/CONSENT ITEMS

Chair Groen announced a late agenda item, a resolution and it will be added under "New Business" as item #5B.

NEW BUSINESS

Review of 2017 Fee Schedule

Mrs. Graham talked about the proposed fee increases for next year. They waited on any rate changes for 2016 until they did a market analysis of other Michigan zoos and zoos of similar size and service area. The attached document shows the ones in bold are the rates to be increased and would go into effect in 2017.

Commissioner Nolan stated the target percent is covering the rate of inflation today.

Chair Groen asked what the Hawk Island parking fees are.

Discussion ensued.

Resolution Allowing the Potter Park Zoo Public Safety Personnel to Enforce the Ordinance of the Ingham County Park Rules and Regulations

Mrs. Graham talked about the resolution. This resolution gives Public Safety the ability to tickets for people found drinking, dumping trash, speeding, etc. in the zoo. According to the County Attorney, permission from the Board of Commissioners is needed to enforce city ordinances.

Commissioner Koenig came in at 6:15 PM.

Mr. Tissue stated this is only for the repeat offenders that keep violating the ordinance and not for the zoo visitors. There is a written protocol now with a verbal warning. LPD is just too busy to come to the zoo and write these types of nuisance tickets.

Discussion ensued. The Board requested more information before approving this resolution.

OLD BUSINESS

Moose Exhibit Update

Mrs. Graham stated there is nothing new to report on. The moose have not been moved yet, but hopefully will have a grand opening in June.

Emergency Egress Completion

Mrs. Graham said there is nothing new. The City and the zoo have done what they needed to do and now are waiting on the railroad.

ZOO DIRECTORS REPORT

Mrs. Graham said her report is in the packet.

The reference page is on page 2 and Item A: Admission Revenues: attendance at the zoo was substantially higher in February of 2016 than 2015 resulting in increased admission revenues. Item B: Parking & Interactive Site Revenues – bank reconciliation items have created a negative balance for parking revenues and positive for the interactive site revenue. Item C: Purchased Services – the zoo no longer receives an allocation for facilities management, as it is now done internally by the zoo. Also, the expenses from the frozen pipe bursting in the animal clinic were in February 2015. Item D: Insurance – flood insurance premiums increased substantially in 2016. Item E: IT Support Expense – IT Support Expense was not allocated to the zoo fund in February 2015. Potter Park Zoo

Board Report

April 2016

April 1, marked the beginning of our new season. Once this unseasonably cold weather is behind us Potter Park Zoo should be off to a great start. Please stop in and see some of the new items in our Gift Shop. It is busting at the seams!

We are involved in a very important reproductive study with our female Black Rhino, Doppsee. She is of prime breeding age and very important to the SSP breeding program. We have been tracking her hormone levels and she is cycling perfectly every 25 days. This is of special concern as females housed without a male often do not cycle. Behavior charts are also being kept and a combination of hormonal, ovarian, and behavioral changes will be used to determine breeding dates. Rhino Reproduction physiologist Monica Stoops PhD from Cincinnati Zoo CREW (Center for Conservation and Research of Endangered Wildlife) visited late March to consult on this project. CREW has a huge IMLS grant to study rhino reproduction and is covering our expenses for this project under this grant.

Meijer will be sponsoring our "Zoo Days," once again this year and have committed more products than last year.

Our docents have graciously offered to fund an improved owl enclosure which will be located across from the wolves and otters.

We have been awarded a \$6,500 grant from the Ingham County Hotel/Motel Funds for Arts and Tourism Fiscal Year 2016. The money received from this grant will be used to supplant some of our marketing money. Good work, Amy!

Our annual Wine and Stein event is scheduled for Thursday, May 19. Tickets may be purchased on line or by contacting our Special Events department at 517-342-2709.

Mark your calendars because building upon suggestions from our Boards, we are planning our first "Family Fun Night" for Wednesday, July 20. We will be including some good food as well as some unique animal experiences.

In a recent meeting with Tim Dolehanty, County Controller, he suggested using Peter Cohl, County Attorney, as a resource to help facilitate some Board Development for us. I have contacted Peter and am waiting to hear back with his ideas and availability.
